§ 2. The state finance law is amended by adding a new section 95-l to read as follows:

§ 95-l. "Blue star mothers and families support fund". 1. There is hereby established in the joint custody of the commissioner of taxation and finance and the comptroller, a special fund to be known as the blue star mothers and families support fund.

2. Such fund shall consist of all revenues received pursuant to section four hundred four-ff of the vehicle and traffic law, and all other moneys appropriated, credited or transferred thereto from any other fund or source pursuant to law. Nothing contained in this section shall prevent the state from receiving grants, gifts, or bequests for the purposes of the fund, as defined in this section, and depositing them into the fund according to law.

§ 3. 1. A distinctive plate established pursuant to section 404-ff of the vehicle and traffic law, as added by section one of this act, shall only be designed, produced and issued upon the delivery to the department of motor vehicles of a surety bond in the amount of $6,000, which shall be executed by a surety company authorized by the department of financial services to transact business in this state. Provided, however, that if the commissioner of motor vehicles shall have received prior to the plate design, production and issuance at least 200 orders for such distinctive plate together with the additional annual service charge applicable to each such order, which shall be non-refundable, no such surety bond shall be required. 2. If, upon the expiration of two years following the date upon which distinctive plates in the series are first available for sale, 200 or more sets of such plates are sold, a bond delivered pursuant to this section shall be discontinued. If fewer than 200 sets of such plates are sold by such time, the department of motor vehicles shall be entitled to recover against the bond an amount proportionate to such shortfall.
