14 that such policy need not be for a period coterminous with the registra-
15 tion period of the vehicle insured. The limit, exclusive of interest and
16 costs, with respect to a tow truck shall be a combined single limit of
17 at least three hundred thousand dollars because of bodily injury or
18 death to one or more persons or because of injury or destruction of
19 property of others in any one accident, and to a limit of twenty-five
20 thousand dollars because of damage to a vehicle in the care, custody and
21 control of the insured. The limit, exclusive of interest and costs,

34 be construed to provide indemnity or protection in like manner and to
35 the same extent as such a policy. The provisions of this article shall

47 rity required by section three hundred eleven of this article which
48 shall be evidenced by proof of insurance or evidence of a financial
49 security bond, a financial security deposit or qualification as a self-
50 insurer under section three hundred sixteen of this article; provided,
51 that if directed by regulation of the commissioner, upon renewal of
52 registration an application accompanied by a certificate of registration
53 or renewal stub in force immediately preceding the date of application
54 for renewal, together with a statement in a form prescribed by the

Such information shall be supplied to the company by the state department of financial services in consultation with the commissioner.

(b) The owner and registrant if the registrant is different from the owner of such leased or rented motor vehicle shall maintain proof of financial security continuously throughout the registration period and his failure to produce proof of financial security when requested to do so upon demand of a magistrate, motor vehicle inspector, peace officer, acting pursuant to his special duties, or police officer, while such vehicle is being operated upon the public highway, shall be presumptive evidence of operating a motor vehicle without proof of financial security. Upon the production of proof of financial security such presumption is removed. Production of proof of financial security may be made by mailing such proof to the court having jurisdiction in the matter, and any necessary response by such court or acknowledgement of the production of such proof may also be made by mail. When insurance with respect to any motor vehicle, other than a motorcycle, is terminated the owner shall surrender forthwith their registration certificate and number plates of the vehicle to the commissioner unless proof of financial security otherwise is maintained in compliance with this article.

(c) The owner of any leased or rented vehicle that fails to maintain the proof of financial security required above may be held personally liable for any judgment entered against any driver and/or registrant of the leased or rented vehicle for damages sustained as a result of personal injury, wrongful death and/or property damage suffered as a result of the use and operation of the leased or rented vehicle.
