7 this chapter so long as the staff members have received appropriate
8 training approved by the office of children and family services regard-
9 ing sexually exploited [~~children~~] individuals and the existing programs

11 sexually exploited [~~children~~] individuals. Crisis intervention
12 services, short-term safe house care and community-based programming
13 may, where appropriate, be provided by the same not-for-profit agency.
14 Local social services districts may work cooperatively to provide such
15 short-term safe house or other short-term safe placement, services and
16 programming and access to such placement, services and programming may
17 be provided on a regional basis, provided, however, that every local
18 social services district shall to the extent that funds are available
19 ensure that such placement, services and programs shall be readily
20 accessible to sexually exploited [~~children~~] individuals residing within
21 the district.

22 2. All of the services created under this title may, to the extent
23 possible provided by law, be available to all sexually exploited [~~chil-~~
24 ~~dren~~] individuals whether they are accessed voluntarily, as a condition

34 are in need of such services. A determination of such need shall be made
35 in two thousand ten and every five years thereafter in every social
36 services district by the local commissioner of social services and be

56 sexually exploited [~~children~~] individuals throughout the state. The

1 appropriateness of the geographic location shall be determined taking
2 into account the areas of the state with high numbers of sexually
3 exploited [~~children~~] individuals and the need for sexually exploited
4 [~~children~~] individuals to find shelter and long term placement in a
5 region that cannot be readily accessed by the perpetrators of sexual
6 exploitation. The need for more than one long-term safe house shall be
7 determined by the office of children and family services based on the
8 numbers and geographical location of sexually exploited [~~children~~] indi-
9 viduals within the state. Nothing herein shall be construed to preclude
10 an agency from applying for and accepting grants, gifts and bequests of
11 funds from private individuals, foundations and the federal government
12 for the purpose of creating or carrying out the duties of a long-term
13 safe house.

14 6. The local social services commissioner may, to the extent that
15 funds are available, in conjunction with the division of criminal
16 justice services and local law enforcement officials, contract with an
17 appropriate not-for-profit agency with experience working with sexually

19 are likely to encounter sexually exploited [~~children~~] individuals in the
20 course of their law enforcement duties on the provisions of this section
21 and how to identify and obtain appropriate services for sexually
