1 decline such designation. Notwithstanding the provisions of any general,  
2 special or local law, if a board or body empowered to designate polling  
3 places chooses a publicly owned or leased building, other than a public

5 building must make available a room or rooms in such building which are  
6 suitable for registration and voting and which are as close as possible

11 place, the board or body controlling such building, files a written  
12 request for a cancellation of such designation with the board or body  
13 empowered to designate polling places on such form as shall be provided  
14 by the board or body making such designation. The board or body  
15 empowered to so designate shall, within twenty days after such request

18 building and upon such determination, may cancel such designation.  
19 § 3. This act shall take effect immediately.
