STATE OF NEW YORK

3581

2023-2024 Regular Sessions

IN ASSEMBLY

February 3, 2023

Introduced by M. of A. BURKE, LUPARDO, KELLES, DARLING, SIMON, FORREST, ZEBROWSKI, REYES, GONZALEZ-ROJAS, RIVERA -- read once and referred to the Committee on Health

AN ACT to amend the public health law and the state finance law, in relation to medical use of psilocybin; and making an appropriation therefor

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section	1. Article 33	of the	public	health	law is	amended by	adding	а
2	new title	5-B to read a	s follo	ws:					

2	new citte 5 b to read as rorrows.
3	TITLE V-B
4	MEDICAL USE OF PSILOCYBIN
5	<u>Section 3369-aa. Definitions.</u>
б	<u>3369-bb. Lawful medical use.</u>
7	<u>3369-cc. Certification of facilitators.</u>
8	3369-dd. Evaluation; research programs; report by department.
9	<u>3369-ee. Relation to other laws.</u>
10	<u>3369-ff. Protections for the medical use of psilocybin.</u>
11	<u>3369-gg. Regulations.</u>
12	<u>3369-hh. Psilocybin assisted therapy grant program.</u>
13	<u>3369-ii. Naturally grown medical psilocybin pilot.</u>
14	<u>3369-jj. Psilocybin assisted therapy advisory board.</u>
15	<u>§ 3369-aa. Definitions. For the purposes of this title, the following</u>
16	terms shall have the following meanings:
17	1. "Psilocybin" means a naturally occurring psychedelic prodrug
18	compound produced by fungi, including but not limited to members of the
19	genus Psilocybe. Such term shall include psilocin, the substance into
20	which psilocybin is converted in the human body.
21	2. "Caring for" means treating a patient, in the course of which the
22	practitioner has completed a full assessment of the patient's medical
23	history and current medical condition.
24	3. "Certified medical use" includes use of medical psilocybin for a
25	patient to treat or alleviate a patient's medical condition or symptoms
26	associated with the patient's medical condition.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD07859-01-3

4. "License" means a written authorization as provided under this 1 title permitting persons to engage in a specified activity authorized 2 3 pursuant to this title. 4 5. "Licensee" means an individual or an entity who has been granted a 5 license under this title. 6 6. "Medical psilocybin" means psilocybin intended for a certified 7 medical use, as determined by the department. 7. "Facilitator" means a mental health counselor, psychoanalyst, 8 9 physician, physician assistant, registered professional nurse, clinical 10 nurse specialist, nurse practitioner, occupational therapist, occupa-11 tional therapy assistant, licensed clinical social worker, or an indi-12 vidual with evidence of prior experience and knowledge in the field of psychedelic assisted therapy who has completed all requirements under 13 14 section thirty-three hundred sixty-nine-cc of this title. 15 <u>§ 3369-bb. Lawful medical use. The use of medical psilocybin by a</u> patient for certified medical use, shall be lawful under this title 16 17 provided that: 1. The psilocybin used by a patient shall have occurred in a clinical 18 setting, including but not limited to, a facilitator's office or a 19 20 hospital, under the supervision of a facilitator certified pursuant to 21 section thirty-three hundred sixty-nine-cc of this title. Patients who 22 are unable to travel may receive psilocybin treatment in the home. The course developed to certify facilitators by the department shall include 23 regulations and recommendations for creating appropriate settings for 24 25 psilocybin treatment; 2. Facilitators shall receive psilocybin to use through the naturally 26 27 grown medical psilocybin pilot, pursuant to section thirty-three hundred 28 sixty-nine-ii of this title. Facilitators who are able to access any forthcoming Federal Food and Drug Administration approved synthetic 29 30 psilocybin products or MDMA shall be permitted to do so. 31 <u>§ 3369-cc. Certification of facilitators. Prior to facilitating a</u> 32 psilocybin session, a facilitator shall complete a course as determined 33 by the department in regulation. 34 <u>§ 3369-dd. Evaluation; research programs; report by department. 1.</u> The department may provide for the analysis and evaluation of the opera-35 36 tion of this title. The department may enter into agreements with one or 37 more persons, not-for-profit corporations, universities or other organizations, for the performance of an evaluation of the implementation and 38 39 effectiveness of this title. 40 2. The department may develop, seek any necessary federal approval for, and carry out research programs relating to medical use of psilocy-41 42 bin. Participation in any such research program shall be voluntary on 43 the part of facilitators, patients, and designated caregivers. 44 3. The department shall report every two years, beginning two years after the effective date of this title, to the governor and the legisla-45 46 ture on the medical use of psilocybin under this title and make appro-47 priate recommendations. 48 § 3369-ee. Relation to other laws. 1. The provisions of this title 49 shall apply, except that where a provision of this title conflicts with another provision of this chapter, this title shall apply. 50 2. For the purposes of this title, medical psilocybin shall not be 51 52 deemed to be a "drug" for purposes of article one hundred thirty-seven 53 of the education law. 54 § 3369-ff. Protections for the medical use of psilocybin. 1. Patients and practitioners and facilitators shall not be subject to arrest, pros-55 56 ecution, or penalty in any manner, or denied any right or privilege,

1	including but not limited to civil penalty or disciplinary action by a
2	business or occupational or professional licensing board or bureau,
3	solely for the certified medical use of psilocybin or for any other
4	action or conduct in accordance with this title.
5	2. This subdivision shall not bar the enforcement of a policy prohib-
6	iting an employee from performing his or her employment duties while
7	impaired by a controlled substance. This subdivision shall not require
8	any person or entity to do any act that would put the person or entity
9	in direct violation of federal law or cause it to lose a federal
10	contract or funding.
11	3. The fact that a person is a patient and/or acting in accordance
12	with this title, shall not be a consideration in a proceeding pursuant
13	to applicable sections of the domestic relations law, the social
14	services law and the family court act.
15	4. (a) Certification forms and any patient information contained with-
16	in a database shall be deemed exempt from public disclosure under
17	sections eighty-seven and eighty-nine of the public officers law. Upon
18	specific request by a patient to the department, the department shall
19	verify the requesting patient's status as a valid patient to the
20	patient's school or employer or other designated party, to ensure
21	compliance with the protections afforded by this section.
22	(b) The name, contact information, and other information relating to
23	facilitators registered with the department under this title shall be
24 25	public information and shall be maintained on the department's website accessible to the public in searchable form. However, if a facilitator
25 26	notifies the department in writing that he or she does not want his or
20 27	her name and other information disclosed, that facilitator's name and
28	other information shall thereafter not be public information or main-
28 29	tained on the department's website, unless the facilitator cancels the
30	request.
31	5. A person currently under parole, probation or other state or local
32	supervision, or released on bail awaiting trial may not be punished or
33	otherwise penalized for conduct allowed under this title.
34	§ 3369-gg. Regulations. The department shall promulgate regulations to
35	implement this title.
36	§ 3369-hh. Psilocybin assisted therapy grant program. 1. The depart-
37	ment shall establish a psilocybin assisted therapy grant program within
38	the amount in the psilocybin and MDMA assisted therapy grant program
39	fund established under section ninety-seven-uuuu of the state finance
40	law. Such grant program shall provide veterans, first responders,
41	retired first responders, and low-income individuals, with the funding
42	necessary to receive psilocybin and/or MDMA assisted therapy. Funding
43	may be initially applied toward an expanded access program approved by
44	the federal food and drug administration pursuant to 21 CFR 312 or other
45	psilocybin and/or MDMA therapies available pursuant to this title. Such
46	grant program shall be terminated upon the approval of psilocybin and/or
47	MDMA for medical use by the federal drug enforcement administration, or
48	any successor agency.
49	2. The department shall promulgate any necessary rules and regulations
50	for the application and distribution of any funds pursuant to this
51	section.
52	<u>§ 3369-ii. Naturally grown medical psilocybin pilot. The department of</u>
53	agriculture and markets shall establish and oversee the implementation
54	of a pilot program for psilocybin-containing mushrooms to be grown in
55	the state. The department shall promulgate all necessary rules and
E C	

56 regulations, regarding medical, therapeutic, or supported use of

1	naturally grown psilocybin mushrooms. The department, in conjunction
2 3	with the department of environmental conservation, shall establish and implement a process for approval, governing the safe production of
4	psilocybin, including, but not limited to, environmental and energy
5	standards and restrictions on the use of pesticides. The department
6	shall make a good faith effort to work with the federal Department of
7	Justice and Drug Enforcement Agency to receive public health research
8	exemption from the Controlled Substances Act under section 872 (e) or
9	any similar provision. Accredited universities and colleges within the
10	state may apply to the department to participate in pilot cultivation,
11	treatment, and research programs.
12	<u>§ 3369-jj. Psilocybin assisted therapy advisory board. 1. The psilocy-</u>
13	bin assisted therapy advisory board or "advisory board" is established
14	within the department to advise and issue recommendations on the use of
15	medical psilocybin in the state of New York.
16	2. (a) The advisory board shall consist of thirteen voting appointed
17	members, along with the following members serving as non-voting ex-offi-
18	cio members: (i) the commissioner, or his or her designee; and (ii) a
19	representative from the department who is familiar with public health
20	programs and public health activities in the state.
21	(b) The governor shall have seven appointments, at least one of which
22	shall be a member of a federally recognized Native American tribe, the temporary president of the senate and the speaker of the assembly shall
23 24	each have three appointments to the board. Advisory board members shall
25	have statewide geographic representation that is balanced and diverse in
26	its composition. Appointed members shall have an expertise in public and
27	behavioral health, substance use disorder treatment, psilocybin-assisted
28	therapy research, MDMA-assisted therapy research and/or clinical prac-
29	tice, trauma and mental health, access to care in underserved communi-
30	ties, veteran mental health care, and harm reduction.
31	3. The members shall be appointed to the advisory board to each serve
32	four-year terms and in the event of a vacancy, the vacancy shall be
33	filled in the manner of the original appointment for the remainder of
34	the term. The appointed members and representatives shall receive no
35	compensation for their services but shall be allowed their actual and
36	necessary expenses incurred in the performance of their duties as board
37	members.
38	4. The chairperson of the advisory board and the vice chairperson
39	shall be elected from among the members of the advisory board by the
40	members of such advisory board. The vice chairperson shall represent the
41	advisory board in the absence of the chairperson at all official advi-
42	sory board functions.
43	5. The advisory board shall enact and from time to time may amend
44 45	bylaws or rules in relation to its meetings and the transaction of its business. The board may also establish committees and subcommittees
45 46	necessary for the operation of the board. The advisory board is
40 47	expected to work with established religious, cultural and community-
48	based psilocybin groups and cultivators on recommendations to the
49	department regarding guidelines for safe and effective services, safety
50	standards, industry best practices, code of professional conduct, educa-
51	tion, training, and examination for facilitators, production, and long
52	term strategic plans for service. A majority of the total number of
53	voting members which the board would have were there no vacancies, shall
54	constitute a quorum and shall be required for the board to conduct busi-
55	ness. All meetings of the advisory board shall be conducted in accord-
56	ance with the provisions of article seven of the public officers law.

-	
1	6. (a) Within the first two years of the establishment of the advisory
2	board, the board shall meet at least once every calendar month at a time
3	and place determined by the chairperson or a majority of the voting
4	members of the board. After the first two years, the advisory board
5	shall meet at least once every calendar quarter at a time and place
6	determined by the chairperson or a majority of the voting members of the
7	board. The advisory board may also meet at other times and places speci-
8	fied by the call of the chairperson or of a majority of the voting
9 10	<u>members of the board.</u> (b) After the first year of the program's implementation, there shall
11	be: (i) a program audit incorporating patient feedback; and (ii) a
12^{11}	state and independent review of efficacy, efficiency, cost, and equity.
13	The audit will include consideration of whether and how to expand psilo-
14^{13}	cybin access, provided that the pilot program results are successful.
15^{11}	7. The advisory board shall have the following duties:
16	(a) Provide advice to the department regarding the provisions of this
17	title and make recommendations on available medical, psychological,
18	scientific studies, research and other information relating to the safe-
19	ty and efficacy of psilocybin in treating mental health conditions,
20	including but not limited to addiction, depression, anxiety disorders
21	and end-of-life psychological distress.
22	(b) Make recommendations to the department on the requirements, spec-
23	ifications and quidelines for providing psilocybin services to a client.
24	(c) Make recommendations to the department on public health and safety
25	standards and industry best practices under this title.
26	(d) Develop a long-term strategic plan for ensuring that psilocybin
27	services will become and remain a safe, accessible and affordable thera-
28	peutic option for all persons eighteen years of age and older in the
29	state for whom psilocybin services may be appropriate.
29 30	state for whom psilocybin services may be appropriate. (e) Monitor and study federal laws, regulations and policies regarding
