3 otherwise noted.

4 c) The several amounts named herein, or so much thereof as shall be
5 sufficient to accomplish the purpose designated, being the undisbursed
6 and/or unexpended balances of the prior year's appropriations, are here-
7 by reappropriated from the same funds and made available for the same

11 (an ellipsis) followed by three spaces (...) used to indicate where
12 existing law that is being continued is not shown. However, unless a
13 change is clearly indicated by the use of brackets [-] for deletions and
14 underscores for additions, the purposes, amounts, funding source and all
15 other aspects pertinent to each item of appropriation shall be as last

17 For the purpose of complying with the state finance law, the year,

19 appropriation or any part thereof is, unless otherwise indicated, chap-
20 ter 53, section 1, of the laws of 2022.

21 d) No moneys appropriated by this chapter shall be available for

26 e) Notwithstanding any provision of law to the contrary, for purposes
27 of any appropriation made by this chapter which authorizes spending in

30 resulting from the overpayment of monies, "rebates" shall mean funds

3 city or any department, agency, or instrumentality thereof pursuant to
4 any appropriation set forth in this chapter. Provided however, that such
5 reduction shall be in an amount equal to the costs incurred by the state
6 or agency thereof in accordance with subdivision (c) of section 8 of
7 chapter 576 of the laws of 1974 and provided further that such direction
8 shall be made in writing by the director of the budget. If the director

11 the state from April 1, 2023 through March
12 31, 2024 shall be limited to a district
13 allocation, hereinafter referred to as the
14 district's block grant allocation.
15 Notwithstanding any other provision of
16 law, such block grant allocation shall be
17 based, in part, on each district's claims
18 for such costs, adjusted by the applicable
19 cost allocation methodology and net of any
20 retroactive payments for the 12 month
21 period ending June 30, 2022 that are
22 submitted on or before January 2, 2023
23 and, in part, on such other factors as
24 determined by the office of children and
25 family services and approved by the direc-
26 tor of the budget. Any portion of a social
27 services district's allocation from funds
28 appropriated herein not claimed by such
29 district during the state fiscal year may
30 be used by such district for expenditures
31 on preventive services provided pursuant
32 to section 409-a of the social services
33 law, independent living services and
34 aftercare services provided pursuant to
35 regulations of the department of family
36 assistance, claimed by such district
37 during the next state fiscal year up to
38 the amount remaining from the district's
39 foster care block grant allocation,
40 provided however, that any claims for such
41 services during the next state fiscal year
42 in excess of such amount shall be subject
43 to 62 percent state reimbursement exclu-
44 sive of any federal funds made available
45 for such purposes, in accordance with
46 directives of the department of family
47 assistance and subject to the approval of
48 the director of the budget. Any claims
49 submitted by a social services district
50 for reimbursement for a particular state
51 fiscal year for which the social services

1 district does not receive state or federal
2 reimbursement during that state fiscal
3 year may not be claimed against that
4 district's block grant apportionment for
5 the next state fiscal year.

6 The office of children and family services,
7 with the approval of the director of the
8 budget, may reduce a district's block
9 grant allocation by the state share
10 decrease related to federal retroactive
11 reimbursement for such foster care
12 services identified herein. The office,
13 with the approval of the director of the
14 budget, may reduce a district's block
15 grant allocation by the state share of
16 disallowances or sanctions taken against
17 the district pursuant to the social
18 services law or federal law.

19 Notwithstanding any other provision of law,
20 the state shall not be responsible for
21 reimbursing a social services district and
22 a district shall not seek state reimburse-
23 ment for any portion of any state disal-
24 lowance or sanction taken against the
25 social services district, or any federal
26 disallowance attributable to final federal
27 agency decisions or to settlement made, on
28 or after July 1, 1995, when such disallow-
29 ance or sanction results from the failure
30 of the social services district to comply
31 with federal or state requirements,
32 including, but not limited to, failure to
33 document eligibility for federal or state
34 funds in the case record; provided, howev-
35 er, if the office determines that any
36 federal disallowance for services provided
37 between January 1, 1999 and May 31, 1999
38 results solely from the late enactment of
39 the state legislation implementing the
40 federal adoption and safe families act,
41 the state shall be solely responsible for
42 the full amount of the disallowance or
43 sanction; provided, further, however, this
44 provision shall be deemed to apply both
45 prospectively and retroactively regardless
46 of whether such sanctions or disallowances
47 are for services provided or claims made
48 prior to or after April 1, 2023.

49 Notwithstanding any other provision of law,
50 any federal disallowance resulting from a
51 federal title IV-E eligibility review or

1 audit that uses extrapolated statistic
2 techniques shall be passed along by the
3 state to any and all social services
4 districts that the office of children and
5 family services has determined have not
6 complied with the title IV-E eligibility
7 requirements or have not taken the neces-
8 sary actions to ensure compliance with
9 such requirements including, but not
10 limited to, failing to: assess and fully
11 document all the criteria and have readily
12 available all the necessary documents to
13 establish and continue title IV-E eligi-
14 bility for all title IV-E eligible chil-
15 dren within the required time frames;
16 claim title IV-E funding only for cases
17 that meet all of the title IV-E eligibil-
18 ity criteria; and fully implement the
19 social services payment system on or
20 before April 1, 2005 for all direct and
21 voluntary agency foster care services.

22 Notwithstanding any law to the contrary, the
23 office of children and family services
24 shall impose on social services districts
25 any federal disallowance issued against
26 the state as a result of a federal title
27 IV-E secondary eligibility review regard-
28 less of the date the children may have
29 entered foster care, the date the eligi-
30 bility or payment errors occurred, or the
31 filing date of any federal claims for
32 reimbursement; provided, however, that the
33 state shall be responsible for the disal-
34 lowed costs and expenditures related to
35 the placement of children in a facility
36 operated by the office of children and
37 family services, which shall be determined
38 in the same manner as the disallowed costs
39 and expenditures for social services
40 districts other than the city of New York.
41 In order to reimburse the federal govern-
42 ment for the full amount of any disallow-
43 ance imposed on the state by the federal
44 administration for children and families
45 within the timeframes necessary to avoid
46 any potential interest payments on such
47 amount, the office of children and family
48 services is authorized to immediately
49 offset funds otherwise due to each
50 district for a pro rata share of the total
51 disallowed costs based on the percentage

AID TO LOCALITIES 2023-24

1 of applicable federal title IV-E claims
2 made by that district for the relevant
3 time period as compared to the total
4 applicable statewide title IV-E claims.
5 The amount of the offset against each
6 district will be adjusted, if necessary,
7 upon completion of the disallowance allo-
8 cation process. The final allocation of
9 the amount of any federal disallowance
10 resulting from a title IV-E secondary
11 eligibility review shall be allocated
12 among the districts so that each district
13 shall be responsible for the amount
14 attributable to each of the district's
15 children or cases that are determined by
16 the federal review to be unallowable. Each
17 district shall also be responsible for a
18 portion of the federal extrapolated disal-
19 lowance amount based on the relative error
20 rate for the district. The city of New
21 York's error rate will be based on the
22 federal sample and federal statistics. For
23 all social services districts other than
24 the city of New York, the error rate will
25 be based on a review conducted by the
26 district of a sample of children and/or
27 cases determined by the office of children
28 and family services and a re-review of a
29 sub-sample by the office of those children
30 and/or cases determined by the office. The
31 office of children and family services
32 will determine what is reasonable in
33 establishing the size of the sample and
34 sub-sample for each district. The office
35 of children and family services shall
36 notify each social services district of
37 the sample of children and/or cases from
38 the federal audit period that the social
39 services district must review. Any child
40 or case from the social services district
41 that was included in the federal sample
42 will automatically be included in the
43 social services district's review sample
44 and the determination made at the federal
45 review regarding that child or case will
46 govern for the purposes of the social
47 services district's review. The social
48 services district must complete and submit
49 the results of its review to the office of
50 children and family services within 60
51 days of receipt of the sample. The error

AID TO LOCALITIES 2023-24

1 rate for the district will be based on the
2 findings of the district's review and the
3 office of children and family services'
4 re-review. If a social services district
5 does not complete its review within 60
6 days of receiving the sample from the
7 office of children and family services,
8 the office of children and family services
9 shall assign an error rate to the social
10 services district based on the relative
11 percentage of the district's applicable
12 title IV-E claims for the relevant period
13 as compared to applicable statewide title
14 IV-E claims for that period and other
15 circumstances that the office of children
16 and family services may consider in order
17 to allocate 100 percent of the federal
18 disallowance. The office of children and
19 family services shall apply each social
20 services district's error rate to the
21 total amount of the district's applicable
22 title IV-E claims including associated
23 administrative expenses. The resulting
24 dollar amounts for all of the social
25 services districts will be summed to
26 derive the total amount of title IV-E
27 claims deemed to be in error statewide. To
28 establish a disallowance percentage for
29 each social services district, the amount
30 of the district's title IV-E claims deemed
31 to be in error will be divided by the
32 amount of statewide title IV-E claims
33 deemed to be in error. The resulting
34 disallowance percentage for each district
35 will be applied to the entire title IV-E
36 extrapolated disallowance calculated by
37 the federal review to determine the amount
38 of the extrapolated disallowance for which
39 the district is responsible. Each district
40 will be credited for the amount already
41 disallowed for any individual children or
42 cases found to be in error during the
43 federal review. The exclusive appeal
44 rights for the review of the amount of the
45 federal disallowance assigned to each
46 social services district shall be pursuant
47 to article 78 of the civil practice law
48 and rules; provided, however, that in any
49 such action all of the social services
50 districts shall be joined as necessary
51 parties and the venue of any such action

6 action brought by another social services
7 district.

8 The money hereby appropriated is to be

34 for state reimbursement of eligible social services district expend-
35 itures for the provision and administration of foster care services
36 including care, maintenance, supervision, and tuition; for super-
37 vision of foster children placed in federally funded job corps

1 available for tuition expenditures for foster children, including
2 persons in need of supervision and adjudicated juvenile delinquents,
3 made by a social services district located within a city having a
4 population of one million or more.

5 Notwithstanding any other provision of law, a portion of the funds are
6 available to reimburse social services districts for the change in
7 the maximum state aid rates established by the office of children
8 and family services for the 2022-23 rate year pursuant to section
9 398-a of the social services law and sections 4003 and 4405 of the
10 education law to reflect the continuation of the cost of living
11 adjustments that became effective April 1, 2008 for payments made to
12 foster parents and for salary and fringe benefit costs and other
13 critical nonpersonal services costs for foster care programs as
14 determined by the office. Social services districts must adjust the
15 amount of payments made for care provided by congregate care and
16 foster boarding home programs and to foster parents to reflect the
17 cost of living adjustments in the manner specified by the office.
18 Each authorized agency operating a congregate care or foster board-
19 ing home program in New York state for which the office sets a maxi-
20 mum state aid rate pursuant to section 398-a of the social services
21 law or section 4003 or 4405 of the education law shall submit, at
22 the time and in a manner to be determined by the office, a written
23 certification, attesting that the funds received for the continua-
24 tion of the cost of living adjustment to the maximum state aid rate
25 that became effective April 1, 2008 for that program will be or were
26 used solely in accordance with the requirements of the cost of
27 living adjustment established by the office.

28 Notwithstanding any inconsistent provision of law except a chapter of
29 the laws of 2022 authorizing a 5.4 percent cost of living adjustment
30 increase for the period commencing on April 1, 2022 and ending March
31 31, 2023, the commissioner shall not apply any other cost of living
32 adjustment for the purpose of establishing rates of payments,
33 contracts or any other form of reimbursement.

34 Within the amounts appropriated herein, state reimbursement to each
35 social services district for services identified herein that are
36 otherwise reimbursable by the state from April 1, 2022 through March
37 31, 2023 shall be limited to a district allocation, hereinafter
38 referred to as the district's block grant allocation. Notwithstand-
39 ing any other provision of law, such block grant allocation shall be
40 based, in part, on each district's claims for such costs, adjusted
41 by the applicable cost allocation methodology and net of any retro-
42 active payments for the 12 month period ending June 30, 2021 that
43 are submitted on or before January 3, 2022 and, in part, on such
44 other factors as determined by the office of children and family
45 services and approved by the director of the budget. Any portion of
46 a social services district's allocation from funds appropriated
47 herein not claimed by such district during the state fiscal year may
48 be used by such district for expenditures on preventive services
49 provided pursuant to section 409-a of the social services law, inde-
50 pendent living services and aftercare services provided pursuant to
51 regulations of the department of family assistance, claimed by such

1 district during the next state fiscal year up to the amount remain-
2 ing from the district's foster care block grant allocation, provided
3 however, that any claims for such services during the next state
4 fiscal year in excess of such amount shall be subject to 62 percent
5 state reimbursement exclusive of any federal funds made available
6 for such purposes, in accordance with directives of the department
7 of family assistance and subject to the approval of the director of
8 the budget. Any claims submitted by a social services district for
9 reimbursement for a particular state fiscal year for which the
10 social services district does not receive state or federal
11 reimbursement during that state fiscal year may not be claimed
12 against that district's block grant apportionment for the next state
13 fiscal year.

14 The office of children and family services, with the approval of the
15 director of the budget, may reduce a district's block grant allo-
16 cation by the state share decrease related to federal retroactive
17 reimbursement for such foster care services identified herein. The
18 office, with the approval of the director of the budget, may reduce
19 a district's block grant allocation by the state share of disallow-
20 ances or sanctions taken against the district pursuant to the social
21 services law or federal law.

22 Notwithstanding any other provision of law, the state shall not be
23 responsible for reimbursing a social services district and a
24 district shall not seek state reimbursement for any portion of any
25 state disallowance or sanction taken against the social services
26 district, or any federal disallowance attributable to final federal
27 agency decisions or to settlement made, on or after July 1, 1995,
28 when such disallowance or sanction results from the failure of the
29 social services district to comply with federal or state require-
30 ments, including, but not limited to, failure to document eligibil-
31 ity for federal or state funds in the case record; provided, howev-
32 er, if the office determines that any federal disallowance for
33 services provided between January 1, 1999 and May 31, 1999 results
34 solely from the late enactment of the state legislation implementing
35 the federal adoption and safe families act, the state shall be sole-
36 ly responsible for the full amount of the disallowance or sanction;
37 provided, further, however, this provision shall be deemed to apply
38 both prospectively and retroactively regardless of whether such
39 sanctions or disallowances are for services provided or claims made
40 prior to or after April 1, 2022.

41 Notwithstanding any other provision of law, any federal disallowance
42 resulting from a federal title IV-E eligibility review or audit that
43 uses extrapolated statistic techniques shall be passed along by the
44 state to any and all social services districts that the office of
45 children and family services has determined have not complied with
46 the title IV-E eligibility requirements or have not taken the neces-
47 sary actions to ensure compliance with such requirements including,
48 but not limited to, failing to: assess and fully document all the
49 criteria and have readily available all the necessary documents to
50 establish and continue title IV-E eligibility for all title IV-E
51 eligible children within the required time frames; claim title IV-E

1 funding only for cases that meet all of the title IV-E eligibility
2 criteria; and fully implement the social services payment system on
3 or before April 1, 2005 for all direct and voluntary agency foster
4 care services.

5 Notwithstanding any law to the contrary, the office of children and
6 family services shall impose on social services districts any federal
7 disallowance issued against the state as a result of a federal
8 title IV-E secondary eligibility review regardless of the date the
9 children may have entered foster care, the date the eligibility or
10 payment errors occurred, or the filing date of any federal claims
11 for reimbursement; provided, however, that the state shall be
12 responsible for the disallowed costs and expenditures related to the
13 placement of children in a facility operated by the office of chil-
14 dren and family services, which shall be determined in the same
15 manner as the disallowed costs and expenditures for social services
16 districts other than the city of New York. In order to reimburse the
17 federal government for the full amount of any disallowance imposed
18 on the state by the federal administration for children and families
19 within the timeframes necessary to avoid any potential interest
20 payments on such amount, the office of children and family services
21 is authorized to immediately offset funds otherwise due to each
22 district for a pro rata share of the total disallowed costs based on
23 the percentage of applicable federal title IV-E claims made by that
24 district for the relevant time period as compared to the total
25 applicable statewide title IV-E claims. The amount of the offset
26 against each district will be adjusted, if necessary, upon
27 completion of the disallowance allocation process. The final allo-
28 cation of the amount of any federal disallowance resulting from a
29 title IV-E secondary eligibility review shall be allocated among the
30 districts so that each district shall be responsible for the amount
31 attributable to each of the district's children or cases that are
32 determined by the federal review to be unallowable. Each district
33 shall also be responsible for a portion of the federal extrapolated
34 disallowance amount based on the relative error rate for the
35 district. The city of New York's error rate will be based on the
36 federal sample and federal statistics. For all social services
37 districts other than the city of New York, the error rate will be
38 based on a review conducted by the district of a sample of children
39 and/or cases determined by the office of children and family
40 services and a re-review of a sub-sample by the office of those
41 children and/or cases determined by the office. The office of chil-
42 dren and family services will determine what is reasonable in estab-
43 lishing the size of the sample and sub-sample for each district. The
44 office of children and family services shall notify each social
45 services district of the sample of children and/or cases from the
46 federal audit period that the social services district must review.
47 Any child or case from the social services district that was
48 included in the federal sample will automatically be included in the
49 social services district's review sample and the determination made
50 at the federal review regarding that child or case will govern for
51 the purposes of the social services district's review. The social

1 services district must complete and submit the results of its review
2 to the office of children and family services within 60 days of
3 receipt of the sample. The error rate for the district will be based
4 on the findings of the district's review and the office of children
5 and family services' re-review. If a social services district does
6 not complete its review within 60 days of receiving the sample from
7 the office of children and family services, the office of children
8 and family services shall assign an error rate to the social
9 services district based on the relative percentage of the district's
10 applicable title IV-E claims for the relevant period as compared to
11 applicable statewide title IV-E claims for that period and other
12 circumstances that the office of children and family services may
13 consider in order to allocate 100 percent of the federal disallow-
14 ance. The office of children and family services shall apply each
15 social services district's error rate to the total amount of the
16 district's applicable title IV-E claims including associated admin-
17 istrative expenses. The resulting dollar amounts for all of the
18 social services districts will be summed to derive the total amount
19 of title IV-E claims deemed to be in error statewide. To establish a
20 disallowance percentage for each social services district, the
21 amount of the district's title IV-E claims deemed to be in error
22 will be divided by the amount of statewide title IV-E claims deemed

1 shall, on a quarterly basis, request that the office of temporary
2 and disability assistance reimburse the office of children and fami-
3 ly services in an amount equal to 38 percent of the non-federal
4 share of the costs of administering such direct deposit or debit
5 card payments to capture the local share of such costs.

6 Notwithstanding any other provision of law, the office of children and
7 family services shall reissue per diem rates, required pursuant to
8 section 529 of the executive law, for calendar years 2002 through

11 to the office or to local social services districts for such costs
12 and, provided further, the office shall not include any such adjust-
13 ments in per diem rates established hereafter.

14 All reimbursement made by local social services districts for care,

34 costs, reimbursement shall be made proportionally to each district
35 based on the percentage of their total eligible claims to the amount
36 appropriated; and, provided further, however, that if the amount
37 appropriated exceeds the amount of funds necessary to reimburse 98
38 percent of 65 percent of the eligible social services district
39 expenditures, the office may, to the extent funds are available,
40 provide reimbursement for 98 percent of 65 percent of eligible
41 social services district expenditures for new community preventive

25 designed to decrease the use of detention or residential care for
26 such youth.

27 Within the amounts appropriated herein, state reimbursement shall be
28 limited to the amount of such municipality's distribution. The
29 office of children and family services shall not reimburse any

1 savings from the essential plan program.
2 Such projections may be adjusted by the
3 director of the budget to account for
4 increased or expedited department of
5 health state funds medicaid expenditures
6 as a result of a natural or other type of

12 projected medicaid expenditures by catego-
13 ry of service and by geographic region, as
14 determined by the commissioner of health,
15 incurred both prior to and subsequent to
16 such assessment for each such period, and
17 if the director of the budget determines
18 that such expenditures are expected to
19 cause medicaid spending for such period to
20 exceed the aggregate limit specified here-
21 in for such period, the state medicaid
22 director, in consultation with the direc-
23 tor of the budget and the commissioner of
24 health, shall develop a medicaid savings

50 the medicaid savings allocation adjustment
51 that meets the other criteria set forth

4 ipation that is available or is reasonably
5 expected to become available, in the
6 discretion of the commissioner, under the
7 Affordable Care Act; (4) reductions shall
8 be made uniformly among categories of
9 services and geographic regions of the
10 state, to the extent practicable, and
11 shall be made uniformly within a category
12 of service, to the extent practicable,
13 except where the commissioner determines
14 that there are sufficient grounds for
15 non-uniformity, including but not limited
16 to: the extent to which specific catego-
17 ries of services contributed to department
18 of health medicaid state funds spending in
19 excess of the limits specified herein; the
20 need to maintain safety net services in
21 underserved communities; or the potential
22 benefits of pursuing innovative payment
23 models contemplated by the Affordable Care
24 Act, in which case such grounds shall be
25 set forth in the medicaid savings allo-

27 shall be made in a manner that does not
28 unnecessarily create administrative
29 burdens to medicaid applicants and recipi-
30 ents or providers.

31 The commissioner shall seek the input of the
32 legislature, as well as organizations
33 representing health care providers,
34 consumers, businesses, workers, health
35 insurers, and others with relevant exper-
36 tise, in developing such medicaid savings
37 allocation adjustment, to the extent that
38 all or part of such adjustment, in the
39 discretion of the commissioner, is likely
40 to have a material impact on the overall
41 medicaid program, particular categories of
42 service or particular geographic regions
43 of the state.

44 (a) The commissioner shall post the medicaid
45 savings allocation adjustment on the
46 department of health's website and shall
47 provide written copies of such adjustment
48 to the chairs of the senate finance and

12 commissioner need not seek the input
13 described in paragraph (a) of this subdi-
14 vision or provide notice pursuant to para-
15 graph (b) of this subdivision if, in the
16 discretion of the commissioner, expedited
17 development and implementation of a medi-

19 necessary due to a public health emergen-
20 cy.

29 potential for such widespread risk of
30 exposure; or (iii) any other event or
31 condition determined by the commissioner
32 to constitute an imminent threat to public
33 health.

34 Nothing in this paragraph shall be deemed to
35 prevent all or part of such medicaid
36 savings allocation adjustment from taking
37 effect retroactively to the extent permit-
38 ted by the federal centers for medicare
39 and medicaid services.

40 In accordance with the medicaid savings

13 quarterly report that sets forth: (a)
14 known and projected department of health
15 medicaid expenditures as described in
16 subdivision (1) of this section, and

18 disbursements for the relevant state
19 fiscal year to exceed the projected
20 department of health state funds disburse-
21 ments in the enacted budget financial plan
22 pursuant to subdivision 3 of section 23 of
23 the state finance law, including spending
24 increases or decreases due to: enrollment

12 indemnity fund, pursuant to chapter 59 of
13 the laws of 2011, and state costs or

15 Such projections may be adjusted by the
16 director of the budget to account for
17 increased or expedited department of
18 health state funds medicaid expenditures
19 as a result of a natural or other type of

22 The director of the budget, in consultation

26 ry of service and by geographic region, as
27 defined by the commissioner, incurred both
28 prior to and subsequent to such assessment
29 for each such period, and if the director
30 of the budget determines that such expend-
31 itures are expected to cause medicaid
32 spending for such period to exceed the
33 aggregate limit specified herein for such
34 period, the state medicaid director, in
35 consultation with the director of the
36 budget and the commissioner of health,
37 shall develop a medicaid savings allo-

41 Such medicaid savings allocation adjustment
42 shall be designed, to reduce the expendi-

44 herein in compliance with the following
45 guidelines: (1) reductions shall be made
46 in compliance with applicable federal law,
47 including the provisions of the Patient

1 amendments thereto or regulations promul-

3 made in a manner that complies with the
4 state medicaid plan approved by the feder-
5 al centers for medicare and medicaid
6 services, provided, however, that the
7 commissioner of health is authorized to
8 submit any state plan amendment or seek
9 other federal approval, including waiver

18 expected to become available, in the
19 discretion of the commissioner, under the
20 Affordable Care Act; (4) reductions shall
21 be made uniformly among categories of
22 services and geographic regions of the
23 state, to the extent practicable, and
24 shall be made uniformly within a category
25 of service, to the extent practicable,
26 except where the commissioner determines
27 that there are sufficient grounds for
28 non-uniformity, including but not limited
29 to: the extent to which specific catego-
30 ries of services contributed to department
31 of health medicaid state funds spending in
32 excess of the limits specified herein; the
33 need to maintain safety net services in
34 underserved communities; or the potential
35 benefits of pursuing innovative payment
36 models contemplated by the Affordable Care
37 Act, in which case such grounds shall be
38 set forth in the medicaid savings allo-

44 The commissioner shall seek the input of the
45 legislature, as well as organizations
46 representing health care providers,
47 consumers, businesses, workers, health
48 insurers, and others with relevant exper-
49 tise, in developing such medicaid savings
50 allocation adjustment, to the extent that
51 all or part of such adjustment, in the
52 discretion of the commissioner, is likely

DEPARTMENT OF HEALTH

1 to have a material impact on the overall
2 medicaid program, particular categories of
3 service or particular geographic regions
4 of the state.

5 (a) The commissioner shall post the medicaid
6 savings allocation adjustment on the
7 department of health's website and shall
8 provide written copies of such adjustment

14 savings allocation adjustment subsequent
15 to the provisions of notice and prior to
16 implementation but needs to provide a new
17 notice pursuant to subparagraph (i) of
18 this paragraph only if the commissioner
19 determines, in his or her discretion, that
20 such revisions materially alter the
21 adjustment.

22 Notwithstanding the provisions of paragraphs
23 (a) and (b) of this subdivision, the
24 commissioner need not seek the input
25 described in paragraph (a) of this subdivi-
26 sion or provide notice pursuant to para-
27 graph (b) of this subdivision if, in the
28 discretion of the commissioner, expedited
29 development and implementation of a medi-
30 caid savings allocation adjustment is
31 necessary due to a public health emergen-
32 cy.

33 For purposes of this section, a public
34 health emergency is defined as: (i) a
35 disaster, natural or otherwise, that
36 significantly increases the immediate need
37 for health care personnel in an area of
38 the state; (ii) an event or condition that
39 creates a widespread risk of exposure to a
40 serious communicable disease, or the
41 potential for such widespread risk of
42 exposure; or (iii) any other event or
43 condition determined by the commissioner
44 to constitute an imminent threat to public
45 health.

46 Nothing in this paragraph shall be deemed to
47 prevent all or part of such medicaid
48 savings allocation adjustment from taking
49 effect retroactively to the extent permit-
50 ted by the federal centers for medicare
51 and medicaid services.

DEPARTMENT OF HEALTH

35 if the director of the budget determines
36 that such expenditures are expected to

1 the operational costs of the New York state medical indemnity fund,
2 pursuant to chapter 59 of the laws of 2011, and state costs or
3 savings from the essential plan program. Such projections may be
4 adjusted by the director of the budget to account for increased or
5 expedited department of health state funds medicaid expenditures as
6 a result of a natural or other type of disaster, including a govern-
7 mental declaration of emergency.

8 The director of the budget, in consultation with the commissioner of
9 health, shall assess on a quarterly basis known and projected medi-
10 caid expenditures by category of service and by geographic region,
11 as determined by the commissioner of health, incurred both prior to
12 and subsequent to such assessment for each such period, and if the
13 director of the budget determines that such expenditures are
14 expected to cause medicaid spending for such period to exceed the
15 aggregate limit specified herein for such period, the state medicaid
16 director, in consultation with the director of the budget and the
17 commissioner of health, shall develop a medicaid savings allocation
18 adjustment to limit such spending to the aggregate limit specified
19 herein for such period.

20 Such medicaid savings allocation adjustment shall be designed, to
21 reduce the expenditures authorized by the appropriations herein in
22 compliance with the following guidelines: (1) reductions shall be
23 made in compliance with applicable federal law, including the
24 provisions of the Patient Protection and Affordable Care Act, Public
25 Law No. 111-148, and the Health Care and Education Reconciliation
26 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
27 Act") and any subsequent amendments thereto or regulations promul-
28 gated thereunder; (2) reductions shall be made in a manner that
29 complies with the state medicaid plan approved by the federal
30 centers for medicare and medicaid services, provided, however, that
31 the commissioner of health is authorized to submit any state plan
32 amendment or seek other federal approval, including waiver authori-
33 ty, to implement the provisions of the medicaid savings allocation
34 adjustment that meets the other criteria set forth herein; (3)
35 reductions shall be made in a manner that maximizes federal finan-
36 cial participation, to the extent practicable, including any federal
37 financial participation that is available or is reasonably expected
38 to become available, in the discretion of the commissioner, under
39 the Affordable Care Act; (4) reductions shall be made uniformly
40 among categories of services and geographic regions of the state, to
41 the extent practicable, and shall be made uniformly within a catego-
42 ry of service, to the extent practicable, except where the commis-
43 sioner determines that there are sufficient grounds for non-uniform-
44 ity, including but not limited to: the extent to which specific
45 categories of services contributed to department of health medicaid
46 state funds spending in excess of the limits specified herein; the
47 need to maintain safety net services in underserved communities; or
48 the potential benefits of pursuing innovative payment models contem-
49 plated by the Affordable Care Act, in which case such grounds shall
50 be set forth in the medicaid savings allocation adjustment; and (5)
51 reductions shall be made in a manner that does not unnecessarily

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 create administrative burdens to medicaid applicants and recipients
2 or providers.

3 The commissioner shall seek the input of the legislature, as well as
4 organizations representing health care providers, consumers, busi-
5 nesses, workers, health insurers, and others with relevant exper-
6 tise, in developing such medicaid savings allocation adjustment, to
7 the extent that all or part of such adjustment, in the discretion of
8 the commissioner, is likely to have a material impact on the overall
9 medicaid program, particular categories of service or particular
10 geographic regions of the state.

11 (a) The commissioner shall post the medicaid savings allocation
12 adjustment on the department of health's website and shall provide
13 written copies of such adjustment to the chairs of the senate
14 finance and the assembly ways and means committees at least 30 days
15 before the date on which implementation is expected to begin.

16 (b) The commissioner may revise the medicaid savings allocation
17 adjustment subsequent to the provisions of notice and prior to
18 implementation but needs to provide a new notice pursuant to subpar-
19 agraph (i) of this paragraph only if the commissioner determines, in
20 his or her discretion, that such revisions materially alter the
21 adjustment.

22 Notwithstanding the provisions of paragraphs (a) and (b) of this
23 subdivision, the commissioner need not seek the input described in
24 paragraph (a) of this subdivision or provide notice pursuant to
25 paragraph (b) of this subdivision if, in the discretion of the
26 commissioner, expedited development and implementation of a medicaid
27 savings allocation adjustment is necessary due to a public health
28 emergency.

29 For purposes of this section, a public health emergency is defined as:
30 (i) a disaster, natural or otherwise, that significantly increases
31 the immediate need for health care personnel in an area of the
32 state; (ii) an event or condition that creates a widespread risk of
33 exposure to a serious communicable disease, or the potential for
34 such widespread risk of exposure; or (iii) any other event or condi-
35 tion determined by the commissioner to constitute an imminent threat
36 to public health.

37 Nothing in this paragraph shall be deemed to prevent all or part of
38 such medicaid savings allocation adjustment from taking effect
39 retroactively to the extent permitted by the federal centers for
40 medicare and medicaid services.

41 In accordance with the medicaid savings allocation adjustment, the
42 commissioner of the department of health shall reduce department of
43 health state funds medicaid spending by the amount of the projected
44 overspending through, actions including, but not limited to modify-
45 ing or suspending reimbursement methods, including but not limited
46 to all fees, premium levels and rates of payment, notwithstanding
47 any provision of law that sets a specific amount or methodology for
48 any such payments or rates of payment; modifying medicaid program
49 benefits; seeking all necessary federal approvals, including, but
50 not limited to waivers, waiver amendments; and suspending time
51 frames for notice, approval or certification of rate requirements,

2 public health law, section 18 of chapter 2 of the laws of 1988, and

4 The department of health shall prepare a quarterly report that sets
5 forth: (a) known and projected department of health medicaid expend-
6 itures as described in subdivision (1) of this section, and factors
7 that could result in medicaid disbursements for the relevant state
8 fiscal year to exceed the projected department of health state funds
9 disbursements in the enacted budget financial plan pursuant to
10 subdivision 3 of section 23 of the state finance law, including
11 spending increases or decreases due to: enrollment fluctuations,
12 rate changes, utilization changes, MRT investments, and shift of
13 beneficiaries to managed care; and variations in offline medicaid
14 payments; and (b) the actions taken to implement any medicaid
15 savings allocation adjustment implemented pursuant to subdivision
16 (4) of this section, including information concerning the impact of
17 such actions on each category of service and each geographic region
18 of the state. Each such quarterly report shall be provided to the
19 chairs of the senate finance and the assembly ways and means commit-
20 tees and shall be posted on the department of health's website in a
21 timely manner.

22 The money hereby appropriated is available for payment of liabilities
23 heretofore and hereafter accrued and shall be available to the
24 department net of disallowances, refunds, reimbursements, and cred-

5 to the contrary, all medical assistance appropriations made from
6 this account shall remain in full force and effect in accordance, in
7 the aggregate, with the following schedule: not more than 48 percent
8 for the period April 1, 2022 to March 31, 2023; and the remaining
9 amount for the period April 1, 2023 to ~~March 31~~ September 15,
10 2024.

11 Notwithstanding section 40 of the state finance law or any provision
12 of law to the contrary, subject to federal approval, department of
13 health state funds medicaid spending, excluding payments for medical
14 services provided at state facilities operated by the office of
15 mental health, the office for people with developmental disabilities
16 and the office of addiction services and supports and further
17 excluding any payments which are not appropriated within the depart-
18 ment of health, in the aggregate, for the period April 1, 2022
19 through March 31, 2023, shall not exceed \$25,936,887,000 except as

25 ~~[\$53,615,265,000]~~ \$54,046,658,000. Provided, however, such aggre-
26 gate limits may be adjusted by the director of the budget to account
27 for any changes in the New York state federal medical assistance
28 percentage amount established pursuant to the federal social securi-
29 ty act, increases in provider revenues, reductions in local social
30 services district payments for medical assistance administration,
31 minimum wage increases, and beginning April 1, 2012 the operational
32 costs of the New York state medical indemnity fund, pursuant to
33 chapter 59 of the laws of 2011, and state costs or savings from the
34 essential plan program. Such projections may be adjusted by the
35 director of the budget to account for increased or expedited depart-
36 ment of health state funds medicaid expenditures as a result of a
37 natural or other type of disaster, including a governmental declara-
38 tion of emergency.

39 The director of the budget, in consultation with the commissioner of
40 health, shall assess on a quarterly basis known and projected medi-
41 caid expenditures by category of service and by geographic region,
42 as defined by the commissioner, incurred both prior to and subse-
43 quent to such assessment for each such period, and if the director
44 of the budget determines that such expenditures are expected to
45 cause medicaid spending for such period to exceed the aggregate
46 limit specified herein for such period, the state medicaid director,
47 in consultation with the director of the budget and the commissioner
48 of health, shall develop a medicaid savings allocation adjustment to
49 limit such spending to the aggregate limit specified herein for such
50 period.

51 Such medicaid savings allocation adjustment shall be designed, to
52 reduce the expenditures authorized by the appropriations herein in

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 compliance with the following guidelines: (1) reductions shall be
2 made in compliance with applicable federal law, including the
3 provisions of the Patient Protection and Affordable Care Act, Public
4 Law No. 111-148, and the Health Care and Education Reconciliation
5 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
6 Act") and any subsequent amendments thereto or regulations promul-
7 gated thereunder; (2) reductions shall be made in a manner that
8 complies with the state medicaid plan approved by the federal
9 centers for medicare and medicaid services, provided, however, that
10 the commissioner of health is authorized to submit any state plan
11 amendment or seek other federal approval, including waiver authori-
12 ty, to implement the provisions of the medicaid savings allocation
13 adjustment that meets the other criteria set forth herein; (3)
14 reductions shall be made in a manner that maximizes federal finan-
15 cial participation, to the extent practicable, including any federal
16 financial participation that is available or is reasonably expected
17 to become available, in the discretion of the commissioner, under
18 the Affordable Care Act; (4) reductions shall be made uniformly
19 among categories of services and geographic regions of the state, to
20 the extent practicable, and shall be made uniformly within a cate-
21 gory of service, to the extent practicable, except where the commis-
22 sioner determines that there are sufficient grounds for non-uniform-
23 ity, including but not limited to: the extent to which specific
24 categories of services contributed to department of health medicaid
25 state funds spending in excess of the limits specified herein; the
26 need to maintain safety net services in underserved communities; or
27 the potential benefits of pursuing innovative payment models contem-
28 plated by the Affordable Care Act, in which case such grounds shall
29 be set forth in the medicaid savings allocation adjustment; and (5)
30 reductions shall be made in a manner that does not unnecessarily
31 create administrative burdens to medicaid applicants and recipients
32 or providers.

33 The commissioner shall seek the input of the legislature, as well as
34 organizations representing health care providers, consumers, busi-
35 nesses, workers, health insurers, and others with relevant exper-
36 tise, in developing such medicaid savings allocation adjustment, to
37 the extent that all or part of such adjustment, in the discretion of
38 the commissioner, is likely to have a material impact on the overall
39 medicaid program, particular categories of service or particular
40 geographic regions of the state.

41 (a) The commissioner shall post the medicaid savings allocation
42 adjustment on the department of health's website and shall provide
43 written copies of such adjustment to the chairs of the senate
44 finance and the assembly ways and means committees at least 30 days
45 before the date on which implementation is expected to begin.

46 (b) The commissioner may revise the medicaid savings allocation
47 adjustment subsequent to the provisions of notice and prior to
48 implementation but needs to provide a new notice pursuant to subpar-
49 agraph (i) of this paragraph only if the commissioner determines, in
50 his or her discretion, that such revisions materially alter the
51 adjustment.

DEPARTMENT OF HEALTH

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 Notwithstanding the provisions of paragraphs (a) and (b) of this
2 subdivision, the commissioner need not seek the input described in
3 paragraph (a) of this subdivision or provide notice pursuant to
4 paragraph (b) of this subdivision if, in the discretion of the
5 commissioner, expedited development and implementation of a medicaid
6 savings allocation adjustment is necessary due to a public health

12 exposure to a serious communicable disease, or the potential for
13 such widespread risk of exposure; or (iii) any other event or condi-
14 tion determined by the commissioner to constitute an imminent threat
15 to public health.

16 Nothing in this paragraph shall be deemed to prevent all or part of
17 such medicaid savings allocation adjustment from taking effect
18 retroactively to the extent permitted by the federal centers for
19 medicare and medicaid services.

20 In accordance with the medicaid savings allocation adjustment, the
21 commissioner of the department of health shall reduce department of
22 health state funds medicaid spending by the amount of the projected
23 overspending through, actions including, but not limited to modify-
24 ing or suspending reimbursement methods, including but not limited
25 to all fees, premium levels and rates of payment, notwithstanding
26 any provision of law that sets a specific amount or methodology for
27 any such payments or rates of payment; modifying or discontinuing
28 medicaid program benefits; seeking all necessary federal approvals,
29 including, but not limited to waivers, waiver amendments; and
30 suspending time frames for notice, approval or certification of rate
31 requirements, notwithstanding any provision of law, rule or regu-
32 lation to the contrary, including but not limited to sections 2807
33 and 3614 of the public health law, section 18 of chapter 2 of the
34 laws of 1988, and 18 NYCRR 505.14(h).

35 The department of health shall prepare a quarterly report that sets
36 forth: (a) known and projected department of health medicaid expend-
37 itures as described in subdivision (1) of this section, and factors
38 that could result in medicaid disbursements for the relevant state
39 fiscal year to exceed the projected department of health state funds
40 disbursements in the enacted budget financial plan pursuant to
41 subdivision 3 of section 23 of the state finance law, including
42 spending increases or decreases due to: enrollment fluctuations,
43 rate changes, utilization changes, MRT investments, and shift of
44 beneficiaries to managed care; and variations in offline medicaid
45 payments; and (b) the actions taken to implement any medicaid
46 savings allocation adjustment implemented pursuant to subdivision
47 (4) of this section, including information concerning the impact of
48 such actions on each category of service and each geographic region
49 of the state. Each such quarterly report shall be provided to the
50 chairs of the senate finance and the assembly ways and means commit-

7 The appropriation made by chapter 53, section 1, of the laws of 2022, is
8 hereby amended and reappropriated to read:

9 Notwithstanding section 40 of the state finance law or any other law
10 to the contrary, all medical assistance appropriations made from
11 this account shall remain in full force and effect in accordance, in
12 the aggregate, with the following schedule: not more than 50
13 percent for the period April 1, 2022 to March 31, 2023; and the
14 remaining amount for the period April 1, 2023 to ~~March 31~~ September
15 15, 2024.

16 Notwithstanding section 40 of the state finance law or any provision
17 of law to the contrary, subject to federal approval, department of
18 health state funds medicaid spending, excluding payments for medical
19 services provided at state facilities operated by the office of
20 mental health, the office for people with developmental disabilities
21 and the office of addiction services and supports and further
22 excluding any payments which are not appropriated within the depart-
23 ment of health, in the aggregate, for the period April 1, 2022
24 through March 31, 2023, shall not exceed \$25,936,887,000 except as
25 provided below and state share medicaid spending, in the aggregate,
26 for the period April 1, 2023 through ~~March 31~~ September 15, 2024,

28 shall department of health state funds medicaid spending for the
29 period April 1, 2022 through ~~March 31~~ September 15, 2024 exceed
30 ~~[\$53,615,265,000]~~ \$54,046,658,000 provided, however, such aggregate
31 limits may be adjusted by the director of the budget to account for
32 any changes in the New York state federal medical assistance
33 percentage amount established pursuant to the federal social securi-
34 ty act, increases in provider revenues, reductions in local social
35 services district payments for medical assistance administration,
36 minimum wage increases and beginning April 1, 2012 the operational
37 costs of the New York state medical indemnity fund, pursuant to
38 chapter 59 of the laws of 2011, and state costs or savings from the
39 essential plan program. Such projections may be adjusted by the
40 director of the budget to account for increased or expedited depart-
41 ment of health state funds medicaid expenditures as a result of a
42 natural or other type of disaster, including a governmental declara-
43 tion of emergency.

44 The director of the budget, in consultation with the commissioner of
45 health, shall assess on a quarterly basis known and projected medi-
46 caid expenditures by category of service and by geographic region,
47 as determined by the commissioner of health, incurred both prior to
48 and subsequent to such assessment for each such period, and if the
49 director of the budget determines that such expenditures are
50 expected to cause medicaid spending for such period to exceed the

1 aggregate limit specified herein for such period, the state medicaid
2 director, in consultation with the director of the budget and the
3 commissioner of health, shall develop a medicaid savings allocation
4 adjustment to limit such spending to the aggregate limit specified
5 herein for such period.

6 Such medicaid savings allocation adjustment shall be designed, to
7 reduce the expenditures authorized by the appropriations herein in
8 compliance with the following guidelines: (1) reductions shall be
9 made in compliance with applicable federal law, including the
10 provisions of the Patient Protection and Affordable Care Act, Public
11 Law No. 111-148, and the Health Care and Education Reconciliation
12 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
13 Act") and any subsequent amendments thereto or regulations promul-
14 gated thereunder; (2) reductions shall be made in a manner that
15 complies with the state medicaid plan approved by the federal
16 centers for medicare and medicaid services, provided, however, that
17 the commissioner of health is authorized to submit any state plan
18 amendment or seek other federal approval, including waiver authori-
19 ty, to implement the provisions of the medicaid savings allocation
20 adjustment that meets the other criteria set forth herein; (3)
21 reductions shall be made in a manner that maximizes federal finan-
22 cial participation, to the extent practicable, including any federal
23 financial participation that is available or is reasonably expected
24 to become available, in the discretion of the commissioner, under
25 the Affordable Care Act; (4) reductions shall be made uniformly
26 among categories of services and geographic regions of the state, to
27 the extent practicable, and shall be made uniformly within a catego-
28 ry of service, to the extent practicable, except where the commis-
29 sioner determines that there are sufficient grounds for non-uniform-
30 ity, including but not limited to: the extent to which specific
31 categories of services contributed to department of health medicaid
32 state funds spending in excess of the limits specified herein; the
33 need to maintain safety net services in underserved communities; or
34 the potential benefits of pursuing innovative payment models contem-
35 plated by the Affordable Care Act, in which case such grounds shall
36 be set forth in the medicaid savings allocation adjustment; and (5)
37 reductions shall be made in a manner that does not unnecessarily
38 create administrative burdens to medicaid applicants and recipients
39 or providers.

40 The commissioner shall seek the input of the legislature, as well as
41 organizations representing health care providers, consumers, busi-
42 nesses, workers, health insurers, and others with relevant exper-
43 tise, in developing such medicaid savings allocation adjustment, to
44 the extent that all or part of such adjustment, in the discretion of
45 the commissioner, is likely to have a material impact on the overall
46 medicaid program, particular categories of service or particular
47 geographic regions of the state.

48 (a) The commissioner shall post the medicaid savings allocation
49 adjustment on the department of health's website and shall provide

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 (b) The commissioner may revise the medicaid savings allocation
2 adjustment subsequent to the provisions of notice and prior to
3 implementation but needs to provide a new notice pursuant to subpar-
4 agraph (i) of this paragraph only if the commissioner determines, in
5 his or her discretion, that such revisions materially alter the
6 plan.

7 Notwithstanding the provisions of paragraphs (a) and (b) of this
8 subdivision, the commissioner need not seek the input described in
9 paragraph (a) of this subdivision or provide notice pursuant to
10 paragraph (b) of this subdivision if, in the discretion of the
11 commissioner, expedited development and implementation of a medicaid
12 savings allocation adjustment is necessary due to a public health
13 emergency.

14 For purposes of this section, a public health emergency is defined as:

15 (i) a disaster, natural or otherwise, that significantly increases
16 the immediate need for health care personnel in an area of the
17 state; (ii) an event or condition that creates a widespread risk of
18 exposure to a serious communicable disease, or the potential for
19 such widespread risk of exposure; or (iii) any other event or condi-
20 tion determined by the commissioner to constitute an imminent threat
21 to public health.

22 Nothing in this paragraph shall be deemed to prevent all or part of
23 such medicaid savings allocation adjustment from taking effect
24 retroactively to the extent permitted by the federal centers for
25 medicare and medicaid services.

26 In accordance with the medicaid savings allocation adjustment, the
27 commissioner of the department of health shall reduce department of
28 health state funds medicaid spending by the amount of the projected
29 overspending through, actions including, but not limited to modify-
30 ing or suspending reimbursement methods, including but not limited
31 to all fees, premium levels and rates of payment, notwithstanding
32 any provision of law that sets a specific amount or methodology for
33 any such payments or rates of payment; modifying medicaid program
34 benefits; seeking all necessary federal approvals, including, but
35 not limited to waivers, waiver amendments; and suspending time
36 frames for notice, approval or certification of rate requirements,
37 notwithstanding any provision of law, rule or regulation to the
38 contrary, including but not limited to sections 2807 and 3614 of the
39 public health law, section 18 of chapter 2 of the laws of 1988, and
40 18 NYCRR 505.14(h).

41 The department of health shall prepare a quarterly report that sets
42 forth: (a) known and projected department of health medicaid expend-
43 itures as described in subdivision (1) of this section, and factors
44 that could result in medicaid disbursements for the relevant state
45 fiscal year to exceed the projected department of health state funds
46 disbursements in the enacted budget financial plan pursuant to
47 subdivision 3 of section 23 of the state finance law, including
48 spending increases or decreases due to: enrollment fluctuations,
49 rate changes, utilization changes, MRT investments, and shift of
50 beneficiaries to managed care; and variations in offline medicaid
51 payments; and (b) the actions taken to implement any medicaid
52 savings allocation adjustment implemented pursuant to subdivision

7 shall not exceed [~~\$27,678,377,000~~] \$28,109,771,000, but in no event
8 shall department of health state funds medicaid spending for the
9 period April 1, 2022 through [~~March 31~~] September 15, 2024 exceed
10 [~~\$53,615,265,000~~] \$54,046,658,000 provided, however, such aggregate

15 services district payments for medical assistance administration,
16 minimum wage increases and beginning April 1, 2012 the operational

20 the budget to account for increased or expedited department of
21 health state funds medicaid expenditures as a result of a natural or
22 other type of disaster, including a governmental declaration of
23 emergency.

24 The director of the budget, in consultation with the commissioner of
25 health, shall assess on a quarterly basis known and projected medi-
26 caid expenditures by category of service and by geographic region,
27 as determined by the commissioner of health, incurred both prior to
28 and subsequent to such assessment for each such period, and if the
29 director of the budget determines that such expenditures are
30 expected to cause medicaid spending for such period to exceed the
31 aggregate limit specified herein for such period, the state medicaid
32 director, in consultation with the director of the budget and the
33 commissioner of health, shall develop a medicaid savings allocation
34 adjustment to limit such spending to the aggregate limit specified

40 provisions of the Patient Protection and Affordable Care Act, Public
41 Law No. 111-148, and the Health Care and Education Reconciliation
42 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care
43 Act") and any subsequent amendments thereto or regulations promul-
44 gated thereunder; (2) reductions shall be made in a manner that
45 complies with the state medicaid plan approved by the federal
46 centers for medicare and medicaid services, provided, however, that
47 the commissioner of health is authorized to submit any state plan
48 amendment or seek other federal approval, including waiver authori-
49 ty, to implement the provisions of the medicaid savings allocation

1 financial participation that is available or is reasonably expected
2 to become available, in the discretion of the commissioner, under
3 the Affordable Care Act; (4) reductions shall be made uniformly
4 among categories of services and geographic regions of the state, to
5 the extent practicable, and shall be made uniformly within a category
6 of service, to the extent practicable, except where the commissioner
7 determines that there are sufficient grounds for non-uniformity,
8 including but not limited to: the extent to which specific
9 categories of services contributed to department of health medicaid
10 state funds spending in excess of the limits specified herein; the
11 need to maintain safety net services in underserved communities; or
12 the potential benefits of pursuing innovative payment models contemplated
13 by the Affordable Care Act, in which case such grounds shall
14 be set forth in the medicaid savings allocation adjustment; and (5)
15 reductions shall be made in a manner that does not unnecessarily
16 create administrative burdens to medicaid applicants and recipients
17 or providers.

18 The commissioner shall seek the input of the legislature, as well as
19 organizations representing health care providers, consumers, businesses,
20 workers, health insurers, and others with relevant expertise, in developing
21 such medicaid savings allocation adjustment, to the extent that all or part
22 of such adjustment, in the discretion of the commissioner, is likely to have

32 adjustment subsequent to the provisions of notice and prior to
33 implementation but needs to provide a new notice pursuant to subparagraph
34 (i) of this paragraph only if the commissioner determines, in his or her
35 discretion, that such revisions materially alter the plan.
36

37 Notwithstanding the provisions of paragraphs (a) and (b) of this
38 subdivision, the commissioner need not seek the input described in
39 paragraph (a) of this subdivision or provide notice pursuant to
40 paragraph (b) of this subdivision if, in the discretion of the
41 commissioner, expedited development and implementation of a medicaid
42 savings allocation adjustment is necessary due to a public health
43 emergency.

44 For purposes of this section, a public health emergency is defined as:

45 (i) a disaster, natural or otherwise, that significantly increases
46 the immediate need for health care personnel in an area of the
47 state; (ii) an event or condition that creates a widespread risk of

4 medicare and medicaid services.

5 In accordance with the medicaid savings allocation adjustment, the
6 commissioner of the department of health shall reduce department of

16 categories of services contributed to department of health medicaid
17 state funds spending in excess of the limits specified herein; the
18 need to maintain safety net services in underserved communities; or
19 the potential benefits of pursuing innovative payment models contem-
20 plated by the Affordable Care Act, in which case such grounds shall
21 be set forth in the medicaid savings allocation adjustment; and (5)
22 reductions shall be made in a manner that does not unnecessarily
23 create administrative burdens to medicaid applicants and recipients
24 or providers.

25 The commissioner shall seek the input of the legislature, as well as
26 organizations representing health care providers, consumers, busi-
27 nesses, workers, health insurers, and others with relevant exper-

32 geographic regions of the state.

33 (a) The commissioner shall post the medicaid savings allocation
34 adjustment on the department of health's website and shall provide

38 (b) The commissioner may revise the medicaid savings allocation
39 adjustment subsequent to the provisions of notice and prior to
40 implementation but needs to provide a new notice pursuant to subpar-

44 Notwithstanding the provisions of paragraphs (a) and (b) of this
45 subdivision, the commissioner need not seek the input described in
46 paragraph (a) of this subdivision or provide notice pursuant to
47 paragraph (b) of this subdivision if, in the discretion of the
48 commissioner, expedited development and implementation of a medicaid

4 such widespread risk of exposure; or (iii) any other event or condi-

6 to public health.

7 Nothing in this paragraph shall be deemed to prevent all or part of
8 such medicaid savings allocation adjustment from taking effect
9 retroactively to the extent permitted by the federal centers for
10 medicare and medicaid services.

11 In accordance with the medicaid savings allocation adjustment, the
12 commissioner of the department of health shall reduce department of
