8 § 1060. Legislative findings and statement of policy. The legislature
9 hereby finds and declares that there exists in many rural areas of the
10 state a substantial need for affordable rental housing of a size that is
11 suitable to small communities with limited infrastructure. The findings
12 set forth in article seventeen of this chapter, with respect to the
13 special needs and problems of such areas and the significant potential
14 role of locally based not-for-profit organizations in helping to meet
15 such needs, are hereby reaffirmed. The legislature hereby determines
16 that, in addition to the program of state support to help meet the
17 administrative expenses of such organizations under article seventeen of
18 this chapter, a further public need exists for state funding for the
19 development of affordable rental housing of twenty units or less. It is
20 the purpose of this article to encourage the construction of affordable
21 rental housing in the rural areas of the state by establishing a dedi-
22 cated program of such funding.

23 § 1061. Definitions. For the purposes of this article, the following
24 terms shall have the following meanings:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

49 funding.

50 4. The division of housing and community renewal shall provide for the
51 review, at periodic intervals not less than annually, of the performance
