6 read as follows:

7 § 71-b. Reintegration pilot program. 1. The department, in collabor-  
8 ation with the office of temporary and disability assistance, the  
9 office of mental health and the office of addiction services and

11 program to help ensure incarcerated individuals within the correctional  
12 facilities receive the supports and services necessary to meaningfully

14 to reintegrate into the community upon release and reduce recidivism.  
15 Such pilot program shall be conducted in three correctional facilities,  
16 one female and two male facilities, selected by the department, taking  
17 into consideration adequate geographic distribution within the state as

30 their specific needs as relating to, including but not limited to,  
31 mental health and substance use disorder services, educational needs and

33 participants in the pilot program shall also be linked with not-for-pro-  
34 fit organizations and peer to peer engagement opportunities to assist  
35 with the individual's reintegration planning. This shall occur no less  
36 than six months prior to their expected release date and shall consist  
37 of, but not be limited to, assistance applying for public benefits,  
38 referrals and links to mental health and/or substance use disorder  
39 service providers if applicable, connections to employment opportunities  
40 as well as job training programs if appropriate, assistance finding  
41 available stable housing options to be available upon release and gener-  
42 al supports and services that may be helpful for an individual reinte-  
43 grating back into the community. In the event the individual is not  
44 granted parole, his or her application will be placed on hold status to  
45 be re-activated and given a priority rank once such individual is grant-  
46 ed parole and an official release date is known. This special status  
47 will be defined by process completion of the application by the respec-  
48 tive district office within thirty days of receiving the official  
49 release date.

50 2. Upon release from the correctional facility, individuals will  
51 continue to receive supports and services, as needed, for an additional  
52 six months, to ensure the individual's successful reintegration into the  
53 community. Such services shall include, but not be limited to, connect-  
54 ing individuals to health and behavioral health services, as appropri-

56 activities, connections to employment opportunities based on their

1 skills identified while incarcerated and assistance acquiring stable  
2 affordable housing. The collaborating agencies shall contract with not-  
3 for-profit providers to effectuate the requirements specified in this  
4 section.

5 3. The commissioner, in consultation with appropriate community organ-  
6 izations, shall submit within one year of the effective date of this  
7 section, and annually thereafter, a report to the governor, the tempo-  
8 rary president of the senate and the speaker of the assembly on the  
9 effectiveness of this pilot program. Such reports shall include an anal-  
10 ysis of the outcomes of the pilot program and recommendations for  
11 continued efforts to meaningfully prepare incarcerated individuals for  
12 their release while still incarcerated, assist individuals to reinte-  
13 grate into the community upon release and reduce recidivism. Such infor-  
14 mation provided in the report shall include, but not be limited to,  
15 information on the types of convictions of incarcerated individuals  
16 participating in the pilot program; the specific types of services that  
17 were provided while incarcerated as well as upon release; the outcomes  
18 and effectiveness, to the extent it is known, of such services provided;  
19 whether participants in the pilot program were able to find stable  
20 affordable housing and/or employment during their participation in the  
21 pilot program and any barriers that may have contributed to their  
22 inability to find housing and/or employment; and any other information  
23 or factors that were identified that may have created barriers to an  
24 individual's reintegration once released and the additional services  
25 that may alleviate those barriers.

26 4. No person shall have the right to demand or require participation  
27 in the pilot program authorized by this section.

28 5. Nothing in this section shall be construed to authorize the depart-  
29 ment to hold an incarcerated individual in confinement beyond their  
30 earliest release date.

32 ing the date upon which it shall have become a law. Effective immediate-
