3 infected with a sexually transmitted disease, or has been exposed to
4 infection with a sexually transmitted disease.

5 (b) A licensed physician, or in a hospital, a staff physician, or a

13 (c) Any release of patient information regarding vaccines provided
14 under this section shall be consistent with sections seventeen and eigh-
15 teen of this chapter and other applicable laws and regulations.

16 (d) Nothing in this section shall be construed to expand the scope of
17 practice of any individual licensed, certified or authorized under title
18 eight of the education law, nor does this section give any such individ-
19 ual the authority to act outside their scope of practice, as defined in
20 title eight of the education law.

21 3. For the purposes of this section, the term "hospital" shall mean a
22 hospital as defined in article twenty-eight of this chapter.

30 exclusive of personal notes of the said physician or hospital, copies of
31 all x-rays, medical records and test records including all laboratory
32 tests regarding that patient to any other designated physician or hospi-
