31 Notwithstanding the foregoing provisions and subject to legislative 32 approval prior to actual transfer of title, a total of no more than two 33 hundred fifty acres of forest preserve land shall be used for the estab-34 lishment of a health and safety land account. Where no viable alterna-35 tive exists and other criteria developed by the legislature are satis-36 fied, a town, village or county may apply, pursuant to a process 37 determined by the legislature, to the health and safety land account for projects limited to: address bridge hazards or safety on county high-39 ways, and town highways listed on the local highway inventory maintained 40 by the department of transportation, dedicated, and in existence on January first, two thousand fifteen, and annually plowed and regularly 41 42 maintained; elimination of the hazards of dangerous curves and grades on 43 county highways, and town highways listed on the local highway inventory maintained by the department of transportation, dedicated, and in exist-45 ence on January first, two thousand fifteen, and annually plowed and 46 regularly maintained; relocation and reconstruction and maintenance of 47 county highways, and town highways listed on the local highway inventory 48 maintained by the department of transportation, dedicated, and in existence on January first, two thousand fifteen and annually plowed and 49 regularly maintained, provided further that no single relocated portion 50 51 of any such highway shall exceed one mile in length; and water wells and 52 necessary appurtenances when such wells are necessary to meet drinking 53 water quality standards and are located within five hundred thirty feet of state highways, county highways, and town highways listed on the local highway inventory maintained by the department of transportation, 55 dedicated, and in existence on January first, two thousand fifteen, and

As a condition of the creation of such health and safety land account the state shall acquire two hundred fifty acres of land for incorporation into the forest preserve, on condition that the legislature shall approve such lands to be added to the forest preserve.

Notwithstanding the foregoing provisions and subject to legislative 7 approval of the tracts to be exchanged prior to the actual transfer of 8 title and the conditions herein set forth, the state, in order to facil-9 itate the preservation of historic buildings listed on the national 10 register of historic places may convey to Debar Pond Institute, Inc., a 11 not-for-profit corporation, approximately six acres of land including 12 Debar Pond Lodge and associated buildings, providing for ingress, egress, maintenance and improvement for safe passage on the existing 13 14 road from County Route 26 to Debar Pond Lodge; use and maintenance of existing utility lines and poles and co-location of future utilities 15 16 along such lines and poles; and water from Debar Pond for fire 17 suppression, in the Town of Duane, county of Franklin, and in exchange therefor; Debar Pond Institute, Inc. shall convey to the state for 18 incorporation into the forest preserve not less than four hundred acres 19 20 of land located within the Adirondack Park on condition that the legis-21 lature shall determine that the lands to be received by the state are at 22 least equal in value to the lands and buildings conveyed by the state, that the lands and buildings conveyed by the state will be reasonably 23 available for public use and visits, and that the natural and historic 24 25 character of the lands and buildings conveyed by the state will be 26 secured by a conservation easement held by the state.
