- 490. Legislative findings and intent. Critical stretches of the 11 12 Brooklyn-Queens expressway are suffering from significant deterioration 13 and work must begin this year to fix it and ensure the viability and sustainability of the I-278 corridor through Brooklyn and provide a new 14 15 twenty-first century route to meet the needs of today's travel around
- 16 Brooklyn on I-278 and its connections.
- 17 § 491. Establishment of authority. 1. There is hereby created the 18 Brooklyn-Queens expressway authority (hereinafter referred to as "the
- authority"), which shall be a body corporate and politic, constituting a 19
- 20 public benefit corporation. The purposes of the authority shall be the
- 21 continuance, further development and improvement of transportation along 22 the Brooklyn-Queens expressway from the Verrazano-Narrows bridge
- connection in Brooklyn to the Kosciuszko bridge (hereinafter referred to
- 24 as "the BQE") and other improvements related thereto.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

2. The authority in its corporate existence shall continue until 1 terminated by law, provided, however, that no such law shall take effect 2 so long as the authority shall have bonds, notes and other obligations 3 4 outstanding, unless adequate provision has been made for the payment 5 thereof in the documents securing the same. Upon termination of the existence of the authority, all its rights and properties shall vest in 7 the state.

- § 492. Powers and duties of the authority. 1. The authority shall 8 study current conditions and data, develop a plan to improve such condi-9 10 tions, and implement such plan. Such plan shall address the following:
- 11 (a) Deterioration of the roadway, particularly the southern extension 12 of the BQE known as the Gowanus expressway;
- (b) Short-term repair, and the reconstruction or replacement of the 13 14 triple cantilevered section of the BQE;
- 15 (c) Potential construction of tunnel alternative to replace the Gowanus expressway and other areas of the expressway where feasible; 16
 - (d) Enforcement of truck weight limits;
- (e) Environmental, environmental justice and environmental sustainability concerns, including but not limited to, the inclusion of trends and scientific developments in such areas as vehicle emissions, alternative fuels, including electric vehicles, developments in transportation materials and construction, or other similar developments, and alterna-22 tive modes of transportation in order to ensure a just transition from fossil fuels; and
 - (f) Safety and sustainability.
