46 veteran's relative" is returned by the post office as undeliverable, the
47 board of elections shall ascertain whether the "hospitalized veteran" or

44 voting results on election night; and

45 (ii) access to the digitized signatures of electors in the centralized
46 statewide registration system for the purpose of comparing an elector's
47 signature in the system with the signature on the return envelope of an
48 absentee ballot, including by using a signature verification.

49 5. (a) Subject to available appropriations, the state board of
50 elections is responsible for the cost of acquiring computer hardware and
51 providing necessary training for the centralized statewide registration
52 system. The state board of elections shall promulgate rules specifying
53 whether such hardware is owned by the state or the counties or whether
54 and to what extent ownership may be shared between the state and the
55 counties. If the state provides system hardware to any county, it may
56 transfer ownership of the hardware to that county. The state board of

1 elections may promulgate rules providing that the county shall be solely
2 responsible for the support and maintenance of the hardware provided to
3 the counties.

4 (b) Within four years of the effective date of this section the state
5 board of elections shall make the centralized statewide registration
6 system software available at no charge to each county board of
7 elections.

8 (c) As soon as practicable, the department of state shall make the
9 master list of registered electors available at no charge on the inter-
10 net to county boards of election. This section shall not be construed to
11 require the state to provide or pay for internet connection services for
12 any county.

13 § 9. Section 11-302 of the election law, as amended by chapter 257 of
14 the laws of 2019, is amended to read as follows:

15 § 11-302. Special ballots for board of election employees. A person
16 who is an employee of the board of elections or who has been appointed
17 to serve as an inspector of elections, poll clerk or election coordina-
18 tor at a polling place other than the one at which he or she is regis-
19 tered to vote, may deliver to the inspectors of election of the election
20 district in which he or she is registered, or to the board of elections,
21 at any time during the period in which an application for an absentee
22 ballot may be so delivered pursuant to the provisions of this chapter, a
23 written statement that he or she will be unable to appear at the polling
24 place for such election district on the day of an election because his
25 or her duties as an employee of such board or as an inspector, poll
26 clerk or election coordinator require him or her to be elsewhere. The
27 board of elections shall provide such voter a special ballot any time
28 prior to the close of the polls on election day, provided however that
29 the distribution of such ballots to such voters shall be timed to afford
30 such voters sufficient time to cast such ballots prior to the close of
31 the polls on election day. Absent affirmative proof of fraud such
32 ballots shall be presumed valid and cast. Such cast ballots may be
33 delivered to an office of such board of elections or to any board of
34 inspectors not later than the close of the polls on election day. Such
35 ballots shall be retained at the board of elections and cast and
36 canvassed pursuant to the provisions of section 9-209 of this chapter.

37 § 10. Subparagraph (ii) of paragraph (e) of subdivision 3 of section
38 8-302 of the election law, as amended by section 8 of part XX of chapter
39 55 of the laws of 2019, is amended to read as follows:

40 (ii) He or she may swear to and subscribe an affidavit stating that he
41 or she has duly registered to vote, the address in such election
42 district from which he or she registered, that he or she remains a duly
43 qualified voter in such election district, that his or her registration
44 poll record appears to be lost or misplaced or that his or her name
45 and/or his or her signature was omitted from the computer generated
46 registration list or such record indicates the voter already voted when
47 he or she did not do so or that he or she has moved within New York
48 state since he or she last registered, [~~the address from which he or she~~
49 ~~was previously registered and~~] the address at which he or she currently
50 resides, and at a primary election, the party in which he or she is
51 enrolled. The inspectors of election shall offer such an affidavit to
52 each such voter whose residence address is in such election district.
53 Each such affidavit shall substantially comply with and be in a form
54 prescribed by the state board of elections, shall be printed on an
55 envelope of the size and quality used for an absentee ballot envelope,
56 and shall contain an acknowledgment that the affiant understands that

1 any false statement made therein is perjury punishable according to law.
2 Such form prescribed by the state board of elections shall request
3 information required to register such voter should the county board
4 determine that such voter is not registered and shall constitute an
5 application to register to vote. The voter's name and the entries
6 required shall then be entered without delay and without further inquiry
7 in the fourth section of the challenge report or in the place provided
8 in the computer generated registration list, with the notation that the
9 voter has executed the affidavit hereinabove prescribed, or, if such
10 person's name appears in such registration list, the board of elections
11 may provide a place to make such entry next to his or her name in such
12 list. The voter shall then, without further inquiry, be permitted to
13 vote an affidavit ballot provided for by this chapter. Such ballot shall
14 thereupon be placed in the envelope containing his or her affidavit, and
15 the envelope sealed and returned to the board of elections in the manner
16 provided by this chapter for protested official ballots, including a
17 statement of the number of such ballots.

18 § 11. This act shall take effect immediately.
