LBD04279-01-3

(J) the state workers' compensation board;
(K) the division of military and naval affairs;
(L) the office of real property tax services and local assessors;
(M) public and private colleges and universities and career and vocational schools; and
(N) any municipal offices processing pistol permits, birth, marriage or death certificates, hunting and fishing licenses, building permits and economic development applications.
(iii) any other agency designated by the governor.
[~~Beginning January first, two thousand twenty-five, designated agencies for the purposes of this section shall also include the state university of New York.~~]
(c) Each designated agency shall enter into an agreement with the state board of elections finalizing the format and content of electronic transmissions required by this section. The state board of elections shall prepare and distribute to designated agencies written instructions as to the implementation of the program and shall be responsible for establishing training programs for employees of designated agencies listed in this section. Such instructions and such training shall ensure usability of the integrated application for low English proficiency voters. Any such designated agency shall take all actions that are necessary and proper for the implementation of this section, including facilitating technological capabilities to allow transmission of data through an interface with the electronic voter registration transmittal system in a secure manner.
§ 2. This act shall take effect immediately.
