1 b. Any provider which has been deemed ineligible to receive public  
2 funding pursuant to this section may apply to the department for an  
3 order discontinuing such disqualification. The application shall set

6 in the actions that formed the basis of the violation, that the provider  
7 has taken appropriate and sufficient actions to ensure that the actions  
8 that formed the basis of the violation are unlikely to recur, and that  
9 it will not be in the public interest to continue the disqualification.

10 § 3. Section 131-a of the social services law is amended by adding a  
11 new subdivision 16 to read as follows:

12 16. Notwithstanding any other provision of law, rule or regulation to
