§ 36. Subdivision 3 of section 1270-c of the public authorities law, as amended by section 30 of part 0 of chapter 61 of the laws of 2000, is amended to read as follows:

3. Moneys in the fund may be ~~[(a) pledged by the authority to secure and be applied to the payment of its bonds, notes or other obligations specified by the authority and issued to finance (i) transit projects undertaken for the New York city transit authority and its subsidiaries and (ii) transportation facilities undertaken for the authority and its subsidiaries and (b)]~~ used for payment of operating costs, ~~[and capital costs,]~~ including debt service, reserve requirements, if any, the payment of amounts required under bond and note facilities or agreements

related thereto, the payment of federal government loans, security or credit arrangements or other agreements related thereto, and the payment of all costs related to such obligations, of or for the authority[~~, the New York city transit authority and their subsidiaries as the authority shall determine~~]. To the extent moneys in the fund have already been pledged by the authority prior to January first, two thousand twenty-four to secure and pay its bonds, notes or other obligations [~~as herein provided~~], moneys deposited into the fund shall first be deposited into the pledged amounts account to the extent necessary to satisfy the requirements of any debt service or reserve requirements, if any, of the resolution authorizing such bonds, notes or other obligations. After satisfaction of such requirements of the resolution, or if the authority has not so pledged the moneys in the fund, moneys deposited in the fund shall be directly deposited into the operating and capital costs account and, subject to the provisions of any resolutions of the authority not secured by the pledged amounts account, transferred forthwith to or for the benefit of the [~~New York city transit authority and its subsidiaries and the Staten Island rapid transit operating authority~~] big apple transit authority (the "[~~TA~~] BAT") and to and for the benefit of the [~~Long Island Rail Road company and the Metro-North commuter rail road company~~] commuter transportation authority (the "[~~CRR~~] CTA") as provided in this section.

Moneys in the operating and capital costs account which were deposited in the fund pursuant to appropriation from moneys deposited in the dedicated mass transportation trust fund for payment to the metropolitan transportation authority dedicated tax fund pursuant to subdivision (d) of section three hundred one-j of the tax law (the "remaining PBT amount") shall be distributed by the authority as follows: an amount equal to the debt service incurred in such calendar year as a result of obligations issued and secured by moneys in the fund, to the extent such debt service is to be paid from money deposited in the fund pursuant to appropriation from moneys deposited in the dedicated mass transportation trust fund for payment to the metropolitan transportation authority dedicated tax fund pursuant to subdivision (d) of section three hundred one-j of the tax law ("PBT debt service"), shall be added to the remaining PBT amount. The sum of these figures shall then be allocated as follows: eighty-five per centum of such sum shall be allocated to the [~~TA~~] BAT and fifteen per centum of such sum shall be allocated to the [~~CRR~~] CTA. The amounts so allocated shall then be reduced respectively by the proportional amount of PBT debt service attributable to the payments for transit projects undertaken for the [~~TA~~] BAT and transportation facility projects undertaken for the [~~CRR~~] CTA. The remaining amounts shall constitute the respective distributable shares of the remaining PBT amount and shall be distributed to or for the benefit of the [~~TA~~] BAT and the [~~CRR~~] CTA.

Moneys in the operating and capital costs account which were deposited in the fund pursuant to section eighty-eight-a of the state finance law (the "remaining MMTOA amount") shall be distributed by the authority as follows: an amount equal to the debt service incurred in such calendar year as a result of obligations issued and secured by money in the fund, to the extent such debt service is to be paid from money deposited in the fund pursuant to section eighty-eight-a of the state finance law ("MMTOA debt service"), shall be added to the remaining MMTOA amount. The sum of these figures shall then be allocated as follows: there shall be allocated (i) to the [~~TA~~] BAT an amount of such sum which bears the same proportion to such sum as the amount appropriated and paid during

1 such calendar year from the metropolitan mass transportation operating
2 assistance account to the authority for the operating expenses of the
3 [TA] BAT bears to the total amounts so appropriated and paid from such
4 operating assistance account during such calendar year to the [TA] BAT
5 and [CRR] CTA combined and (ii) to the [CRR] CTA an amount of such sum
6 which bears the same proportion to such sum as the amount appropriated
7 and paid during such calendar year from the metropolitan mass transpor-
8 tation operating assistance account to the [CRR] CTA bears to the total
9 amounts so appropriated and paid from such operating assistance account
10 during such calendar year to the [TA] BAT and [CRR] CTA combined. The
11 amounts so allocated shall then be reduced respectively by the propor-
12 tional amount of MMTOA debt service attributable to the payments for
13 transit projects undertaken for the [TA] BAT and transportation facility
14 projects undertaken for the [CRR] CTA. The remaining amounts shall
15 constitute the respective distributable shares of the remaining MMTOA
16 amount and shall be distributed to or for the benefit of the [TA] BAT
17 and the [CRR] CTA. In no event shall the authority utilize any measure
18 or calculation for determining such distributable shares other than the
19 formula prescribed herein nor shall the authority take any action which
20 would result in the use of such money which is different from or incon-
21 sistent with the use prescribed in this section.

22 To the extent that amounts described in the preceding two paragraphs
23 are distributed more frequently than annually, each such distribution
24 shall be made as nearly as may be practicable in accordance with the
25 allocations described above to the [TA] BAT and the [CRR] CTA. Within
26 thirty days after the end of each calendar year, the authority shall
27 certify to the director of the budget, the chairperson of the senate
28 finance committee and the chairperson of the assembly ways and means

32 dedicated tax fund pursuant to subdivision (d) of section three hundred
33 one-j of the tax law and section eighty-eight-a of the state finance
34 law, the amounts expended from the pledged amounts account for the bene-
35 fit of the [TA] BAT and the [CRR] CTA, and the amounts of the remaining
36 PBT amount and the remaining MMTOA amount distributed during the prior
37 calendar year to the [TA] BAT and the [CRR] CTA and specifying in each
38 case the appropriation or appropriations which was the source of such
39 amounts.

53 this section shall have the meaning given to such term from time to time
54 in section ~~[twelve hundred sixty-six-e]~~ thirteen hundred forty-nine-j of
55 this article. The provisions of this section shall be controlling and
56 the authority and its subsidiaries shall have the powers provided in

1 this section notwithstanding any contrary provision of this title or of
2 local law or of any lease or other agreement with the city.

3 2. (a) The authority is hereby authorized to request the [~~metropolitan~~

7 ~~portation~~] big apple transit authority concerning transit projects; (ii)
8 to acquire in its own name by gift, purchase or condemnation any real or
9 personal property (or any interest therein) which is needed or useful
10 for or in connection with such project, and to surrender the use, occu-

25 with money received from the Triborough bridge and tunnel authority, for
26 such consideration and on such terms or conditions as it may deem appro-
27 priate, and to obtain a lease from the transferee on such terms and
28 conditions and for such period as it may deem appropriate pursuant to
29 which it may operate, use, control or possess such mass commuting vehi-

36 such lease during each twelve month period of the lease term shall not
37 exceed the aggregate amount receivable, whether by principal or inter-

39 during each such twelve month period. Without limitation of the forego-

45 or its subsidiary in connection with such lease, and requiring the
46 authority or its subsidiary corporation to undertake to replace, repair
47 or restore any such mass commuting vehicle, but such obligations shall
48 not be deemed regularly scheduled rental payments for purposes of the
49 preceding sentence. Rental payments and other payments or costs incurred
50 by the authority or its subsidiary corporation in discharge of its obli-
51 gations under any lease entered into as hereinabove provided shall not
52 be deemed capital costs for the purposes of section twelve hundred three
53 or twelve hundred three-a of this title, and the considerations received
54 by the authority or its subsidiary corporation in connection with any

(d) The authority and its subsidiary shall provide to the [~~governor, the temporary president of the senate, the speaker of the assembly, the minority leader of the senate and the minority leader of the assembly,~~] mayor and speaker of the city council notice of each lease entered into pursuant to paragraph (b) of this subdivision and supporting documentation of compliance by the authority and its subsidiary with subparagraphs (i), (ii) and (iii) of paragraph (c) of this subdivision.

(e) Paragraphs (c) and (d) of this subdivision shall be of no force and effect with respect to any lease transaction entered into pursuant to a commitment approved prior to January first, nineteen hundred eighty-five by the board of the authority or its subsidiary or the board of the metropolitan transportation authority.

3. The authority and its designated subsidiaries are hereby authorized, in connection with any transit project, to pay or agree to pay, in a manner and on terms and conditions satisfactory to the [~~metropolitan transportation~~] big apple transit authority, any portion of the costs to the [~~metropolitan transportation~~] big apple transit authority of such transit project and the financing thereof which is not paid to the [~~metropolitan transportation~~] big apple transit authority from any federal, state or local aid or assistance or from any other moneys made available or payable to the [~~metropolitan transportation~~] big apple transit authority by others for such project.

4. (a) Such agreements with the [~~metropolitan transportation~~] big apple transit authority may, without limitation, contain provisions obligating the authority or its designated subsidiary to:

(i) issue its notes or bonds, or execute and deliver its lease, sublease and other such contractual obligations, in payment for a transfer, lease or sublease of a transit project to any of them, provided, however, that in no event shall the aggregate principal amount of all notes and bonds together with the capitalized value of all lease, sublease and other such contractual obligations, exceed the sum of one billion six hundred million dollars, excluding from such limitation (A) the principal amount of any bonds or notes of the authority to the extent the amount thereof is paid, is payable or has been agreed to be paid by the federal government or any agency or instrumentality thereof to the authority or to the holders of such bonds or notes, (B) the prin-

1 cipal amount of any bonds or notes of the authority issued to refund or
2 otherwise repay other obligations issued for such transit projects, (C)
3 the principal amount of any bonds or notes and the capitalized value of
4 any lease, sublease or other such contractual obligation, to the extent
5 such obligations are paid or agreed to be paid, subject to annual appro-
6 priation, under service contracts issued by the state to the metropol-
7 itan transportation authority for the benefit of the authority or its
8 subsidiaries pursuant to the provisions of section sixteen of the trans-

10 similar contract of the metropolitan transportation authority or the
11 authority with any other governmental entity for the benefit of the
12 authority or its subsidiaries, (D) the principal amount of any bonds or
13 notes of the authority issued to the metropolitan transportation author-
14 ity or to the big apple transit authority in connection with the funding
15 of any debt service reserve fund required by any resolution of the
16 metropolitan transportation authority or of the big apple transit
17 authority pursuant to which special obligation bonds of that authority
18 to fund a transit project were issued, and (E) a principal amount of any
19 bonds or notes of the authority equal to the amount of any original
20 issue discount from the principal amount of the special obligation bonds
21 or notes issued by the metropolitan transportation authority or by the
22 big apple transit authority in connection with the financing of a trans-
23 it project by that authority;

24 (ii) give security for the payment of such notes, bonds, lease,
25 sublease or other contractual obligations, including a pledge of all or
26 any part of its revenues or other moneys, which pledge may contain
27 covenants with respect to the charging and fixing of fares, fees and
28 rentals, the use and disposition of such fares, fees, rentals and other
29 charges, and the setting aside of reserves therefrom.

30 (b) Such agreements, and any notes, bonds, lease, sublease or other
31 contractual obligations issued or entered into by the authority or its
32 designated subsidiary pursuant thereto, may, without limitation, also
33 contain provisions as to:

34 (i) limitations with respect to the use and disposition of transit
35 projects and with respect to any other transit facilities;

36 (ii) limitations on the issuance of additional bonds, notes, lease,
37 sublease or other contractual obligations, the terms upon which they may
38 be secured and the funding or refunding thereof;

39 (iii) with respect to bonds or notes, vesting in a trustee or trustees

44 default and providing rights and remedies in the event of default;

45 (v) any other matters, of like or different character, which in any
46 way affect the security or protection of the [~~metropolitan transporta-~~
47 ~~tion~~] big apple transit authority or any lessor; and

48 (vi) consenting to the extending or assignment by the [~~metropolitan~~
49 ~~transportation~~] big apple transit authority or by any lessor to the
50 holders of any of its bonds, notes or lease obligations of all of the
51 benefits and rights of the [~~metropolitan transportation~~] big apple tran-
52 sit authority or of such lessor provided by any such agreement or other
53 instrument.

54 (c) The term "revenues" as used in this subdivision shall include all
55 those moneys referred to in section twelve hundred of this [~~article~~]

1 title, as well as all operating subsidies provided by any public benefit
2 corporation or by any governmental entity, federal, state or local.

3 (d) The term "capitalized value" as used in this subdivision shall
4 mean the present value of all future payments required under a lease,
5 sublease and other such contractual obligation discounted at a rate of
6 interest determined on the basis of the net interest cost of the last
7 ~~[metropolitan transportation]~~ big apple transit authority's special
8 obligation bonds issued prior to the execution of any such lease,
9 sublease or other contractual obligation or, if no such bonds have been
10 issued, on the basis of the net interest cost of the last bonds issued
11 by the Triborough bridge and tunnel authority, issued in payment for the
12 transfer, lease or sublease of any such transit projects.

13 5. It is the intention hereof that, subject to such agreements with
14 bondholders or noteholders as may then exist, any pledge of revenues or
15 other moneys made by the authority or its subsidiaries shall be valid
16 and binding from the time when the pledge is made; that the revenues or
17 other moneys so pledged and thereafter received by the authority or its
18 subsidiaries shall immediately be subject to the lien of such pledge
19 without any physical delivery thereof or further act, and that the lien
20 of any such pledge shall be valid and binding as against all parties
21 having claims of any kind in tort, contract or otherwise against the
22 authority or its subsidiaries irrespective of whether such parties have
23 notice thereof. Neither the agreement nor any other instrument by which
24 a pledge is created need be recorded.

25 6. So long as the authority or any of its subsidiaries shall have any
26 outstanding and unpaid obligation in connection with a transit project,
27 the authority and such subsidiaries shall have the power at all times to
28 fix or adjust the rate or rates of fares, fees, rentals or other charges
29 to be charged for the use of their transit facilities as may, together
30 with all other lawfully available moneys, be necessary in their judgment
31 to produce sufficient revenues to pay such obligations as the same
32 become due, in addition to paying as the same shall become due expenses
33 of operation of the transit facilities and satisfying all other obli-
34 gations of the authority and such subsidiaries. No acts or activities
35 taken or proposed to be taken by the authority pursuant to this subdivi-

48 new leases, for such terms of years and upon such other terms and condi-

50 tation]~~ big apple transit authority shall approve, provided that under
51 the terms thereof, the rights, privileges and obligations of the parties
52 are not inconsistent with the provisions of, or in derogation of the
53 powers of the authority all as provided in this title ~~[nine of article
54 five of this chapter]~~, and provided further that such agreements shall
55 in no way impair the rights or powers of the authority or the Manhattan
56 and Bronx surface transit operating authority to fulfill the terms of

1 any contract made by either of them with the holders of any of their
2 then outstanding bonds or notes, and such agreements shall provide that
3 such leases may not be terminated or permitted to expire or be amended
4 in any way inconsistent with the provisions of any agreement, bond,
5 note, lease, sublease or other contractual obligation given or made by
6 either of them in connection with a transit project. Neither the
7 provisions of section one hundred ninety-seven-c of the New York city
8 charter, relating to a uniform land use review procedure, nor the
9 provisions of any other local law of like or similar import shall apply
10 to the renewal or extension of the existing leases or to the making of
11 new leases as herein provided.

19 reserved therein or permit the expiration thereof, (ii) the city shall
20 not in any way limit or disturb any right of the tenant to use, occupy,
21 control and possess any of the properties, facilities or revenues which
22 are the subject of such existing lease, and (iii) the city shall not
23 seek to enforce such existing lease in any way inconsistent with or
24 contrary to the manner in which such existing lease had been adminis-
25 tered prior to the enactment of this section or inconsistent with or
26 contrary to the interests of the [~~metropolitan transportation~~] big apple
27 transit authority or any lessor under any agreement, notes, bonds,
28 lease, sublease or other contractual obligations of the authority or any
29 of its subsidiaries issued or entered into in connection with a transit
30 project (and to the extent the provisions of such leases conflict at any
31 time or in any manner with the provisions of any such note, bond, lease,
32 sublease or other contractual obligation, the provisions of such note,
33 bond, lease, sublease or other contractual obligation shall be control-
34 ling and conflicting provisions of the leases with the city shall be
35 disregarded), unless prior thereto the city has satisfied all of such
36 outstanding notes, bonds or other contractual obligations and provided
37 for the termination of all such agreements, leases and subleases, all in
38 accordance with their terms. If and to the extent moneys are paid by
39 the city to the authority or its subsidiaries to satisfy their obli-
40 gations to the [~~metropolitan transportation~~] big apple transit authority
41 under such instruments, the authority and such subsidiaries shall remit
42 such moneys to the [~~metropolitan transportation~~] big apple transit
43 authority, which shall, in turn, apply the same to the satisfaction and
44 termination of its own notes, bonds and leases issued or entered into in
45 connection with a transit project in accordance with their terms.

46 (c) Upon termination or expiration of a new lease or of a renewed or
47 extended existing lease as permitted in paragraph (a) of this subdivi-
48 sion, or upon satisfaction of the requirements of paragraph (b) of this
49 subdivision, title to any real or personal property (or any interest
50 therein) constituting all or any part of a transit project then vested
51 in the authority or any of its subsidiaries or the [~~metropolitan trans-~~
52 ~~portation~~] big apple transit authority pursuant to the provisions of
53 this chapter shall be transferred without further consideration or
54 payment to the city.

55 8. The state of New York does hereby pledge to and agree with the
56 authority and its subsidiaries, the big apple transit authority and its

1 subsidiaries, and the metropolitan transportation authority and the
2 holders of bonds or notes or lease, sublease or other contractual obli-
3 gations issued by any of them in connection with a transit project or in
4 connection with the transfer of the interest of any of them in and the
5 lease from the transferee of any property furnished to it pursuant to
6 chapter twelve of the laws of nineteen hundred seventy-nine or section
7 fifteen of chapter three hundred fourteen of the laws of nineteen
8 hundred eighty-one, or in connection with any transaction entered into
9 pursuant to the authorization of paragraph (b) of subdivision two of
10 this section, that the state will not limit or alter the denial of
11 authority under subdivision eleven of this section, or the rights and
12 powers vested in the authority and its subsidiaries by this title to
13 fulfill the terms of any agreement made by any of them with the big
14 apple transit authority or the metropolitan transportation authority or
15 with such holders, or in any way impair their rights and remedies until
16 such agreements, bonds, notes, and obligations, together with the inter-
17 est thereon and all costs and expenses in connection with any action or
18 proceedings by or on behalf of the big apple transit authority or the
19 metropolitan transportation authority or such holders, are fully met and
20 discharged. The authority and its subsidiaries are each authorized to
21 include this pledge and the agreement of the state in any agreement with
22 the holders of such bonds or notes or lease, sublease or other obli-
23 gations and in any agreement with the big apple transit authority or the
24 metropolitan transportation authority relating to a transit project
25 which may extend the same to the holders of its bonds, notes and lease
26 obligations.

27 9. The provisions of this section and of all agreements undertaken by
28 the authority or any of its subsidiaries in accordance therewith shall
29 in all respects be subject to the rights of the holders of any outstand-
30 ing bonds or notes of the authority and its subsidiaries.

31 10. In connection with the negotiation, award and implementation of
32 contracts of the authority relating to transit projects, the provisions
33 of [~~paragraphs (a), (b), (c) and (d) of subdivision~~] subdivisions thir-
34 teen and fourteen of section [~~twelve hundred sixty-six-e~~] thirteen
35 hundred forty-nine-j of this article shall apply to the authority as if

17 the authority to any such person or entity and leaseback to the authori-
18 ty, in each case for subleasing to the requesting authority, its desig-
19 nated subsidiary or other designee for a nominal rental, except that
20 such leasing or leaseback from such person or entity may be directly to
21 the requesting authority or its designated subsidiary or other designee,
22 for consideration, with the consent and at the expense of the authority.
23 The foregoing authorization shall extend to and include the continuation

41 be less than the toll rates charged for the use of the other, and this
42 clause shall be deemed an obligation to the holders of any and all bonds
43 at any time issued secured by the revenues of said projects. Subject to
44 contracts with bondholders, all tolls and other revenues derived from
45 any project shall be applied to the payment of operating, administration
46 and other necessary expenses of the authority properly chargeable to
47 such project and thereafter to the payment of interest or principal of
48 bonds or for making sinking fund payments for bonds, not otherwise

50 or any other project. It is the intention hereof that surplus funds from
51 any project remaining after providing for the payment of all operating,
52 administration and other necessary expenses of the authority and all
53 contract provisions with respect to any bonds, may be used to meet obli-

17. To do all things necessary or convenient to carry out the powers expressly given in this title and to assist and cooperate with the [~~metropolitan transportation~~] big apple transit authority to carry out the powers of the [~~metropolitan transportation~~] big apple transit authority in furtherance of the purposes and powers of the authority as provided in this article, including, without limitation, the transactions described in sections [~~twelve hundred sixty-six-e~~] thirteen hundred forty-nine-j, [~~twelve hundred sixty-nine~~] thirteen hundred forty-nine-u, and [~~twelve hundred seventy-d~~] thirteen hundred forty-nine-dd of this chapter.

Within fifteen days of such submission, the board may notify the authority of its unanimous approval of the same by the members entitled to vote thereon, or if the resolution is not approved and no individual member of the board who is entitled to vote on such resolution has notified the authority in writing of his disapproval, the resolution shall be deemed to have been approved. Neither the board nor any member thereof shall disapprove a proposed resolution by reason of any covenant requiring the authority to charge and fix tolls, rentals and other charges sufficient to pay its operating expenses and the debt service, including the funding of requisite reserves, on the bonds and notes authorized by such resolution. If the board or any member thereof entitled to vote thereon shall disapprove a proposed resolution, the authority may, at any time, resubmit a reformulated resolution. Within ten days of the submission of

1 such reformulated resolution the board may notify the authority of its
2 unanimous approval of the same by the members entitled to vote thereon,
3 or, if the reformulated resolution is not approved and no individual
4 member of the board who is entitled to vote thereon has notified the
5 authority in writing of his disapproval within such period, the reformu-
6 lated resolution shall have been deemed to have been approved. Any
7 individual member of the board who votes against a resolution or a
8 reformulated resolution or who notifies the authority of his disapproval
9 shall state his reasons therefor. The member appointed on the recommen-

23 the acquisition of capital assets for the benefit of the capital program
24 of the Triborough bridge and tunnel authority or the transit capital
25 program;

26 5. to make and alter by-laws for its organization and internal manage-

36 one newspaper of general circulation, and a copy thereof shall be mailed
37 to all parties who have requested notification from the authority to
38 engage in transactions of this type, and such notice shall describe the

42 (ii) the authority shall negotiate with those respondents whose
43 response complies with the requirements set forth in the notice;

51 this subdivision and supporting documentation of compliance by the
52 authority with subparagraphs (i), (ii) and (iii) of paragraph (a) of
53 this subdivision;

54 (c) paragraphs (a) and (b) of this subdivision shall be of no force
55 and effect with respect to any lease transaction entered into pursuant

1 to a commitment approved prior the effective date of this section by the
2 board of the metropolitan transportation authority;

3 7. to acquire, hold, and dispose of real or personal property in the
4 exercise of its powers;

5 8. to appoint such officers and employees as it may require for the
6 performance of its duties, and to fix and determine their qualifica-

10 9. (a) notwithstanding section one hundred thirteen of the retirement

14 other benefits provided or required for railroad personnel pursuant to
15 federal or state law;

16 (b) the authority and any of its public benefit subsidiary corpo-
17 rations may be a "participating employer" in the New York city employ-

21 such public benefit subsidiary corporation, as the case may be, or any
22 subsequent amendment thereof, filed with the comptroller and accepted by
23 such comptroller pursuant to section thirty-one of the retirement and

25 the authority and any of its public benefit subsidiary corporations
26 shall consider the coverages and benefits continued or provided pursuant
27 to paragraph (a) of this subdivision;

28 10. to make plans, surveys, and studies necessary, convenient or
29 desirable to the effectuation of the purposes and powers of the authori-
30 ty and to prepare recommendations in regard thereto;

31 11. to enter upon such lands, waters or premises as in the judgment of
32 the authority as may be necessary, convenient or desirable for the
33 purpose of making surveys, soundings, borings and examinations to accom-

35 for actual damage done;

36 12. to conduct investigations and hearings in the furtherance of its
37 general purposes, and in aid thereof have access to any books, records
38 or papers relevant thereto; and if any person whose testimony shall be

40 fail or refuse to aid or assist the authority in the conduct of any
41 investigation or hearing, or to produce any relevant books, records or

51 § 1349-f. Contracts. 1. (a) Except as otherwise provided in this
52 section, all purchase contracts for supplies, materials or equipment
53 involving an estimated expenditure in excess of one million dollars and
54 all contracts for public work involving an estimated expenditure in
55 excess of one million dollars shall be awarded by the authority to the
56 lowest responsible bidder after obtaining sealed bids in the manner

1 hereinafter set forth. For purposes hereof, contracts for public work
2 shall exclude contracts for personal, engineering and architectural, or
3 professional services. The authority may reject all bids and obtain new
4 bids in the manner provided by this section when it is deemed in the
5 public interest to do so or, in cases where two or more responsible
6 bidders submit identical bids which are the lowest bids, award the
7 contract to any of such bidders or obtain new bids from such bidders.
8 Nothing in this paragraph shall obligate the authority to seek new bids
9 after the rejection of bids or after cancellation of an invitation to
10 bid. Nothing in this section shall prohibit the evaluation of bids on
11 the basis of costs or savings including life cycle costs of the item to
12 be purchased, discounts, and inspection services so long as the invita-
13 tion to bid reasonably sets forth the criteria to be used in evaluating
14 such costs or savings. Life cycle costs may include but shall not be
15 limited to costs or savings associated with installation, energy use,
16 maintenance, operation and salvage or disposal.

17 (b) Section twenty-eight hundred seventy-nine of this chapter shall
18 apply to the authority's acquisition of goods or services of any kind,
19 in the actual or estimated amount of fifteen thousand dollars or more,
20 provided:

21 (i) that a contract for services in the actual or estimated amount of
22 one million dollars or less shall not require approval by the board of
23 the authority regardless of the length of the period over which the
24 services are rendered, and provided further that a contract for services
25 in the actual or estimated amount of one million dollars or more shall
26 require approval by the board of the authority regardless of the length
27 of the period over which the services are rendered unless such a
28 contract is awarded to the lowest responsible bidder after obtaining
29 sealed bids; and

30 (ii) the board of the authority may by resolution adopt guidelines
31 that authorize the award of contracts to small business concerns, to
32 service disabled veteran owned businesses certified pursuant to article
33 seventeen-B of the executive law, or minority or women-owned business
34 enterprises certified pursuant to article fifteen-A of the executive
35 law, or purchases of goods or technology that are recycled or remanufac-
36 tured, in an amount not to exceed one million dollars without a formal
37 competitive process and without further board approval. The board of the
38 authority shall adopt guidelines which shall be made publicly available
39 for the awarding of such contract without a formal competitive process.

40 2. (a) Advertisement for bids, when required by this section, shall be
41 published at least once in a newspaper of general circulation in the
42 area served by the authority and in the procurement opportunities news-
43 letter published pursuant to article four-C of the economic development
44 law provided that, notwithstanding the provisions of such article, an
45 advertisement shall only be required for a purchase contract for
46 supplies, materials or equipment when required by this section. Publi-
47 cation in a newspaper of general circulation in the area served or in
48 the procurement opportunities newsletter shall not be required if bids
49 for contracts for supplies, materials or equipment are of a type regu-
50 larly purchased by the authority and are to be solicited from a list of
51 potential suppliers, if such list is or has been developed consistent
52 with the provisions of subdivision six of this section. Any such adver-
53 tisement shall contain a statement of:

54 (i) the time and place where bids received pursuant to any notice
55 requesting sealed bids will be publicly opened and read;

56 (ii) the name of the contracting agency;

1 (iii) the contract identification number;
2 (iv) a brief description of the public work, supplies, materials, or
3 equipment sought, the location where work is to be performed, goods are
4 to be delivered or services provided and the contract term;
5 (v) the address where bids or proposals are to be submitted;
6 (vi) the date when bids or proposals are due;
7 (vii) a description of any eligibility or qualification requirement or
8 preference;
9 (viii) a statement as to whether the contract requirements may be
10 fulfilled by a subcontracting, joint venture, or co-production arrange-
11 ment;
12 (ix) any other information deemed useful to potential contractors; and
13 (x) the name, address, and telephone number of the person to be
14 contacted for additional information. At least fifteen business days
15 shall elapse between the first publication of such advertisement or the
16 solicitation of bids, as the case may be, and the date of opening and
17 reading of bids.
18 (b) The authority may designate any officer or employee to open the
19 bids at the time and place bids are to be opened and may designate an
20 officer to award the contract to the lowest responsible bidder. Such
21 designee shall make a record of all bids in such form and detail as the
22 authority shall prescribe. All bids received shall be publicly opened
23 and read at the time and place specified in the advertisement or at the
24 time of solicitation, or to which the opening and reading have been
25 adjourned by the authority. All bidders shall be notified of the time
26 and place of any such adjournment.
27 3. Notwithstanding the foregoing, the authority may, by resolution
28 approved by a two-thirds vote, or by a majority vote with respect to
29 contracts proposed to be let pursuant to paragraph (a) of this subdivi-
30 sion, declare that competitive bidding is impractical or inappropriate
31 because of the existence of any of the circumstances hereinafter set
32 forth and thereafter the authority may proceed to award contracts with-
33 out complying with the requirements of subdivision one or two of this
34 section. In each case where the authority declares competitive bidding
35 impractical or inappropriate, it shall state the reason therefor in
36 writing and summarize any negotiations that have been conducted. Except
37 for contracts awarded pursuant to paragraphs (a), (b), (c) and (e) of
38 this subdivision, the authority shall not award any contract pursuant to
39 this subdivision earlier than thirty days from the date on which the
40 authority declares that competitive bidding is impractical or inappro-
41 priate. Competitive bidding may only be declared impractical or inappro-
42 priate where:
43 (a) the existence of an emergency involving danger to life, safety or
44 property requires immediate action and cannot await competitive bidding
45 or the item to be purchased is essential to efficient operation or the
46 adequate provision of service and as a consequence of an unforeseen
47 circumstance such purchase cannot await competitive bidding;
48 (b) the item to be purchased is available only from a single responsi-
49 ble source, provided that if bids have not been solicited for such item
50 pursuant to subdivision one of this section within the preceding twelve
51 months public notice shall first be given pursuant to subdivision four
52 of this section;
53 (c) the authority receives no responsive bids or only a single respon-
54 sive bid in response to an invitation for competitive bids;

1 (d) the authority wishes to experiment with or test a product or tech-
2 nology or new source for such product or technology or evaluate the
3 service or reliability of such product or technology;

4 (e) the item is available through an existing contract between a
5 vendor and: (i) another public authority provided that such other
6 authority utilized a process of competitive bidding or a process of
7 competitive requests for proposals to award such contracts; (ii) Nassau
8 county; (iii) the state of New York; or (iv) the city of New York,
9 provided that in any case when under this paragraph the authority deter-
10 mines that obtaining such item thereby would be in the public interest
11 and sets forth the reasons for such determination. The authority shall
12 accept sole responsibility for any payment due the vendor as a result of
13 the authority's order;

14 (f) the authority determines that it is in the public interest to
15 award contracts pursuant to a process for competitive requests for
16 proposals as hereinafter set forth. For purposes of this section, a
17 process for competitive requests for proposals shall mean a method of
18 soliciting proposals and awarding a contract on the basis of a formal
19 evaluation of the characteristics, such as quality, cost, delivery sche-
20 dule and financing of such proposals against stated selection criteria.
21 Public notice of the requests for proposals shall be given in the same
22 manner as provided in subdivision four of this section and shall include
23 the selection criteria. In the event the authority makes a material
24 change in the selection criteria from those previously stated in the
25 notice, it will inform all proposers of such change and permit proposers
26 to modify their proposals;

27 (i) except for a contract with a value of one hundred million dollars
28 or less that is awarded pursuant to this paragraph to the proposer whose
29 proposal is the lowest cost, the authority may award a contract pursuant
30 to this paragraph only after a resolution approved by a two-thirds vote
31 of the board at a public meeting of the authority with such resolution:
32 (A) disclosing the other proposers and the substance of their proposals;
33 (B) summarizing the negotiation process including the opportunities, if
34 any, available to proposers to present and modify their proposals; and
35 (C) setting forth the criteria upon which the selection was made
36 provided however that for purposes of this subparagraph the board may,
37 at its discretion, require such a resolution be approved for contracts
38 with a value of one hundred million dollars or less;

39 (ii) nothing in this paragraph shall require or preclude (A) negoti-
40 ations with any proposers following the receipt of responses to the
41 request for proposals, or (B) the rejection of any or all proposals at
42 any time. Upon the rejection of all proposals, the authority may solicit
43 new proposals or bids in any manner prescribed in this section;

44 (g) the authority issues a competitive request for proposals pursuant
45 to the procedures of paragraph (f) of this subdivision for the purchase
46 or rehabilitation of rail cars and omnibuses. Any such request may
47 include among the stated selection criteria the performance of all or a
48 portion of the contract at sites within the state of New York or the use
49 of goods produced or services provided within the state of New York,
50 provided however that in no event shall the authority award a contract
51 to a manufacturer whose final offer, as expressed in unit cost is more
52 than ten percent higher than the unit cost of any qualified competing
53 final offer, if the sole basis for such award is that the higher priced
54 offer includes a more favorable provision for the performance of the
55 contract within the state of New York or the use of goods produced or
56 services provided within the state of New York, and further provided

1 that the authority's discretion to award a contract to any manufacturer
2 shall not be so limited if a basis for such award, as determined by the
3 authority, is superior financing, delivery schedule, life cycle, reli-
4 ability, or any other factor the authority deems relevant to its oper-
5 ations;

6 (i) except for a contract with a value of one hundred million dollars
7 or less that is awarded pursuant to this paragraph to the proposer whose
8 proposal is the lowest cost, the authority may award a contract pursuant
9 to this paragraph only after a resolution approved by a vote of not less
10 than a two-thirds vote of its members then in office at a public meeting
11 of the authority with such resolution: (A) disclosing the other propo-
12 sers and the substance of their proposals; (B) summarizing the negoti-
13 ation process including the opportunities, if any, available to propo-
14 sers to present and modify their proposals; and (C) setting forth the
15 criteria upon which the selection was made provided however that for
16 purposes of this subparagraph the board may, at its discretion, require
17 such a resolution be approved for contracts with a value of one hundred
18 million dollars or less;

19 (ii) nothing in this paragraph shall require or preclude: (A) negoti-
20 ations with any proposers following the receipt of responses to the
21 request for proposals; or (B) the rejection of any or all proposals at
22 any time. Upon the rejection of all proposals, the authority may solicit
23 new proposals or bids in any manner prescribed in this section.

24 4. Upon the adoption of a resolution by the authority stating, for
25 reasons of efficiency, economy, compatibility or maintenance reliabil-
26 ity, that there is a need for standardization, the authority may estab-
27 lish procedures whereby particular supplies, materials or equipment are
28 identified on a qualified products list. Such procedures shall provide
29 for products or vendors to be added to or deleted from such list and
30 shall include provisions for public advertisement of the manner in which
31 such lists are compiled. The authority shall review such list no less
32 than twice a year for the purpose of making such modifications.
33 Contracts for particular supplies, materials or equipment identified on
34 a qualified products list may be awarded by the authority to the lowest
35 responsible bidder after obtaining sealed bids in accordance with this
36 section or without competitive sealed bids in instances when the item is
37 available from only a single source, except that the authority may
38 dispense with advertising provided that it mails copies of the invita-
39 tion to bid to all vendors of the particular item on the qualified
40 products list.

41 5. The authority shall compile a list of potential sources of
42 supplies, materials or equipment regularly purchased. The authority
43 shall, by resolution, set forth the procedures it has established to
44 identify new sources and to notify such new sources of the opportunity
45 to bid for contracts for the purchase of supplies, materials or equip-
46 ment. Such procedures shall include, but not be limited to:

47 (a) advertising in trade journals;

48 (b) cooperation with federal, state and local agencies within its area
49 of operations;

50 (c) publication in the state register quarterly; and

51 (d) procedures established pursuant to subdivision thirteen of section
52 thirteen hundred forty-nine-j of this title.

53 6. The provisions of this section shall not supersede any other
54 provisions of law relative to purchases of products or devices manufac-
55 tured or provided by the blind or other severely handicapped persons, to
56 the invitation and acceptance of bids from small or minority business

enterprises or to the purchases of supplies, materials or equipment through the office of general services. Except as may otherwise be provided by law or as more restrictively defined in the official policy or bid specifications of the authority, as used in this section the term "small business" means a small business or similar term, under federal regulations applicable to projects of the authority which are federally assisted.

7. Notwithstanding any other provisions in this section, the authority shall be allowed to use an electronic bidding system for the purchase of goods, materials, and commodities that may inform bidders whether their bid is the current low bid, and allow bidders to submit new bids before the date and time assigned for the opening of bids. Such procedure shall not constitute disclosure of bids in violation of section twenty-eight hundred seventy-eight of this chapter.

8. The provisions of this section shall not apply to any procurement made by any other public entity not otherwise required by law to award contracts for such purchases to the lowest responsible bidder if such purchases are made at the sole cost and expense of such entity.

9. (a) Whenever the comptroller pursuant to section twenty-eight hundred seventy-nine-a of this chapter intends to require supervision in the form of prior review and approval of a contract or contract amendment to be awarded by the authority pursuant to this section, then such contract or contract amendment shall be submitted to the comptroller by the authority for approval and shall not be a valid enforceable contract unless it shall first have been approved by the comptroller but only if the comptroller has notified the authority of such determination within thirty days of having received written notice of such contract or contract amendment either in the authority's annual report or any revised report;

(b) If the comptroller has timely notified the authority as provided in paragraph (a) of this subdivision that any contract or contract amendment shall be subject to comptroller prior review and approval, and such contract or contract amendment has been submitted to the comptroller, it shall become valid and enforceable without such approval if the comptroller has not approved or disapproved it within thirty days of submission to the comptroller.

10. The award of construction contracts by the authority shall not be subject to the provisions of section one hundred one of the general municipal law.

§ 1349-g. Big apple transit authority small business mentoring program. 1. As used in this section, unless the context requires otherwise:

(a) "Small business" means a business in the construction trades which (i) is independently owned and operated; (ii) has annual revenues not exceeding a fiscal limitation of five million dollars or such lesser amount as established by the authority pursuant to these provisions; and (iii) meets additional criteria as otherwise established by the chairperson in consultation with the members of the big apple transit authority small business mentoring program advisory committee. The chair of the committee shall be the chief diversity officer of the authority. The authority shall establish a detailed definition in general and specific to different segments of the construction industry to the extent necessary to reflect differing characteristics of such segments based on the criteria used by the United States small business administration for loans to small businesses as set forth in sections 121.301, 121.302, 121.303, 121.304, and 121.305, or for awarding government procurements

1 as set forth in sections 121.401, 121.402, 121.403, 121.404, 121.405,
2 121.406, 121.407, 121.408, 121.409, 121.410, 121.411, 121.412, and
3 121.413 of subpart A of part 121 of chapter I of title 13 of the Code of
4 Federal Regulations as amended, and such other criteria as determined by
5 the authority;

6 (b) "Small business mentoring program" means a program established by
7 the authority pursuant to these provisions to provide small businesses
8 accepted into the program with the opportunity:

9 (i) for up to four years, to compete for and, where awarded, to
10 perform certain authority public work contracts to be designated by the
11 authority for inclusion in this program under this subparagraph, with
12 the assistance of an authority-provided mentor, which shall be a firm
13 competitively selected by the authority that has extensive construction
14 management and mentoring experience, with the mentor to provide the
15 small business with advice and assistance in competing for and managing
16 authority public work contracts; and

17 (ii) for a small business mentoring program participant which the
18 authority has determined has successfully completed the program under
19 subparagraph (i) of this paragraph, for up to four additional years, (A)
20 additional opportunities to compete with other designated small busi-
21 nesses in the program for certain public work contracts to be designated
22 for inclusion under this subparagraph and, where awarded, to perform
23 such authority public work contracts, with the further assistance of an
24 authority-provided mentor, which shall be a firm competitively selected
25 by the authority that has extensive construction management and mentor-
26 ing experience, with the mentor to provide the small business with
27 advice and technical assistance in competing for and managing authority
28 public work contracts, and (B) authority-provided assistance, as deter-
29 mined by the authority, for such a small business to obtain bonding for
30 public work contracts that are competitively awarded pursuant to
31 provisions of law other than this section.

32 (c) "Small business mentoring program contract" means a non-federally
33 funded authority public work contract designated by the authority, in an
34 estimated amount of not more than one million dollars for contracts
35 under subparagraph (i) of paragraph (b) of this subdivision and three
36 million dollars for contracts under subparagraph (ii) of paragraph (b)
37 of this subdivision, for which bids or proposals are to be invited and
38 accepted only from businesses that are enrolled in the small business
39 mentoring program and have been selected by the authority to compete for
40 the contract.

41 2. (a) The authority may establish a small business mentoring program.
42 In connection therewith, the authority may determine the criteria pursu-
43 ant to which a small business shall be eligible for and selected to
44 participate in the program under subparagraphs (i) and (ii) of paragraph
45 (b) of subdivision one of this section, the number of participants to
46 participate in each of such components of the program, the criteria for
47 the competitive selection of the firms that will provide small busi-
48 nesses with mentoring services, the assignment of a mentor to a specific
49 small business in the small business mentoring program, and the funding
50 for the program.

51 (b) Under the small business mentoring program, the chairperson or the
52 chairperson's designee is authorized, notwithstanding any other
53 provision of law:

54 (i) to designate which eligible public work contracts shall be small
55 business mentoring program contracts under subparagraphs (i) and (ii) of
56 paragraph (b) of subdivision one of this section, respectively;

1 (ii) to establish standards for qualifying small business mentoring
2 program participants to compete for a small business mentoring program
3 contract, provided that no less than three qualified small businesses in
4 the program must submit responsive offers to perform the contract;

5 (iii) to determine when bids or proposals for a small business mentor-
6 ing program contract should be restricted to small business mentoring
7 program participants which, prior to the receipt of bids or proposals,
8 have been qualified by the authority for such competition;

9 (iv) to competitively select, designate and contract with one or more
10 experienced construction management firms that, under the general super-
11 vision of the authority, will provide mentoring services to the small
12 businesses participating in the small business mentoring program, and to
13 assign such mentors one or more designated small businesses participat-
14 ing in the program;

15 (v) for small business mentoring program contracts, except as set
16 forth herein, to waive requirements for the solicitation and award of a
17 public work contract pursuant to sections twelve hundred nine, thirteen
18 hundred forty-nine-f and twenty-eight hundred seventy-nine of this chap-
19 ter and any other provision of law;

20 (vi) to assist only small business mentoring program participants that
21 have been awarded small business mentoring program contracts to obtain
22 any surety bond or contract of insurance required of them in connection
23 with such contract only notwithstanding any provision of section two
24 thousand five hundred four of the insurance law to the contrary; and

25 (vii) for small businesses that have been accepted into the small
26 business mentoring program under subparagraph (ii) of paragraph (b) of
27 subdivision one of this section, in addition to the benefits of such
28 program and notwithstanding any other provision of law, to provide tech-
29 nical assistance in obtaining bids, payment and performance bonding for
30 authority public work contracts that are not small business mentoring
31 program contracts, for which the small business is otherwise qualified.

32 3. (a) If the total number of qualified small business mentoring
33 program participants that respond to a competition and are considered
34 capable of meeting the specifications and terms of the invitation to
35 compete is less than three, or if the chairperson or the chairperson's
36 designee determines that acceptance of the best offer will result in the
37 payment of an unreasonable price, the authority may reject all offers
38 and withdraw the designation of the contract as a small business mentor-
39 ing program contract.

40 (b) If the authority withdraws the designation of contract as a small
41 business mentoring program contract, the firms, if any, that made offers
42 shall be notified. Invitations to compete containing the same or rewrit-
43 ten specifications and terms shall then be re-issued as a small business
44 mentoring program contract for one or more additional contract period.

45 4. A mentor shall provide services and assistance to a small business
46 as designated by the authority, which may include the following:

47 (a) provide business training in the skills necessary to operate a
48 successful construction business and to compete for and perform a public
49 work contract;

50 (b) provide technical assistance to the small business to assess the
51 outcome if the small business competes for but is not awarded a
52 contract;

53 (c) if the small business mentoring program contract is awarded to the
54 small business, provide guidance, advice and technical assistance to the
55 small business in the performance of the contract; and

1 (d) provide other technical assistance to the small business to facil-
2 itate learning, training and other issues which may arise.

3 5. The authority may delegate to the chairperson or the chairperson's
4 designee, the authority's responsibilities set forth in this title.

5 6. The small business mentoring program contracts authorized by this
6 legislation shall, for the initial year of the program, be in an aggre-
7 gate amount of not less than ten million dollars, and shall not exceed
8 one hundred million dollars, with the maximum amount in future years to
9 be set by the chairperson.

9 a self-sustaining basis and to ensure that the operations of the author-

11 shall not show a deficit when reported in accordance with generally
12 accepted accounting principles unless such deficit is offset by funds
13 withdrawn from reserves therefor. The said operations shall be deemed to
14 be on a self-sustaining basis as required by this title, when the
15 authority is able to pay or cause to be paid from revenue and any other
16 funds or property actually available to the authority and its subsidiary

24 corporations. The authority may contract with the holders of bonds and
25 notes with respect to the exercise of the powers authorized by this
26 section. No acts or activities taken or proposed to be taken by the
27 authority or any subsidiary of the authority pursuant to the provisions
28 of this subdivision shall be deemed to be "actions" for the purposes or
29 within the meaning of article eight of the environmental conservation

31 (b) All fares, tolls, rentals, rates, charges, and other fees estab-

35 the metropolitan transportation authority on a self-sustaining basis
36 unless already pledged to secure, and necessary to satisfy the debt
37 service or reserve requirements of, bonds, notes or other obligations of
38 the New York city transit authority or the Triborough bridge and tunnel
39 authority prior to January first, two thousand twenty-four.

40 (c) In the event that the monthly revenues of the metropolitan trans-

42 amount necessary to maintain the operations of the metropolitan trans-
43 portation authority on a self-sustaining basis, as defined by section
44 twelve hundred sixty-six of this article, the authority shall, at the
45 direction of the metropolitan transportation authority, establish, levy
46 and collect or cause to be established, levied and collected, in the
47 case of a joint service arrangement, and join with others in the estab-
48 lishment, levy and collection of such fares, tolls, rentals, rates,
49 charges and other fees as the metropolitan transportation authority may
50 deem necessary, convenient or desirable for the use and operation of any
51 transportation facility and related services operated by the authority
52 or by a subsidiary corporation of the authority or under contract, lease
53 or other arrangement, including joint service arrangements, with the
54 authority, until such time that monthly revenues of the metropolitan
55 transportation authority has exceeded, for three consecutive months, two
56 hundred percent of the amount necessary to maintain the monthly oper-

2 basis.

3 4. In furtherance of the authority's mandate to develop and implement
4 a unified mass transportation policy for the city and the exercise of

7 its subsidiaries, and New York city transit authority and its subsid-
8 aries, the authority shall join with the New York city transit authori-

21 for the use and operation of any transportation facility and related
22 services operated by the authority or under contract, lease or other
23 arrangement, including joint service arrangements, with the authority.
24 In the case of any conflict between any such rule or regulation of the
25 authority governing the conduct or the safety of the public and any
26 local law, ordinance, rule or regulation, such rule or regulation of the
27 authority shall prevail. Violation of any such rule or regulation of the
28 authority governing the conduct or the safety of the public in or
29 upon any facility of the authority shall constitute an offense and shall
30 be punishable by a fine not exceeding fifty dollars or imprisonment for
31 not more than thirty days or both or may be punishable by the imposition
32 of a civil penalty by the transit adjudication bureau established pursu-

38 one or more wholly owned subsidiary corporations of the authority, or by
39 New York city transit authority or any of its subsidiary corporations in
40 the case of transit facilities and may transfer to or from any such
41 corporations any moneys, real property or other property for any of the
42 purposes of this title upon such terms and conditions as shall be agreed
43 to and subject to such payment or repayment obligations as are required
44 by law or by any agreement to which any of the affected entities is

56 executive director, if any, shall be empowered to delegate his or her

1 functions and powers to one or more officers or employees of each such
2 subsidiary designated by him or her. Each such subsidiary corporation of
3 the authority and any of its property, functions and activities shall
4 have all of the privileges, immunities, tax exemptions and other
5 exemptions of the authority and of the authority's property, functions
6 and activities. Each such subsidiary corporation shall be subject to the

22 one or more facilities of the authority. Each such public benefit
23 subsidiary corporation shall be a body politic and corporate and shall
24 have all those powers vested in the authority by the provisions of this
25 title which the authority shall determine to include in its certificate
26 of incorporation except the power to contract indebtedness.

44 10. Subject to the rights of the holders of any outstanding bonds,

53 such other affiliated entity, provided at the time of such transfer it
54 is reasonably anticipated that the monies and securities so transferred
55 will be reimbursed, repaid or otherwise provided for by the end of the
56 next succeeding calendar year if reimbursement or repayment is required

1 by law or by any agreement to which any of the affected affiliated enti-

23 authority or its designee for such purposes of any real property (or
24 interest therein) then owned by the city or by the New York city transit
25 authority or any such subsidiary; nor (c) to the transfer to the author-
26 ity or its designee for such purposes of the right of use, occupancy,
27 control or possession of any real property (or interest therein), wheth-
28 er presently owned or hereafter acquired by the city or by the New York
29 city transit authority or any such subsidiary; provided in each such
30 case, however, that if at the time of such proposed acquisition or
31 transfer the real property which is the subject of such acquisition or
32 transfer is not then being utilized for a transit or transportation
33 purpose or is not an insubstantial addition to such property contiguous
34 thereto; (i) the authority proposing to acquire or receive such property
35 shall, unless a submission with respect to such property has previously
36 been made and approved as herein provided, submit to the community board
37 for the community district in which such property is located, data with
38 respect to the proposed use of such property and to the design of any
39 facility proposed to be constructed thereon; (ii) such community board
40 shall inform the council of the city of New York, with copies to the
41 city planning commission of the city of New York and the proposing
42 authority, of its views and recommendations with respect thereto within
43 forty-five days of such submission, and if the community board shall
44 fail to so inform such council within such period it shall be deemed to
45 have recommended the proposal; and (iii) such council shall, within
46 forty-five days of the recommendation of the community board, approve or
47 disapprove such acquisition or transfer, and if such council shall fail
48 to act within such period it shall be deemed to have approved the same.

49 6. In its performance of any transit project, the authority shall not
50 be deemed the agent or instrumentality of the city of New York or the
51 New York city transit authority or any of its subsidiaries notwithstand-
52 ing the fact that title to any real or personal property (or any inter-
53 est therein) which is the subject of or is a part of such project is
54 held by or upon completion of such project is to be transferred to such
55 other entity. In its performance of any transit project, however, the

1 provisions of section twelve hundred nine of this article shall apply to
2 the authority as if it were the authority referred to in such section.

3 7. The authority, in addition to the powers provided elsewhere in this
4 title, shall possess all of the powers, rights and privileges of the New
5 York city transit authority or its designated subsidiary in connection
6 with the undertaking by the authority of any transit project. The
7 authority, upon suitable notice to and an offer to consult with an offi-
8 cer designated by the city of New York, may occupy the streets of the
9 city of New York for the purpose of doing any work over or under the
10 same in connection with any transit project without the consent of or
11 payment to such city.

12 8. After the transfer, transfer back, lease or sublease to the New
13 York city transit authority or its designated subsidiary or other desig-
14 nee of any transit project or part thereof, actions for damages for
15 injuries to real or personal property or for the destruction thereof, or
16 for personal injuries or death, based upon the use, condition or state
17 of such project or part thereof may not be instituted against the
18 authority, which shall have no liability or responsibility to the trans-
19 feree, lessee or sublessee or to third parties therefor.

20 9. Except as the authority shall otherwise agree, title to any transit
21 project or any part thereof or interest therein which shall have been
22 transferred, leased, or subleased to the New York city transit authority
23 or its designated subsidiary, shall remain in such transferee, lessee,
24 or sublessee notwithstanding any provision of title nine of this article
25 or of any lease or other agreement entered into under the provisions of
26 such title to the contrary.

27 10. The providing of any transit project shall not relieve the city of
28 New York of its obligations under law and by lease to pay the capital
29 costs of the New York city transit authority or its subsidiaries.

30 11. No transit project to be constructed upon real property to be used
31 for a transit or transportation purpose, or on an insubstantial addition
32 to such property contiguous thereto, which will not change in a material
33 respect the general character of such prior transit or transportation
34 use, nor any acts or activities in connection with such project, shall
35 be subject to the provisions of article eight, nineteen, twenty-four or
36 twenty-five of the environmental conservation law, or to any local law
37 or ordinance adopted pursuant to any such article. Nor shall any trans-
38 it project or any acts or activities in connection therewith taken by
39 any person or entity, public or private, pursuant to this section be
40 subject to the provisions of article eight of the environmental conser-
41 vation law if such project, acts or activities require the preparation
42 of a statement under or pursuant to any federal law or regulation as to
43 the environmental impact thereof.

44 12. The provisions of this section and of all agreements undertaken by
45 the New York city transit authority in accordance therewith shall in all
46 respects be subject to the rights of the holders of any outstanding
47 bonds or notes of such authority.

48 13. (a) All contracts for design, construction, services and materials
49 pursuant to this title of whatever nature and all documents soliciting
50 bids or proposals therefor shall contain or make reference to the
51 following provisions:

52 (i) The contractor will not discriminate against employees or appli-
53 cants for employment because of race, creed, color, national origin,
54 sex, age, disability, or marital status, and will undertake or continue
55 existing programs of affirmative action to ensure that minority group
56 persons and women are afforded equal opportunity without discrimination.

1 Such programs shall include, but not be limited to, recruitment, employ-
2 ment, job assignment, promotion, upgrading, demotion, transfer, layoff,
3 termination, rates of pay or other forms of compensation, and selections
4 for training or retraining, including apprenticeship and on-the-job
5 training.

6 (ii) At the request of the New York city transit authority, the big
7 apple transit authority, and their subsidiaries, the contractor shall
8 request each employment agency, labor union, or authorized represen-
9 tative of workers with which it has a collective bargaining or other
10 agreement or understanding and which is involved in the performance of
11 the contract with the authority to furnish a written statement that such
12 employment agency, labor union or representative shall not discriminate
13 because of race, creed, color, national origin, sex, age, disability or
14 marital status and that such union or representative will cooperate in
15 the implementation of the contractor's obligations under this section.

16 (iii) The contractor will state, in all solicitations or advertise-
17 ments for employees placed by or on behalf of the contractor in the
18 performance of the contract with the authority, that all qualified
19 applicants will be afforded equal employment opportunity without
20 discrimination because of race, creed, color, national origin, sex, age,
21 disability or marital status.

22 (iv) The contractor will include the provisions of subparagraphs (i),
23 (ii), and (iii) of this paragraph in every subcontract or purchase order
24 in such a manner that such provisions will be binding upon each subcon-
25 tractor or vendor as to its work in connection with the contract with
26 the authority.

27 (b) The authority shall establish procedures and guidelines to ensure
28 that contractors and subcontractors undertake programs of affirmative
29 action and equal employment opportunity as required by this subdivision.
30 Such procedures may require after notice in a bid solicitation, the
31 submission of an affirmative action program prior to the award of any
32 contract, or at any time thereafter, and may require the submission of
33 compliance reports relating to the operation and implementation of any
34 affirmative action program adopted pursuant to this section. The author-
35 ity may take appropriate action including contractual sanctions for
36 non-compliance to effectuate the provisions of this subdivision and
37 shall be responsible for monitoring compliance with this title.

38 14. (a)(i) In the performance of projects pursuant to this title
39 minority and women-owned business enterprises shall be given the oppor-
40 tunity for meaningful participation. The authority provided for in this
41 title shall establish measures and procedures to secure meaningful
42 participation and identify those contracts and items of work for which
43 minority and women-owned business enterprises may best bid to actively
44 and affirmatively promote and assist their participation in the
45 projects, so as to facilitate the award of a fair share of contracts to
46 such enterprises; provided, however, that nothing in this title shall be
47 construed to limit the ability of the authority to assure that qualified
48 minority and women-owned business enterprises may participate in the
49 program.

50 (A) For purposes of this section, minority business enterprise shall
51 mean any business enterprise which is at least fifty-one per centum
52 owned by, or in the case of a publicly owned business, at least fifty-
53 one per centum of the stock of which is owned by citizens or permanent
54 resident aliens who are African-American, Hispanic, Asian or American
55 Indian, Pacific Islander or Alaskan natives and such ownership interest
56 is real, substantial and continuing and have the authority to independ-

1 ently control the day to day business decisions of the entity for at
2 least one year; and women-owned business enterprise shall mean any busi-
3 ness enterprise which is at least fifty-one per centum owned by, or in
4 the case of a publicly owned business, at least fifty-one per centum of
5 the stock of which is owned by citizens or permanent resident aliens who
6 are women, and such ownership interest is real, substantial and continu-
7 ing and have the authority to independently control the day to day busi-
8 ness decisions of the entity for at least one year.

9 (B) The provisions of this paragraph shall not be construed to limit
10 the ability of any minority or women-owned business enterprise to bid on
11 any contract.

12 (ii) In the implementation of this subdivision, the authority shall
13 consider compliance by any contractor with the requirements of any
14 federal, state, or local law concerning minority and women-owned busi-
15 ness enterprises, which may effectuate the requirements of this subdivi-
16 sion. If the authority determines that by virtue of the imposition of
17 the requirements of any such law, in respect to capital project
18 contracts, the provisions thereof duplicate or conflict with such law,
19 the authority may waive the applicability of this subdivision to the
20 extent of such duplication or conflict.

21 (iii) Nothing in this subdivision shall be deemed to require that
22 overall state and federal requirements for participation of minority and
23 women-owned business enterprises in programs authorized under this title
24 be applied without regard to local circumstances to all projects or in
25 all communities.

26 (b) In order to implement the requirements and objectives of this
27 subdivision, the authority shall establish procedures to monitor the
28 contractors' compliance with provisions hereof, provide assistance in
29 obtaining competing qualified minority and women-owned business enter-
30 prises to perform contracts proposed to be awarded, and take other
31 appropriate measures to improve the access of minority and women-owned
32 business enterprises to these contracts.

33 15. (a) In connection with the performance of projects pursuant to
34 this section, the authority shall, to the extent practicable and not
35 inconsistent with any federal law, regulation or requirement, promote
36 the meaningful participation of small business and New York state busi-
37 ness enterprises in the provision of goods and services that are
38 produced or manufactured in New York state as part of procurements
39 undertaken by the authority.

40 (b) The authority shall within one hundred eighty days after the
41 effective date of this subdivision develop, and review annually there-
42 after, a plan to effect the purposes of this subdivision.

43 § 1349-k. Excess loss fund. 1. Subject to the provisions of this
44 section, the authority is authorized to issue bonds and notes, in
45 accordance with section thirteen hundred forty-nine-u of this title, in
46 such principal amounts not in excess of the seventy-five million dollar
47 limitation established in subdivision four of this section as, in the
48 opinion of the authority, shall be necessary to provide sufficient funds
49 to meet the capital and reserve requirements of a trust, pooling
50 arrangement or other entity established for the purpose of providing
51 reimbursement and funding to the authority and its subsidiaries, the New
52 York city transit authority and its subsidiaries and Triborough bridge
53 and tunnel authority for excess or extraordinary losses for damages to
54 real or personal property or for the destruction thereof or for personal
55 injuries or death and for certain property damage losses which may be
56 incurred or sustained by any of them in connection with the use and

1 operation of their respective facilities and in the conduct of their
2 respective activities, the trust, pooling arrangement or other entity
3 established in order to provide such benefits to such participants being
4 referred to in this section as the "excess loss fund". Prior to the
5 issuance of any bonds or notes, other than refunding bonds or notes,
6 authorized by this section, the authority shall make a finding that such
7 issue is expected to result, on a present value basis, in a lower effec-
8 tive cost to the participating authorities than funding the requirements
9 of the excess loss fund solely through the payment of premiums and
10 assessments by such participating authorities.

11 2. In order to effectuate the purposes of the excess loss fund, the
12 authority shall, subject to the provisions of this section, have all the
13 powers provided elsewhere in this title and may:

14 (a) accept the notes, bonds and other contractual obligations of the
15 excess loss fund for funds provided to it by the authority;

16 (b) obtain security for the payment by the excess loss fund of its
17 notes, bonds and other contractual obligations issued to the authority,
18 including a pledge of all or any part of the assets and revenues of the
19 excess loss fund, including its receipts and rights to receive premiums,
20 assessments, reimbursements and other payments from the participants in
21 the excess loss fund, which pledge may contain covenants with respect to
22 the charging and fixing by actuarial estimates, where appropriate, of
23 premiums, assessments, reimbursements and other payments and the use and
24 disposition thereof; and

25 (c) enter into contracts with the excess loss fund and with the
26 participants therein, on such terms and conditions as the parties may
27 agree, with respect to the payment of premiums, assessments, reimburse-
28 ments and other payments to the excess loss fund and the nature and
29 extent of the benefits to be paid by the excess loss fund to such
30 participants.

31 3. The bonds and notes of the authority authorized by this section
32 shall not constitute general obligations of the authority, but shall be
33 special obligations of the authority payable as to principal, redemption
34 premium, if any, and interest solely from the security, sources of
35 payment and funds obtained from or on behalf of the excess loss fund,
36 all in the manner more particularly provided by the authority in the
37 resolution under which such bonds and notes shall be authorized to be
38 issued.

39 4. The aggregate principal amount of bonds and notes issued for the
40 purposes enumerated in subdivision one of this section shall not exceed
41 seventy-five million dollars, excluding:

42 (a) bonds and notes issued to fund costs of issuance and any reason-
43 ably required debt service reserve fund for such bonds or notes;

44 (b) an amount equal to any original issue discount from the principal
45 amount of any bonds or notes issued; and

46 (c) bonds and notes issued to refund or otherwise repay bonds or notes
47 theretofore issued for such purposes, provided, however, that upon any
48 such refunding or repayment of the total aggregate principal amount of
49 outstanding bonds and notes, including for purpose of such calculation
50 the principal amount of the refunding bonds or notes then to be issued
51 and excluding the principal amount of the bonds or notes so to be
52 refunded or repaid and any amounts excluded under paragraph (a) or (b)
53 of this subdivision, may be greater than seventy-five million dollars,
54 only if the present value of the aggregate debt service of the refunding
55 or repayment bonds or notes to be issued shall not exceed the present
56 value of the aggregate debt service of the bonds or notes so to be

1 refunded or repaid. For purposes of this subparagraph, the present
2 values of the aggregate debt service of the refunding or repayment bonds
3 or notes and of the aggregate debt service of the bonds or notes so to
4 be refunded or repaid, shall be calculated by utilizing the effective
5 interest rate of the refunding or repayment bonds or notes, which shall
6 be that rate arrived at by doubling the semi-annual interest rate,
7 compounded semi-annually, necessary to discount the debt service
8 payments on the refunding or repayment bonds or notes from the payment
9 dates thereof to the date of issue of the refunding or repayment bonds
10 or notes and to the price bid including estimated accrued interest or
11 proceeds received by the authority including estimated accrued interest
12 from the sale thereof.

13 5. The term "excess loss fund" as used in this section shall not
14 include any trust, pooling arrangements or other entity (a) which
15 provides or offers to provide reimbursement or funding for losses or
16 liabilities to any entity other than the authority and its subsidiaries,
17 the New York city transit authority and its subsidiaries and Triborough
18 bridge and tunnel authority, or (b) in which any entity other than the
19 authority and its subsidiaries, the New York city transit authority and
20 its subsidiaries and Triborough bridge and tunnel authority holds an
21 equity interest.

22 § 1349-1. Authority police force. 1. The authority is hereby author-
23 ized and empowered, to provide and maintain an authority police depart-
24 ment and a uniformed authority police force. Each member of such
25 uniformed police force shall be a "police officer" for the purposes of
26 the criminal procedure law, with all of the powers of such police offi-
27 cers thereunder and subject to the same jurisdictional provisions on the
28 exercise of that power as set forth in such law. The geographical area
29 of employment of such police officers for the purposes of the criminal
30 procedure law shall embrace the city of New York. Such department and
31 force shall have the power, in and about any or all of the facilities
32 owned, occupied and/or operated by the authority and its subsidiary
33 corporations, the New York city transit authority and its subsidiaries,
34 and the Triborough bridge and tunnel authority, as determined in the
35 discretion of the authority, to enforce and prevent violation of all
36 laws and ordinances. Nothing in this section shall confer upon the
37 authority police force or upon their collective negotiations represen-
38 tatives exclusive jurisdiction or claim over the exercise of police
39 power or security work on behalf of the authority and its subsidiary
40 corporations, the New York city transit authority and its subsidiaries,
41 and the Triborough bridge and tunnel authority. Nothing in this section
42 shall limit the authority and its subsidiary corporations, the New York
43 city transit authority and its subsidiaries, and the Triborough bridge
44 and tunnel authority from continuing to rely on local police for police
45 services.

46 2. Initial appointments to such authority police force shall from the
47 incumbent police officers of the metropolitan transportation authority
48 at the time of such appointment. The executive director of the authori-
49 ty, through the chief of police, shall have the power and authority to
50 appoint and employ such number of police officers as he or she deems
51 necessary to act as police officers of the authority and to administer
52 to the officers an oath or affirmation faithfully to perform the duties
53 of their respective positions or offices. Unless, at the time of
54 appointment, the person is a police officer of the metropolitan trans-
55 portation authority, only persons who have never been convicted of a
56 felony and are citizens of the United States shall be appointed police

1 officers on the authority police force. After the initial appointments
2 are made, selection of police officer candidates shall be made pursuant
3 to an examination process to be determined at the discretion of the
4 authority and candidates must receive a certificate attesting to satis-
5 factory completion of an approved municipal police basic training
6 program, as described in section two hundred nine-q of the general
7 municipal law. No person shall be eligible for appointment unless such
8 person is not less than twenty years of age as of the date of appoint-
9 ment nor more than thirty-five years of age as of the date when the
10 applicant takes the written examination, provided, however, that time
11 spent on military duty or on terminal leave, not exceeding a total of
12 six years, shall be subtracted from the age of any applicant who has
13 passed his or her thirty-fifth birthday as provided in subdivision ten-a
14 of section two hundred forty-three of the military law. Upon appoint-
15 ments made by transferring an entire group of police officers into the
16 authority police force, thereby eliminating such other group of police
17 officers, the authority shall recognize any representative previously
18 chosen by the police officers for the purposes of collective negoti-
19 ations consistent with the bargaining units already established and
20 shall also assume and continue to observe any existing labor contracts
21 covering these police officers including such provisions which relate to
22 the grievance and disciplinary procedures and interest arbitration.
23 Subsequent to the establishment of the consolidated police force the
24 authority and the collective bargaining representatives shall be author-
25 ized to negotiate a merger of the separate bargaining units.

26 3. The authority may appoint a chief and one or more deputy chiefs of
27 the authority police department who, in the discretion of the authority,
28 may be selected from the ranks of the authority police force, and assign
29 powers and duties to them and fix their compensation. The chief shall be
30 the head of such department. The deputy chief designated by the chief
31 shall possess all the powers and perform all the duties of the chief
32 during his or she absence or disability. The authority police force
33 shall consist of such divisions, supervisors and officers, including but
34 not limited to police officers, detectives, sergeants, lieutenants and
35 captains as designated by the authority. Notwithstanding any law or
36 provision to the contrary, the members of the uniformed authority police
37 force shall not acquire civil service status or become members of the
38 New York state and local employees' retirement system, except as set in
39 this section.

40 4. The authority may, in its sole discretion, establish within the
41 authority's defined benefit program, a retirement program consistent
42 with the foregoing. If the authority has not so established such program
43 in its defined benefit program within one hundred eighty days after
44 enactment, then the authority shall elect to participate in article
45 fourteen-B of the retirement and social security law.

46 5. If the authority elects to participate in the New York city employ-
47 ees' retirement system, such election to participate shall be made by
48 resolution filed with the comptroller and accepted by him or her pursu-
49 ant to section thirty-one of the retirement and social security law.

50 6. Nothing contained in this section shall be deemed to diminish,
51 suspend or abolish an existing benefit inured to a police officer,
52 transferred from the metropolitan transportation authority police force
53 and subject to the provisions of this section in and to the rights,
54 privileges or status previously earned within a pension or retirement
55 system of which they were a member immediately prior to the enactment of
56 this section; and any such existing right, privilege or status shall

1 survive the effect of any decisions or determinations lawfully made in
2 accordance with the provisions of this section so long as such right,
3 privilege or status is greater in benefit to that which would be imposed
4 or imputed to any subject officer as a result of actions of the authori-
5 ty authorized by this section.

6 § 1349-m. The permanent citizens advisory committee. There is hereby
7 established a permanent citizens advisory committee. The members of the
8 committee shall consist of the New York city transit authority advisory
9 council, as defined in section twelve hundred four-e of this article.

10 § 1349-n. Big apple transit authority pledge to customers. 1. A big
11 apple transit authority pledge to customers shall be created and adopted
12 by the big apple transit authority. A copy of such pledge shall be post-
13 ed on the website of the authority and shall be posted in stations where
14 the authority makes regular postings. The authority shall post the
15 pledge in the language or languages it deems necessary and appropriate.

16 2. The big apple transit authority pledge to customers shall be in the
17 form and manner as prescribed by the authority, include the contact
18 information of the authority, and include, but not be limited to, the
19 following:

20 (a) a description of the authority's commitment to provide safe and
21 reliable services;

22 (b) a description of the authority's commitment to provide timely and
23 accurate information on its services;

24 (c) a commitment that employees will provide service in a courteous
25 manner;

26 (d) a description of the authority's commitment to maintain clean
27 stations, facilities, subways and buses;

28 (e) a description of the authority's policies when it comes to arrang-
29 ing alternative transportation when service is interrupted;

30 (f) when service is interrupted, a description of the authority's
31 policies when it comes to considering the comfort of inconvenienced
32 customers;

33 (g) when service is interrupted due to weather conditions, a
34 description of the authority's policies on notifying customers; and

35 (h) when service is severely interrupted, a description of the author-
36 ity's policies on service restoration.

37 3. The authority from time to time may update and amend the big apple
38 transit authority pledge to customers as it deems necessary and proper
39 and may adopt rules and regulations for the proper administration of
40 this section.

41 § 1349-o. Expired fare transfer policy. Notwithstanding any other
42 provision of law to the contrary, the authority shall, within ninety
43 days of the effective date of this section, establish an expired fare
44 transfer policy that may be amended from time to time. Such policy shall
45 provide any person who purchases a fare the ability to transfer any
46 remaining balance for two years after such fare is deemed expired.

47 § 1349-p. Acquisition and disposition of real property. 1. In addi-
48 tion to the powers provided in section thirteen hundred forty-nine-h of
49 this title to acquire transportation facilities, equipment and real
50 property, the authority may acquire, by condemnation pursuant to the
51 eminent domain procedure law, any real property within the city of New
52 York it may deem necessary, convenient or desirable to effectuate the
53 purposes of this title, provided however, that any such condemnation
54 proceedings shall be brought only in the supreme court and the compen-
55 sation to be paid shall be ascertained and determined by the court with-
56 out a jury. Notwithstanding the provisions of this subdivision, no real

1 property may be acquired by the authority by condemnation for purposes
2 other than a transportation facility unless the governing body of the
3 city, village or town in which such real property is located shall first
4 consent to such condemnation.

5 2. Nothing contained in this section shall be construed to prevent the
6 authority from bringing any proceedings to remove a cloud on title or
7 such other proceedings as it may, in its discretion, deem proper and
8 necessary or from acquiring any such property by negotiation or
9 purchase.

10 3. Where a person entitled to an award in the proceedings to condemn
11 any real property for any of the purposes of this title remains in
12 possession of such property after the time of the vesting of title in
13 the condemnor, the reasonable value of his or her use and occupancy of
14 such property subsequent to such time as fixed by agreement or by the
15 court in such proceedings or by any court of competent jurisdiction
16 shall be a lien against such award subject only to the liens of record
17 at the time of vesting of title in the condemnor.

18 4. Subject to the provisions of sections thirteen hundred forty-nine-h
19 and thirteen hundred forty-nine-j of this title, title to all property
20 acquired under this title shall vest in the authority or one of its
21 subsidiary corporations, or in the New York city transit authority or
22 one of its subsidiary corporations as the authority directs.

23 5. The authority may, whenever it determines that it is in the inter-
24 est of the authority, dispose of any real property or property other
25 than real property, which it determines is not necessary, convenient or
26 desirable for its purposes.

27 6. The authority may, whenever it shall determine that it is in the
28 interest of the authority, rent, lease, or grant easements or other
29 rights in, any land or property of the authority.

30 § 1349-q. Acquisition and disposition of real property by department
31 of transportation. If funds are made available by the authority for the
32 payment of the cost and expense of the acquisition thereof, the commis-
33 sioner of transportation of the state of New York, when requested by the
34 authority, may acquire such real property in the name of the state as
35 may be determined from time to time by the authority as being necessary,
36 convenient or desirable to effectuate the purposes of this title, may
37 remove the owner or occupant thereof where necessary and obtain
38 possession and, when requested by the authority, may dispose of any real
39 property so acquired, all according to the procedure provided in section
40 thirty of the highway law. The authority shall have the right to possess
41 and use for its corporate purposes all such real property so acquired.
42 Claims for the value of the property appropriated and for legal damages
43 caused by any such appropriation shall be adjusted and determined by
44 such commissioner with the approval of the authority or by the court of
45 claims as provided in section thirty of the highway law. When a claim
46 has been filed with the court of claims, the claimant shall cause a copy
47 of such claim to be served upon the authority and the authority shall
48 have the right to be represented and heard before such court. All awards
49 and judgments arising from such claims shall be paid out of moneys of
50 the authority. No real property may be acquired pursuant to the
51 provisions of this section for purposes other than a transportation
52 facility unless the governing body of the city, village or town in which
53 such real property is located shall first consent to such acquisition.

54 § 1349-r. Transit facilities for transit construction fund. 1. As
55 used in this section, unless a different meaning clearly appears from
56 the context:

1 (a) "City" shall mean the city of New York.

2 (b) "Transit construction fund act" shall mean title nine-A of this
3 article.

4 (c) "Transit construction fund" shall mean the corporation created by
5 section twelve hundred twenty-five-c of this article.

6 (d) "Transit facility" shall mean such term as defined from time to
7 time in section twelve hundred twenty-five-b of this article.

8 2. In addition to the powers provided elsewhere in this title, and to
9 effectuate the purposes of the transit construction fund act, the
10 authority may:

11 (a) Plan, design, construct, acquire, extend, reconstruct, rehabili-
12 tate, modernize and otherwise improve transit facilities in accordance
13 with the terms and conditions of any lease or other agreement with the
14 transit construction fund;

15 (b) Occupy the streets of the city of New York in the course of
16 constructing and thereafter owning a transit facility which consists of
17 a rapid transit railroad or portion thereof, provided such construction
18 is carried out in accordance with the terms of a lease or other agree-
19 ment with the transit construction fund entered into pursuant to the
20 provisions of the transit construction fund act;

21 (c) Make and execute contracts, leases, subleases, and all other
22 instruments or agreements deemed necessary or convenient;

23 (d) Authorize the use by the transit construction fund, either with or
24 without compensation to the authority or any subsidiary of the agents,
25 employees and facilities of the authority or any subsidiary;

26 (e) Undertake planning, design and feasibility studies in accordance
27 with the terms and conditions of any agreement with the transit
28 construction fund or the city; and

29 (f) Do any and all other things deemed necessary or convenient.

30 3. All of the provisions of this title not inconsistent with the
31 provisions of this section shall be applicable with respect to any bonds
32 or notes of the authority issued to finance any purpose authorized under
33 this section or the transit construction fund act, subject to the
34 following conditions and exceptions:

35 (a) Payment of the principal, redemption premium, if any, and interest
36 on such bonds and notes shall be made only from monies payable to the
37 authority from the transit construction fund under a lease or other
38 agreement entered into pursuant to the provisions of the transit
39 construction fund act, and any security given by the authority for the
40 payment of such principal, redemption premium or interest on such bonds
41 and notes shall be limited to the monies so payable from the transit
42 construction fund. The authority shall not grant any security interest
43 in or otherwise encumber any transit facility leased to the transit
44 construction fund.

45 (b) The provisions of section thirteen hundred forty-nine-aa of this
46 title, relating to the creation and establishment of and appropriations
47 and payments to certain debt service reserve funds shall be inapplica-
48 ble; provided that nothing in this section shall be deemed to prohibit
49 the creation and establishment of one or more reserve funds for debt
50 service as authorized by section thirteen hundred forty-nine-u of this
51 title;

52 (c) In addition to the statement required by subdivision nine of
53 section thirteen hundred forty-nine-u of this title, such bonds and
54 notes shall contain on the face thereof a statement to the effect that
55 the city shall not be liable thereon and that the same shall not be a
56 debt of the city.

1 4. Notwithstanding the provisions of any general or special law to the
2 contrary, or of any agreement entered into in pursuance thereof relating
3 to the repayment of any loan or advance made by the state to the author-
4 ity, the authority shall not be required to repay any such loan or
5 advance from or by reason of the issuance: (a) of bonds or notes of the
6 authority issued to finance any purpose authorized under this section or
7 the transit construction fund act, or the proceeds realized upon such
8 issuance; or (b) from any other funds of the authority derived from the
9 transit construction fund or from any other source whatever to effectu-
10 ate the purposes of the transit construction fund act.

11 § 1349-s. Co-operation and assistance of other agencies. 1. To avoid
12 duplication of effort and in the interests of economy, the authority may
13 make use of existing studies, surveys, plans, data and other materials
14 in the possession of any state agency or any municipality or political
15 subdivision of the state. Each such agency, municipality or subdivision
16 is hereby authorized to make the same available to the authority and
17 otherwise to assist it in the performance of its functions. At the
18 request of the authority, each such agency, municipality or subdivision
19 which is engaged in highway or other transportation activities or in
20 land use or development planning, or which is charged with the duty of
21 providing or regulating any transportation facility or any other public
22 facility, is further authorized to provide the authority with informa-
23 tion regarding its plans and programs affecting the transportation
24 district so that the authority may have available to it current informa-
25 tion with respect thereto. The officers and personnel of such agencies,
26 municipalities or subdivisions, and of any other government or agency
27 whatever, may serve at the request of the authority upon such advisory
28 committees as the authority shall determine to create and such officers
29 and personnel may serve upon such committees without forfeiture of
30 office or employment and with no loss or diminution in the compensation,
31 status, rights and privileges which they otherwise enjoy.

32 2. The authority shall, at the request of any state agency, munici-
33 pality or political subdivision of the state, engaged in highway or
34 other transportation activities or in land use or development planning,
35 provide said state agency, municipality or political subdivision with
36 all current and relevant information regarding its plans or programs, so
37 as to enable said agency, municipality or subdivision to properly effec-
38 tuate said activities or planning.

39 3. To the extent that the provisions of this title authorize the
40 authority to enter into any agreement or arrangement with, or undertake
41 any other activity requiring the participation of, the New York city
42 transit authority or any of its subsidiary corporations in furtherance
43 of their respective purposes and powers or the Triborough bridge and
44 tunnel authority in furtherance of its purposes and powers, such enti-
45 ties are hereby authorized and empowered to enter into and perform such
46 contract or other arrangement and to undertake such activities.

47 § 1349-t. Promotion of qualified transportation fringes. The authori-
48 ty shall promote the broad use of qualified transportation fringes,
49 under section one hundred thirty-two of the federal internal revenue
50 code, in order to increase the number of participating companies and
51 employees in such programs. The authority may also study and report on
52 ways in which programs may be improved so as to increase public partic-
53 ipation.

54 § 1349-u. Notes, bonds and other obligations of the authority. 1. (a)
55 The authority shall have power and is hereby authorized from time to
56 time to issue its bonds, notes and other obligations in such principal

1 amount as, in the opinion of the authority, shall be necessary, conven-
2 ient or desirable to effectuate any of its powers and purposes, includ-
3 ing to provide sufficient funds for achieving its purposes, including
4 the acquisition, establishment, construction, effectuation, operation,
5 maintenance, renovation, improvement, extension, rehabilitation or
6 repair of any transportation facility, the payment of principal, redemp-
7 tion premium and interest on bonds, notes and other obligations of the
8 authority, establishment of reserves to secure such bonds, notes and
9 other obligations, the provision of working capital and all other
10 expenditures of the authority and its subsidiary corporations, and New
11 York city transit authority and its subsidiary corporations incident to
12 and necessary or convenient to carry out their purposes and powers. Such
13 bonds, notes or other obligations may be issued for an individual trans-
14 portation facility or issued on a consolidated basis for such groups or
15 classes of facilities and projects as the authority in its discretion
16 deems appropriate and be payable from and secured separately or on a
17 consolidated basis by, among other things, all or any portion of such
18 revenues and other monies and assets of the authority and its subsidiary
19 corporations, and New York city transit authority and its subsidiary
20 corporations as the authority determines in accordance with the
21 provisions of section thirteen hundred forty-nine-dd of this title;

22 (b) The authority shall have power, from time to time, to issue
23 renewal notes, to issue bonds to refund, redeem or otherwise pay,
24 including by purchase or tender, notes of the authority and its subsid-
25 iary corporations, the metropolitan transportation authority, and the
26 New York city transit authority and its subsidiary corporations and
27 whenever it deems refunding, redemption or payment expedient, to refund,
28 redeem or otherwise pay, including by purchase or tender, any bonds of
29 the authority and its subsidiary corporations, the metropolitan trans-
30 portation authority, the New York city transit authority and its subsid-
31 iary corporations and the Triborough bridge and tunnel authority by the
32 issuance of new bonds, whether the bonds to be refunded, redeemed or
33 otherwise paid have or have not matured, and to issue bonds partly for
34 such purpose and partly for any other purpose and to otherwise refund,
35 redeem, acquire by purchase or tender, or in any other way repay any
36 outstanding notes, bonds or other obligations of the authority, any of
37 its subsidiary corporations, the metropolitan transportation authority,
38 the New York city transit authority, any of its subsidiary corporations
39 and the Triborough bridge and tunnel authority;

40 (c) Every issue of its notes, bonds or other obligations shall be
41 general obligations or special obligations. Every issue of general obli-
42 gations of the authority shall be payable out of any revenues or monies
43 of the authority, subject only to any agreements with the holders of
44 particular notes or bonds pledging any particular receipts or revenues.
45 Every issue of special obligations shall be payable out of any revenues,
46 receipts, monies or other assets of the authority and its subsidiary
47 corporations, the New York city transit authority and its subsidiary
48 corporations and the Triborough bridge and tunnel authority identified
49 for such purposes in accordance with agreements with the holders of
50 particular notes, bonds or other obligations. The authority may issue
51 transportation revenue special obligation bonds, notes or other obli-
52 gations as provided in section thirteen hundred forty-nine-dd of this
53 title;

54 2. The authority may from time to time issue its bonds and notes in
55 such principal amounts as, in the opinion of the authority, shall be
56 necessary to finance the unfunded pension fund liabilities of the

1 authority, its affiliates and subsidiaries, provided, however, that in
2 no event shall the cumulative amounts of bonds and notes issued pursuant
3 to the authority under this subdivision exceed one billion two hundred
4 million dollars or sixty percent of such unfunded pension fund liabil-
5 ities, whichever is less, and provided, further, that no bonds shall be
6 issued under this subdivision for a term longer than twenty years. The
7 authority may not issue bonds or notes in any twelve month period in a
8 cumulative principal amount in excess of forty percent of the total
9 amount permitted to be issued under this subdivision. Prior to the issu-
10 ance of any bonds or notes, the authority shall make a finding that such
11 issue is expected to result, on a present value basis, in a lower effec-
12 tive cost to the authority than funding the unfunded pension fund
13 liability solely through the payment of annual amounts to the pension
14 fund, assuming that the principal component of the unfunded liability
15 will be amortized over the same number of years as the term of the bonds
16 or notes and that the interest payable thereon is the actuarial rate of
17 interest determined by the actuary for the pension fund at the time of
18 the issuance of such bonds or notes. The aggregate principal amount of
19 bonds and notes issued for such purposes may be increased to fund costs
20 of issuance and reasonably required debt service or other reserve funds.
21 Bonds and notes may be issued to refund or otherwise repay bonds or
22 notes theretofore issued for such purposes; provided, however, that upon
23 any such refunding or repayment, including for purpose of such calcu-
24 lation the principal amount of the refunding bonds or notes then to be
25 issued and excluding the principal amount of the bonds or notes so to be
26 refunded or repaid and also excluding any amounts used to pay costs of
27 issuance and reasonably required debt service or other reserve funds,
28 the present value of the aggregate debt service of the refunding or
29 repayment bonds or notes to be issued shall not exceed the present value
30 of the aggregate debt service of the bonds or notes so to be refunded or
31 repaid. For purposes of the preceding sentence, the present values of
32 the aggregate debt service of the refunding or repayment bonds or notes
33 and of the aggregate debt service of the bonds or notes so to be
34 refunded or repaid shall be calculated by utilizing the effective inter-
35 est rate of the refunding or repayment bonds or notes, which shall be
36 that rate arrived at by doubling the semi-annual interest rate,
37 compounded semi-annually, necessary to discount the debt service
38 payments on the refunding or repayment bonds or notes from the payment
39 dates thereof to the date of issue of the refunding or repayment bonds
40 or notes and to the price bid including estimated accrued interest or
41 proceeds received by the authority including estimated accrued interest
42 from the sale thereof. Debt service on the bonds or notes shall be
43 structured so that the economic benefits thereof shall be relatively
44 uniform for each full year throughout the term of the bonds or notes.
45 Beginning with the date of first issuance of bonds under this section,
46 the authority and its subsidiaries shall make annual payments into the
47 pension fund in amounts at least equal to the current pension contrib-
48 ution liability applicable to such year. The net proceeds of the bonds
49 or notes intended to be invested in non-debt securities may be invested
50 by the recipient pension fund in a fiscally prudent manner in securities
51 consistent with any trust indentures and all applicable state and feder-
52 al law over a reasonable period of time not less than thirty days
53 following the issuance of the bonds or notes. The operating budget
54 savings associated with the issuance of pension obligation bonds pursu-
55 ant to this subdivision shall be dedicated to reducing service elimi-
56 nations projected to occur within that period.

1 3. The notes, bonds and other obligations shall be authorized by
2 resolution approved by not less than a majority vote of the whole number
3 of members of the authority then in office, except that in the event of
4 a tie vote the chairperson shall cast one additional vote. Such notes,
5 bonds and other obligations shall bear such date or dates, and shall
6 mature at such time or times, in the case of any such note or any
7 renewals thereof not exceeding five years from the date of issue of such
8 original note, and in the case of any such bond not exceeding fifty
9 years from the date of issue, as such resolution or resolutions may
10 provide. The notes, bonds and other obligations shall bear interest at
11 such rate or rates, be in such denominations, be in such form, either
12 coupon or registered, carry such registration privileges, be executed in
13 such manner, be payable in such medium of payment, at such place or
14 places and be subject to such terms of redemption as such resolution or
15 resolutions may provide. The notes, bonds and other obligations of the
16 authority may be sold by the authority, at public or private sale, at
17 such price or prices as the authority shall determine. No notes or bonds
18 of the authority may be sold by the authority at private sale, however,
19 unless such sale and the terms thereof have been approved in writing by
20 (a) the comptroller, where such sale is not to the comptroller, or (b)
21 the director of the office of management and budget, where such sale is
22 to the comptroller.

23 4. Any resolution or resolutions authorizing any notes, bonds or any
24 issue thereof, or any other obligations of the authority, may contain
25 provisions, which shall be a part of the contract with the holders ther-
26 eof, as to:

27 (a) pledging all or any part of the revenues of the authority or of
28 any of its subsidiary corporations or New York city transit authority or
29 any of its subsidiary corporations or Triborough bridge and tunnel
30 authority to secure the payment of the notes or bonds or of any issue
31 thereof, or any other obligations of the authority, subject to such
32 applicable agreements with bondholders, noteholders, or holders of other
33 obligations of the authority, the metropolitan transportation authority,
34 the New York city transit authority and its subsidiary corporations, and
35 Triborough bridge and tunnel authority;

36 (b) pledging all or any part of the assets of the authority or of any
37 of its subsidiary corporations or New York city transit authority or any
38 of its subsidiary corporations or Triborough bridge and tunnel authority
39 to secure the payment of the notes or bonds or of any issue of notes or
40 bonds, or any other obligations of the authority, subject to such agree-
41 ments with noteholders, bondholders, or holders of other obligations of
42 the authority, the New York city transit authority and its subsidiary
43 corporations, and Triborough bridge and tunnel authority;

44 (c) the use and disposition of revenues, including fares, tolls,
45 rentals, rates, charges and other fees, made or received by the authori-
46 ty, any of its subsidiary corporations, New York city transit authority
47 or any of its subsidiary corporations, or Triborough bridge and tunnel
48 authority;

49 (d) the setting aside of reserves or sinking funds and the regulation
50 and disposition thereof;

51 (e) limitations on the purpose to which the proceeds of sale of notes,
52 bonds or other obligations of the authority may be applied and pledging
53 such proceeds to secure the payment of the notes or bonds or of any
54 issue thereof or of other obligations;

55 (f) limitations on the issuance of additional notes, bonds or other
56 obligations of the authority; the terms upon which additional notes,

1 bonds or other obligations of the authority may be issued and secured;
2 the refunding of outstanding or other notes, bonds or other obligations
3 of the authority;

4 (g) the procedure, if any, by which the terms of any contract with
5 noteholders, bondholders, or holders of other obligations of the author-
6 ity, may be amended or abrogated, the amount of notes, bonds or other
7 obligations of the authority the holders of which must consent thereto,
8 and the manner in which such consent may be given;

9 (h) limitations on the amount of monies to be expended by the authori-
10 ty or any of its subsidiary corporations or New York city transit
11 authority or any of its subsidiary corporations or Triborough bridge and
12 tunnel authority for operating, administrative or other expenses of the
13 authority or any of its subsidiary corporations or New York city transit
14 authority or any of its subsidiary corporations or Triborough bridge and
15 tunnel authority;

16 (i) vesting in a trustee or trustees such property, rights, powers and
17 duties in trust as the authority may determine, which may include any or
18 all of the rights, powers and duties of the trustee appointed by the
19 bondholders, noteholders or holders of other obligations of the authori-
20 ty pursuant to this title, and limiting or abrogating the right of the
21 bondholders, noteholders or holders of other obligations of the authori-
22 ty to appoint a trustee under this article or limiting the rights,
23 powers and duties of such trustee; and

24 (j) any other matters, of like or different character, which in any
25 way affect the security or protection of the notes, bonds or other obli-
26 gations of the authority.

27 5. In addition to the powers conferred by this section upon the
28 authority to secure its notes, bonds and other obligations, the authori-
29 ty shall have power in connection with the issuance of notes, bonds and
30 other obligations to enter into such agreements as the authority may
31 deem necessary, convenient or desirable concerning the use or disposi-
32 tion of the monies or property of the authority, its subsidiary corpo-
33 rations, New York city transit authority, or any of its subsidiary
34 corporations, or Triborough bridge and tunnel authority, including the
35 mortgaging of any such property and the entrusting, pledging or creation
36 of any other security interest in any such monies or property and the
37 doing of any act (including refraining from doing any act) which the
38 authority would have the right to do in the absence of such agreements.
39 The authority shall have power to enter into amendments of any such
40 agreements within the powers granted to the authority by this title and
41 to perform such agreements. The provisions of any such agreements may be
42 made a part of the contract with the holders of the notes, bonds and
43 other obligations of the authority.

44 6. Any pledge, mortgage or security instrument made by the authority
45 shall be valid and binding from the time when the pledge, mortgage or
46 security instrument is made; the monies or property so pledged, mort-
47 gaged and entrusted and thereafter received by the authority, or any of
48 its subsidiary corporations shall immediately be subject to the lien of
49 such pledge, mortgage or security instrument without any physical deliv-
50 ery thereof or further act; and the lien of any such pledge, mortgage or
51 security instrument shall be valid and binding as against all parties
52 having claims of any kind in tort, contract or otherwise against the
53 authority, or any of its subsidiary corporations, irrespective of wheth-
54 er such parties have notice thereof. Neither the resolution nor any
55 mortgage, security instrument or other instrument by which a pledge,
56 mortgage lien or other security is created shall need to be recorded or

1 filed and neither the authority nor, any of its subsidiary corporations
2 shall be required to comply with any of the provisions of the uniform
3 commercial code.

4 7. Neither the members of the authority, the New York city transit
5 authority or the Triborough bridge and tunnel authority nor any person
6 executing the notes, bonds or other obligations shall be liable
7 personally on the notes, bonds or other obligations or be subject to any
8 personal liability or accountability by reason of the issuance thereof.

9 8. The authority, subject to such agreements with the holders of
10 notes, bonds or other obligations as may then exist, shall have power
11 out of any funds available therefor to purchase notes, bonds or other
12 obligations of the authority. The authority may hold, cancel or sell
13 such bonds, notes and other obligations, subject to and in accordance
14 with agreements with such holders.

15 9. Neither the state nor the city of New York shall be liable on
16 notes, bonds or other obligations of the authority and such notes, bonds
17 and other obligations shall not be a debt of the state or the city of
18 New York, and such notes, bonds and other obligations shall contain on
19 the face thereof, or in an equally prominent place, a statement to such
20 effect.

21 10. So long as the authority has any outstanding bonds, notes or other
22 obligations issued pursuant to this section or any bonds, notes or other
23 obligations issued or incurred pursuant to section thirteen hundred
24 forty-nine-j of this title, none of the authority or any of its subsid-
25 iary corporations, New York city transit authority or any of its subsid-
26 iary corporations, or Triborough bridge and tunnel authority shall have
27 the authority to file a voluntary petition under chapter nine of the
28 federal bankruptcy code or such corresponding chapter, chapters or
29 sections as may, from time to time, be in effect, and neither any public
30 officer nor any organization, entity or other person shall authorize the
31 authority or any of its subsidiary corporations, New York city transit
32 authority or any of its subsidiary corporations, or Triborough bridge
33 and tunnel authority to be or become a debtor under chapter nine of the
34 federal bankruptcy code or said corresponding chapter, chapters or
35 sections during any such period.

36 11. The term "monies" as used in this section shall include, but not
37 be limited to, all operating subsidies provided by (i) any public bene-
38 fit corporation, including without limitation transfers of operating
39 surplus by Triborough bridge and tunnel authority pursuant to section
40 twelve hundred nineteen-a of this article, or (ii) any governmental
41 entity, federal, state or local and shall exclude all funds required to
42 be transferred to the metropolitan transportation authority pursuant to
43 section thirteen hundred forty-nine-h of this title.

44 12. Any resolution or agreement authorizing the issuance of bonds,
45 notes or other obligations pursuant to this section may, in addition,
46 authorize and provide for the issuance of lease obligations of the
47 authority which may be issued for the purposes and on the terms and
48 conditions under which the bonds, notes and other obligations authorized
49 under this section may be issued, and may be secured in the same manner
50 as such bonds, notes and other obligations, and which resolution with
51 respect to such lease obligations, may contain such other provisions
52 applicable to bonds, notes and other obligations not inconsistent with
53 the provisions of this section, as the authority may determine.

54 13. The aggregate principal amount of bonds, notes or other obli-
55 gations issued after the first of January next succeeding the effective
56 date of this title, by the authority, the Triborough bridge and tunnel

1 authority and the New York city transit authority to fund projects
2 contained in capital program plans approved pursuant to section thirteen
3 hundred forty-nine-v of this title for the capital program authorization
4 period shall not exceed fifty-five billion four hundred ninety-seven
5 million dollars. Such aggregate principal amount of bonds, notes or
6 other obligations or the expenditure thereof shall not be subject to any
7 limitation contained in any other provision of law on the principal
8 amount of bonds, notes or other obligations or the expenditure thereof
9 applicable to the authority, the Triborough bridge and tunnel authority
10 or the New York city transit authority. The aggregate limitation estab-
11 lished by this subdivision shall not include: (a) obligations issued to
12 refund, redeem or otherwise repay, including by purchase or tender,
13 obligations theretofore issued either by the issuer of such refunding
14 obligations or by the authority, the New York city transit authority or
15 the Triborough bridge and tunnel authority; (b) obligations issued to
16 fund any debt service or other reserve funds for such obligations; (c)
17 obligations issued or incurred to fund the costs of issuance, the
18 payment of amounts required under bond and note facilities, federal or
19 other governmental loans, security or credit arrangements or other
20 agreements related thereto and the payment of other financing, original
21 issue premiums and related costs associated with such obligations; (d)
22 an amount equal to any original issue discount from the principal amount
23 of such obligations or to fund capitalized interest; (e) obligations
24 incurred pursuant to section twelve hundred seven-m of this article; (f)
25 obligations incurred to fund the acquisition of certain buses for the
26 New York city transit authority as identified in a capital program plan
27 approved pursuant to chapter fifty-three of the laws of nineteen hundred
28 ninety-two; (g) obligations incurred in connection with the leasing,
29 selling or transferring of equipment; and (h) bond anticipation notes or
30 other obligations payable solely from the proceeds of other bonds, notes
31 or other obligations which would be included in the aggregate principal
32 amount specified in the first sentence of this subdivision, whether or
33 not additionally secured by revenues of the authority, or any of its
34 subsidiary corporations, New York city transit authority, or any of its
35 subsidiary corporations, or Triborough bridge and tunnel authority.

36 § 1349-v. Capital program plans; approvals; effect of disapproval. 1.
37 On or before October first next succeeding the effective date of this
38 section, and every fifth year thereafter, the authority shall submit to
39 the mayor a capital program plan for the ten-year period commencing
40 January first of the following year.

41 2. For the period described in subdivision one of this section, the
42 plan shall contain the capital program for the transit facilities oper-
43 ated by the New York city transit authority and its subsidiaries and for
44 the Staten Island rapid transit operating authority.

45 3. The plan shall set system-wide goals and objectives for capital
46 spending, establish standards for service and operations, and describe
47 each capital element proposed to be initiated in each of the years
48 covered by the plan and explain how each proposed element supports the
49 achievement of the service and operational standards established in the
50 plan. The plan shall also set forth an estimate of the amount of capital
51 funding required each year and the expected sources of such funding.
52 Each plan subsequent to the first such plan and each proposed amendment
53 or modification thereof shall also describe the current status of each
54 capital element included in the previously approved plan, if any. The
55 plan shall be accompanied or supplemented by such supporting materials
56 as the mayor shall require.

1 4. A "capital element", as used in this section, shall mean either a
2 category of expenditure itemized in a plan, as hereinafter provided, for
3 which a specified maximum dollar amount is proposed to be expended, or a
4 particularly described capital project within one or more categories for
5 which no maximum expenditure is proposed, but for which an estimate of
6 expected cost is provided. A capital element shall be deemed to have
7 been initiated for purposes of this section if in connection with such
8 element the authority shall certify that:

9 (a) purchase or construction contracts have been entered into, obli-
10 gating in the aggregate an amount exceeding ten percent of the maximum
11 or estimated cost of the element as set forth in a plan;

12 (b) financing specific to the project has been undertaken; or

13 (c) in a case where such element is limited to design or engineering,
14 a contract therefor has been entered into.

15 5. The plan shall itemize the capital elements included in each
16 section of the plan under the following categories of expenditure: (a)
17 rolling stock and buses; (b) passenger stations; (c) track; (d) line
18 equipment; (e) line structures; (f) signals and communications; (g)
19 power equipment, emergency power equipment and substations; (h) shops,
20 yards, maintenance facilities, depots and terminals; (i) service vehi-
21 cles; (j) security systems; (k) electrification extensions; and (l)
22 unspecified, miscellaneous and emergency.

23 6. A capital program plan must be approved only by resolution of the
24 authority approved by not less than a majority vote. After approval, the
25 authority must submit the plan to the mayor, who has ninety days to
26 approve the plan.

27 7. A copy of any capital program plan that has been approved by the
28 authority and distributed to the mayor shall be simultaneously provided
29 to the public by the big apple transit authority, via its official or
30 shared internet website.

31 8. If the mayor takes no action within ninety days after receiving the
32 plan, the plan shall be deemed to have been approved.

33 9. If the mayor vetoes the plan, the authority may only override the
34 veto by unanimous vote.

35 10. If the mayor vetoes the plan and the authority does not override
36 the veto, the authority may thereafter reformulate and resubmit such
37 plan at any time. Within thirty days of the submission of such reformu-
38 lated plan, the mayor may notify the authority of its approval, or, if
39 the reformulated plan is not approved and the mayor has not notified the
40 authority of his or her disapproval within such period, the reformulated
41 plan shall be deemed to have been approved.

42 11. No general obligation bonds or notes of the authority, no special
43 obligation bonds or notes of the authority to finance a transit project,
44 as such term is defined in section thirteen hundred forty-nine-j of this
45 title, and no bonds or notes of the Triborough bridge and tunnel author-
46 ity to finance a project pursuant to the authorization contained in
47 paragraph (r) of subdivision nine of section five hundred fifty-three of
48 this chapter shall be issued to finance the costs of a capital element
49 unless such capital element and such source of funding was set forth in
50 a plan approved as provided in this section.

51 12. The disapproval of a capital program plan shall not affect: (a)
52 the right of the authority, of the Triborough bridge and tunnel authori-
53 ty, or of the New York city transit authority, or of the subsidiaries of
54 any of them to initiate and complete any capital element which will be
55 financed otherwise than through the issuance of the bonds or notes the
56 issuance of which is prohibited under subdivision eleven of this

1 section; (b) the right of the authority or the Triborough bridge and
2 tunnel authority to issue bonds or notes to finance a capital element
3 which was initiated prior to such disapproval in conformity with a
4 previously approved plan; (c) the right of the New York city transit
5 authority to issue its bonds, notes, lease, sublease or other contractu-
6 al obligations in payment for a transit project initiated prior to such
7 disapproval in conformity with a previously approved plan; (d) the right
8 of the authority or of the Triborough bridge and tunnel authority to
9 issue bonds or notes to refund or otherwise repay any of its outstanding
10 bonds or notes or to fulfill any of their obligations to the holders of
11 any of their outstanding bonds or notes; or (e) the right of the New
12 York city transit authority to issue its bonds, notes, lease, sublease
13 or other contractual obligations to refund or otherwise repay any of its
14 outstanding bonds or notes or to fulfill any of its obligations to the
15 holders of any of its outstanding bonds or notes.

16 13. Notwithstanding the provisions of subdivision eight of this
17 section, if a source of funding described in an approved plan shall be
18 unavailable or be available in a lesser amount than that set forth in
19 such plan, the authority and the Triborough bridge and tunnel authority
20 may issue bonds or notes as necessary to provide the requisite funding
21 for the capital elements included in the plan to the extent that the
22 aggregate amount of such bonds or notes to be issued in substitution for
23 such unavailable amounts shall not exceed the greater of fifty million
24 dollars or twenty percent of the total amount described in such plan for
25 either the substitute funding source or the funding source being substi-
26 tuted for, subject to the limitations set forth in subdivision eleven of
27 section five hundred fifty-three-e of this chapter and paragraph (a) of
28 subdivision four of section twelve hundred seven-m of this article.

29 14. (a) The authority may from time to time submit to the mayor amend-
30 ments or modifications to any ten-year plan theretofore submitted, and
31 shall submit such an amendment or modification (i) if the estimated cost
32 of any capital element for which a specified dollar amount was proposed
33 to be expended exceeds the amount set forth in the approved plan for
34 such element by more than ten percent, (ii) if with respect to a partic-
35 ularly described capital element for which only an estimate of projected
36 cost has been provided in the plan there is a material change in the
37 description of such element from that contained in the approved plan,
38 (iii) if a capital element not previously included in the approved plan
39 is proposed to be undertaken and its cost, together with the cost of
40 other elements included in category (1) of the plan, exceeds by ten
41 percent the amount provided for such category (1) elements, (iv) if the
42 authority shall propose to change by more than one year from the time
43 when any capital element is proposed to be initiated or the effect of
44 such change will be to increase the estimated amount of capital funding
45 required in any year covered by the plan by more than twenty percent, or
46 (v) if the availability of funding sources changes to the degree to
47 which the authority or the Triborough bridge and tunnel authority are
48 precluded from exercising the authorization provided in subdivision nine
49 of this section and the authority wishes to do so.

50 (b) An amendment or modification may only be approved in two ways: (i)
51 an amendment or modification shall only be approved by the mayor and
52 within thirty days of the submission of an amendment or modification the
53 mayor may notify the authority of its approval of the same; or (ii) if
54 the amendment or modification is not approved by the mayor within such
55 thirty day period and the mayor has not notified the authority in writ-

1 ing of his or her disapproval within such period, the amendment or
2 modification shall be deemed to have been approved.

3 15. In formulating its capital program plans, the authority shall give
4 consideration to the physical condition and urgency of need of each of
5 the several transportation and transit systems involved, to the needs of
6 all of the communities and areas serviced by these systems, to the
7 extent to which other capital aid or assistance may be available to each
8 of these systems, and to the safety, comfort and convenience of its
9 passengers. In determining the source or method of funding which the
10 authority is to use to finance the cost of the capital elements included
11 in its capital program plans, the authority shall, insofar as practica-
12 ble, give consideration, among other things, to: (a) the potential
13 impact of each such source or method upon the level of passenger fares;
14 (b) the relative cost of the several funding alternatives; and (c) the
15 relative ability of each source or method to provide funding at times
16 and in amounts estimated to be required by the capital program plan. To
17 the extent funding is proposed to be obtained through the issuance and
18 sale of bonds or notes, the authority shall, insofar as practicable and
19 consistent with the matters set forth in paragraphs (a), (b) and (c) of
20 this subdivision, give preference to the use of funds appropriated or to
21 be appropriated to the authority by virtue of service contracts with the
22 director of the office of management and budget entered into pursuant to
23 the provisions of the transportation systems assistance and financing
24 act of nineteen hundred eighty-one for purposes of paying the annual
25 cost of debt service for such bonds or notes.

26 16. On or before the first of October succeeding the effective date of
27 this subdivision, and on or before October first of every fifth year
28 thereafter, the authority shall submit to the mayor a twenty-year capi-
29 tal needs assessment. Such assessment shall begin with the period
30 commencing on the first of January after such submission, and begin each
31 assessment with every fifth year thereafter, and describe capital
32 investments over the succeeding twenty years. Such assessment shall: (a)
33 set forth broad long-term capital investments to be made throughout the
34 district; and (b) establish a non-binding basis to be used by the
35 authority in the planning of strategic investments involving capital
36 elements in its five-year capital plan. Such assessment shall not
37 require approval of the mayor and shall be for informational purposes
38 only.

39 17. For purposes of this section, "broad long-term capital invest-
40 ments" shall include but not be limited to: system rebuilding, enhance-
41 ment, and expansion needs; agency needs broken down by capital element
42 or investment category; and projected future trends and network impli-
43 cations. Such assessment shall be certified by the chairperson of the
44 authority and shall be entered into the permanent record of the minutes
45 of the review board.

46 § 1349-w. Submission of strategic operation plan. 1. On or before the
47 first of July next succeeding the effective date of this section, the
48 authority shall submit to the mayor a strategic operation plan for the
49 bus and subway services of the New York city transit authority and its
50 subsidiaries and for the Staten Island rapid transit operating authority
51 for the five year period commencing January first of the following year.

Such analysis shall include the relationship of specific planned capital elements to the achievement of such service and performance standards for each subway line, bus route or group of bus routes as appropriate.

2. Each annual update of the plan shall include a status report summarizing the extent to which planned service and performance standards developed for the previous year were achieved, the causes of any failure to achieve projected standards of service, and corrective measures the authority intends to take to avoid non-achievement of projected standards in the next upcoming year.

3. The big apple transit authority shall take into consideration any petitions from local officials for improved services, including how these service improvements relate to the service and performance standards described in subdivision two of this section, and shall consult with appropriate local officials in its preparation and periodic updates to the operation plan.

§ 1349-x. Financial and operational reports. The authority shall submit to the mayor and speaker of the city council, no later than thirty days following the submission of the annual independent audit report

34 and goals of the authority; a description of the stakeholders of the
35 authority and their reasonable expectations from the authority, which

10 (c) distribute information specified in subdivision two of this
11 section to those persons, including employees and managers, who perform

15 electronic mail address maintained by the person; and

17 authority satisfactory evidence of such compliance, within ninety days.

18 2. The disclosures required by subdivision one of this section shall:

31 ment; and

32 (d) describe prohibitions on employer retaliation against persons who
33 file or assist actions under article thirteen of the state finance law,
34 the New York false claims act pursuant to section one hundred ninety-one
35 of the state finance law, or who report illegal conduct that threatens
36 the health or safety of the public pursuant to section seven hundred

38 3. No later than forty-five days after the effective date of this
39 section, the authority shall establish and continuously maintain on its
40 public website and its intranet site a page that shall provide the
41 information specified in subdivision two of this section, and that shall
42 also provide sample statements, displays and other materials suitable
43 for insertion in employee handbooks or posting at workplaces or on
44 websites that would satisfy the disclosure requirements of this section.

45 4. On and after the effective date of this section, the authority
46 shall not enter into any contract described in subdivision one of this
47 section that does not incorporate the terms of this section.

48 5. Material compliance by a covered person or business organization
49 that has contracted with the authority under a contract that incorpo-

11 authority shall create and establish a fund to be known as the "big
12 apple transit authority special assistance fund" which shall be kept
13 separate from and shall not be commingled with any other moneys of the
14 authority. The special assistance fund shall consist of two separate
15 accounts: (i) the "transit account"; and (ii) the "corporate transporta-
16 tion account".

17 2. Moneys in the transit account may be pledged to the Triborough
18 bridge and tunnel authority to secure bonds and notes and, if so
19 pledged, shall be paid to the Triborough bridge and tunnel authority in
20 such amounts and at such times as necessary to pay or to reimburse that
21 authority for its payment of debt service and reserve requirements on
22 that portion of special Triborough bridge and tunnel authority bonds and
23 notes issued by that authority pursuant to section five hundred fifty-
24 three-d of this chapter for transit projects undertaken for the New York
25 city transit authority and its subsidiaries. Subject to the provisions
26 of such pledge, any excess moneys, or in the event there is no such
27 pledge, any moneys in such account shall, at the direction of the big
28 apple transit authority, be: (a) deposited into one or more funds or
29 accounts and used as contemplated by section thirteen hundred forty-
30 nine-dd of this title; or (b) used for the payment of operating and
31 capital costs of the New York city transit authority and its subsid-
32 aries and the Staten Island rapid transit operating authority.

33 3. (a) Moneys in the corporate transportation account shall be pledged
34 by the authority, or pledged to the Triborough bridge and tunnel author-
35 ity, to secure bonds, notes or other obligations of the authority or the
36 Triborough bridge and tunnel authority, as the case may be, and, if so
37 pledged to the Triborough bridge and tunnel authority, shall be paid to
38 the Triborough bridge and tunnel authority in such amounts and at such
39 times as necessary to pay or to reimburse that authority for its payment
40 of debt service and reserve requirements, if any, on that portion of
41 special Triborough bridge and tunnel authority bonds and notes issued by
42 that authority pursuant to section five hundred fifty-three-d of this
43 chapter. Subject to the provisions of any such pledge, or in the event
44 there is no such pledge, any excess moneys in the corporate transporta-
45 tion account may be used by the authority for payment of operating costs
46 of, and capital costs, including debt service and reserve requirements,
47 if any, of or for the authority, the New York city transit authority and
48 their subsidiaries as the authority shall determine.

49 § 1349-cc. Big apple transit authority dedicated tax fund. 1. The
50 authority shall establish a fund to be known as the "big apple transit
51 authority dedicated tax fund" which shall be kept separate from and
52 shall not be commingled with any other moneys of the authority. The fund
53 shall consist of a "pledged amounts account" and an "operating and capi-
54 tal costs account" and such other accounts and subaccounts as the
55 authority may determine.

56 2. Moneys in the fund may be:

1 (a) pledged by the authority to secure and be applied to the payment
2 of its bonds, notes or other obligations specified by the authority and
3 issued to finance: (i) transit projects undertaken for the New York city
4 transit authority and its subsidiaries; and (ii) transportation facili-
5 ties undertaken for the authority and its subsidiaries; and

6 (b) used for payment of operating costs, and capital costs, including
7 debt service, reserve requirements, if any, the payment of amounts
8 required under bond and note facilities or agreements related thereto,
9 the payment of federal government loans, security or credit arrangements
10 or other agreements related thereto, and the payment of all costs
11 related to such obligations, of or for the authority, the New York city
12 transit authority and their subsidiaries as the authority shall deter-
13 mine. To the extent moneys in the fund have been pledged by the authori-
14 ty to secure and pay its bonds, notes or other obligations as herein
15 provided, moneys deposited into the fund shall first be deposited into
16 the pledged amounts account to the extent necessary to satisfy the
17 requirements of any debt service or reserve requirements, if any, of the
18 resolution authorizing such bonds, notes or other obligations. After
19 satisfaction of such requirements of the resolution, or if the authority
20 has not so pledged the moneys in the fund, moneys deposited in the fund
21 shall be directly deposited into the operating and capital costs account
22 and, subject to the provisions of any resolutions of the authority not
23 secured by the pledged amounts account, transferred forthwith to or for
24 the benefit of the New York city transit authority and its subsidiaries
25 and the Staten Island rapid transit operating authority.

26 3. Any moneys deposited in the fund shall be held in the fund free and
27 clear of any claim by any person arising out of or in connection with
28 article thirteen-A of the tax law. Without limiting the generality of
29 the foregoing and without limiting the rights and duties of the commis-
30 sioner of taxation and finance under article thirteen-A of the tax law,
31 or any other person, including the state, a person shall have any right
32 or claim against the authority, any of its bondholders, the authority or
33 the commuter transportation authority to any moneys in or distributed
34 from the fund or in respect of a refund, rebate, credit or reimbursement
35 of taxes paid under article thirteen-A of the tax law.

36 § 1349-dd. Consolidated financings. 1. Notwithstanding any inconsis-
37 ent provisions of this law or any other law, general, special or local,
38 the authority may issue its notes, bonds and other obligations to
39 finance transportation facilities, including transit projects and
40 Triborough bridge and tunnel authority projects, utilizing a consol-
41 idated pledge of all or any portion of the revenues and other moneys and
42 assets of the authority and its subsidiaries, New York city transit
43 authority and its subsidiaries, and the Triborough bridge and tunnel
44 authority, together with those other sources of payment described in
45 this section. In connection therewith, at its discretion, the authority,
46 subject to the rights of the holders of notes, bonds or other obli-
47 gations of the authority, the metropolitan transportation authority, the
48 New York city transit authority or the Triborough bridge and tunnel
49 authority, may: (a) agree with the New York city transit authority or
50 the Triborough bridge and tunnel authority that any such entity shall
51 deposit all or any portion of the revenues, other monies and assets
52 received by it or its subsidiaries into one or more funds or accounts;
53 and (b) deposit or cause to be deposited into one or more funds and
54 accounts: (i) all or any portion of the revenues, other monies and
55 assets received by the authority and its subsidiaries; (ii) all or any
56 portion of the annual operating surplus of the Triborough bridge and

1 tunnel authority as certified pursuant to paragraph (b) of subdivision
2 two of section twelve hundred nineteen-a of this article; (iii) all or
3 any portion of the amounts from the operating and capital costs account
4 of the metropolitan transportation authority dedicated tax fund required
5 to be distributed to New York city transit authority under the
6 provisions of section twelve hundred seventy-c of this article; (iv) all
7 or any portion of the available monies in the transit account of the
8 metropolitan transportation authority special assistance fund estab-
9 lished under the provisions of section twelve hundred seventy-a of this
10 article available for payment of operating and capital costs of New York
11 city transit authority and its subsidiaries and Staten Island rapid
12 transit operating authority as provided in subdivision two of section
13 twelve hundred seventy-a of this article; (v) all or any portion of the
14 available moneys in the corporate transportation account of the metro-
15 politan transportation authority special assistance fund established
16 under the provisions of section twelve hundred seventy-a of this article
17 available for use by the authority for payment of operating costs of,
18 and capital costs, including debt service and reserve requirements, if
19 any, of or for the authority, the New York city transit authority and
20 their subsidiaries as provided in paragraph (a) of subdivision four of
21 section twelve hundred seventy-a of this article; and (vi) any other
22 monies of the authority, its subsidiaries, the New York city transit
23 authority and its subsidiaries, and the Triborough bridge and tunnel
24 authority from any source whatsoever.

25 2. Amounts so deposited in such funds or accounts may be: (a) pledged
26 by the authority to secure, and be applied to, the payment of its bonds,
27 notes or other obligations issued to finance transportation facilities
28 undertaken for the authority and its subsidiaries, transportation facil-
29 ities, including transit projects, undertaken for New York city transit
30 authority and its subsidiaries, and Triborough bridge and tunnel author-
31 ity projects undertaken for the Triborough bridge and tunnel authority;
32 and (b) used for payment of operating costs, and capital costs, includ-
33 ing debt service, reserve requirements, if any, the payment of amounts
34 required under bond, note or other financing facilities or agreements,
35 and the payment of all costs related to such obligations, of or for the
36 authority and its subsidiaries, and the New York city transit authority
37 and its subsidiaries as the authority in its full discretion shall
38 determine. To the extent moneys so deposited have been pledged by the
39 authority to secure and pay its bonds, notes or other obligations pursu-
40 ant to this subdivision, such moneys shall first be applied to satisfy
41 the requirements of any debt service or reserve requirements of the
42 resolution or resolutions or other contractual arrangements authorizing
43 such bonds, notes or other obligations. After satisfaction of such
44 requirements of any such resolution, resolutions, or other contractual
45 arrangements or if the authority has not so pledged such moneys, such
46 moneys so deposited, subject to the provisions of any other resolutions
47 or contractual arrangements of the authority and the New York city tran-
48 sit authority and applicable provisions of law, may be transferred to or
49 for the benefit of the authority and its subsidiaries and New York city
50 transit authority and its subsidiaries. Revenues and other monies of the
51 authority and its subsidiaries and New York city transit authority and
52 its subsidiaries, respectively, which are deposited in the funds or
53 accounts authorized by this section, as reduced by any application of
54 such revenues or monies to the payment of debt service, reserve require-
55 ments, if any, and other costs attributable to the funding of the capi-
56 tal costs of such entity, shall be allocated, credited and distributed

1 to such source entity. Any other revenues or monies which are deposited
2 in the funds or accounts authorized by this section which are required
3 by law to be allocated or paid to the authority or its subsidiaries or
4 New York city transit authority or its subsidiaries, shall be allocated
5 or paid to the entity to which it is required to be allocated or paid by
6 law after reduction by an amount equal to the portion thereof applied to
7 the payment of debt service, reserve requirements, if any, and other
8 costs attributable to the funding of the capital costs of such entity.
9 In determining the amount of debt service, reserve requirements, if any,
10 and other costs attributable to the authority and its subsidiaries and
11 the New York city transit authority and its subsidiaries, the authority
12 shall make such calculation based upon the percentage of the proceeds of
13 the bonds, notes and other obligations expended for the capital costs
14 attributable to each such entity. The authority may utilize any interim
15 allocation of such distributions, provided that within ninety days after
16 the end of each calendar year, the authority shall certify that the
17 aggregate amount of moneys transferred to each of the authority and its
18 subsidiaries, and the New York city transit authority and its subsid-
19 aries in respect of such calendar year, taking into account any intera-
20 gency repayments or reimbursements anticipated to be made in the next
21 succeeding calendar year, is not less than the amounts required to be
22 paid or transferred to such entities.

23 3. For the purpose of appropriately aligning and allocating the ulti-
24 mate responsibility for debt service among and between the authority and
25 its subsidiaries, New York city transit authority and its subsidiaries,
26 or the Triborough bridge and tunnel authority, each being an "affiliated
27 group", and except as otherwise authorized or required by law, in
28 connection with the application of revenues, subsidies or other moneys
29 or securities of an affiliated group to pay the debt service attribut-
30 able to bonds, notes or other obligations which provide funding of the
31 capital costs of another affiliated group or to refund or redeem bonds,
32 notes or other obligations, the proceeds of which were used to fund the
33 capital costs of another affiliated group, the affiliated group for
34 whose benefit debt service is paid or obligations refunded or redeemed,
35 shall repay, through payments, adjustments or other form of reconcil-
36 iation, such amounts to the affiliated group that made such payments not
37 later than the end of the next succeeding fiscal year; provided, howev-
38 er, that in connection with any refunding or redemption of bonds, notes
39 or other obligations, such repayment, adjustments or other form of
40 reconciliation shall be completed within the period of the applicable
41 capital program plan.

42 § 1349-ee. Regulation of certain authority expenditures. The authori-
43 ty shall implement policies as appropriate to minimize unwarranted
44 expenses and to protect against abuses in connection with (i) the grant-
45 ing of any privileges or benefits having financial value, other than
46 wage payments or expense reimbursements, to members or staff of the
47 authority, or any subsidiary or other authority created by the authori-
48 ty; and (ii) the full-time and part-time assignment and use of automo-
49 biles owned or leased by the authority, or any subsidiary or other
50 authority created by the authority, and the use by authority employees
51 and board members of livery vehicles, as defined in section one hundred
52 twenty-one-e of the vehicle and traffic law.

53 § 1349-ff. Metropolitan transportation authority finance fund. 1. The
54 authority shall establish a fund to be known as the "metropolitan trans-

56 shall not be commingled with any other moneys of the authority.

1 2. Moneys in the fund may be: (a) pledged by the authority to secure
2 and be applied to the payment of the bonds, notes or other obligations
3 of the authority issued on or after the effective date of this section
4 to finance capital projects of the authority and its subsidiaries and
5 the New York city transit authority and any subsidiaries; or (b) used
6 for payment of capital costs, including debt service, reserve require-
7 ments, if any, the payment of amounts required under bond and note
8 facilities or agreements related thereto, the payment of federal govern-
9 ment loans, security or credit arrangements or other agreements related
10 thereto, and the payment of all costs related to such obligations, of or
11 for the authority, the New York city transit authority and their subsid-
12 aries as the authority shall determine. Subject to the provisions of
13 any such pledge, or in the event there is no such pledge, any excess
14 moneys in this fund may be used by the authority for payment of operat-
15 ing costs of, and capital costs, including debt service and reserve
16 requirements, if any, of or for the authority, the New York city transit
17 authority and their subsidiaries as the authority shall determine. To
18 the extent moneys in the fund have been pledged by the authority to
19 secure and pay the bonds, notes or other obligations of the authority
20 issued to finance capital projects of the authority and its subsidiaries
21 and the New York city transit authority and any subsidiaries as herein
22 provided, moneys deposited into the fund shall be deposited to the
23 extent necessary to satisfy the requirements of any debt service or
24 reserve requirements, if any, of the resolution authorizing such bonds,
25 notes or other obligations.

26 3. Any moneys deposited in the fund shall be held in the fund free and
27 clear of any claim by any person arising out of or in connection with
28 article twenty-three of the tax law. Without limiting the generality of
29 the foregoing and without limiting the rights and duties of the commis-
30 sioner of taxation and finance under article twenty-three of the tax
31 law, a person shall have any right or claim against the authority, any
32 of their bondholders, any of the authority's other subsidiaries or the
33 New York city transit authority or any subsidiary to any moneys in or
34 distributed from the fund or in respect of a refund, rebate, credit or
35 reimbursement of taxes paid under article twenty-three of the tax law.

36 § 1349-gg. New York city transportation assistance fund. 1. The
37 authority shall create and establish a fund to be known as the "New York
38 city transportation assistance fund" which shall be kept separate from
39 and shall not be commingled with any other moneys of the authority. The
40 New York city transportation assistance fund shall consist of three
41 separate accounts: (i) the "subway action plan account"; (ii) the "outer
42 borough transportation account"; and (iii) the "general transportation
43 account".

44 2. Moneys in the subway action plan account shall be used for the

48 reconstruction, reconditioning and preservation of transportation
49 systems, facilities and equipment, acquisition of property, and for
50 operating costs including personal services, non-personal services,
51 fringe benefits, and contractual services. Funds may also be used to pay
52 or to reimburse the authority for its payment of debt service and
53 reserve requirements on that portion of authority bonds and notes issued
54 by the authority for capital costs of the metropolitan transportation
55 authority's New York city subway action plan.

1 3. Moneys in the outer borough transportation account shall be used
2 for the exclusive purpose of funding the operating and capital costs of
3 metropolitan transportation authority facilities, equipment and services
4 in the counties of Bronx, Kings, Queens and Richmond, and any projects
5 improving transportation connections from such counties to New York
6 county. Such funds may be used for infrastructure including
7 construction, reconstruction, reconditioning and preservation of trans-
8 portation systems, facilities and equipment, acquisition of property,
9 and for operating costs including personal services, non-personal
10 services, fringe benefits, and contractual services. Funds may also be
11 used to fund a toll reduction program for any crossings under the juris-
12 isdiction of the metropolitan transportation authority or its subsidiaries
13 or affiliates. Funds may also be used to pay or to reimburse the author-
14 ity for its payment of debt service and reserve requirements on that
15 portion of authority bonds and notes that have been issued by the
16 authority specifically for the authorized purpose of this account.
17 Notwithstanding any law to the contrary, final approval of the use of
18 any funds paid into the outer borough transportation account shall be
19 approved by the mayor.

20 4. Moneys in the general transportation account shall be used for
21 funding the operating and capital costs of the metropolitan transporta-
22 tion authority. Such funds may be used for infrastructure including
23 construction, reconstruction, reconditioning and preservation of trans-
24 portation systems, facilities and equipment, acquisition of property,
25 and for operating costs including personal services, non-personal

28 service and reserve requirements on that portion of authority bonds and
29 notes that have been issued by the authority specifically for the
30 purposes of this account.

31 5. Any revenues deposited in the subway action plan account, the outer
32 borough transportation account, or the general transportation account
33 pursuant to subdivision one of this section shall be used exclusively
34 for the purposes described, respectively, in subdivisions two, three,
35 and four of this section. Such revenues shall only supplement and shall
36 not supplant any federal, state, or local funds expended by the metro-
37 politan transportation authority, such authority's affiliates or subsid-
38 aries for such respective purposes.

39 6. Any revenues deposited into the New York city transportation
40 assistance fund pursuant to subdivision one of this section shall not be
41 diverted into the general fund of the state, any other fund maintained
42 for the support of any other governmental purpose, or for any other
43 purpose not authorized by subdivisions two, three and four of this
44 section.

45 7. The authority shall report on the receipt and uses of all funds
46 received by the New York city transportation assistance fund, and in
47 each of its accounts, to the director of the budget, the temporary pres-
48 ident of the senate, and the speaker of the assembly, on an annual basis
49 no later than the first day of February.

50 § 1349-hh. Agreement of the state. The state does hereby pledge to and
51 agree with the authority and its subsidiaries, the New York city transit
52 authority and its subsidiaries, and the Triborough bridge and tunnel
53 authority, and the holders of any notes, bonds or other obligations,
54 including lease obligations, issued or incurred under this title, that
55 the state shall not limit or alter the denial of authority under subdivi-

1 the rights and powers vested in the authority and its subsidiaries, the
2 New York city transit authority and its subsidiaries, and the Triborough
3 bridge and tunnel authority by this title to fulfill the terms of any
4 agreements made by any of them with the holders thereof, or in any way
5 impair the rights and remedies of such holders until such notes, bonds
6 or other obligations, including lease obligations, together with the
7 interest thereon, with interest on any unpaid installments of interest,
8 and all costs and expenses for which the authority or its subsidiaries,
9 the New York city transit authority and its subsidiaries, and the
10 Triborough bridge and tunnel authority is liable in connection with any
11 action or proceeding by or on behalf of such holders, are fully met and
12 discharged. The authority and its subsidiaries, the New York city trans-
13 it authority and its subsidiaries, and the Triborough bridge and tunnel
14 authority are each authorized to include this pledge and agreement of
15 the state in any agreement with the holders of such notes, bonds or
16 other obligations, including lease obligations.

17 § 1349-ii. Right of state to require redemption of bonds. Notwith-
18 standing, and in addition to any provisions for the redemption of bonds
19 which may be contained in any contract with the holders of the bonds,
20 the state may, upon furnishing sufficient funds therefor, require the
21 authority to redeem, prior to maturity, as a whole, any issue of bonds
22 on any interest payment date not less than twenty years after the date
23 of the bonds of such issue at one hundred five per centum of their face
24 value and accrued interest or at such lower redemption price as may be
25 provided in the bonds in case of the redemption thereof as a whole on
26 the redemption date. Notice of such redemption shall be published in at
27 least two newspapers publishing and circulating respectively in the
28 cities of Albany and New York at least twice, the first publication to
29 be at least thirty days before the date of redemption.

30 § 1349-jj. Remedies of noteholders and bondholders. 1. In the event
31 that the authority shall default in the payment of principal of or
32 interest on any issue of notes or bonds after the same shall become due,
33 whether at maturity or upon call for redemption, and such default shall
34 continue for a period of thirty days, or in the event that the authority
35 shall fail or refuse to comply with the provisions of this title or
36 shall default in any agreement made with the holders of any issue of
37 notes or bonds, the holders of twenty-five per centum in aggregate prin-
38 cipal amount of the notes or bonds of such issue then outstanding, by
39 instrument or instruments filed in the office of the clerk of any county
40 in which the authority operates and has an office and proved or acknowl-
41 edged in the same manner as a deed to be recorded, may appoint a trustee
42 to represent the holders of such notes or bonds for the purposes
43 provided by this section.

44 2. Such trustee may, and upon written request of the holders of twen-
45 ty-five per centum in principal amount of such notes or bonds then
46 outstanding, shall, in his or her own name:

47 (a) by suit, action or proceeding in accordance with the civil prac-
48 tice law and rules, enforce all rights of the noteholders or bondhold-
49 ers, including the right to require the authority to collect fares,
50 tolls, rentals, rates, charges and other fees adequate to carry out any
51 agreement as to, or pledge of, such fares, tolls, rentals, rates, charg-
52 es and other fees and to require the authority to carry out any other
53 agreements with the holders of such notes or bonds and to perform its
54 duties under this title;

55 (b) bring suit upon such notes or bonds;

1 (c) by action or suit, require the authority to account as if it were
2 the trustee of an express trust for the holders of such notes or bonds;

3 (d) by action or suit, enjoin any acts or things which may be unlawful
4 or in violation of the rights of the holders of such notes or bonds; and

5 (e) declare all such notes or bonds due and payable, and if all
6 defaults shall be made good, then, with the consent of the holders of
7 twenty-five per centum of the principal amount of such notes or bonds
8 then outstanding, to annul such declaration and its consequences.

9 3. Such trustee shall in addition to the foregoing have and possess
10 all of the powers necessary or appropriate for the exercise of any func-
11 tions specifically set forth herein or incident to the general represen-
12 tation of bondholders or noteholders in the enforcement and protection
13 of their rights.

14 4. The supreme court shall have jurisdiction of any suit, action or
15 proceeding by the trustee on behalf of such noteholders or bondholders.
16 The venue of any such suit, action or proceeding shall be laid in the
17 county in which the instrument or instruments are filed in accordance
18 with subdivision one of this section.

19 5. Before declaring the principal of notes or bonds due and payable,
20 the trustee shall first give thirty days' notice, in writing, to the
21 mayor, the authority, the comptroller and the public advocate.

22 § 1349-kk. Notes and bonds as legal investment. The notes and bonds of
23 the authority are hereby made securities in which all public officers
24 and bodies of the state and all municipalities and political subdivi-

32 or other obligations of the state, may properly and legally invest
33 funds, including capital, in their control or belonging to them.
34 Notwithstanding any other provisions of law, the bonds of the authority
35 are also hereby made securities which may be deposited with and shall be
36 received by all public officers and bodies of this state and all munici-
37 palities and political subdivisions for any purpose for which the depos-
38 it of bonds or other obligations of the state is now or may hereinafter
39 be authorized.

40 § 1349-ll. Exemption from taxation. It is hereby found, determined and
41 declared that the creation of the authority and the carrying out of its
42 purposes is, in all respects, for the benefit of the people of the city

46 conferred upon it by this title. Without limiting the generality of the
47 following provisions of this section, property owned by the authority,
48 property leased by the authority and used for transportation purposes,
49 and property used for transportation purposes by or for the benefit of
50 the authority exclusively pursuant to the provisions of a joint service

2 fares, tolls, rentals, rates, charges or other fees, revenues or other
3 income received by the authority and the bonds of the authority and the
4 income therefrom shall at all times be exempt from taxation, except for
5 gift and estate taxes and taxes on transfers. This section shall consti-

21 2. An action against the authority founded on tort, except an action

32 2. The authority shall prepare and make available for public

43 of the committee on safety, shall report to the committee on safety any
44 and all initiatives, concerns, improvements, or failures involving the
45 safety of: (i) customers; (ii) employees; and (iii) the public at large,

53 provisions of law providing for participation by minority and women-

55 requirements including those regarding sole source contracts; and (F)
56 any other relevant requirements established by law; (iii) monitor the

2 manner in which the work was traditionally performed in the past
3 provided, however, that any such determination shall not be admissible
4 as evidence in any arbitration or judicial proceeding; (iv) review the
5 relationship between capital expenditures pursuant to each such capital
6 program plan and current and future operating budget requirements; (v)
7 monitor the progress of capital elements described in each capital
8 program plan; (vi) monitor the expenditures incurred and to be incurred
9 for each such element; and (vii) identify capital elements not progress-

11 actions required or appropriate to accelerate their implementation. The
12 capital program committee shall issue a quarterly report on its activ-
13 ities and findings, and shall in connection with the preparation of such
14 quarterly report, consult with the division of the budget, the depart-

27 law to the contrary, the chairperson shall not participate in establish-
28 ing authority policies regarding the payment of salary, compensation and
29 reimbursement to, nor establish rules for the time and attendance of,
30 the chief executive officer. The salary of the chairperson, as deter-

32 sation for all services performed as chief executive officer.

33 5. The authority shall be a "state agency" for the purposes of

37 of any public corporation, shall be deemed to have forfeited or shall
38 forfeit his or her office or employment or any benefits provided under
39 the retirement and social security law or under any public retirement
40 system maintained by the state by reason of their acceptance of member-
41 ship on or chairpersonship of the authority; provided, however, a member
42 or chairperson who holds such other public office or employment shall
43 receive no additional compensation for services rendered pursuant to
44 this title, but shall be entitled to reimbursement for their actual and
45 necessary expenses incurred in the performance of such services.

46 7. The governor may remove any member for inefficiency, neglect of
47 duty, breach of fiduciary duty or misconduct in office after giving the
48 member a copy of the charges against the member and an opportunity to be
49 heard, in person or by counsel in the member's defense, upon not less
50 than ten days' notice. If any member shall be so removed, the governor
51 shall file in the office of the department of state a complete statement
52 of charges made against such member, and his or her findings thereon,
53 together with a complete record of the proceedings.

54 8. The authority shall continue so long as it shall have bonds or
55 other obligations outstanding and until its existence shall be termi-

1 nated by law. Upon the termination of the existence of the authority,
2 all its rights and properties shall pass to and be vested in the state.

3 9. Whenever the authority causes notices of hearings on proposed
4 changes in services or fares to be posted pursuant to this section or
5 any statute, regulation, or authority policy, or where it voluntarily
6 posts such notices, such notices shall: (a) be written in a clear and
7 coherent manner using words with common and every day meaning; (b) be
8 captioned in large point type bold lettering with a title that fairly
9 and accurately conveys the basic nature of such change or changes; (c)
10 where such change involves a proposed change in levels of fare, include
11 in its title the range of amounts of fare changes under consideration;
12 (d) contain, to the extent practicable, a concise description of the
13 specific nature of the change or changes, including but not limited to a
14 concise description of those changes that affect the largest number of
15 passengers; (e) where such change involves a change in the nature of a
16 route, contain, to the extent practicable, a clear graphic illustration
17 of such change or changes; and (f) where such change involves a partial
18 or complete station closing, such notice shall be posted at the affected
19 station with a clear graphic illustration depicting the nature of any
20 closing for such station.

21 § 1349-dddd. Purposes of the authority. 1. The purposes of the author-
22 ity shall be the continuance, further development and improvement of
23 commuter transportation and other services related thereto within the
24 metropolitan commuter transportation district, except within the city of
25 New York, including but not limited to such transportation by railroad,
26 omnibus, marine and air, in accordance with the provisions of this
27 title, in an efficient and cost-effective manner that includes the use
28 of design-build contracting on all appropriate projects.

29 2. It is hereby found and declared that such purposes are in all
30 respects for the benefit of the people of the state of New York and the
31 authority shall be regarded as performing an essential governmental
32 function in carrying out its purposes and in exercising the powers
33 granted by this title.

34 § 1349-eeee. State of emergency; boarding of a commuter transportation
35 by domestic companion animals. 1. For the purposes of this section:

36 (a) "Commuter transportation" means commuter transportation, and other
37 related services and facilities, operated by the authority or any of its
38 subsidiaries, including but not limited to such transportation by rail-
39 road, omnibus, marine and air, in accordance with this title.

40 (b) "Domestic companion animal" means a companion animal or pet as
41 defined in section three hundred fifty of the agriculture and markets

44 such other domesticated animal. "Domestic companion animal" shall not
45 include a "farm animal", as defined in section three hundred fifty of
46 the agriculture and markets law.

47 2. (a) In the event that a state of emergency has been declared and an
48 evacuation of any region of the state is in progress, the owner of a
49 domestic companion animal shall be permitted to board any commuter
50 transportation with such domestic companion animal so long as that
51 animal is under the owner's control by use of a leash or tether, or is
52 properly confined in an appropriate container or by other suitable
53 means, provided that such boarding is authorized by and consistent with
54 the provisions of state disaster emergency plans or local state of emer-
55 gency plans pertaining to the needs of animals and individuals with an
56 animal under their care. The provisions of this section shall only apply

1 to the owners of domestic companion animals who are evacuating from a
2 region of the state affected by an emergency or disaster, or a local
3 state of emergency, as defined in section twenty-four of the executive
4 law.

5 (b) A domestic companion animal may be refused permission to board any
6 commuter transportation, even if the animal is under the owner's control
7 or properly confined in accordance with this subdivision if there is
8 reasonable cause to believe that, due to attendant circumstances,
9 permitting the animal to board would pose a health or safety hazard.

10 3. All passengers with service animals shall be given priority seating
11 on all means of transportation regulated by this title in accordance
12 with the federal "Americans with Disabilities Act of 1990", 42 U.S.C.
13 s.12101 et seq. For the purposes of this section, "service animal" shall
14 have the same meaning as set forth in the federal "Americans with Disa-
15 bilities Act of 1990", 42 U.S.C. s.12101 et seq. and any regulations
16 under such act.

17 4. All passengers on any commuter transportation shall be provided
18 seating before a domestic companion animal may be placed in a seat.

19 5. The authority is authorized and directed to promulgate and enforce
20 such rules and regulations as shall be necessary for the implementation
21 of this section.

22 § 1349-ffff. General powers of the authority. Except as otherwise
23 limited by this title, the authority shall have power:

40 to the amount of the deposit;

41 (d) banker's acceptances with a maturity of ninety days or less which
42 are eligible for purchase by the Federal Reserve Banks and whose rating
43 at the time of purchase is in the highest rating category of two

45 that the amount of banker's acceptances of any one bank shall not exceed
46 two hundred fifty million dollars;

47 (e) obligations of any bank or corporation created under the laws of
48 either the United States or any state of the United States maturing
49 within two hundred seventy days, provided that such obligations receive

51 cies and, provided further, that no more than two hundred fifty million
52 dollars may be invested in such obligations of any one bank or corpo-
53 ration;

54 (f) as to any such moneys held in reserve and sinking funds, other
55 securities in which the trustee or trustees of any public retirement
56 system or pension fund has the power to invest the monies thereof pursu-

14 may be authorized for investment by the state comptroller by section
15 ninety-eight of the state finance law may be invested in the obligations
16 of any one agency;

17 (h) general obligation bonds and notes of any state other than the
18 state, provided that such bonds and notes receive the highest rating of
19 at least one independent rating agency, and bonds and notes of any coun-
20 ty, town, city, village, fire district or school district of the state,
21 provided that such bonds and notes receive either of the two highest
22 ratings of at least two independent rating agencies;

23 (i) mutual funds registered with the United States securities and
24 exchange commission whose investments are limited to obligations of the
25 state described in paragraph (a) of this subdivision, obligations the
26 principal and interest of which are guaranteed by the state described in
27 paragraph (b) of this subdivision, and those securities described in
28 paragraph (h) of this subdivision and that have received the highest
29 rating of at least one independent rating agency, provided that the
30 aggregate amount invested at any one time in all such mutual funds shall
31 not exceed ten million dollars, and, provided further, that the authori-
32 ty shall not invest such funds, accounts or other monies in any mutual
33 fund for longer than thirty days; and

34 (j) financial contracts in a foreign currency entered into for the

44 (b) With respect to any lease transaction entered into pursuant to
45 section 168(f)(8) of the United States internal revenue code or any
46 successor provisions, the authority shall meet the following standards
47 and procedures:

48 (i) notice of intention to negotiate shall be published in at least
49 one newspaper of general circulation, and a copy thereof shall be mailed
50 to all parties who have requested notification from the authority to
51 engage in transactions of this type. Such notice shall describe the
52 nature of the proposed transaction and the factors subject to negoti-
53 ation, which shall include, but not be limited to, the price to be paid
54 to the authority;

55 (ii) the authority shall negotiate with those respondents whose
56 response complies with the requirements set forth in the notice; and

1 (iii) the board of the authority shall resolve on the basis of parti-
2 cularized findings relevant to the factors negotiated that such trans-
3 action will provide maximum available financial benefits, consistent
4 with other defined objectives and requirements;

5 (c) The authority shall provide to the governor, the temporary presi-
6 dent of the senate, the speaker of the assembly, the minority leader of
7 the senate and the minority leader of the assembly notice of each lease
8 entered into pursuant to paragraph (b) of this subdivision and support-
9 ing documentation of compliance by the authority with subparagraphs (i),
10 (ii) and (iii) of paragraph (b) of this subdivision;

11 7. To acquire, hold and dispose of real or personal property in the
12 exercise of its powers;

13 8. To appoint such officers and employees as it may require for the
14 performance of its duties, and to fix and determine their qualifica-
15 tions, duties, and compensation and to retain or employ counsel, audi-
16 tors, engineers and private consultants on a contract basis or otherwise
17 for rendering professional or technical services and advice;

18 9. (a) Notwithstanding section one hundred thirteen of the retirement
19 and social security law or any other general or special law, the author-

23 federal or state law;

24 (b) The authority and any of its public benefit subsidiary corpo-

26 retirement system with respect to one or more classes of officers and
27 employees of such authority or any such public benefit subsidiary corpo-
28 ration, as may be provided by resolution of such authority or any such
29 public benefit subsidiary corporation, as the case may be, or any subse-
30 quent amendment thereof, filed with the comptroller and accepted by him
31 or her pursuant to section thirty-one of the retirement and social secu-
32 rity law. In taking any action pursuant to this paragraph, the authority
33 and any of its public benefit subsidiary corporations shall consider the
34 coverages and benefits continued or provided pursuant to paragraph (a)
35 of this subdivision;

36 10. To make plans, surveys, and studies necessary, convenient or
37 desirable to the effectuation of the purposes and powers of the authori-
38 ty and to prepare recommendations in regard thereto;

39 11. To enter upon such lands, waters or premises as in the judgment of
40 the authority may be necessary, convenient or desirable for the purpose
41 of making surveys, soundings, borings and examinations to accomplish any
42 purpose authorized by this title. The authority shall be liable for
43 actual damage done due to the entering upon such lands, waters or prem-
44 ises and any activities taken thereon;

45 12. The authority may conduct investigations and hearings in the
46 furtherance of its general purposes, and in aid thereof have access to
47 any books, records or papers relevant thereto. If any person whose
48 testimony shall be required for the proper performance of the duties of
49 the authority shall fail or refuse to aid or assist the authority in the
50 conduct of any investigation or hearing, or to produce any relevant
51 books, records or other papers, the authority is authorized to apply for
52 process of subpoena, to issue out of any court of general original
53 jurisdiction whose process can reach such person, upon due cause shown;

54 13. A copy of any report submitted by the authority pursuant to
55 sections twenty-eight hundred, twenty-eight hundred one and twenty-eight
56 hundred two of this chapter shall be forwarded to the mayor of the city

1 of New York and to the chairperson of the board of supervisors and to
2 the county executive, if any, of each county within the district; and

3 14. To do all things necessary, convenient or desirable to carry out
4 its purposes and for the exercise of the powers granted in this title.

5 § 1349-gggg. Contracts. 1. The provisions of this section shall not
6 apply to:

7 (a) the award of any contract of the authority if the bid documents
8 for such contract so provide and such bid documents are issued within
9 sixty days of the effective date of this section; or

10 (b) for a period of one hundred eighty days after the effective date
11 of this section, the award of any contract for which an invitation to
12 bid, solicitation, request for proposal, or any similar document has
13 been issued by the authority prior to the effective date of this
14 section.

15 2. (a) Except as otherwise provided in this section, all purchase
16 contracts for supplies, materials or equipment involving an estimated
17 expenditure in excess of one million dollars and all contracts for
18 public work involving an estimated expenditure in excess of one million
19 dollars shall be awarded by the authority to the lowest responsible
20 bidder after obtaining sealed bids in the manner hereinafter set forth.
21 For purposes hereof, contracts for public work shall exclude contracts
22 for personal, engineering and architectural, or professional services.
23 The authority may reject all bids and obtain new bids in the manner
24 provided by this section when it is deemed in the public interest to do
25 so or, in cases where two or more responsible bidders submit identical
26 bids which are the lowest bids, award the contract to any of such
27 bidders or obtain new bids from such bidders. Nothing in this paragraph
28 shall obligate the authority to seek new bids after the rejection of
29 bids or after cancellation of an invitation to bid. Nothing in this
30 section shall prohibit the evaluation of bids on the basis of costs or
31 savings including life cycle costs of the item to be purchased,
32 discounts, and inspection services so long as the invitation to bid
33 reasonably sets forth the criteria to be used in evaluating such costs
34 or savings. Life cycle costs may include but shall not be limited to
35 costs or savings associated with installation, energy use, maintenance,
36 operation and salvage or disposal.

37 (b) Section twenty-eight hundred seventy-nine of this chapter shall
38 apply to the authority's acquisition of goods or services of any kind,
39 in the actual or estimated amount of fifteen thousand dollars or more,
40 provided: (i) that a contract for services in the actual or estimated
41 amount of one million dollars or less shall not require approval by the
42 board of the authority regardless of the length of the period over which
43 the services are rendered, and provided further that a contract for
44 services in the actual or estimated amount of one million dollars or
45 more shall require approval by the board of the authority regardless of
46 the length of the period over which the services are rendered unless
47 such a contract is awarded to the lowest responsible bidder after
48 obtaining sealed bids; and (ii) the board of the authority may by resol-
49 ution adopt guidelines that authorize the award of contracts to small
50 business concerns, to service disabled veteran owned businesses certi-
51 fied pursuant to article three of the veterans' services law, or minori-
52 ty or women-owned business enterprises certified pursuant to article
53 fifteen-A of the executive law, or purchases of goods or technology that
54 are recycled or remanufactured, in an amount not to exceed one million
55 dollars without a formal competitive process and without further board
56 approval. The board of the authority shall adopt guidelines which shall

1 be made publicly available for the awarding of such contract without a
2 formal competitive process.

3 (c)(i) Notwithstanding the provisions of paragraph (a) of this subdivi-
4 vision, the authority shall establish guidelines governing the quali-
5 fications of bidders entering into contracts for its project to bring
6 the Long Island Rail Road into Grand Central Terminal, referred to as
7 the "East Side Access Project" for the purposes of this section. The
8 bidding may be restricted to those who have qualified prior to the
9 receipt of bids according to standards fixed by the authority; provided,
10 however, that the award of contracts shall, to the extent not inconsis-
11 ent with this paragraph, be in accordance with paragraph (a) of this
12 subdivision.

13 (ii) In determining whether a prospective bidder qualifies for the
14 inclusion on a list of prequalified bidders for the East Side Access
15 Project, the authority shall consider: (A) the experience and past
16 performance of the prospective bidder; (B) the prospective bidder's
17 ability to undertake work, including but not limited to whether it
18 participates in state approved apprenticeship programs and whether it
19 utilizes employees who are represented by labor organizations; (C) the
20 financial capability and responsibility of the prospective bidder; and
21 (D) the records of the prospective bidder in complying with existing
22 labor standards. The authority may also consider such other factors as
23 it deems appropriate.

24 3. (a) Advertisement for bids, when required by this section, shall be
25 published at least once in a newspaper of general circulation in the
26 area served by the authority and in the procurement opportunities news-
27 letter published pursuant to article four-C of the economic development
28 law provided that, notwithstanding the provisions of article four-C of
29 the economic development law, an advertisement shall only be required
30 for a purchase contract for supplies, materials or equipment when
31 required by this section. Publication in a newspaper of general circu-
32 lation in the area served or in the procurement opportunities newsletter
33 shall not be required if bids for contracts for supplies, materials or
34 equipment are of a type regularly purchased by the authority and are to
35 be solicited from a list of potential suppliers, if such list is or has
36 been developed consistent with the provisions of subdivision six of this
37 section. Any such advertisement shall contain a statement of: (i) the
38 time and place where bids received pursuant to any notice requesting
39 sealed bids will be publicly opened and read; (ii) the name of the
40 contracting agency; (iii) the contract identification number; (iv) a
41 brief description of the public work, supplies, materials, or equipment
42 sought, the location where work is to be performed, goods are to be
43 delivered or services provided and the contract term; (v) the address
44 where bids or proposals are to be submitted; (vi) the date when bids or
45 proposals are due; (vii) a description of any eligibility or qualifica-
46 tion requirement or preference; (viii) a statement as to whether the
47 contract requirements may be fulfilled by a subcontracting, joint
48 venture, or co-production arrangement; (ix) any other information deemed
49 useful to potential contractors; and (x) the name, address, and tele-
50 phone number of the person to be contacted for additional information.
51 At least fifteen business days shall elapse between the first publica-
52 tion of such advertisement or the solicitation of bids, as the case may
53 be, and the date of opening and reading of bids.

54 (b) The authority may designate any officer or employee to open the
55 bids at the time and place bids are to be opened and may designate an
56 officer to award the contract to the lowest responsible bidder. Such

1 designee shall make a record of all bids in such form and detail as the
2 authority shall prescribe. All bids received shall be publicly opened
3 and read at the time and place specified in the advertisement or at the
4 time of solicitation, or to which the opening and reading have been
5 adjourned by the authority. All bidders shall be notified of the time
6 and place of any such adjournment.

7 4. Notwithstanding the foregoing, the authority may, by resolution
8 approved by a two-thirds vote of its members then in office, or by a
9 majority vote of its members with respect to contracts proposed to be
10 let pursuant to paragraph (a) of this subdivision declare that compet-
11 itive bidding is impractical or inappropriate because of the existence
12 of any of the circumstances hereinafter set forth and thereafter the
13 authority may proceed to award contracts without complying with the
14 requirements of subdivision two or three of this section. In each case
15 where the authority declares competitive bidding impractical or inappro-
16 priate, it shall state the reason therefor in writing and summarize any
17 negotiations that have been conducted. Except for contracts awarded
18 pursuant to paragraphs (a), (b), (c) and (e) of this subdivision, the
19 authority shall not award any contract pursuant to this subdivision
20 earlier than thirty days from the date on which the authority declares
21 that competitive bidding is impractical or inappropriate. Competitive
22 bidding may only be declared impractical or inappropriate where:

23 (a) the existence of an emergency involving danger to life, safety or
24 property requires immediate action and cannot await competitive bidding
25 or the item to be purchased is essential to efficient operation or the
26 adequate provision of service and as a consequence of an unforeseen
27 circumstance such purchase cannot await competitive bidding;

28 (b) the item to be purchased is available only from a single responsi-
29 ble source, provided that if bids have not been solicited for such item
30 pursuant to subdivision two of this section within the preceding twelve
31 months, public notice shall first be given pursuant to subdivision three
32 of this section;

33 (c) the authority receives no responsive bids or only a single respon-
34 sive bid in response to an invitation for competitive bids;

35 (d) the authority wishes to experiment with or test a product or tech-
36 nology or new source for such product or technology or evaluate the
37 service or reliability of such product or technology;

38 (e) the item is available through an existing contract between a
39 vendor and: (i) another public authority provided that such other
40 authority utilized a process of competitive bidding or a process of
41 competitive requests for proposals to award such contracts; (ii) Nassau
42 county; (iii) the state of New York; or (iv) the city of New York,
43 provided that in any case when under this paragraph the authority deter-
44 mines that obtaining such item thereby would be in the public interest
45 and sets forth the reasons for such determination. The authority shall
46 accept sole responsibility for any payment due the vendor as a result of
47 the authority's order; or

48 (f) the authority determines that it is in the public interest to
49 award contracts pursuant to a process for competitive requests for
50 proposals as hereinafter set forth. For purposes of this section, a
51 process for competitive requests for proposals shall mean a method of
52 soliciting proposals and awarding a contract on the basis of a formal
53 evaluation of the characteristics, such as quality, cost, delivery sche-
54 dule and financing of such proposals against stated selection criteria.
55 Public notice of the requests for proposals shall be given in the same
56 manner as provided in subdivision three of this section and shall

1 include the selection criteria. In the event the authority makes a mate-
2 rial change in the selection criteria from those previously stated in
3 the notice, it will inform all proposers of such change and permit
4 proposers to modify their proposals;

5 (i) The authority may award a contract pursuant to this paragraph only
6 after a resolution approved by a two-thirds vote of its members then in
7 office at a public meeting of the authority with such resolution: (A)
8 disclosing the other proposers and the substance of their proposals; (B)
9 summarizing the negotiation process including the opportunities, if any,
10 available to proposers to present and modify their proposals; and (C)
11 setting forth the criteria upon which the selection was made.

12 (ii) Nothing in this paragraph shall require or preclude: (A) negoti-
13 ations with any proposers following the receipt of responses to the
14 request for proposals; or (B) the rejection of any or all proposals at
15 any time. Upon the rejection of all proposals, the authority may solicit
16 new proposals or bids in any manner prescribed in this section.

17 (g) The authority issues a competitive request for proposals pursuant
18 to the procedures of paragraph (f) of this subdivision for the purchase
19 or rehabilitation of rail cars and omnibuses. Any such request may
20 include among the stated selection criteria the performance of all or a
21 portion of the contract at sites within the state of New York or the use
22 of goods produced or services provided within the state of New York,
23 provided however that in no event shall the authority award a contract
24 to a manufacturer whose final offer, as expressed in unit cost is more
25 than ten percent higher than the unit cost of any qualified competing
26 final offer, if the sole basis for such award is that the higher priced
27 offer includes more favorable provision for the performance of the
28 contract within the state of New York or the use of goods produced or
29 services provided within the state of New York, and further provided
30 that the authority's discretion to award a contract to any manufacturer
31 shall not be so limited if a basis for such award, as determined by the
32 authority, is superior financing, delivery schedule, life cycle, reli-
33 ability, or any other factor the authority deems relevant to its oper-
34 ations;

35 (i) The authority may award a contract pursuant to this paragraph only
36 after a resolution approved by a vote of not less than a two-thirds vote
37 of its members then in office at a public meeting of the authority with
38 such resolution; (A) disclosing the other proposers and the substance of
39 their proposals; (B) summarizing the negotiation process including the
40 opportunities, if any, available to proposers to present and modify
41 their proposals; and (C) setting forth the criteria upon which the
42 selection was made.

43 (ii) Nothing in this paragraph shall require or preclude: (A) negoti-
44 ations with any proposers following the receipt of responses to the
45 request for proposals; or (B) the rejection of any or all proposals at
46 any time. Upon the rejection of all proposals, the authority may solicit
47 new proposals or bids in any manner prescribed in this section.

48 5. Upon the adoption of a resolution by the authority stating, for
49 reasons of efficiency, economy, compatibility or maintenance reliabil-
50 ity, that there is a need for standardization, the authority may estab-
51 lish procedures whereby particular supplies, materials or equipment are
52 identified on a qualified products list. Such procedures shall provide
53 for products or vendors to be added to or deleted from such list and
54 shall include provisions for public advertisement of the manner in which
55 such lists are compiled. The authority shall review such list no less
56 than twice a year for the purpose of making such modifications.

1 Contracts for particular supplies, materials or equipment identified on
2 a qualified products list may be awarded by the authority to the lowest
3 responsible bidder after obtaining sealed bids in accordance with this
4 section or without competitive sealed bids in instances when the item is
5 available from only a single source, except that the authority may
6 dispense with advertising provided that it mails copies of the invita-
7 tion to bid to all vendors of the particular item on the qualified
8 products list.

9 6. The authority shall compile a list of potential sources of
10 supplies, materials or equipment regularly purchased. The authority
11 shall, by resolution, set forth the procedures it has established to
12 identify new sources and to notify such new sources of the opportunity
13 to bid for contracts for the purchase of supplies, materials or equip-
14 ment. Such procedures shall include, but not be limited to: (a) adver-
15 tising in trade journals; (b) cooperation with federal, state and local
16 agencies within its area of operations; (c) publication in the state
17 register quarterly; and (d) procedures established pursuant to subdivi-
18 sion thirteen of section thirteen hundred forty-nine-j of this article.

19 7. The provisions of this section shall not supersede any other
20 provisions of law relative to purchases of products or devices manufac-
21 tured or provided by the blind or other severely handicapped persons, to
22 the invitation and acceptance of bids from small or minority business
23 enterprises or to the purchases of supplies, materials or equipment
24 through the office of general services. Except as may otherwise be
25 provided by law or as more restrictively defined in the official policy
26 or bid specifications of the authority, the term "small business" means
27 a small business or similar term, under federal regulations applicable
28 to projects of the authority which are federally assisted.

29 8. Notwithstanding any other provisions in this section, the authority
30 shall be allowed to use an electronic bidding system for the purchase of
31 goods, materials, and commodities that may inform bidders whether their
32 bid is the current low bid and allow bidders to submit new bids before
33 the date and time assigned for the opening of bids. Such procedure shall
34 not constitute disclosure of bids in violation of section twenty-eight
35 hundred seventy-eight of this chapter.

36 9. The provisions of this section shall not apply to any procurement
37 made by any other public entity not otherwise required by law to award
38 contracts for such purchases to the lowest responsible bidder if such
39 purchases are made at the sole cost and expense of such entity.

40 10. (a) Whenever the comptroller pursuant to section twenty-eight
41 hundred seventy-nine-a of this chapter intends to require supervision in
42 the form of prior review and approval of a contract or contract amend-
43 ment to be awarded by the authority pursuant to this section, then such
44 contract or contract amendment shall be submitted to the comptroller by
45 the authority for approval and shall not be a valid enforceable contract
46 unless it shall first have been approved by the comptroller but only if
47 the comptroller has notified the authority of such determination within
48 thirty days of having received written notice of such contract or
49 contract amendment either in the authority's annual report or any
50 revised report.

51 (b) If the comptroller has timely notified the authority as provided
52 in paragraph (a) of this subdivision that any contract or contract
53 amendment shall be subject to comptroller prior review and approval, and
54 such contract or contract amendment has been submitted to the comp-
55 troller, it shall become valid and enforceable without such approval if

1 the comptroller has not approved or disapproved it within thirty days of
2 submission to the comptroller.

3 11. The award of construction contracts by the authority shall not be
4 subject to the provisions of section one hundred one of the general
5 municipal law.

6 § 1349-hhhh. Commuter transportation authority small business mentor-
7 ing program. 1. As used in this section, unless the context requires
8 otherwise:

9 (a) "authority" means commuter transportation authority and its
10 subsidiaries;

11 (b) "chairperson" means the chairperson of the authority and its
12 subsidiaries and affiliates;

13 (c) "small business" means a business in the construction trades
14 which: (i) is independently owned and operated; (ii) has annual revenues

16 amount as established by the authority pursuant to these provisions; and
17 (iii) meets additional criteria as otherwise established by the chair-
18 person in consultation with the members of the commuter transportation
19 small business mentoring program advisory committee. The chair of the
20 committee shall be the chief diversity officer of the authority. The
21 authority shall establish a detailed definition in general and specific
22 to different segments of the construction industry to the extent neces-
23 sary to reflect differing characteristics of such segments based on the
24 criteria used by the United States small business administration for
25 loans to small businesses as set forth in Sections 121.301 through
26 121.305, or for awarding government procurements as set forth in
27 Sections 121.401 through 121.413, of Subpart A of Part 121 of Chapter I
28 of Title 13 of the Code of Federal Regulations as amended, and such
29 other criteria as determined by the authority;

30 (d) "small business mentoring program" is a program established by the
31 authority pursuant to these provisions to provide small businesses
32 accepted into the program with the opportunity:

33 (i) for up to four years, to compete for and, where awarded, to
34 perform certain authority public work contracts to be designated by the
35 authority for inclusion in this program under this subparagraph, with
36 the assistance of an authority-provided mentor, which shall be a firm
37 competitively selected by the authority that has extensive construction
38 management and mentoring experience, with the mentor to provide the
39 small business with advice and assistance in competing for and managing
40 authority public work contracts; and

41 (ii) for a small business mentoring program participant which the
42 authority has determined has successfully completed the program under
43 subparagraph (i) of this paragraph, for up to four additional years: (A)
44 additional opportunities to compete with other designated small busi-
45 nesses in the program for certain public work contracts to be designated
46 for inclusion under this subparagraph and, where awarded, to perform
47 such authority public work contracts, with the further assistance of an
48 authority-provided mentor, which shall be a firm competitively selected
49 by the authority that has extensive construction management and mentor-
50 ing experience, with the mentor to provide the small business with
51 advice and technical assistance in competing for and managing authority
52 public work contracts; and (B) authority-provided assistance, as deter-
53 mined by the authority, for such a small business to obtain bonding for
54 public work contracts that are competitively awarded pursuant to
55 provisions of law other than this section;

1 (e) "small business mentoring program contract" means a non-federally
2 funded authority public work contract designated by the authority, in an
3 estimated amount of not more than one million dollars for contracts
4 under subparagraph (i) of paragraph (d) of this subdivision and three
5 million dollars for contracts under subparagraph (ii) of paragraph (d)
6 of this subdivision, for which bids or proposals are to be invited and
7 accepted only from businesses that are enrolled in the small business
8 mentoring program and have been selected by the authority to compete for
9 the contract.

10 2. (a) Pursuant to these provisions, the authority may establish a
11 small business mentoring program. In connection therewith, the authority
12 may determine the criteria pursuant to which a small business shall be
13 eligible for and selected to participate in the program under subpara-
14 graphs (i) and (ii) of paragraph (d) of subdivision one of this section,
15 the number of participants to participate in each such components of the
16 program, the criteria for the competitive selection of the firms that
17 will provide small businesses with mentoring services, the assignment of
18 a mentor to a specific small business in the small business mentoring
19 program, and the funding for the program.

20 (b) Under the small business mentoring program, the chairperson or the
21 chairperson's designee is authorized, notwithstanding any other
22 provision of law:

23 (i) to designate which eligible public work contracts shall be small
24 business mentoring program contracts under subparagraphs (i) and (ii) of
25 paragraph (d) of subdivision one of this section, respectively;

26 (ii) to establish standards for qualifying small business mentoring
27 program participants to compete for a small business mentoring program
28 contract, provided that no less than three qualified small businesses in
29 the program submit responsive offers to perform the contract;

30 (iii) to determine when bids or proposals for a small business mentor-
31 ing program contract should be restricted to small business mentoring
32 program participants which, prior to the receipt of bids or proposals,
33 have been qualified by the authority for such competition;

34 (iv) to competitively select, designate and contract with one or more
35 experienced construction management firms that, under the general super-
36 vision of the authority, will provide mentoring services to the small
37 businesses participating in the small business mentoring program, and to
38 assign such mentors one or more designated small businesses participat-
39 ing in the program;

40 (v) for small business mentoring program contracts, except as set
41 forth herein, to waive requirements for the solicitation and award of a
42 public work contract pursuant to sections thirteen hundred forty-nine-
43 qqqq and twenty-eight hundred seventy-nine of this chapter and any other
44 provision of law;

45 (vi) to assist only small business mentoring program participants that
46 have been awarded small business mentoring program contracts to obtain
47 any surety bond or contract of insurance required of them in connection
48 with such contract only notwithstanding any provision of section two
49 thousand five hundred four of the insurance law to the contrary; and

50 (vii) for small businesses that have been accepted into the small
51 business mentoring program under subparagraph (ii) of paragraph (d) of
52 subdivision one of this section, in addition to the benefits of such
53 program and notwithstanding any other provision of law, to provide tech-
54 nical assistance in obtaining bids, payment and performance bonding for
55 authority public work contracts that are not small business mentoring
56 program contracts, for which the small business is otherwise qualified.

1 3. (a) If the total number of qualified small business mentoring
2 program participants that respond to a competition and are considered
3 capable of meeting the specifications and terms of the invitation to
4 compete is less than three, or if the chairperson or the chairperson's
5 designee determines that acceptance of the best offer will result in the
6 payment of an unreasonable price, the authority may reject all offers
7 and withdraw the designation of the contract as a small business mentor-
8 ing program contract.

9 (b) If the authority withdraws the designation of contract as a small
10 business mentoring program contract, the firms, if any, that made offers
11 shall be notified. Invitations to compete containing the same or rewrit-
12 ten specifications and terms shall then be re-issued as a small business
13 mentoring program contract for one or more additional contract period.

14 4. A mentor shall provide services and assistance to a small business
15 as designated by the authority, which may include the following:

17 successful construction business and to compete for and perform a public
18 work contract;

19 (b) provide technical assistance to the small business to assess the
20 outcome if the small business competes for but is not awarded a
21 contract;

22 (c) if the small business mentoring program contract is awarded to the
23 small business, provide guidance, advice and technical assistance to the
24 small business in the performance of the contract; and

25 (d) provide other technical assistance to the small business to facil-
26 itate learning, training and other issues which may arise.

27 5. The authority may delegate to the chairperson or the chairperson's
28 designee the authority's responsibilities set forth herein.

29 6. The small business mentoring program contracts authorized by this
30 legislation shall, for the initial year of the program, be in an aggre-
31 gate amount of not less than ten million dollars, and shall not exceed
32 one hundred million dollars, with the maximum amount in future years to
33 be set by the chairperson.

34 § 1349-iiii. Special powers of the authority. In order to effectuate
35 the purposes of this title:

36 1. The authority may acquire, by purchase, gift, grant, transfer,
37 contract or lease, any transportation facility other than a transit
38 facility wholly or partially within the metropolitan commuter transpor-
39 tation district, or any part thereof, or the use thereof, and may enter
40 into any joint service arrangements as hereinafter provided. Any such
41 acquisition or joint service arrangement shall be authorized only by
42 resolution of the authority approved by not less than a majority vote of
43 the whole number of members of the authority then in office, except that
44 in the event of a tie vote the chairperson shall cast one additional
45 vote.

46 2. The authority may on such terms and conditions as the authority may
47 determine necessary, convenient or desirable itself plan, design,
48 acquire, establish, construct, effectuate, operate, maintain, renovate,
49 improve, extend, rehabilitate or repair any transportation facility
50 other than a transit project, or may provide for such planning, design,
51 acquisition, establishment, construction, effectuation, operation, main-
52 tenance, renovation, improvement, extension, rehabilitation or repair by
53 contract, lease or other arrangement on such terms as the authority may
54 deem necessary, convenient or desirable with any person, including but
55 not limited to any common carrier or freight forwarder, the state, any
56 state agency, the federal government, any other state or agency or

1 instrumentality thereof, any public authority of this or any other
2 state, the port of New York authority or any political subdivision or
3 municipality of the state. In connection with the operation of any
4 transportation facility, the authority may plan, design, acquire, estab-
5 lish, construct, effectuate, operate, maintain, renovate, improve,
6 extend or repair or may provide by contract, lease or other arrangement
7 for the planning, design, acquisition, establishment, construction,
8 effectuation, operation, maintenance, renovation, improvement, extension
9 or repair of any related services and activities it deems necessary,
10 convenient or desirable, including but not limited to the transportation
11 and storage of freight and the United States mail, feeder and connecting
12 transportation, parking areas, transportation centers, stations and
13 related facilities.

14 3. (a) Except as directed in paragraph (c) of this subdivision, the
15 authority may establish, levy and collect or cause to be established,
16 levied and collected and, in the case of a joint service arrangement,
17 join with others in the establishment, levy and collection of such
18 fares, tolls, rentals, rates, charges and other fees as it may deem
19 necessary, convenient or desirable for the use and operation of any
20 transportation facility and related services operated by the authority
21 or by a subsidiary corporation of the authority or under contract, lease
22 or other arrangement, including joint service arrangements, with the
23 authority. Any such fares, tolls, rentals, rates, charges or other fees
24 for the transportation of passengers shall be established and changed
25 only if approved by resolution of the authority adopted by not less than
26 a majority vote of the whole number of members of the authority then in
27 office, with the chairperson having one additional vote in the event of
28 a tie vote, and only after a public hearing, provided however, that
29 fares, tolls, rentals, rates, charges or other fees for the transporta-
30 tion of passengers on any transportation facility which are in effect at
31 the time that the then owner of such transportation facility becomes a
32 subsidiary corporation of the authority or at the time that operation of
33 such transportation facility is commenced by the authority or is
34 commenced under contract, lease or other arrangement, including joint
35 service arrangements, with the authority may be continued in effect
36 without such a hearing. Such fares, tolls, rentals, rates, charges and
37 other fees shall be established as may in the judgment of the authority
38 be necessary to maintain the combined operations of the authority and
39 its subsidiary corporations on a self-sustaining basis. The said oper-
40 ations shall be deemed to be on a self-sustaining basis as required by
41 this title, when the authority is able to pay or cause to be paid from
42 revenue and any other funds or property actually available to the
43 authority and its subsidiary corporations: (i) as the same shall become
44 due, the principal of and interest on the bonds and notes and other
45 obligations of the authority and its subsidiaries and the metropolitan
46 transportation authority, together with the maintenance of proper
47 reserves therefor; (ii) the cost and expense of keeping the properties
48 and assets of the authority and its subsidiary corporations in good
49 condition and repair; and (iii) the capital and operating expenses of
50 the authority and its subsidiary corporations. The authority may
51 contract with the holders of bonds and notes with respect to the exer-
52 cise of the powers authorized by this section. No acts or activities
53 taken or proposed to be taken by the authority or any subsidiary of the
54 authority pursuant to the provisions of this subdivision shall be deemed
55 to be "actions" for the purposes or within the meaning of article eight
56 of the environmental conservation law.

1 (b) All fares, tolls, rentals, rates, charges, and other fees estab-
2 lished, levied, and collected or caused to be established, levied, and
3 collected, shall first be transferred to the metropolitan transportation
4 authority in order to maintain the metropolitan transportation authority
5 on a self-sustaining basis unless already pledged to secure, and neces-
6 sary to satisfy the debt service or reserve requirements of, bonds,
7 notes or other obligations of the authority prior to January first, two
8 thousand twenty-four.

9 (c) In the event that the monthly revenues of the metropolitan trans-
10 portation authority fall below one hundred twenty-five percent of the
11 amount necessary to maintain the operations of the metropolitan trans-
12 portation authority on a self-sustaining basis, as defined by section
13 twelve hundred sixty-six of this article, the authority shall, at the
14 direction of the metropolitan transportation authority, establish, levy
15 and collect or cause to be established, levied and collected, in the
16 case of a joint service arrangement, and join with others in the estab-
17 lishment, levy and collection of such fares, tolls, rentals, rates,
18 charges and other fees as the metropolitan transportation authority may
19 deem necessary, convenient or desirable for the use and operation of any
20 transportation facility and related services operated by the authority
21 or by a subsidiary corporation of the authority or under contract, lease
22 or other arrangement, including joint service arrangements, with the
23 authority, until such time that monthly revenues of the metropolitan
24 transportation authority has exceeded, for three consecutive months, two
25 hundred percent of the amount necessary to maintain the operations of
26 the metropolitan transportation authority on a self-sustaining basis.

27 4. The authority may establish and, in the case of joint service
28 arrangements, join with others in the establishment of such schedules
29 and standards of operations and such other rules and regulations includ-
30 ing but not limited to rules and regulations governing the conduct and
31 safety of the public as it may deem necessary, convenient or desirable
32 for the use and operation of any transportation facility and related
33 services operated by the authority or under contract, lease or other
34 arrangement, including joint service arrangements, with the authority.
35 Such rules and regulations governing the conduct and safety of the
36 public shall be filed with the department of state in the manner
37 provided by section one hundred two of the executive law. In the case of
38 any conflict between any such rule or regulation of the authority
39 governing the conduct or the safety of the public and any local law,
40 ordinance, rule or regulation, such rule or regulation of the authority
41 shall prevail. Violation of any such rule or regulation of the authority
42 governing the conduct or the safety of the public in or upon any facili-
43 ty of the authority shall constitute an offense and shall be punishable
44 by a fine not exceeding fifty dollars or imprisonment for not more than
45 thirty days or both or may be punishable by the imposition of a civil
46 penalty by the transit adjudication bureau established pursuant to the
47 provisions of title nine of this article.

48 5. (a) The authority may acquire, hold, own, lease, establish,
49 construct, effectuate, operate, maintain, renovate, improve, extend or
50 repair any transportation facilities through, and cause any one or more
51 of its powers, duties, functions or activities to be exercised or
52 performed by, one or more wholly owned subsidiary corporations of the
53 authority, and may transfer to or from any such corporations any moneys,
54 real property or other property for any of the purposes of this title
55 upon such terms and conditions as shall be agreed to and subject to such
56 payment or repayment obligations as are required by law or by any agree-

1 ment to which any of the affected entities is subject. The directors or
2 members of each such subsidiary corporation of the authority corporation
3 shall be the same persons holding the offices of members of the authori-
4 ty. The chairperson of the board of each such subsidiary shall be the
5 chairperson of the authority, serving ex officio and, provided that
6 there is an executive director of the commuter transportation authority,
7 the executive director of such subsidiary shall be the executive direc-
8 tor of the commuter transportation authority, serving ex officio.
9 Notwithstanding any provision of law to the contrary, the chairperson
10 shall be the chief executive officer of each such subsidiary and shall
11 be responsible for the discharge of the executive and administrative
12 functions and powers of each such subsidiary. The chairperson and execu-
13 tive director, if any, shall be empowered to delegate his or her func-
14 tions and powers to one or more officers or employees of each such
15 subsidiary designated by him or her. Each such subsidiary corporation of
16 the authority and any of its property, functions and activities shall
17 have all of the privileges, immunities, tax exemptions and other
18 exemptions of the authority and of the authority's property, functions
19 and activities. Each such subsidiary corporation shall be subject to the
20 restrictions and limitations to which the authority may be subject. Each
21 such subsidiary corporation of the authority shall be subject to suit in
22 accordance with section thirteen hundred forty-nine-11111 of this title.
23 The employees of any such subsidiary corporation, except those who are
24 also employees of the authority, shall not be deemed employees of the
25 authority.

26 (b) If the authority shall determine that one or more of its subsid-
27 iary corporations should be in the form of a public benefit corporation,
28 it shall create each such public benefit corporation by executing and
29 filing with the secretary of state a certificate of incorporation, which
30 may be amended from time to time by filing, which shall set forth the
31 name of such public benefit subsidiary corporation, its duration, the
32 location of its principal office, and any or all of the purposes of
33 acquiring, owning, leasing, establishing, constructing, effectuating,
34 operating, maintaining, renovating, improving, extending or repairing
35 one or more facilities of the authority. Each such public benefit
36 subsidiary corporation shall be a body politic and corporate and shall
37 have all those powers vested in the authority by the provisions of this
38 title which the authority shall determine to include in its certificate
39 of incorporation except the power to contract indebtedness.

40 (c) Whenever any state, political subdivision, municipality, commis-
41 sion, agency, officer, department, board, division or person is author-
42 ized and empowered for any of the purposes of this title to co-operate
43 and enter into agreements with the authority such state, political
44 subdivision, municipality, commission, agency, officer, department,
45 board, division or person shall have the same authorization and power
46 for any of such purposes to co-operate and enter into agreements with a
47 subsidiary corporation of the authority.

48 6. Each of the authority and its subsidiaries, in its own name or in
49 the name of the state, may apply for and receive and accept grants of
50 property, money and services and other assistance offered or made avail-
51 able to it by any person, government or agency, which it may use to meet
52 capital or operating expenses and for any other use within the scope of
53 its powers, and to negotiate for the same upon such terms and conditions
54 as the respective authority may determine to be necessary, convenient or
55 desirable.

1 7. The authority may lease railroad cars for use in its passenger
2 service pursuant to the provisions of chapter six hundred thirty-eight
3 of the laws of nineteen hundred fifty-nine.

4 8. (a) The authority may do all things it deems necessary, convenient
5 or desirable to manage, control and direct the maintenance and operation
6 of transportation facilities, equipment or real property operated by or
7 under contract, lease or other arrangement with the authority and its
8 subsidiaries. Except as hereinafter specially provided, no municipality
9 or political subdivision, including but not limited to a county, city,
10 village, town or school or other district shall have jurisdiction over
11 any facilities of the authority and its subsidiaries, or any of their
12 activities or operations. The local laws, resolutions, ordinances, rules
13 and regulations of a municipality or political subdivision, heretofore
14 or hereafter adopted, conflicting with this title or any rule or regu-
15 lation of the authority or its subsidiaries, shall not be applicable to
16 the activities or operations of the authority and its subsidiaries, or
17 the facilities of the authority and its subsidiaries, except such facil-
18 ities that are devoted to purposes other than transportation or transit
19 purposes. Each municipality or political subdivision, including but not
20 limited to a county, city, village, town or district in which any facil-
21 ities of the authority or its subsidiaries are located shall provide for
22 such facilities police, fire and health protection services of the same
23 character and to the same extent as those provided for residents of such
24 municipality or political subdivision.

25 (b) The jurisdiction, supervision, powers and duties of the department
26 of transportation of the state under the transportation law shall not
27 extend to the authority in the exercise of any of its powers under this
28 title. The authority may agree with such department for the execution by
29 such department of any grade crossing elimination project or any grade
30 crossing separation reconstruction project along any railroad facility
31 operated by the authority or by one of its subsidiary corporations or
32 under contract, lease or other arrangement with the authority. Any such
33 project shall be executed as provided in article ten of the transporta-

5 or agencies of the state of Connecticut, the manner and by whom the work
6 of design, construction, reconstruction, improvement, maintenance and

10 imposition of such tolls, fees and charges, except that net revenues
11 remaining after deduction of operational and maintenance expense of such
12 bridge shall be in the ratio of fifty per centum for the authority and
13 fifty per centum for the state of Connecticut or for such agency or
14 agencies of the state of Connecticut. Subject to the limitations imposed
15 upon the authority by the provisions of the said contracts, that portion
16 of the said bridge and its approaches situate and lying within the
17 territorial boundaries of the state of New York shall be deemed a
18 "transportation facility" of the authority for all the purposes of this
19 title, but tolls, fees and other charges imposed for the use of such

44 authority and the authority shall have the right to be represented and
45 heard before such court. All awards and judgments arising from such
46 claims shall be paid out of moneys of the authority.

48 with such agency or agencies of the state of Connecticut, may also apply
49 for and accept, upon condition or otherwise, from the duly authorized
50 agencies of the federal government, and of the governments of the states

7 accordance with section thirteen hundred forty-nine-xxxx of this title,
8 in such principal amounts not in excess of the seventy-five million

11 funds to meet the capital and reserve requirements of a trust, pooling
12 arrangement or other entity established for the purpose of providing
13 reimbursement and funding to the authority and its subsidiaries for
14 excess or extraordinary losses for damages to real or personal property
15 or for the destruction thereof or for personal injuries or death and for
16 certain property damage losses which may be incurred or sustained by any
17 of them in connection with the use and operation of their respective
18 facilities and in the conduct of their respective activities, the trust,
19 pooling arrangement or other entity established in order to provide such
20 benefits to such participants being referred to in this section as the
21 "excess loss fund". Prior to the issuance of any bonds or notes, other
22 than refunding bonds or notes, authorized by this section, the authority
23 shall make a finding that such issue is expected to result, on a present
24 value basis, in a lower effective cost to the participating authorities
25 than funding the requirements of the excess loss fund solely through the
26 payment of premiums and assessments by such participating authorities.

27 2. In order to effectuate the purposes of the excess loss fund, the
28 authority shall, subject to the provisions of this section, have all the
29 powers provided elsewhere in this title and may:

30 (a) accept the notes, bonds and other contractual obligations of the
31 excess loss fund for funds provided to it by the authority;

32 (b) obtain security for the payment by the excess loss fund of its

36 assessments, reimbursements and other payments from the participants in
37 the excess loss fund, which pledge may contain covenants with respect to
38 the charging and fixing by actuarial estimates, where appropriate, of
39 premiums, assessments, reimbursements and other payments and the use and
40 disposition thereof; and

41 (c) enter into contracts with the excess loss fund and with the
42 participants therein, on such terms and conditions as the parties may
43 agree, with respect to the payment of premiums, assessments, reimburse-
44 ments and other payments to the excess loss fund and the nature and
45 extent of the benefits to be paid by the excess loss fund to such
46 participants.

47 3. The bonds and notes of the authority authorized by this section
48 shall not constitute general obligations of the authority, but shall be
49 special obligations of the authority payable as to principal, redemption
50 premium, if any, and interest solely from the security, sources of
51 payment and funds obtained from or on behalf of the excess loss fund,
52 all in the manner more particularly provided by the authority in the
53 resolution under which such bonds and notes shall be authorized to be
54 issued.

55 4. The aggregate principal amount of bonds and notes issued for the
56 purposes enumerated in subdivision one of this section shall not exceed

1 seventy-five million dollars, excluding: (a) bonds and notes issued to
2 fund costs of issuance and any reasonably required debt service reserve
3 fund for such bonds or notes; (b) an amount equal to any original issue
4 discount from the principal amount of any bonds or notes issued; and (c)
5 bonds and notes issued to refund or otherwise repay bonds or notes ther-
6 etofore issued for such purposes, provided, however, that upon any such
7 refunding or repayment of the total aggregate principal amount of
8 outstanding bonds and notes, including for purpose of such calculation
9 the principal amount of the refunding bonds or notes then to be issued
10 and excluding the principal amount of the bonds or notes so to be
11 refunded or repaid and any amounts excluded under paragraph (a) or (b)
12 of this subdivision, may be greater than seventy-five million dollars,
13 only if the present value of the aggregate debt service of the refunding
14 or repayment bonds or notes to be issued shall not exceed the present
15 value of the aggregate debt service of the bonds or notes so to be
16 refunded or repaid. For purposes of paragraph (c) of this subdivision,
17 the present values of the aggregate debt service of the refunding or
18 repayment bonds or notes and of the aggregate debt service of the bonds
19 or notes so to be refunded or repaid, shall be calculated by utilizing
20 the effective interest rate of the refunding or repayment bonds or
21 notes, which shall be that rate arrived at by doubling the semi-annual
22 interest rate, compounded semi-annually, necessary to discount the debt
23 service payments on the refunding or repayment bonds or notes from the
24 payment dates thereof to the date of issue of the refunding or repayment
25 bonds or notes and to the price bid including estimated accrued interest
26 or proceeds received by the authority including estimated accrued inter-
27 est from the sale thereof.

28 5. The term "excess loss fund" as used in this section shall not
29 include any trust, pooling arrangements or other entity: (a) which
30 provides or offers to provide reimbursement or funding for losses or
31 liabilities to any entity other than the authority and its subsidiaries;
32 or (b) in which any entity other than the authority and its subsidiaries
33 holds an equity interest.

34 § 1349-pppp. Authority police force. 1. The authority is hereby
35 authorized and empowered, to provide and maintain an authority police
36 department and a uniformed authority police force. Each member of such
37 uniformed police force shall be a "police officer" for the purposes of
38 the criminal procedure law, with all of the powers of such police offi-
39 cers thereunder and subject to the same jurisdictional provisions on the
40 exercise of that power as set forth in such law. The geographical area
41 of employment of such police officers for the purposes of the criminal
42 procedure law shall embrace the metropolitan commuter transportation
43 district as defined in section twelve hundred sixty-two of this article.
44 Such department and force shall have the power, in and about any or all
45 of the facilities owned, occupied and/or operated by the authority and
46 its subsidiary corporations, as determined in the discretion of the
47 authority, to enforce and prevent violation of all laws and ordinances.
48 Nothing herein shall confer upon the authority police force or upon
49 their collective negotiations representatives exclusive jurisdiction or
50 claim over the exercise of police power or security work on behalf of
51 the authority and its subsidiary corporations. Nothing herein shall
52 limit the authority and its subsidiary corporations from continuing to
53 rely on local police for police services. However, traditional police
54 functions previously performed by the Long Island Rail Road Company
55 and/or the Metro-North Commuter Railroad Company police force shall
56 continue to be performed by the authority police forces.

1 2. Initial appointments to such authority police force shall be all
2 incumbent police officers from the Long Island Rail Road Company and/or
3 the Metro-North Commuter Railroad Company at the time of such appoint-
4 ment. The executive director of the authority, through the chief of
5 police, shall have the power and authority to appoint and employ such
6 number of police officers as he or she deems necessary to act as police
7 officers of the authority and to administer to the officers an oath or
8 affirmation faithfully to perform the duties of their respective posi-
9 tions or offices. Unless, at the time of appointment, the person is a
10 police officer of the Long Island Rail Road Company or the Metro-North
11 Commuter Railroad Company, only persons who have never been convicted of
12 a felony and are citizens of the United States shall be appointed police
13 officers on the authority police force. After the initial appointments
14 are made, selection of police officer candidates shall be made pursuant
15 to an examination process to be determined at the discretion of the
16 authority and candidates shall receive a certificate attesting to satis-
17 factory completion of an approved municipal police basic training
18 program, as described in section two hundred nine-q of the general
19 municipal law. No person shall be eligible for appointment unless such
20 person is not less than twenty years of age as of the date of appoint-
21 ment nor more than thirty-five years of age as of the date when the
22 applicant takes the written examination, provided, however, that time
23 spent on military duty or on terminal leave, not exceeding a total of
24 six years, shall be subtracted from the age of any applicant who has
25 passed his or her thirty-fifth birthday as provided in subdivision ten-a
26 of section two hundred forty-three of the military law. Upon appoint-
27 ments made by transferring an entire group of police officers into the
28 authority police force, thereby eliminating such other group of police
29 officers, the authority shall recognize any representative previously
30 chosen by the police officers for the purposes of collective negoti-
31 ations consistent with the bargaining units already established and
32 shall also assume and continue to observe any existing labor contracts
33 covering these police officers including such provisions which relate to
34 the grievance and disciplinary procedures and interest arbitration.
35 Subsequent to the establishment of the consolidated police force the
36 authority and the collective bargaining representatives shall be author-
37 ized to negotiate a merger of the separate bargaining units.

38 3. The authority may appoint a chief and one or more deputy chiefs of
39 the authority police department who, in the discretion of the authority,
40 may be selected from the ranks of the authority police force, and assign
41 powers and duties to them and fix their compensation. The chief shall be
42 the head of such department. The deputy chief designated by the chief
43 shall possess all the powers and perform all the duties of the chief
44 during his or her absence or disability. The authority police force
45 shall consist of such divisions, supervisors and officers, including but
46 not limited to police officers, detectives, sergeants, lieutenants and
47 captains as designated by the authority. Notwithstanding any law or
48 provision to the contrary, the members of the uniformed authority police
49 force shall not acquire civil service status or become members of the
50 New York state and local employees' retirement system, except as set
51 forth in this section.

52 4. The authority shall provide for a twenty year retirement plan under
53 the same terms and conditions as provided by section three hundred
54 eighty-nine of the retirement and social security law as enacted by
55 chapter six hundred twenty-eight of the laws of nineteen hundred nine-
56 ty-one; except that:

1 (a) any benefit provided pursuant to such plan shall be subject to an
2 offset, as defined in this paragraph, for any tier II benefit payable
3 pursuant to the federal Railroad Retirement Act to or in the respect of
4 a member. The offset provided for by this paragraph shall be the amount
5 of the tier II benefit which would be payable to or in respect to such
6 member pursuant to the federal Railroad Retirement Act multiplied by a
7 fraction, the numerator of which is the member's years of credited
8 service covered by the federal Railroad Retirement Act rendered to, or
9 credited by, the authority or any subsidiary corporation of the authori-
10 ty, and the denominator of which is the member's total years of service
11 covered by the federal Railroad Retirement Act;

12 (b) references to the Long Island Rail Road shall be to the authority;

13 (c) the transfer of funds described in subdivision f of section three
14 hundred eighty-nine of the retirement and social security law as enacted
15 by chapter six hundred twenty-eight of the laws of nineteen hundred
16 ninety-one shall include the Metro-North Commuter Railroad Company
17 Defined Contribution Pension Plan for Agreement Employees;

18 (d) the provisions of subdivision g of section three hundred eighty-
19 nine of the retirement and social security law as enacted by chapter six
20 hundred twenty-eight of the laws of nineteen hundred ninety-one to the
21 extent of requiring contributions for past service liability shall not
22 be applicable; and

23 (e) when a police officer transferred from the Long Island Rail Road
24 Company police force to the authority police force reaches age sixty-two
25 the authority will offset the amount payable under this plan by the
26 amount of tier II benefit payable from the Railroad Retirement Board for
27 a service age annuity or disability payable at the participants age
28 sixty-two.

29 5. The authority may, in its sole discretion, establish within the
30 authority's defined benefit program, a retirement program consistent
31 with the foregoing. If the authority has not so established such program
32 in its defined benefit program within one hundred eighty days after
33 enactment, then the authority shall elect to participate in article
34 fourteen-B of the retirement and social security law.

35 6. If the authority elects to participate in the New York state and
36 local employees' retirement system, such election to participate shall
37 be made by resolution filed with the comptroller and accepted by him or
38 her pursuant to section thirty-one of the retirement and social security
39 law.

40 7. Nothing herein contained shall be deemed to diminish, suspend or
41 abolish an existing benefit inured to a police officer, transferred from
42 the Long Island Rail Road Company and/or Metro-North Commuter Railroad
43 Company police force and subject to the provisions of this section in
44 and to the rights, privileges or status previously earned within a
45 pension or retirement system of which they were a member immediately
46 prior to the enactment of this section; and any such existing right,
47 privilege or status shall survive the effect of any decisions or deter-
48 minations lawfully made in accordance with the provisions hereof so long
49 as such right, privilege or status is greater in benefit to that which
50 would be imposed or imputed to any subject officer as a result of
51 actions of the authority authorized herein.

52 § 1349-gqqq. The permanent citizens advisory committee. There is
53 hereby established a permanent citizens advisory committee. The members
54 of the committee shall consist of the following members: the Long Island
55 Rail Road commuter council and the Metro-North commuter council.

1 § 1349-rrrr. Commuter transportation authority pledge to customers. 1.
2 A commuter transportation authority pledge to customers shall be created
3 and adopted by the commuter transportation authority. A copy of such
4 pledge shall be posted on the website of the authority and shall be
5 posted in stations where the authority makes regular postings. The
6 authority shall post the pledge in the language or languages it deems
7 necessary and appropriate.

8 2. The commuter transportation authority pledge to customers shall be
9 in the form and manner as prescribed by the authority, include the
10 contact information of the authority, and include, but not be limited
11 to, the following:

12 (a) a description of the authority's commitment to provide safe and
13 reliable services;

14 (b) a description of the authority's commitment to provide timely and
15 accurate information on its services;

16 (c) a commitment that employees will provide service in a courteous
17 manner;

18 (d) a description of the authority's commitment to maintain clean
19 stations, facilities, and buses;

20 (e) a description of the authority's policies when it comes to arrang-
21 ing alternative transportation when service is interrupted;

22 (f) when service is interrupted, a description of the authority's
23 policies when it comes to considering the comfort of inconvenienced
24 customers;

25 (g) when service is interrupted due to weather conditions, a
26 description of the authority's policies on notifying customers;

27 (h) when service is severely interrupted, a description of the author-
28 ity's policies on service restoration.

29 3. The authority from time to time may, update and amend the commuter
30 transportation authority pledge to customers as it deems necessary and
31 proper and may adopt rules and regulations for the proper administration
32 of this section.

33 § 1349-ssss. Expired fare transfer policy. Notwithstanding any other
34 provision of law to the contrary, the authority shall, within ninety
35 days of the effective date of this section, establish an expired fare
36 transfer policy that may be amended from time to time. Such policy shall
37 provide any person who purchases a fare the ability to transfer any
38 remaining balance for two years after such fare is deemed expired.

39 § 1349-tttt. Acquisition and disposition of real property. 1. In
40 addition to the powers provided in section thirteen hundred forty-nine-
41 iiii of this title to acquire transportation facilities, equipment and
42 real property, the authority may acquire, by condemnation pursuant to
43 the condemnation law, any real property it may deem necessary, conven-
44 ient or desirable to effectuate the purposes of this title, provided
45 however, that any such condemnation proceedings shall be brought only in
46 the supreme court and the compensation to be paid shall be ascertained
47 and determined by the court without a jury. Notwithstanding the forego-
48 ing provisions of this subdivision, no real property may be acquired by
49 the authority by condemnation for purposes other than a transportation
50 facility unless the governing body of the city, village or town in which
51 such real property is located shall first consent to such condemnation.

52 2. Nothing herein contained shall be construed to prevent the authori-
53 ty from bringing any proceedings to remove a cloud on title or such
54 other proceedings as it may, in its discretion, deem proper and neces-
55 sary or from acquiring any such property by negotiation or purchase.

1 3. Where a person entitled to an award in the proceedings to condemn
2 any real property for any of the purposes of this title remains in
3 possession of such property after the time of the vesting of title in
4 the condemnor, the reasonable value of his or her use and occupancy of
5 such property subsequent to such time as fixed by agreement or by the
6 court in such proceedings or by any court of competent jurisdiction
7 shall be a lien against such award subject only to the liens of record
8 at the time of vesting of title in the condemnor.

9 4. Subject to the provisions of section thirteen hundred forty-nine-
10 iiii of this title, title to all property acquired under this title
11 shall vest in the authority or one of its subsidiary corporations as the
12 authority directs.

13 5. The authority may, whenever it determines that it is in the inter-
14 est of the authority, dispose of any real property or property other
15 than real property, which it determines is not necessary, convenient or
16 desirable for its purposes.

17 6. The authority may, whenever it shall determine that it is in the
18 interest of the authority, rent, lease, or grant easements or other
19 rights in, any land or property of the authority.

20 § 1349-uuuu. Acquisition and disposition of real property by depart-
21 ment of transportation. If funds are made available by the authority for
22 the payment of the cost and expense of the acquisition thereof, the
23 commissioner of transportation of the state of New York, when requested
24 by the authority, may acquire such real property in the name of the
25 state as may be determined from time to time by the authority as being
26 necessary, convenient or desirable to effectuate the purposes of this
27 title, may remove the owner or occupant thereof where necessary and
28 obtain possession and, when requested by the authority, may dispose of
29 any real property so acquired, all according to the procedures provided
30 in section thirty of the highway law. The authority shall have the right
31 to possess and use for its corporate purposes all such real property so
32 acquired. Claims for the value of the property appropriated and for
33 legal damages caused by any such appropriation shall be adjusted and
34 determined by such commissioner with the approval of the authority or by
35 the court of claims as provided in section thirty of the highway law.
36 When a claim has been filed with the court of claims, the claimant shall
37 cause a copy of such claim to be served upon the authority and the
38 authority shall have the right to be represented and heard before such
39 court. All awards and judgments arising from such claims shall be paid
40 out of moneys of the authority. No real property may be acquired pursu-
41 ant to the provisions of this section for purposes other than a trans-
42 portation facility unless the governing body of the city, village or
43 town in which such real property is located shall first consent to such
44 acquisition. The provisions of this section shall not be applicable to
45 the acquisition or disposition of real property required for the
46 construction of the two highway bridges crossing Long Island sound
47 referred to in section thirteen hundred forty-nine-iiii of this title.
48 The authority shall be empowered to lease for such other purposes as the
49 authority may determine any part or parts of Republic airport not needed
50 for transportation purposes.

51 § 1349-vvvv. Cooperation and assistance of other agencies. 1. To
52 avoid duplication of effort and in the interests of economy, the author-
53 ity may make use of existing studies, surveys, plans, data and other
54 materials in the possession of any state agency or any municipality or
55 political subdivision of the state. Each such agency, municipality or
56 subdivision is hereby authorized to make the same available to the

1 authority and otherwise to assist it in the performance of its func-
2 tions. At the request of the authority, each such agency, municipality
3 or subdivision which is engaged in highway or other transportation
4 activities or in land use or development planning, or which is charged
5 with the duty of providing or regulating any transportation facility or
6 any other public facility, is further authorized to provide the authori-
7 ty with information regarding its plans and programs affecting the
8 transportation district so that the authority may have available to it
9 current information with respect thereto. The officers and personnel of
10 such agencies, municipalities or subdivisions, and of any other govern-
11 ment or agency whatever, may serve at the request of the authority upon
12 such advisory committees as the authority shall determine to create and
13 such officers and personnel may serve upon such committees without
14 forfeiture of office or employment and with no loss or diminution in the
15 compensation, status, rights and privileges which they otherwise enjoy.

16 2. The authority shall, at the request of any state agency, munici-
17 pality or political subdivision of the state, engaged in highway or
18 other transportation activities or in land use or development planning,
19 provide said state agency, municipality or political subdivision with
20 all current and relevant information regarding its plans or programs, so
21 as to enable said agency, municipality or subdivision to properly effec-
22 tuate said activities or planning.

23 3. To the extent that the provisions of this title authorize the
24 authority to enter into any agreement or arrangement with, or undertake
25 any other activity requiring the participation of, the big apple transit
26 authority, the New York city transit authority or any of their subsid-
27 iary corporations in furtherance of their respective purposes and powers
28 or the Triborough bridge and tunnel authority in furtherance of its
29 purposes and powers, such entities are hereby authorized and empowered
30 to enter into and perform such contract or other arrangement and to
31 undertake such activities.

32 § 1349-www. Promotion of qualified transportation fringes. The
33 authority shall promote the broad use of qualified transportation fring-
34 es, under section 132(f) of the internal revenue code, in order to
35 increase the number of participating companies and employees in such
36 programs. The authority may also study and report on ways in which
37 programs may be improved so as to increase public participation.

38 § 1349-xxxx. Notes, bonds and other obligations of the authority. 1.
39 (a) The authority shall have power and is hereby authorized from time to
40 time to issue its bonds, notes and other obligations in such principal
41 amount as, in the opinion of the authority, shall be necessary, conven-
42 ient or desirable to effectuate any of its powers and purposes, includ-
43 ing to provide sufficient funds for achieving its purposes, including
44 the acquisition, establishment, construction, effectuation, operation,
45 maintenance, renovation, improvement, extension, rehabilitation or
46 repair of any transportation facility, the payment of principal, redemp-
47 tion premium and interest on bonds, notes and other obligations of the
48 authority, establishment of reserves to secure such bonds, notes and
49 other obligations, the provision of working capital and all other
50 expenditures of the authority and its subsidiary corporations incident
51 to and necessary or convenient to carry out their purposes and powers.
52 Such bonds, notes or other obligations may be issued for an individual
53 transportation facility or issued on a consolidated basis for such
54 groups or classes of facilities and projects as the authority in its
55 discretion deems appropriate and be payable from and secured separately
56 or on a consolidated basis by, among other things, all or any portion of

1 such revenues and other monies and assets of the authority and its
2 subsidiary corporations as the authority determines in accordance with
3 the provisions of section thirteen hundred forty-nine-ddddd of this
4 title;

5 (b) The authority shall have power, from time to time, to issue
6 renewal notes, to issue bonds to refund, redeem or otherwise pay,
7 including by purchase or tender, notes of the authority and its subsid-
8 iary corporations and whenever it deems refunding, redemption or payment
9 expedient, to refund, redeem or otherwise pay, including by purchase or
10 tender, any bonds of the authority and its subsidiary corporations, by
11 the issuance of new bonds, whether the bonds to be refunded, redeemed or
12 otherwise paid have or have not matured, and to issue bonds partly for
13 such purpose and partly for any other purpose and to otherwise refund,
14 redeem, acquire by purchase or tender, or in any other way repay any
15 outstanding notes, bonds or other obligations of the authority, and any
16 of its subsidiary corporations;

17 (c) Every issue of its notes, bonds or other obligations shall be
18 general obligations or special obligations. Every issue of general obli-
19 gations of the authority shall be payable out of any revenues or monies
20 of the authority, subject only to any agreements with the holders of
21 particular notes or bonds pledging any particular receipts or revenues.
22 Every issue of special obligations shall be payable out of any revenues,
23 receipts, monies or other assets of the authority and its subsidiary
24 corporations, identified for such purposes in accordance with agreements
25 with the holders of particular notes, bonds or other obligations. The
26 authority may issue transportation revenue special obligation bonds,
27 notes or other obligations as provided in section thirteen hundred
28 forty-nine-eeeeee of this title;

29 2. The authority may from time to time issue its bonds and notes in
30 such principal amounts as, in the opinion of the authority, shall be
31 necessary to finance the unfunded pension fund liabilities of the
32 authority, its affiliates and subsidiaries, provided, however, that in
33 no event shall the cumulative amounts of bonds and notes issued pursuant
34 to the authority of this subdivision exceed one billion two hundred
35 million dollars or sixty percent of such unfunded pension fund liabil-
36 ities, whichever is less, and provided, further, that no bonds shall be
37 issued under this subdivision for a term longer than twenty years. The
38 authority shall not issue bonds or notes in any twelve-month period in a
39 cumulative principal amount in excess of forty percent of the total
40 amount permitted to be issued under this subdivision. Prior to the issu-
41 ance of any bonds or notes, the authority shall make a finding that such
42 issue is expected to result, on a present value basis, in a lower effec-
43 tive cost to the authority than funding the unfunded pension fund
44 liability solely through the payment of annual amounts to the pension
45 fund, assuming that the principal component of the unfunded liability
46 will be amortized over the same number of years as the term of the bonds
47 or notes and that the interest payable thereon is the actuarial rate of
48 interest determined by the actuary for the pension fund at the time of
49 the issuance of such bonds or notes. The aggregate principal amount of
50 bonds and notes issued for such purposes may be increased to fund costs
51 of issuance and may reasonably require debt service of other reserve
52 funds. Bonds and notes may be issued to refund or otherwise repay bonds
53 or notes theretofore issued for such purposes; provided, however, that
54 upon any such refunding or repayment, including for the purpose of such
55 calculation the principal amount of the refunding bonds or notes then to
56 be issued and excluding the principal amount of the bonds or notes so to

1 be refunded or repaid and also excluding any amounts used to pay costs
2 of issuance and reasonably required debt service or other reserve funds,
3 the present value of the aggregate debt service of the refunding or
4 repayment bonds or notes to be issued shall not exceed the present value
5 of the aggregate debt service of the bonds or notes so to be refunded or
6 repaid. For purposes of the preceding sentence, the present values of
7 the aggregate debt service of the refunding or repayment bonds or notes
8 and of the aggregate debt service of the bonds or notes so to be
9 refunded or repaid shall be calculated by utilizing the effective inter-
10 est rate of the refunding or repayment bonds or notes, which shall be
11 that rate arrived at by doubling the semi-annual interest rate,
12 compounded semi-annually, necessary to discount the debt service
13 payments on the refunding or repayment bonds or notes from the payment
14 dates thereof to the date of issue of the refunding or repayment bonds
15 or notes and to the price bid including estimated accrued interest or
16 proceeds received by the authority including estimated accrued interest
17 from the sale thereof. Debt service on the bonds or notes shall be
18 structured so that the economic benefits thereof shall be relatively
19 uniform for each full year throughout the term of the bonds or notes.
20 Beginning with the date of first issuance of bonds under this section,
21 the authority and its subsidiaries shall make annual payments into the
22 pension fund in amounts at least equal to the current pension contrib-
23 ution liability applicable to such year. The net proceeds of the bonds
24 or notes intended to be invested in non-debt securities may be invested
25 by the recipient pension fund in a fiscally prudent manner in securities
26 consistent with any trust indentures and all applicable state and feder-
27 al law over a reasonable period of time not less than thirty days
28 following the issuance of the bonds or notes. The operating budget
29 savings associated with the issuance of pension obligation bonds pursu-
30 ant to this subdivision shall be dedicated to reducing service elimi-
31 nations projected to occur within that period.

32 3. The notes, bonds and other obligations shall be authorized by
33 resolution approved by not less than a majority vote of the whole number
34 of members of the authority then in office, except that in the event of
35 a tie vote the chairperson shall cast one additional vote. Such notes,
36 bonds and other obligations shall bear such date or dates, and shall
37 mature at such time or times, in the case of any such note or any
38 renewals thereof not exceeding five years from the date of issue of such
39 original note, and in the case of any such bond not exceeding fifty
40 years from the date of issue, as such resolution or resolutions may
41 provide. The notes, bonds and other obligations shall bear interest at
42 such rate or rates, be in such denominations, be in such form, either
43 coupon or registered, carry such registration privileges, be executed in
44 such manner, be payable in such medium of payment, at such place or
45 places and be subject to such terms of redemption as such resolution or
46 resolutions may provide. The notes, bonds and other obligations of the
47 authority may be sold by the authority, at public or private sale, at
48 such price or prices as the authority shall determine. No notes or bonds
49 of the authority may be sold by the authority at private sale, however,
50 unless such sale and the terms thereof have been approved in writing by
51 (a) the comptroller, where such sale is not to the comptroller, or (b)
52 the director of the budget, where such sale is to the comptroller.

53 4. Any resolution or resolutions authorizing any notes, bonds or any
54 issue thereof, or any other obligations of the authority, may contain
55 provisions, which shall be a part of the contract with the holders ther-
56 eof, as to:

1 (a) pledging all or any part of the revenues of the authority or of
2 any of its subsidiary corporations to secure the payment of the notes or
3 bonds or of any issue thereof, or any other obligations of the authori-
4 ty, subject to such applicable agreements with bondholders, noteholders,
5 or holders of other obligations of the authority and the metropolitan
6 transportation authority, as may then exist;

7 (b) pledging all or any part of the assets of the authority or of any
8 of its subsidiary corporations to secure the payment of the notes or
9 bonds or of any issue of notes or bonds, or any other obligations of the
10 authority, subject to such agreements with noteholders, bondholders, or
11 holders of other obligations of the authority as may then exist;

12 (c) the use and disposition of revenues, including fares, tolls,
13 rentals, rates, charges and other fees, made or received by the authori-
14 ty, or any of its subsidiary corporations;

15 (d) the setting aside of reserves or sinking funds and the regulation
16 and disposition thereof;

17 (e) limitations on the purpose to which the proceeds of sale of notes,
18 bonds or other obligations of the authority may be applied and pledging
19 such proceeds to secure the payment of the notes or bonds or of any
20 issue thereof or of other obligations;

21 (f) limitations on the issuance of additional notes, bonds or other
22 obligations of the authority; the terms upon which additional notes,
23 bonds or other obligations of the authority may be issued and secured;
24 the refunding of outstanding or other notes, bonds or other obligations
25 of the authority;

26 (g) the procedure, if any, by which the terms of any contract with
27 noteholders, bondholders, or holders of other obligations of the author-
28 ity, may be amended or abrogated, the amount of notes, bonds or other
29 obligations of the authority the holders of which shall consent thereto,
30 and the manner in which such consent may be given;

31 (h) limitations on the amount of monies to be expended by the authori-
32 ty or any of its subsidiary corporations for operating, administrative
33 or other expenses of the authority or any of its subsidiary corpo-
34 rations;

35 (i) vesting in a trustee or trustees such property, rights, powers and
36 duties in trust as the authority may determine, which may include any or
37 all of the rights, powers and duties of the trustee appointed by the
38 bondholders, noteholders or holders of other obligations of the authori-
39 ty pursuant to this title, and limiting or abrogating the right of the
40 bondholders, noteholders or holders of other obligations of the authori-
41 ty to appoint a trustee under this article or limiting the rights,
42 powers and duties of such trustee;

43 (j) any other matters, of like or different character, which in any
44 way affect the security or protection of the notes, bonds or other obli-
45 gations of the authority.

46 5. In addition to the powers herein conferred upon the authority to
47 secure its notes, bonds and other obligations, the authority shall have
48 power in connection with the issuance of notes, bonds and other obli-
49 gations to enter into such agreements as the authority may deem neces-
50 sary, convenient or desirable concerning the use or disposition of the
51 monies or property of any of the authority, its subsidiary corporations,
52 including the mortgaging of any such property and the entrusting, pledg-
53 ing or creation of any other security interest in any such monies or
54 property and the doing of any act, including refraining from doing any
55 act, which the authority would have the right to do in the absence of
56 such agreements. The authority shall have power to enter into amendments

1 of any such agreements within the powers granted to the authority by
2 this title and to perform such agreements. The provisions of any such
3 agreements may be made a part of the contract with the holders of the
4 notes, bonds and other obligations of the authority.

5 6. It is the intention hereof that any pledge, mortgage or security
6 instrument made by the authority shall be valid and binding from the
7 time when the pledge, mortgage or security instrument is made; that the
8 monies or property so pledged, mortgaged and entrusted and thereafter
9 received by the authority, or any of its subsidiary corporations shall
10 immediately be subject to the lien of such pledge, mortgage or security
11 instrument without any physical delivery thereof or further act; and
12 that the lien of any such pledge, mortgage or security instrument shall
13 be valid and binding as against all parties having claims of any kind in
14 tort, contract or otherwise against the authority, or any of its subsid-
15 iary corporations, irrespective of whether such parties have notice
16 thereof. Neither the resolution nor any mortgage, security instrument
17 or other instrument by which a pledge, mortgage lien or other security
18 is created need be recorded or filed and neither the authority nor, any
19 of its subsidiary corporations shall be required to comply with any of
20 the provisions of the uniform commercial code.

21 7. Neither the members of the authority nor any person executing the
22 notes, bonds or other obligations shall be liable personally on the
23 notes, bonds or other obligations or be subject to any personal liabil-
24 ity or accountability by reason of the issuance thereof.

25 8. The authority, subject to such agreements with the holders of
26 notes, bonds or other obligations as may then exist, shall have power
27 out of any funds available therefor to purchase notes, bonds or other
28 obligations of the authority. The authority may hold, cancel or sell
29 such bonds, notes and other obligations, subject to and in accordance
30 with agreements with such holders.

31 9. Neither the state nor the city of New York shall be liable on
32 notes, bonds or other obligations of the authority and such notes, bonds
33 and other obligations shall not be a debt of the state or the city of
34 New York, and such notes, bonds and other obligations shall contain on
35 the face thereof, or in an equally prominent place, a statement to such
36 effect.

37 10. So long as the authority has any outstanding bonds, notes or other
38 obligations issued pursuant to this section, none of the authority or
39 any of its subsidiary corporations shall have the authority to file a
40 voluntary petition under chapter nine of the federal bankruptcy code or
41 such corresponding chapter, chapters or sections as may, from time to
42 time, be in effect, and neither any public officer nor any organization,
43 entity or other person shall authorize the authority or any of its
44 subsidiary corporations to be or become a debtor under chapter nine or
45 said corresponding chapter, chapters or sections during any such period.

46 11. The term "monies" as used in this section shall include, but not
47 be limited to, all operating subsidies provided by: (i) any public bene-
48 fit corporation; or (ii) any governmental entity, federal, state or
49 local and shall exclude all funds required to be transferred to the
50 metropolitan transportation authority pursuant to section thirteen
51 hundred forty-nine-iiii of this title.

52 12. Any resolution or agreement authorizing the issuance of bonds,
53 notes or other obligations pursuant to this section may, in addition,
54 authorize and provide for the issuance of lease obligations of the
55 authority which may be issued for the purposes and on the terms and
56 conditions under which the bonds, notes and other obligations authorized

1 under this section may be issued, and may be secured in the same manner
2 as such bonds, notes and other obligations, and which resolution with
3 respect to such lease obligations, may contain such other provisions
4 applicable to bonds, notes and other obligations not inconsistent with
5 the provisions of this section, as the authority may determine.

6 13. The aggregate principal amount of bonds, notes or other obli-
7 gations issued after the effective date of this title by the authority
8 to fund projects contained in capital program plans approved pursuant to
9 section thirteen hundred forty-nine-yyy of this title for the new capi-
10 tal program period shall not exceed the new capital program debt limit.
11 Such aggregate principal amount of bonds, notes or other obligations or
12 the expenditure thereof shall not be subject to any limitation contained
13 in any other provision of law on the principal amount of bonds, notes or
14 other obligations or the expenditure thereof applicable to the authori-
15 ty. The aggregate limitation established by this subdivision shall not
16 include:

17 (a) obligations issued to refund, redeem or otherwise repay, including
18 by purchase or tender, obligations theretofore issued either by the
19 issuer of such refunding obligations or by the authority;

20 (b) obligations issued to fund any debt service or other reserve funds
21 for such obligations;

22 (c) obligations issued or incurred to fund the costs of issuance, the
23 payment of amounts required under bond and note facilities, federal or
24 other governmental loans, security or credit arrangements or other
25 agreements related thereto and the payment of other financing, original
26 issue premiums and related costs associated with such obligations;

27 (d) an amount equal to any original issue discount from the principal
28 amount of such obligations or to fund capitalized interest;

29 (e) obligations incurred in connection with the leasing, selling or
30 transferring of equipment; and

31 (f) bond anticipation notes or other obligations payable solely from
32 the proceeds of other bonds, notes or other obligations which would be
33 included in the aggregate principal amount specified in the opening
34 paragraph of this subdivision, whether or not additionally secured by
35 revenues of the authority, or any of its subsidiary corporations.

36 § 1349-yyy. Capital program plans; approvals; effect of disapproval.

37 1. (a) On or before the first of October next succeeding the effective
38 date of this section and every fifth year thereafter, the authority
39 shall submit to the governor a capital program plan for the ten-year
40 period commencing January first of the following year.

41 (b) Each such plan shall contain the capital program for the railroad
42 facilities, not including the Staten Island rapid transit operating
43 authority, under the jurisdiction of the authority.

44 (c) The plan shall set system-wide goals and objectives for capital
45 spending, establish standards for service and operations, and describe
46 each capital element proposed to be initiated in each of the years
47 covered by the plan and explain how each proposed element supports the
48 achievement of the service and operational standards established in the
49 plan. The plan shall also set forth an estimate of the amount of capital
50 funding required each year and the expected sources of such funding.
51 Each plan subsequent to the first such plan and each proposed amendment
52 or modification thereof shall also describe the current status of each
53 capital element included in the previously approved plan, if any. The
54 plan shall be accompanied or supplemented by such supporting materials
55 as the governor shall require.

1 (d) A capital element shall mean either a category of expenditure
2 itemized in a plan, as hereinafter provided, for which a specified maxi-
3 imum dollar amount is proposed to be expended, or a particularly
4 described capital project within one or more categories for which no
5 maximum expenditure is proposed, but for which an estimate of expected
6 cost is provided. A capital element shall be deemed to have been initi-
7 ated for purposes of this section if in connection with such element the
8 authority shall certify that: (i) purchase or construction contracts
9 have been entered into, obligating in the aggregate an amount exceeding
10 ten percent of the maximum or estimated cost of the element as set forth
11 in a plan; (ii) financing specific to the project has been undertaken;
12 or (iii) in a case where such element is limited to design or engineer-
13 ing, a contract therefor has been entered into.

14 2. The plan shall itemize the capital elements included in each
15 section of the plan under the following categories of expenditure: (a)
16 rolling stock and buses; (b) passenger stations; (c) track; (d) line
17 equipment; (e) line structures; (f) signals and communications; (g)
18 power equipment, emergency power equipment and substations; (h) shops,
19 yards, maintenance facilities, depots and terminals; (i) service vehi-
20 cles; (j) security systems; (k) electrification extensions; and (l)
21 unspecified, miscellaneous and emergency.

22 3. A capital program plan shall be approved only by resolution of the
23 authority approved by not less than a majority vote of the whole number
24 of members of the authority then in office, except that in the event of
25 a tie vote the chairperson shall cast one additional vote. After
26 approval, the authority shall submit the plan to the governor, who has
27 ninety days to approve the plan.

28 4. A copy of any capital program plan that has been approved by the
29 authority and distributed to the governor shall be simultaneously
30 provided to the public by the commuter transportation authority, via its
31 official or shared internet website.

32 5. If the governor takes no action within ninety days after receiving
33 the plan, the plan shall be deemed to have been approved.

34 6. If the governor vetoes the plan, the authority may only override
35 the veto by unanimous vote.

36 7. If the governor vetoes the plan and the authority does not override
37 the veto, the authority may thereafter reformulate and resubmit such
38 plan at any time. Within thirty days of the submission of such reformu-
39 lated plan, the governor shall notify the authority of its approval, or,
40 if the reformulated plan is not approved and the governor has not noti-
41 fied the authority of his or her disapproval within such period, the
42 reformulated plan shall be deemed to have been approved.

43 8. No general obligation bonds or notes of the authority, no special
44 obligation bonds or notes of the authority to finance a transit project
45 shall be issued to finance the costs of a capital element unless such
46 capital element and such source of funding was set forth in a plan
47 approved as provided in this section.

48 9. The disapproval of a capital program plan shall not affect: (a) the
49 right of the authority or of its subsidiaries to initiate and complete
50 any capital element which will be financed otherwise than through the
51 issuance of the bonds or notes the issuance of which is prohibited under
52 subdivision four of this section; (b) the right of the authority to
53 issue bonds or notes to finance a capital element which was initiated
54 prior to such disapproval in conformity with a previously approved plan;
55 or (c) the right of the authority to issue bonds or notes to refund or
56 otherwise repay any of its outstanding bonds or notes or to fulfill any

1 of their obligations to the holders of any of their outstanding bonds or
2 notes.

3 10. Notwithstanding the provisions of subdivision eight of this
4 section, if a source of funding described in an approved plan shall be
5 unavailable or be available in a lesser amount than that set forth in
6 such plan, the authority may issue bonds or notes as necessary to
7 provide the requisite funding for the capital elements included in the
8 plan to the extent that the aggregate amount of such bonds or notes to
9 be issued in substitution for such unavailable amounts shall not exceed
10 the greater of fifty million dollars or twenty percent of the total
11 amount described in such plan for either the substitute funding source
12 or the funding source being substituted for.

13 11. (a) The authority may from time to time submit to the governor
14 amendments or modifications to any ten-year plan theretofore submitted,
15 and shall submit such an amendment or modification: (i) if the estimated
16 cost of any capital element for which a specified dollar amount was
17 proposed to be expended exceeds the amount set forth in the approved
18 plan for such element by more than ten percent; (ii) if with respect to
19 a particularly described capital element for which only an estimate of
20 projected cost has been provided in the plan there is a material change
21 in the description of such element from that contained in the approved
22 plan; (iii) if a capital element not previously included in the approved
23 plan is proposed to be undertaken and its cost, together with the cost
24 of other elements included in category (1) of the plan, exceeds by ten
25 percent the amount provided for such category (1) elements; (iv) if the
26 authority shall propose to change by more than one year the time when
27 any capital element is proposed to be initiated or the effect of such
28 change will be to increase the estimated amount of capital funding
29 required in any year covered by the plan by more than twenty percent; or
30 (v) if the availability of funding sources changes to the degree to
31 which the authority is precluded from exercising the authorization
32 provided in subdivision six of this section and the authority wishes to
33 do so.

34 (b) An amendment or modification may only be approved in two ways: (i)
35 an amendment or modification shall only be approved by the governor and
36 within thirty days of the submission of an amendment or modification the
37 governor shall notify the authority of its approval of the same; or (ii)
38 if the amendment or modification is not approved by the governor within
39 such thirty day period and the governor has not notified the authority
40 in writing of his or her disapproval within such period, the amendment
41 or modification shall be deemed to have been approved.

42 12. In formulating its capital program plans, the authority shall give
43 consideration to the physical condition and urgency of need of each of
44 the several transportation and transit systems involved, to the needs of
45 all of the communities and areas serviced by these systems, to the
46 extent to which other capital aid or assistance may be available to each
47 of these systems, and to the safety, comfort and convenience of its
48 passengers. In determining the source or method of funding which the
49 authority is to use to finance the cost of the capital elements included
50 in its capital program plans, the authority shall, insofar as practica-
51 ble, give consideration, among other things, to: (a) the potential
52 impact of each such source or method upon the level of passenger fares;
53 (b) the relative cost of the several funding alternatives; and (c) the
54 relative ability of each source or method to provide funding at times
55 and in amounts estimated to be required by the capital program plan. To
56 the extent funding is proposed to be obtained through the issuance and

1 sale of bonds or notes, the authority shall, insofar as practicable and
2 consistent with the matters set forth in paragraphs (a), (b) and (c) of
3 this subdivision, give preference to the use of funds appropriated or to
4 be appropriated to the authority by virtue of service contracts with the
5 director of the budget entered into pursuant to the provisions of the
6 transportation systems assistance and financing act of 1981 for purposes
7 of paying the annual cost of debt service for such bonds or notes.

8 13. On or before the fourth first of October succeeding the effective
9 date of this subdivision, and on or before October first of every fifth
10 year thereafter, the authority shall submit to the governor a twenty-
11 year capital needs assessment. Such assessment shall begin with the
12 period commencing on the second first of January after such submission,
13 and begin each assessment with every fifth year thereafter, and describe
14 capital investments over the succeeding twenty years. Such assessment
15 shall: (a) set forth broad long-term capital investments to be made
16 throughout the district; and (b) establish a non-binding basis to be
17 used by the authority in the planning of strategic investments involving
18 capital elements in its five-year capital plans. Such assessment shall
19 not require the approval of the governor and shall be for informational
20 purposes only. For purposes of this section, "broad long-term capital
21 investments" shall include but not be limited to: system rebuilding,
22 enhancement, and expansion needs; agency needs broken down by capital
23 element or investment category; and projected future trends and network
24 implications. Such assessment shall be certified by the chairperson of
25 the authority and shall be entered into the permanent record of the
26 minutes of the review board.

28 the first of July next succeeding the effective date of this section,
29 the authority shall submit to the governor a strategic operation plan

43 or group of bus routes, and commuter rail lines, divisions or branches
44 as appropriate; (iii) projected performance for each bus route or group
45 of bus routes, and commuter rail lines, divisions or branches as appro-
46 priate as measured by reliability indicators commonly utilized within
47 the transit industry, including such measures as planned number of vehi-
48 cles with air conditioning and projected reliability of such equipment,
49 planned standards for cleanliness of the interior and exterior of commu-
50 ter rail cars, buses, and passenger stations, and other appropriate

17 of planned service and performance standards. Such analysis shall
18 include the relationship of specific planned capital elements to the
19 achievement of such service and performance standards for each bus route
20 or group of bus routes, or commuter rail lines, divisions or branches as
21 appropriate.

22 2. Each annual update of the plan shall include a status report summa-
23 rizing the extent to which planned service and performance standards
24 developed for the previous year were achieved, the causes of any failure
25 to achieve projected standards of service, and corrective measures the
26 authority intends to take to avoid non-achievement of projected stand-
27 ards in the next upcoming year.

28 3. The commuter transportation authority shall take into consideration
29 any petitions from local officials for improved services, including how
30 these service improvements relate to the service and performance stand-
31 ards described in this section, and shall consult with appropriate local
32 officials in its preparation and periodic updates to the operation plan.

33 § 1349-aaaaa. Financial and operational reports. The authority shall

40 of this section on an internet and intranet website, if any, of that
41 person or business organization; provided that, this requirement may be
42 satisfied by providing on such website a conspicuous hyperlink to the
43 authority website maintained pursuant to subdivision three of this
44 section, which hyperlink shall be labeled "Protections for Reporting
45 Fraud in New York";

46 (c) distribute information specified in subdivision two of this
47 section to those persons, including employees and managers, who perform

21 information specified in subdivision two of this section, and that shall
22 also provide sample statements, displays and other materials suitable
23 for insertion in employee handbooks or posting at workplaces or on
24 websites that would satisfy the disclosure requirements of this section.

25 4. The authority shall not enter into any contract described in subdi-
26 vision one of this section that does not incorporate the terms of this
27 section.

28 5. Material compliance by a covered person or business organization
29 that has contracted with the authority under a contract that incorpo-
30 rates the terms of this section shall be a material condition of payment
31 for the provision of goods or services.

32 6. The authority is authorized to adopt such rules and regulations as
33 are necessary to effect the purposes of this section.

34 § 1349-ddddd. Reserve funds and appropriations. The authority may
35 create and establish one or more reserve funds in accordance with agree-

37 of the authority and may pay into such reserve funds: (a) any monies
38 appropriated and made available by the state for the purposes of such
39 funds; (b) any proceeds of sale of notes, bonds or other obligations to
40 the extent provided in the resolution of the authority authorizing the
41 issuance thereof; and (c) any other monies which may be made available
42 to the authority for the purpose of such funds from any other source or
43 sources. In lieu thereof, the authority may provide for the deposit
44 therein of, or substitute for monies on deposit therein, a liquidity or
45 credit facility, surety bond or other similar agreement.

46 § 1349-eeee. Consolidated financings. 1. Notwithstanding any incon-
47 sistent provisions of this or any other law, general, special or local,
48 the authority may issue its notes, bonds and other obligations to
49 finance transportation facilities utilizing a consolidated pledge of all
50 or any portion of the revenues and other monies and assets of the
51 authority and its subsidiaries, together with those other sources of
52 payment described in this section. In connection therewith, at its
53 discretion, the authority, subject to the rights of the holders of
54 notes, bonds or other obligations of the authority, and the metropolitan
55 transportation authority, may deposit or cause to be deposited into one
56 or more funds and accounts: (a) all or any portion of the revenues,

1 other monies and assets received by the authority and its subsidiaries;
2 (b) all or any portion of the amounts from the operating and capital

5 section twelve hundred seventy-c of this article; (c) all or any portion
6 of the available monies in the commuter railroad account of the metro-

11 provided in subdivision three of section twelve hundred seventy-a of
12 this article; and (d) any other monies of the authority and its subsid-
13 aries from any source whatsoever.

14 2. Amounts so deposited in such funds or accounts may be: (a) pledged
15 by the authority to secure, and be applied to, the payment of its bonds,
16 notes or other obligations issued to finance transportation facilities
17 undertaken for the authority and its subsidiaries; and (b) used for
18 payment of operating costs, and capital costs, including debt service,
19 reserve requirements, if any, the payment of amounts required under
20 bonds, notes or other financing facilities or agreements, and the
21 payment of all costs related to such obligations, of or for the authori-
22 ty and its subsidiaries as the authority in its full discretion shall
23 determine. To the extent moneys so deposited have been pledged by the
24 authority to secure and pay its bonds, notes or other obligations as
25 herein provided, such moneys shall first be applied to satisfy the
26 requirements of any debt service or reserve requirements of the resol-
27 ution or resolutions or other contractual arrangements authorizing such
28 bonds, notes or other obligations. After satisfaction of such require-
29 ments of any such resolution, resolutions, or other contractual arrange-
30 ments or if the authority has not so pledged such moneys, such moneys so
31 deposited, subject to the provisions of any other resolutions or
32 contractual arrangements of the authority applicable provisions of law,
33 may be transferred to or for the benefit of the authority and its
34 subsidiaries. Revenues and other monies of the authority and its subsid-
35 aries which are deposited in the funds or accounts authorized by this
36 section, as reduced by any application of such revenues or monies to the
37 payment of debt service, reserve requirements, if any, and other costs
38 attributable to the funding of the capital costs of such entity, shall
39 be allocated, credited and distributed to such source entity. Any other
40 revenues or monies which are deposited in the funds or accounts author-
41 ized by this section which are required by law to be allocated or paid
42 to the authority or its subsidiaries shall be allocated or paid to the
43 entity to which it is required to be allocated or paid by law after
44 reduction by an amount equal to the portion thereof applied to the
45 payment of debt service, reserve requirements, if any, and other costs
46 attributable to the funding of the capital costs of such entity. In
47 determining the amount of debt service, reserve requirements, if any,
48 and other costs attributable to the authority and its subsidiaries the
49 authority shall make such calculation based upon the percentage of the
50 proceeds of the bonds, notes and other obligations expended for the
51 capital costs attributable to each such entity. The authority may
52 utilize any interim allocation of such distributions, provided that
53 within ninety days after the end of each calendar year, the authority
54 shall certify to the director of the budget, the chairperson of the
55 senate finance committee and the chairperson of the assembly ways and
56 means committee, that the aggregate amount of monies transferred to each

1 of the authority and its subsidiaries in respect of such calendar year,
2 taking into account any interagency repayments or reimbursements antic-
3 ipated to be made in the next succeeding calendar year, is not less than
4 the amounts required to be paid or transferred to such entities.

5 § 1349-fffff. Regulation of certain authority expenditures. The
6 authority shall implement policies as appropriate to minimize unwar-
7 ranted expenses and to protect against abuses in connection with: (a)
8 the granting of any privileges or benefits having financial value, other
9 than wage payments or expense reimbursements, to members or staff of the
10 authority, or any subsidiary or other authority created by the authori-
11 ty; and (b) the full-time and part-time assignment and use of automo-
12 biles owned or leased by the authority, or any subsidiary or other
13 authority created by the authority, and the use by authority employees
14 and board members of livery vehicles, as defined in section one hundred
15 twenty-one-e of the vehicle and traffic law.

16 § 1349-ggggg. Agreement of the state. The state does hereby pledge to
17 and agree with the authority and its subsidiaries, and the holders of
18 any notes, bonds or other obligations, including lease obligations,
19 issued or incurred under this title, that the state will not limit or
20 alter the denial of authority under subdivision nine of section thirteen
21 hundred forty-nine-xxxx of this title, or the rights and powers vested
22 in the authority and its subsidiaries, by this title to fulfill the
23 terms of any agreements made by any of them with the holders thereof, or
24 in any way impair the rights and remedies of such holders until such
25 notes, bonds or other obligations, including lease obligations, together
26 with the interest thereon, with interest on any unpaid installments of
27 interest, and all costs and expenses for which the authority or its
28 subsidiaries is liable in connection with any action or proceeding by or
29 on behalf of such holders, are fully met and discharged. The authority
30 and its subsidiaries are each authorized to include this pledge and
31 agreement of the state in any agreement with the holders of such notes,
32 bonds or other obligations, including lease obligations.

33 § 1349-hhhhh. Right of state to require redemption of bonds. Notwith-
34 standing and in addition to any provisions for the redemption of bonds
35 which may be contained in any contract with the holders of the bonds,
36 the state may, upon furnishing sufficient funds therefor, require the
37 authority to redeem, prior to maturity, as a whole, any issue of bonds
38 on any interest payment date not less than twenty years after the date
39 of the bonds of such issue at one hundred five per centum of their face
40 value and accrued interest or at such lower redemption price as may be
41 provided in the bonds in case of the redemption thereof as a whole on
42 the redemption date. Notice of such redemption shall be published in at
43 least two newspapers publishing and circulating respectively in the
44 cities of Albany and New York at least twice, the first publication to
45 be at least thirty days before the date of redemption.

46 § 1349-iiiiii. Remedies of noteholders and bondholders. 1. In the
47 event that the authority shall default in the payment of principal of or
48 interest on any issue of notes or bonds after the same shall become due,
49 whether at maturity or upon call for redemption, and such default shall
50 continue for a period of thirty days, or in the event that the authority
51 shall fail or refuse to comply with the provisions of this title or
52 shall default in any agreement made with the holders of any issue of
53 notes or bonds, the holders of twenty-five per centum in aggregate prin-
54 cipal amount of the notes or bonds of such issue then outstanding, by
55 instrument or instruments filed in the office of the clerk of any county
56 in which the authority operates and has an office and proved or acknowl-

1 edged in the same manner as a deed to be recorded, may appoint a trustee
2 to represent the holders of such notes or bonds for the purposes herein
3 provided.

4 2. Such trustee may, and upon written request of the holders of twen-
5 ty-five per centum in principal amount of such notes or bonds then
6 outstanding shall, in his or her own name:

7 (a) by suit, action or proceeding in accordance with the civil prac-
8 tice law and rules, enforce all rights of the noteholders or bondhold-
9 ers, including the right to require the authority to collect fares,
10 tolls, rentals, rates, charges and other fees adequate to carry out any
11 agreement as to, or pledge of, such fares, tolls, rentals, rates, charg-
12 es and other fees and to require the authority to carry out any other
13 agreements with the holders of such notes or bonds and to perform its
14 duties under this title;

15 (b) bring suit upon such notes or bonds;

16 (c) by action or suit, require the authority to account as if it were
17 the trustee of an express trust for the holders of such notes or bonds;

18 (d) by action or suit, enjoin any acts or things which may be unlawful
19 or in violation of the rights of the holders of such notes or bonds;
20 and/or

17 and the reasons therefor. Disapproval of a plan shall not prohibit a
18 county from resubmitting a public transportation plan and such resubmit-
19 ted plan shall be approved or disapproved no later than fifteen days
20 after receipt by the commissioner of transportation. The public trans-
21 portation plan shall be subject to any state or federal public hearing
22 requirements which the authority would be subject to if the authority
23 made the changes proposed by such plan.

24 (d) Any such county which plans to withdraw from the district shall
25 meet the requirements of this section prior to the effective date of
26 withdrawal, and no withdrawal for the purposes of this section shall
27 take effect unless such county furnishes the resolutions and agreement
28 prior to the effective date of withdrawal.

29 2. The authority and any subsidiary corporation of the authority shall
30 enter into an agreement or agreements with a county that plans to with-
31 draw from the district to transfer and assign to such county all author-
32 ity and subsidiary railroad facilities and operations, rights and obli-
33 gations, and contract rights and obligations, including operating
34 contract rights and obligations, which are owned, operated, maintained
35 or used directly or by contract or which are otherwise involved in the
36 provision of railroad services to such counties. Such agreement shall
37 provide, in the event a facility, operation, right or obligation is
38 necessary and material to the provision of rail passenger service in the
39 district or is not assignable under applicable bond covenants or
40 contracts or the parties agree that it should not be assigned, that the
41 authority or subsidiary thereof shall continue to hold and be responsi-
42 ble for such facility, operation, right or obligation and that such
43 county shall reimburse to the authority that portion of the cost to the
44 authority or subsidiary of its retention of such facility, operation,
45 right or obligation that is allocable to such county. If the parties
46 agree that the authority or subsidiary thereof shall operate the rail-
47 road facilities in a county after the effective date of such county's
48 withdrawal, the agreement also shall provide for the terms and condi-
49 tions of the operation of such service.

50 3. Within forty-five days of the effective date of this section, the
51 authority and any subsidiary corporation of the authority shall provide
52 to the counties of Dutchess, Orange and Rockland a written statement,
53 including cost estimates and the useful life, if any, of all of its
54 facilities, operations, rights and obligations relating to the provision
55 of rail service in such counties.

1 4. The authority and any subsidiary corporation of the authority is
2 authorized to enter into an agreement or agreements with a county that
3 plans to withdraw from the district, pursuant to which the authority or
4 subsidiary thereof will provide technical assistance to such county
5 prior to, during and after the withdrawal, with respect to the transfer
6 of ownership, operation, maintenance and use of railroad facilities
7 within such county. Such agreement may provide that the county reimburse
8 the authority or its subsidiary for the cost to the authority and its
9 subsidiary for the provision of such technical assistance.

10 5. The authority shall have no obligation to undertake or continue any
11 project or part thereof in a current or future capital program plan
12 which pertains to railroad facilities within or services to a county
13 that withdraws from the district on or after such date of withdrawal nor
14 shall the authority enter into any contract for a project or part there-
15 of which would increase liabilities pursuant to subdivision six of this
16 section in a county after such county notifies the authority of its
17 intent to withdraw as provided in subdivision one of this section,
18 provided, however, that if the authority has executed a contract for the
19 effectuation of a project or part thereof in a capital program plan in
20 such county, it shall be assigned to such county in accordance with
21 subdivision two of this section, unless the parties agree that it shall
22 not be assigned and that the authority or its subsidiary shall continue
23 to be responsible therefor, in which event the county shall reimburse
24 the authority or its subsidiary in accordance with the provisions of
25 subdivision two of this section.

26 6. Any county which withdraws from the district shall reimburse to the
27 authority or its subsidiary, within the time period agreed to by the
28 parties, any capital expenditures heretofore undertaken by the authori-
29 ty, the metropolitan transportation authority or its subsidiary for
30 railroad facilities only within such county which were financed by
31 commuter railroad revenue bonds issued by the metropolitan transporta-
32 tion authority pursuant to section twelve hundred sixty-nine of this
33 article or by the authority pursuant to section thirteen hundred forty-
34 nine-xxxx of this title and are assigned to such county in accordance
35 with the provisions of subdivision two of this section.

36 7. The obligations of a county that withdraws from the district to
37 reimburse the authority and any subsidiary corporation of the authority
38 for the costs of operation, maintenance and use of passenger stations
39 pursuant to section thirteen hundred forty-nine-rrrrr of this title,
40 shall continue for any such costs incurred up to the effective date of
41 the county's withdrawal from the district and for costs incurred there-
42 after that result from acts preceding such withdrawal, and the applica-
43 bility of the payment provisions and procedures of such section thirteen
44 hundred forty-nine-rrrrr to such county shall continue thereafter with
45 respect to the aforesaid costs.

46 8. In the event of a county's failure to make payment of any monies
47 determined by the authority to be owed and due it or any subsidiary
48 corporation of the authority pursuant to the terms of any agreement
49 entered into pursuant to this section, the authority is authorized to
50 recover such payments in the same manner as in section thirteen hundred
51 forty-nine-rrrrr of this title and the state comptroller shall withhold
52 and pay monies to the authority in accordance with the procedures set
53 forth in that section.

54 9. The term of office of any resident of a county that withdraws from
55 the district under this section, as a member of the board of the author-
56 ity, the Metro-North rail commuter council or the management advisory

1 board, which is based upon residence in such county, shall terminate
2 upon the county's withdrawal and the office shall be deemed vacant and
3 filled in the manner provided by law.

4 10. The provisions of this section and all agreements undertaken in
5 accordance herewith shall be subject to the rights of the holders of any
6 outstanding bonds or notes issued by the authority.

7 § 1349-xxxxx. The office of legislative and community input. 1. The
8 chairperson of the authority shall establish the office of legislative
9 and community input for the purpose of communicating information to, and
10 receiving comments, concerns and recommendations from, members of the
11 legislature, and members of the permanent citizens advisory committee to
12 the authority, as defined in section thirteen hundred forty-nine-qqqq of
13 this title, on the following:

14 (a) the operations of the rapid transit, omnibus and commuter rail
15 line facilities of the authority including, but not limited to:

16 (i) the quality of service provided on any rapid transit, omnibus, and
17 commuter rail line or route;

18 (ii) the frequency of operating service on the authority's mass trans-
19 it facilities;

20 (iii) the maintenance and condition of the authority's mass transit
21 facilities including, but not limited to, rapid transit and commuter
22 rail stations, railcars, buses, rail lines, fare collection systems and
23 sound systems; and

24 (iv) proposed service changes, including any reductions or expansion
25 of services, as it relates to the authority's mass transit facilities;
26 and

27 (b) any proposed, submitted and/or approved capital program plan, its
28 components, elements and projects, and associated expenditures. Any such
29 comments, concerns and recommendations relating to the capital program
30 plan, its components, elements and projects, and associated expenditures
31 shall be taken into consideration in the development of the current and
32 each successive capital program plan and/or any amendment to such plan.

33 2. The office shall establish a process to ensure timely notification
34 of the receipt of, and response to, comments, concerns, and recommenda-
35 tions by members of the legislature or members of the permanent citizens
36 advisory committee to the authority.

37 3. The chair and office shall prepare a report containing the follow-
38 ing information:

39 (a) a compilation of the comments, concerns, and recommendations
40 received by the office;

41 (b) how these comments, concerns or recommendations were or will be
42 addressed, such as the authority's response by the incorporation or
43 initiation of system and operational adjustments, improvements or expan-
44 sions if applicable; and

45 (c) how these comments, concerns or recommendations were or will be
46 addressed, such as the authority's response by changing or amending the
47 capital plan, as well as providing status updates on the progress of
48 such plan.

49 4. Such report shall on a biannual basis, commencing the first of
50 September next succeeding the effective date of this section, be submit-
51 ted to the governor, the temporary president of the senate and the
52 speaker of the assembly, be posted on the authority's website and also
53 be made readily available to the public.

54 § 1349-yyyyy. Debarment. The authority shall establish, pursuant to
55 regulation, a debarment process for contractors of the authority that
56 prohibits such contractors from bidding on future contracts, after a

1 debarment determination by such authority, for a period of five years
2 from such determination. Such regulations shall ensure notice and an
3 opportunity to be heard before such debarment determination and provide
4 as a defense acts such as force majeure. Such regulations shall only
5 provide for a debarment in situations involving a contractor's failure
6 to substantially complete the work within the time frame set forth in
7 the contract, or in any subsequent change order, by more than ten
8 percent of the contract term; or where a contractor's disputed work
9 exceeds ten percent or more of the total contract cost where claimed
10 costs are deemed to be invalid pursuant by the contractual dispute
11 resolution process.

12 § 1349-zzzzz. Right to share employees. 1. It is hereby found and
13 declared to be necessary and proper to authorize the authority, its
14 subsidiaries, affiliates, and subsidiaries of affiliates, powers to
15 effectuate and ensure such entities continued financial viability, which
16 is at issue given sizable operating deficits and significant capital
17 needs. Allowing wholesale internal management reforms will create
18 savings, combat entrenched bureaucracies, create streamlined, uniform,
19 and efficient services, ensure public accountability and reestablish
20 public trust. In order to facilitate these necessary goals it is both
21 reasonable and a legitimate public purpose to provide systematic author-
22 ity for the sharing of employees within and between the respective enti-
23 ties.

24 2. Notwithstanding any provision of law to the contrary, the authori-
25 ty, its subsidiaries, affiliates, and subsidiaries of affiliates shall
26 each have the right to share employees within and between such entities
27 and to assign such employees to perform any operation or function
28 subject only to a determination that they are substantially similar to
29 any operation or function currently performed. Substantially similar
30 operation or function shall be determined exclusively by the authority.

31 3. Nothing set forth in this subdivision shall be construed to impede,
32 infringe or diminish the rights and benefits that accrue to employees
33 and employers through collective bargaining agreements, or impact or
34 change an employee's membership in a bargaining unit.

35 § 2. This act shall take effect January 1, 2024.

36 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
37 sion, section or part of this act shall be adjudged by any court of
38 competent jurisdiction to be invalid, such judgment shall not affect,
39 impair, or invalidate the remainder thereof, but shall be confined in
40 its operation to the clause, sentence, paragraph, subdivision, section
41 or part thereof directly involved in the controversy in which such judg-
42 ment shall have been rendered. It is hereby declared to be the intent of
43 the legislature that this act would have been enacted even if such
44 invalid provisions had not been included herein.

45 § 3. This act shall take effect immediately provided, however, that
46 the applicable effective date of Parts A through E of this act shall be
47 as specifically set forth in the last section of such Parts.
