1 § 2. Paragraphs a and c of subdivision 4 of section 27-1012 of the
2 environmental conservation law, as added by section 8 of part SS of
3 chapter 59 of the laws of 2009, are amended to read as follows:

4 a. Quarterly payments. An amount equal to [~~eighty~~] forty-seven percent
5 of the balance outstanding in the refund value account at the close of
6 each quarter shall be paid to the commissioner of taxation and finance
7 at the time the report provided for in subdivision three of this section
8 is required to be filed. The commissioner of taxation and finance may
9 require that the payments be made electronically. The remaining [~~twen-~~
10 ~~ty~~] fifty-three percent of the balance outstanding at the close of each
11 quarter shall be the monies of the deposit initiator and may be with-
12 drawn from such account by the deposit initiator. If the provisions of
13 this section with respect to such account have not been fully complied
14 with, each deposit initiator shall pay to such commissioner at such
15 time, in lieu of the amount described in the preceding sentence, an
16 amount equal to the balance which would have been outstanding on such
17 date had such provisions been fully complied with. The commissioner of
18 taxation and finance may require that the payments be made electron-
19 ically.

20 c. Final report. A deposit initiator who ceases to do business in this
21 state as a deposit initiator shall file a final report and remit payment
22 of [~~eighty~~] forty-seven percent of all amounts remaining in the refund
23 value account as of the close of the deposit initiator's last day of
24 business. The commissioner of taxation and finance may require that the
25 payments be made electronically. The deposit initiator shall indicate on
26 the report that it is a "final report". The final report is due to be
27 filed with payment twenty days after the close of the quarterly period
28 in which the deposit initiator ceases to do business. In the event the
29 deposit initiator pays out more in refund values than it collects in
30 such final quarterly period, the deposit initiator may apply to the
31 commissioner of taxation and finance for a refund of the amount of such
32 excess payment of refund values from sources other than the refund value
33 account, in the manner as provided by the commissioner of taxation and
34 finance.

35 § 3. Section 27-1013 of the environmental conservation law, as
36 amended by section 7 of part F of chapter 58 of the laws of 2013, is
37 amended to read as follows:

38 § 27-1013. Redemption centers.

39 1. (a) (i) As of the effective date of the chapter of the laws of two
40 thousand twenty-four that amended this section and subject to applicable
41 provisions of local and state law, any person, firm or corporation which
42 establishes a redemption center, at which redeemers and dealers may
43 return empty beverage containers and receive payment of the refund value
44 of such beverage containers, shall submit an application to the commis-
45 sioner for registration as a condition of operation.

46 (ii) Any redemption center in business on or before April first, two
47 thousand twenty-four may continue to operate as if the department had
48 issued such redemption center a registration required by regulations
49 adopted under this section; provided, however, that such redemption
50 center shall submit a renewal application to the commissioner in accord-
51 ance with applicable regulations by the thirty-first of December next
52 succeeding the effective date of this subparagraph.

53 (iii) An application for registration or renewal shall be in a form
54 prescribed by the commissioner and shall, at a minimum, require the name
55 and physical address of the redemption center, the name, address and
56 contact information of the owner and/or operator of the redemption

1 center, the names and addresses of each dealer or distributor with which
2 the redemption center has contracted to collect, sort and obtain the
3 refund value and handling fee of empty beverage containers, as applica-
4 ble, the number of beverage containers redeemed by the redemption center
5 during the preceding twelve months, as applicable, and such other infor-
6 mation as the commissioner deems necessary for proper administration of
7 this title. The commissioner may require applications for registration
8 to be submitted electronically. The commissioner shall electronically
9 issue a redemption center registration certificate or renewal certifi-
10 cate in a form prescribed by the commissioner within thirty days of
11 receipt of such application. A registration certificate or renewal
12 certificate issued pursuant to this subdivision shall be issued for one
13 year and shall be subject to annual renewal in accordance with proce-
14 dures specified by the commissioner.

15 (iv) Any registered redemption center that ceases operations shall
16 notify the commissioner of such cessation in writing within thirty days
17 in a form prescribed by the commissioner.

18 (b) The commissioner shall issue a registration or renewal within
19 thirty days of the submission of an application by a person, firm or
20 corporation which establishes a redemption center in accordance with the
21 provisions of this section, subject to applicable provisions of local
22 and state laws. An application for registration or renewal shall be
23 deemed approved if the department fails to act on such application with-
24 in thirty days of submission. Registrations and renewals shall be issued
25 at no cost to the applicant. The costs attributable to the department
26 for the review and processing of registration and renewal applications
27 pursuant to this section shall be paid for out of the state's portion of
28 the outstanding balance in the refund value account which is regularly
29 deposited into the general fund in accordance with section 27-1012 of
30 this title.

31 (c) After due notice and opportunity of hearing, pursuant to the
32 provisions of section 71-1709 of this chapter, the department may deny
33 an application for registration or renewal or revoke a registration. In
34 determining whether or not to revoke a registration, the commissioner
35 shall, at a minimum, take into consideration the compliance history of
36 an applicant, good faith efforts of an applicant to comply, any economic
37 benefit from noncompliance and whether any violation was procedural in
38 nature. The commissioner's determination to revoke a registration is
39 subject to review under article seventy-eight of the civil practice law
40 and rules.

41 (d) Any person, firm or corporation required to be registered under
42 this section which, without being registered, redeems beverage contain-
43 ers in this state, shall not be eligible to receive a handling fee for
44 any such redeemed beverage containers, and if such person, firm or
45 corporation has received such a handling fee, it shall be promptly
46 refunded.

47 (e) The commissioner shall promulgate rules and regulations governing
48 the performance of audits in connection with pick-ups of redeemed bever-
49 age containers. Such audits shall be conducted by the department at the
50 request of a distributor, deposit initiator, redemption center or deal-
51 er, upon no less than two business days' notice, to monitor beverage
52 container pick-ups and party compliance with the provisions of this
53 chapter. A distributor, deposit initiator, redemption center or dealer
54 may request the department to conduct an audit no more than ten times
55 per calendar year with respect to each pick up agent or redemption
56 center with which the requester conducts pick up transactions. Such

1 audits shall, at a minimum, include the following parameters: (i) all
2 audits shall be conducted on an entire pick-up shipment at one of two
3 locations, including at the site of such redemption center or site at
4 which such pick up shipment of redeemed beverage containers is delivered
5 and counted; (ii) a department auditor shall be present at the redemp-
6 tion center at which such audit shall be performed to witness the weigh-
7 ing of all individual bags of beverage containers included in the pick-
8 up transaction; (iii) a department inspector shall be present at the
9 delivery/counting site of such pick up shipment of redeemed beverage
10 containers at the time of such audit to witness the counting of contain-
11 ers; and (iv) there shall be a secure chain of custody between the pick-
12 up location and point of delivery/counting that shall remain secured
13 until audited in the presence of the department's auditor. Audit results
14 shall be promptly reported to the distributor, deposit initiator,
15 redemption center and/or dealer whose pick up transaction is the subject
16 of such audit.

17 2. The commissioner is hereby empowered to promulgate rules and regu-
18 lations governing (a) the circumstances in which deposit initiators,
19 dealers and distributors, individually or collectively, are required to
20 accept the return of empty beverage containers, including beverage
21 containers processed through reverse vending machines and make payment
22 therefor; (b) the sorting of the containers which a deposit initiator or
23 distributor may require of dealers and redemption centers; (c) the
24 collection of returned beverage containers by deposit initiators or

30 sales have been discontinued; (e) [~~to issue~~] registrations and renewals
31 issued to persons, firms or corporations which establish redemption
32 centers, subject to applicable provisions of local and state laws, at
33 which redeemers and dealers may return empty beverage containers and
34 receive payment of the refund value of such beverage containers[~~—Such~~
35 ~~registrations shall be issued at no cost. Should the department require~~
36 ~~by regulations adopted pursuant to this paragraph that redemption~~

38 ~~redemption center in business as of March first, two thousand thirteen~~
39 ~~that previously provided the department with the notification informa-~~
40 ~~tion required by regulations in effect as of such date may continue to~~
41 ~~operate as if the department had issued such redemption center a regis-~~
42 ~~tration required by regulations adopted under this paragraph, provided,~~
43 ~~however, that such redemption center shall provide the department with~~
44 ~~any other information required by regulations adopted pursuant to this~~
45 ~~paragraph. The department may, after due notice and opportunity of~~
46 ~~hearing, pursuant to the provisions of section 71-1709 of this chapter,~~
47 ~~deny an application or revoke a registration. In determining whether or~~
48 ~~not to revoke a registration the commissioner shall at a minimum, take~~
49 ~~into consideration the compliance history of a violator, good faith~~
50 ~~efforts of a violator to comply, any economic benefit from noncompliance~~

54 operation of mobile redemption centers in order to ensure that to the
55 best extent practicable containers are not proffered for redemption to a~~

2 such deposit initiator sells containers and initiates deposits.

3 ~~[2-]~~ 3. The department may require a redemption center to obtain a
4 permit, as an alternative to registration if such center is located at
5 the same facility or site as another solid waste management facility
6 otherwise subject to the requirements of title seven of this article or
7 the regulations promulgated pursuant thereto.

8 ~~[3-]~~ 4. No dealer or distributor, as defined in section 27-1003 of
9 this title, shall be required to obtain a permit to operate a redemption

11 business. Operators of such redemption centers shall receive payment of
12 the refund value of each beverage container from the appropriate deposit
13 initiator or distributor as provided under section 27-1007 of this
14 title.

15 ~~[4-]~~ 5. Each dealer and redemption center shall require any person
16 tendering for redemption more than two thousand five hundred containers

18 name and address and the license plate of the vehicle used to transport
19 the containers, or, in the case of an agent or employee of a not-for-
20 profit corporation, a sales tax exemption certificate. The dealer or
21 redemption center redeeming the beverage containers shall keep the
22 information on file for a minimum of twelve months and provide same to
23 the department upon request.

24 § 4. Subdivisions 2, 3 and 4 of section 27-1015 of the environmental
25 conservation law, as amended by section 8 of part F of chapter 58 of the
26 laws of 2013, are amended and two new subdivisions 4-a and 4-b are added
27 to read as follows:

28 2. Any distributor, deposit initiator, redemption center or dealer who

30 27-1012 and paragraph (d) of subdivision one of section 27-1013 of this
31 title and subdivisions three, four, four-a and four-b of this section,
32 shall be liable to the state of New York for a civil penalty of not more
33 than one thousand dollars, and an additional civil penalty of not more
34 than one thousand dollars for each day during which each such violation
35 continues. Any civil penalty may be assessed following a hearing or
36 opportunity to be heard.

37 3. It shall be unlawful for a distributor, or deposit initiator,
38 redemption center or dealer, acting alone or aided by another, to return
39 any empty beverage container to a dealer or redemption center for its
40 refund value if the distributor, or deposit initiator, redemption center
41 or dealer returning the empty beverage container had knowingly previous-
42 ly accepted such beverage container from any dealer or operator of a
43 redemption center or if the distributor, deposit initiator, redemption
44 center or dealer returning the empty beverage container knows that such
45 container was previously accepted by a reverse vending machine. A
46 violation of this subdivision shall be a misdemeanor punishable by a
47 fine of not less than five hundred dollars nor more than one thousand
48 dollars and an amount equal to two times the amount of money received as
49 a result of such violation. A distributor, deposit initiator, redemption

52 less than one thousand dollars nor more than five thousand dollars, an
53 amount equal to two times the amount of money received as a result of

56 distributor's, deposit initiator's or dealer's refund value account, as

1 set forth in section 27-1012 of this title, administered by the commis-
2 sioner of taxation and finance. Any civil penalty may be assessed
3 following a hearing or opportunity to be heard.

4 4. Any person who willfully tenders to a dealer, distributor, redemp-
5 tion center or deposit initiator more than forty-eight empty beverage
6 containers for which such person knows or should reasonably know that no
7 deposit was paid in New York state may be assessed by the department a
8 civil penalty of up to one hundred dollars for each container or up to
9 twenty-five thousand dollars for each such tender of containers. A
10 subsequent violation of this section may result in a civil penalty of up
11 to fifty thousand dollars. Any civil penalty may be assessed following
12 a hearing or opportunity to be heard. At each location where a person
13 tenders containers for redemption, dealers and redemption centers must
14 conspicuously display a sign in letters that are at least one inch in
15 height with the following information: "WARNING: Persons tendering for
16 redemption containers on which a deposit was never paid in this state
17 may be subject to a civil penalty of up to one hundred dollars per
18 container or up to twenty-five thousand dollars for each such tender of
19 containers." Any civil penalty may be assessed following a hearing or
20 opportunity to be heard.

24 paid in New York state may be assessed by the department a civil penalty
25 of up to one hundred dollars for each container or up to twenty-five
26 thousand dollars for each such tender of containers. A subsequent
27 violation of this section may result in a civil penalty of up to fifty
28 thousand dollars and revocation of such redemption center's registra-
29 tion. Any civil penalty may be assessed following a hearing or opportu-
30 nity to be heard.

31 4-b. (a) A deposit initiator which upon audit discovers that a redemp-
32 tion center reported more beverage containers than were actually phys-
33 ically tendered shall provide written notice to the redemption center of
34 such shortfall and shall provide a refund based on the actual tendered
35 amount, provided that if such audit reveals a discrepancy between the
36 redemption center's reported number of beverage containers and the actu-
37 al physical count of ten percent or greater, the deposit initiator may
38 withhold up to fifty percent of the handling fee otherwise payable to
39 the redemption center for such tender, and provided further that upon
40 any subsequent audit which produces a discrepancy of ten percent or
41 more, the deposit initiator may withhold up to one hundred percent of
42 the handling fee otherwise payable to such redemption center. Notwith-
43 standing any other provisions of this title, any funds withheld by a
44 deposit initiator pursuant to this paragraph may be retained by the
45 deposit initiator to defray the costs of the auditing process.

46 (b) A redemption center which upon audit discovers that a deposit
47 initiator underreported the number of beverage containers that were
48 actually physically tendered shall provide written notice to the deposit
49 initiator of such shortfall and shall receive payment from the deposit
50 initiator based on the actual tendered amount, provided that if such
51 audit reveals a discrepancy between the deposit initiator's reported
52 number of beverage containers and the actual physical count of ten
53 percent or greater, the redemption center shall be paid one hundred
54 fifty percent of the handling fee otherwise payable to the redemption
55 center for such tender, and provided further that upon any subsequent
56 audit which produces a discrepancy of ten percent or more, the redemp-

3 § 5. This act shall take effect on the thirtieth day after it shall
4 have become a law.
