2023-2024 Regular Sessions

IN ASSEMBLY

February 1, 2023

Introduced by M. of A. REILLY -- read once and referred to the Committee on Education

AN ACT to amend the administrative code of the city of New York, in relation to expanding the monitoring of student incidents to identify repeated incidents of behavior

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The administrative code of the city of New York is amended
2 by adding a new section 21-981.3 to read as follows:

3 § 21-981.3 Monitoring of student incidents in the online occurrence
4 reporting system to identify repeated incidents of behavior.

5 a. For the purposes of this section, the following terms have the
6 following meanings:

7 Elementary education. The term "elementary education" shall mean
8 grades kindergarten through five.

9 Secondary education. The term "secondary education" shall mean grades
10 six through twelve.

11 b. With respect to any incident having occurred involving an individ-
12 ual student or students which has been investigated and documented by a
13 school principal through the online occurrence reporting system (OORS),
14 such documented incidents shall be stored and maintained by the depart-
15 ment in the OORS database for the entirety of such involved student or
16 students' elementary and secondary education and shall be accessible to
17 school principals during that time. Such incidents shall include, but
18 not be limited to, bullying, harassment, intimidation, discrimination
19 and fighting.

20 c. The department shall ensure that the OORS has capability at all
21 times to store and maintain data as required by subdivision a of this
22 section regarding documented incidents involving an individual student
23 or students.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 d. All incidents documented through the OORS shall identify the
2 student or students involved through such students' office of student
3 information system (OSIS) number to ensure privacy. If the OORS identi-
4 fies identical OSIS numbers involved in separate or multiple incidents,
5 the principal of the school where such student or students currently
6 attend shall be notified of such incidents in order to make note of any
7 potential patterns of student behavior requiring additional intervention
8 or support. Such access to information shall allow school principals to
9 promote safer and more inclusive learning environments for students and
10 school communities.

11 § 2. This act shall take effect immediately.
