STATE OF NEW YORK

2090

2023-2024 Regular Sessions

IN ASSEMBLY

January 23, 2023

Introduced by M. of A. STERN -- read once and referred to the Committee on Governmental Operations

AN ACT to amend the executive law, in relation to a centralized database for participation in response to a declared state emergency

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 719 to read as follows:

§ 719. Centralized database for participation in emergency response. Within six months of the effective date of this section, the division shall create and maintain a centralized database of companies and organizations that can be part of the state's emergency response system to provide goods and services during a period of emergency or disaster declared by the governor. The division shall conduct outreach efforts to develop the database that shall function as a clearinghouse to identify businesses and organizations that are able to produce and provide critical products and services which are needed during a period of emergency or disaster. The division shall communicate with businesses to facilitate needed production and procurement of and shall coordinate distribution of needed products and services.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
