(BEDS) code regardless of when it was first issued shall provide the department with valid copies of the items pursuant to subdivision one of this section as part of an annual recertification. A failure to provide these documents by December thirty-first, two thousand twenty-four and each year thereafter will result in reimbursements to the non-public school being withheld and if not received within ninety days, at the discretion of the commissioner, can result in a revocation of the school's Basic Educational Data System (BEDS) code, provided that the non-public school is afforded the right to be heard by the commissioner.

§ 2. This act shall take effect immediately.
