

# STATE OF NEW YORK

3226

2023-2024 Regular Sessions

## IN ASSEMBLY

February 2, 2023

Introduced by M. of A. GLICK -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to enacting the birds and bees protection act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "birds and bees protection act".

3 § 2. Section 33-1301 of the environmental conservation law is amended  
4 by adding a new subdivision 13 to read as follows:

5 13. a. Beginning January first, two thousand twenty-six, for any  
6 person to sell, offer for sale or use, or distribute within the state  
7 any corn, soybean or wheat seeds coated or treated with pesticides with  
8 the active ingredients clothianidin, imidacloprid, thiamethoxam, dinote-  
9 furan, or acetamiprid; provided, however, that the commissioner may, by  
10 written order, temporarily suspend the provisions of this paragraph at  
11 any time based on the commissioner's determination, after consulting  
12 with the commissioner of agriculture and markets, that there is a lack  
13 of commercially available seed that has not been treated with pesticides  
14 with the active ingredients clothianidin, imidacloprid, thiamethoxam,  
15 dinotefuran or acetamiprid or the purchase of seed that complies with  
16 the requirements of this paragraph would result in undue financial hard-  
17 ship to agricultural producers. Any such temporary suspension shall  
18 specify the type of seed included.

19 b. (1) No person shall apply or treat outdoor ornamental plants and  
20 turf, except for the production of agricultural commodities, with a  
21 pesticide containing:

22 (i) the active ingredients imidacloprid, thiamethoxam or acetamiprid  
23 on or after July first, two thousand twenty-five;

24 (ii) the active ingredients clothianidin or dinotefuran effective  
25 immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD02118-02-3

1 (2) a. The provisions of this paragraph shall not apply where the  
2 commissioner, by written order, determines that:

3 (i) a valid environmental emergency exists;

4 (ii) the pesticide would be effective in addressing the environmental  
5 emergency; and

6 (iii) no other, less harmful pesticide or pest management practice  
7 would be effective in addressing the environmental emergency.

8 b. Any such order shall include the basis for the commissioner's  
9 determination and specify the approved time period, geographic scope,  
10 and purpose of the permitted use of such pesticide. An order issued  
11 pursuant to this section shall be valid for a period not to exceed one  
12 year.

13 c. For the purposes of this subdivision "environmental emergency"  
14 means: an occurrence of any pest which presents a significant risk of  
15 harm or injury to the environment, or significant harm, injury, or loss  
16 to agricultural crops, including, but not limited to, any exotic or  
17 foreign pest which may need preventative quarantine measures to avert or  
18 prevent that risk, as determined by the department in consultation with  
19 the department of agriculture and markets.

20 § 3. The department of environmental conservation, in consultation  
21 with the department of agriculture and markets, New York state's land  
22 grant university, and state university of New York college of environ-  
23 mental science and forestry shall conduct a study to identify practica-  
24 ble and feasible alternatives to the use of pesticides containing the  
25 active ingredients clothianidin, imidacloprid, thiamethoxam, dinotefuran  
26 or acetamiprid. The results of the study shall be submitted to the  
27 governor, the temporary president of the senate and the speaker of the  
28 assembly on or before January 1, 2025 and shall be posted on the depart-  
29 ment's public website.

30 § 4. This act shall take effect on the ninetieth day after it shall  
31 have become a law. Effective immediately, the addition, amendment and/or  
32 repeal of any rule or regulation necessary for the implementation of  
33 this act on its effective date are authorized to be made and completed  
34 on or before such date.
