54 shall adhere to the notification provisions set forth in subdivision six

9 2. The division shall advise the board that the offender has estab-

12 that the offender is required to register, the division shall notify the
13 offender of his or her duty to register under this article and shall
14 require the offender to sign a form as may be required by the division
15 acknowledging that the duty to register and the procedure for registra-
16 tion has been explained to the offender. The division shall obtain on
17 such form the address where the offender expects to reside within the
18 state and the offender shall retain one copy of the form and send two
19 copies to the division which shall provide the information to the law
20 enforcement agency having jurisdiction where the offender expects to
21 reside within this state. No later than thirty days prior to the board
22 making a recommendation, the offender shall be notified that his or her
23 case is under review and that he or she is permitted to submit to the
24 board any information relevant to the review. After reviewing any infor-
25 mation obtained, and applying the guidelines established in subdivision
26 five of section one hundred sixty-seven-f of this article, the board
27 shall within sixty calendar days make a recommendation regarding the
28 level of notification pursuant to subdivision six of section one hundred
29 sixty-seven-f of this article and whether such offender shall be desig-
30 minated a violent felony offender or a violent predator. This recommenda-
31 tion shall be confidential and shall not be available for public
32 inspection. It shall be submitted by the board to the county court or
33 supreme court and to the district attorney in the county of residence of
34 the offender and to the offender. It shall be the duty of the county
35 court or supreme court in the county of residence of the offender,
36 applying the guidelines established in subdivision five of section one
37 hundred sixty-seven-f of this article, to determine the level of notifi-
38 cation pursuant to subdivision six of section one hundred sixty-seven-f
39 of this article and whether such offender shall be designated a violent
40 felony offender or a violent predator. At least thirty days prior to
41 the determination proceeding, such court shall notify the district
42 attorney and the offender, in writing, of the date of the determination
43 proceeding and the court shall also provide the district attorney and
44 offender with a copy of the recommendation received from the board and
45 any statement of the reasons for the recommendation received from the
46 board. This notice shall include the following statement or a substan-
47 tially similar statement: "This proceeding is being held to determine
48 whether you will be classified as a level 3 offender (risk of repeat
49 offense is high), a level 2 offender (risk of repeat offense is moder-
50 ate), or a level 1 offender (risk of repeat offense is low), or whether
51 you will be designated as a violent felony offender or a violent preda-
52 tor, which will determine how long you must register as an offender and
53 how much information can be provided to the public concerning your
54 registration. If you fail to appear at this proceeding, without suffi-
55 cient excuse, it shall be held in your absence. Failure to appear may
56 result in a longer period of registration or a higher level of community

notification because you are not present to offer evidence or contest evidence offered by the district attorney." The court shall also advise the offender that he or she has a right to a hearing prior to the court's determination, that he or she has the right to be represented by counsel at the hearing and that counsel will be appointed if he or she is financially unable to retain counsel. A returnable form shall be enclosed in the court's notice to the offender on which the offender may apply for assignment of counsel. If the offender applies for assignment of counsel and the court finds that the offender is financially unable to retain counsel, the court shall assign counsel to represent the offender pursuant to article eighteen-B of the county law. If the district attorney seeks a determination that differs from the recommendation submitted by the board, at least ten days prior to the determination proceeding the district attorney shall provide to the court and the offender a statement setting forth the determinations sought by the district attorney together with the reasons for seeking such determinations. The court shall allow the offender to appear and be heard. The state shall appear by the district attorney, or his or her designee, who shall bear the burden of proving the facts supporting the determinations sought by clear and convincing evidence. It shall be the duty of the court applying the guidelines established in subdivision five of section one hundred sixty-seven-f of this article to determine the level of notification pursuant to subdivision six of section one hundred sixty-seven-f of this article and whether such offender shall be designated a violent felony offender or a violent predator. Where there is a dispute between the parties concerning the determinations, the court shall adjourn the hearing as necessary to permit the offender or the district attorney to obtain materials relevant to the determinations from the state board of examiners of offenders or any state or local facility, hospital, institution, office, agency, department or division. Such materials may be obtained by subpoena if not voluntarily provided to the requesting party. In making the determinations the court shall review any victim's statement and any relevant materials and evidence submitted by the offender and the district attorney and the recommendation and any material submitted by the board, and may consider reliable hearsay evidence submitted by either party, provided that it is relevant to the determinations. If available, facts proven at trial or elicited at the time of a plea of guilty shall be deemed established by clear and convincing evidence and shall not be relitigated. The court shall render an order setting forth its determinations and the findings of fact and conclusions of law on which the determinations are based. A copy of the order shall be submitted by the court to the division. Upon application of either party, the court shall seal any portion of the court file or record which contains material that is confidential under any state or federal statute. Either party may appeal as of right from the order pursuant to the provisions of articles fifty-five, fifty-six and fifty-seven of the civil practice law and rules. Where counsel has been assigned to represent the offender upon the ground that the offender is financially unable to retain counsel, that assignment shall be continued throughout the pendency of the appeal, and the person may appeal as a poor person pursuant to article eighteen-B of the county law.

3. If an offender, having been given notice, including the time and place of the determination proceeding in accordance with this section, fails to appear at this proceeding, without sufficient excuse, the court shall conduct the hearing and make the determinations in the manner set forth in subdivision two of this section.

1 § 167-f. Board of examiners of violent felony offenders. 1. There
2 shall be a board of examiners of violent felony offenders which shall
3 possess the powers and duties specified in this section. Such board
4 shall consist of five members of the department who shall be appointed
5 by the governor, three of whom shall be experts in the field of the
6 behavior and treatment of violent felony offenders. The term of office
7 of each member of such board shall be for six years; provided, however,
8 that any member chosen to fill a vacancy occurring otherwise than by
9 expiration of term shall be appointed for the remainder of the unexpired
10 term of the member whom he or she is to succeed. In the event of the
11 inability to act of any member, the governor may appoint some competent
12 informed person to act in his or her stead during the continuance of
13 such disability.

14 2. The governor shall designate one of the members of the board as
15 chairman to serve in such capacity at the pleasure of the governor or
