STATE OF NEW YORK

2198

2023-2024 Regular Sessions

IN ASSEMBLY

January 23, 2023

Introduced by M. of A. DINOWITZ -- read once and referred to the Committee on Insurance

AN ACT to amend the insurance law and a chapter of the laws of 2022 relating to providing insurance coverage for colorectal cancer early detection, as proposed in legislative bills numbers S. 906-B and A. 2085-A, in relation to coverage for preventive screenings and notice requirements; and to repeal certain provisions of the insurance law and of such chapter relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph 11-b of subsection (i) of section 3216 of the 2 insurance law, as added by a chapter of the laws of 2022 amending the 3 insurance law relating to providing insurance coverage for colorectal 4 cancer early detection, as proposed in legislative bills numbers S.906-B 5 and A. 2085-A, is REPEALED.

6 § 2. Paragraph 11-b of subsection (1) of section 3221 of the insurance 7 law, as added by a chapter of the laws of 2022 amending the insurance 8 law relating to providing insurance coverage for colorectal cancer 9 early detection, as proposed in legislative bills numbers S.906-B and A. 10 2085-A, is amended to read as follows:

11 (11-b) (A) Every <u>large group</u> policy delivered or issued for delivery 12 in this state which provides medical coverage that includes coverage for physician services in a physician's office and every **<u>large group</u>** policy 13 which provides major medical or similar comprehensive-type coverage 14 shall provide, upon the prescription of a health care provider [legally 15 16 authorized to prescribe under] acting within the provider's scope of 17 practice pursuant to title eight of the education law, coverage for 18 colorectal cancer [screening] preventive screenings in accordance with 19 the American Cancer Society Guidelines for colorectal cancer screening 20 of average risk individuals. The coverage required by this paragraph 21 shall <u>also</u> include [preventive colorectal cancer screening] coverage for

all additional colorectal cancer examinations and laboratory tests 1 recommended in accordance with the American Cancer Society Guidelines 2 3 for colorectal cancer screening of average risk individuals, including 4 an initial colonoscopy or other medical test or procedure for colorectal 5 cancer screening and a follow-up colonoscopy performed as a result of a 6 positive result on a non-colonoscopy preventive screening test. A large 7 group policy shall cover colorectal cancer screenings, examinations, and 8 laboratory tests described in this paragraph upon any policy issuance or 9 renewal that occurs six months after the date the guideline described in 10 this paragraph is issued. 11 (B) An [individual] insured shall not be subject to a deductible, 12 coinsurance, or any other cost-sharing requirements for services consistent with subparagraph (A) of this paragraph received from partic-13 ipating providers. 14 15 3. Section 4303 of the insurance law is amended by adding a new S subsection (uu) to read as follows: 16 17 (uu) (1) Every large group contract delivered or issued for delivery in this state which provides medical coverage that includes coverage for 18 physician services in a physician's office and every large group 19 20 contract which provides major medical or similar comprehensive-type 21 coverage shall provide, upon the prescription of a health care provider 22 acting within the provider's scope of practice pursuant to title eight of the education law, coverage for colorectal cancer preventive screen-23 ings in accordance with the American Cancer Society Guidelines for colo-24 25 rectal cancer screening of average risk individuals. The coverage required by this subsection shall also include coverage for all addi-26 27 tional colorectal cancer examinations and laboratory tests recommended 28 in accordance with the American Cancer Society Guidelines for colorectal cancer screening of average risk individuals, including an initial colo-29 30 noscopy or other medical test or procedure for colorectal cancer screen-31 ing and a follow-up colonoscopy performed as a result of a positive 32 result on a non-colonoscopy preventive screening test. A large group 33 contract shall cover colorectal cancer screenings, examinations, and 34 laboratory tests described in this subsection upon any contract issuance 35 or renewal that occurs six months after the date the guideline described 36 in this subsection is issued. 37 (2) An enrollee shall not be subject to a deductible, coinsurance, or 38 any other cost-sharing requirements for services consistent with para-39 graph one of this subsection received from participating providers. 40 § 4. Section 3 of a chapter of the laws of 2022 relating to providing insurance coverage for colorectal cancer early detection, as proposed in 41 legislative bills numbers S.906-B and A. 2085-A, is REPEALED. 42 43 S 5. The insurance law is amended by adding a new section 339 to read 44 as follows: 45 § 339. Colorectal cancer screening notification. The superintendent 46 shall require an insurer authorized to write accident and health insur-47 ance in this state, a corporation organized pursuant to article forty-48 three of this chapter, and a health maintenance organization certified 49 pursuant to article forty-four of the public health law to notify 50 insureds and enrollees at least annually of colorectal cancer screenings covered by such insureds' or enrollees' health insurance policy or 51 52 contract, and of the most recently published guidelines of the American Cancer Society for colorectal cancer screenings that are covered by such 53 insureds' or enrollees' health insurance policy or contract. The notice 54 shall be delivered by United States postal mail unless the insured or 55

enrollee consents to another method of notification, including electron-1 ic notification. 2 § 6. Section 4 of a chapter of the laws of 2022 relating to providing 3 insurance coverage for colorectal cancer early detection, as proposed in 4 5 legislative bills numbers S.906-B and A. 2085-A, is amended to read as б follows: 7 § 4. This act shall take effect immediately and shall apply to any policy issued, [delivered,] renewed, [and/or] modified, altered, or 8 9 **<u>amended</u>** on or after the effective date of this act. 10 § 7. This act shall take effect immediately; provided that sections

11 one, two, three, four and five of this act shall take effect on the same 12 date and in the same manner as of a chapter of the laws of 2022 relating 13 to providing insurance coverage for colorectal cancer early detection, 14 as proposed in legislative bills numbers S.906-B and A. 2085-A, takes 15 effect.
