2	dollars or an aggregate annual net additional cost to all local govern-
3	ments within the state in excess of one million dollars; or
4	(ii) any state law that requires a local government to provide a high-
5	er level of service or funding for an existing program, project or
б	activity that results in an annual net additional cost to any local
7	government in excess of ten thousand dollars or an aggregate annual net
8	additional cost to all local governments within the state in excess of
9	one million dollars; or
10	(iii) any state law that requires a local government to grant any new
11	property tax exemption or that broadens the eligibility or increases the
12	dollar amount of any existing property tax exemption, on property that
13	otherwise would have generated revenue under the current property tax
14	rate of such local government in excess of ten thousand dollars in any
15	local government or in excess of one million dollars statewide; or
16	(iv) any state law with a legal requirement that would otherwise like-

19	statewide.
20	2. Moratorium on unfunded mandates. For a three-year period beginning
21	with the enactment of this section, notwithstanding any other provision
22	of law, no unfunded mandates shall be enacted.
23	3. Exemptions. (a) A state law shall not be considered an unfunded
24	mandate where such law:
25	(i) is required by a court order or judgment; or
26	(ii) is provided at the option of the local government under a law
27	that is permissive rather than mandatory; or
28	(iii) results from the passage of a home rule message whereby a local
29	government requests authority to implement the program or service speci-
30	fied in the statute, and the statute imposes costs only upon that local
31	government which requests the authority to impose the program or
32	service; or
33	(iv) is required by statute or executive order that implements a
34	federal law or regulation and results from costs mandated by the federal
35	government to be borne at the local level, unless the statute or execu-
36	tive order results in costs which exceed the costs mandated by the
37	federal government; or
38	(v) is imposed on both government and non-government entities in the
39	same or substantially similar circumstances; or
40	(vi) repeals or revises a state law to ease an existing requirement
41	that a local government provide or undertake a program, project, or
42	activity, or reapportions the costs of activities between local govern-
43	ments; or
44	(vii) is necessary to protect against an immediate threat to public
45	health or safety.
46	(b) The effective date of any act establishing a mandate shall provide
40 47	a reasonable time for the state and any local government to plan imple-
48	mentation thereof and shall be consistent with the availability of
40 49	required funds.
49 50	§ 2. Section 51 of the legislative law, as added by chapter 985 of the
50 51	laws of 1983, is amended to read as follows:
51 52

54 55	means any county, city, town, village, special district or school
55	district.

1	2. [The legislature shall by consurrent resolution of the senate and
2	assembly prescribe rules requiring fiscal notes to accompany, on a sepa-
3	rate form, bills and amendments to bills, except as otherwise prescribed
4	by such rules, which] A bill that would [substantially] affect the
5	revenues or expenses, or both, of any political subdivision shall
б	contain a detailed fiscal impact note stating the estimated annual cost
7	to the political subdivision affected and the source of such estimate.
8	The fiscal impact note must clearly identify the funding source of such
9	annual cost to the political subdivision. An omission of such funding
10	source in the fiscal impact note, shall invalidate such bill.
11	3. Fiscal notes shall not, however, be required for bills: (a) subject
12	to the provisions of section fifty of this chapter, or (b) accompanied
13	by special home rule requests submitted by political subdivisions, or
14	(c) which provide discretionary authority to political subdivisions, or
15	(d) submitted pursuant to section twenty-four of the state finance law.
16	4. If the estimate or estimates contained in a fiscal impact note are
17	inaccurate and result in an annual net additional cost to any political
18	subdivision in excess of ten thousand dollars or an aggregate annual net
19	additional cost to all political subdivisions within the state in excess
20	of one million dollars, such inaccuracies shall [not affect, impair or]
21	invalidate such bill.
22	§ 3. The executive law is amended by adding a new article 24-A to read
23	as follows:
