Introduced by M. of A. CARROLL -- read once and referred to the Commit-
    tee on Corporations, Authorities and Commissions

AN ACT to amend the public authorities law, in relation to requiring the
    metropolitan transportation authority to publish certain information
    pertaining to capital project data for projects that are committed for
    construction on the capital program dashboard

    **The People of the State of New York, represented in Senate and Assem-
    bly, do enact as follows:**

 1   Section 1. Subparagraphs (vii) and (viii) and the closing paragraph of
 2 paragraph (d) of subdivision 2-a of section 1269-b of the public author-
 3 ities law, as added by section 1 of part LLL of chapter 58 of the laws
 4 of 2022, is amended and three new subparagraphs (ix), (x), (xi) and an
 5 undesignated paragraph are added to read as follows:
 6   (vii) budget information including the original budget at the time of
 7 project commitment when scope and budget are defined, all amendments,
 8 the current budget and planned annual allocations; [**and**]
 9   (viii) a schedule for project delivery including original, amended and
10 current start and completion dates as projects develop at each phase[**.**]**;**
11   **(ix) a listing of all contract numbers, vendors, and contractors asso-**
12 **ciated with the project;**
13   **(x) all sources of funding for the project; and**
14   **(xi) coding regarding whether the project is related to accessibility**
15 **or resiliency.**
16   **For the purposes of this paragraph, sources of funding shall be speci-**
17 **fied as from the state of New York, the federal government, the city of**
18 **New York, or any other relevant source. Funding from the state of New**
19 **York shall further specify whether it has been obtained from the central**
20 **business district tolling lockbox as established by section five hundred**
21 **fifty-three-j of this chapter or any successor fund or account provided**
22 **by law. Accessibility shall mean projects regarding elevators, escala-**
23 **tors or other projects related to compliance with the federal Americans**

1 **with Disabilities Act of 1990, as amended, and corresponding guidelines.**
2 **Resiliency shall have the same meaning as defined by the authority in**
3 **its twenty-year needs assessment released in two thousand twenty-three**
4 **as required by subdivision c of section twelve hundred sixty-nine-c of**
5 **this title.**
6   The status of projects shall be provided and state the current phase
7 of the project, such as planning, design, construction or completion,
8 and shall state how far the project has progressed as measured in
9 percentage by expenditure. The dashboard shall measure progress based on
10 original budgets at the time of project commitment when scope and budget
11 are defined. At a minimum, all changes to planned budgets of greater
12 than ten percent, significant project scope or a three month or more
13 change in schedule shall be provided in narrative form and describe the
14 reason for each change or amendment. The dashboard shall include a glos-
15 sary or data dictionary which contains plain language descriptions of
16 the data**, including individual project data,** and **any other** information
17 provided on the dashboard. **The authority shall provide a definition of**
18 **resiliency in the glossary or data dictionary.** The dashboard shall be
19 updated, at a minimum, on a quarterly basis, and all data fields avail-
20 able on the dashboard shall be made available for download on the
21 authority's website in a single tabular data file in a common, machine
22 readable format. Capital dashboard data shall also be made available on
23 the data.ny.gov website or such other successor website maintained by,
24 or on behalf of, the state, as deemed appropriate by the New York state
25 office of information technology services under executive order number
26 ninety-five of two thousand thirteen, or any successor agency or order.
27   § 2. This act shall take effect immediately.
