AN ACT to amend the education law, in relation to the automated storage and dispensing of controlled substances using an automated dispensing device

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 6802 of the education law is amended by adding a new subdivision 29 to read as follows:

29. "Automated dispensing device (ADD)" shall mean a mechanical system used in nursing homes and residential health care facilities licensed pursuant to article twenty-eight of the public health law and hospices certified pursuant to article forty of the public health law, that packages and labels patient specific medication or multiple medications for the purposes of administration by a health care professional licensed to administer medications by the state of New York based on a prescription or order that has completed final verification by a licensed pharmacist.

§ 2. The education law is amended by adding a new section 6809 to read as follows:

§ 6809. Automated storage and dispensing of medications. 1. For purposes of this section, "automated dispensing device (ADD)" shall have the same meaning as subdivision twenty-nine of section sixty-eight hundred two of this article.

2. The ADD and its contents shall remain the property of a pharmacy registered under this article. The pharmacy shall maintain all controls, record keeping as required by all laws, rules and regulations of the state. Pharmacies utilizing automated dispensing devices as permitted under this section for routine medication dispensing of controlled substances shall obtain a machine-specific federal Drug

30 technologies to ensure that the containers are accurately loaded in the
31 automated pharmacy system.

32 5. Access to an ADD shall be restricted to authorized pharmacy and
33 facility nursing licensed personnel, registered pharmacy technicians,
34 and pharmacy aides as established by the facility administration in
35 conjunction with the pharmacist-in-charge. A list of such authorized
36 personnel shall be maintained at all times within the system and shall
37 be reviewed and updated periodically.

38 6. All medications, including controlled substances shall be dispensed
39 from an automated dispensing device pursuant to a valid, patient-specif-
40 ic prescription or order.

41 7. The pharmacy and the facility shall implement and maintain
42 adequate and appropriate policies, procedures and quality assurance
43 programs to ensure safety, accuracy, security, accountability, patient
44 confidentiality, and functionality with respect to administration and
45 usage of ADD.

46 8. The ADD will be monitored at the facility continuously by video and
47 under visual supervision by a pharmacist during the loading process.

48 9. Any losses of medication shall be reported in accordance with the
49 requirements of the servicing pharmacy's licensing body.

50 § 3. This act shall take effect on the sixtieth day after it shall
51 have become a law.
