§ 52-a. Small business innovation research and small business technology transfer matching grant program. 1. The corporation, in consultation with the department of economic development's division for small-business, shall establish a matching grant program to provide funds to small 8 businesses who have been awarded phase one or phase two grants under the federal small business innovation research program or the small business 10 technology transfer program within the last four years. Such grants shall be awarded based on a company's potential for commercialization 12 and job growth. As used in this section, "small business" shall have the 13 same meaning as provided for in section one hundred thirty-one of the economic development law.

2. The matching grant program established pursuant to this section 16 shall be staged over a period of three years. The funding amounts for 17 such grant program shall be as follows:

18 (a) For small businesses that have been awarded phase one funding under the federal small business innovation research program or the 19 20 small business technology transfer program, the amount shall be one

1 <u>hundred thousand dollars in year one, two hundred thousand dollars in year two, and five hundred thousand dollars in year three.</u>

- (b) For small businesses that have been awarded phase two funding under the federal small business innovation research program or the small business technology transfer program, the amount shall be one hundred thousand dollars in year one, two hundred thousand dollars in year two, and five hundred thousand dollars in year three.
- 3. (a) In the first year of the program, twenty small businesses shall be awarded grants of one hundred thousand dollars.
- 10 (b) In the second year of the program, ten small businesses shall be
 11 chosen from the companies that were awarded a grant in the first year,
 12 to receive grants in the amount of two hundred thousand dollars.
 - (c) In the third year of the program, four small businesses shall be chosen from the companies that were awarded a grant in the second year, to receive grants or equity, depending on the situation, in the amount of five hundred thousand dollars.
 - 4. (a) Such funds awarded pursuant to this section shall be used to expedite commercialization and generally used to cover expenses not allowed under the federal small business innovation research program or the small business technology transfer program, including but not limited to business planning, commercialization, patents and marketing studies in sales efforts.
 - (b) Companies applying to the federal programs named herein shall receive a commitment letter from the corporation that may be included in their applications to the small business innovation research program or the small business technology transfer program or to be used to secure grants from other funding sources. Such commitment letter shall demonstrate contingent state support, and therefore increasing their likelihood of receiving federal funding. State matching grants shall only be provided to small businesses that are selected for an award through the federal small business innovation research program or the small business technology transfer program.
 - 5. Such funds shall be awarded on condition that the small business recipient remains headquartered and operates or manufactures in the state for at least five years following the successful commercialization of the business's product or products. Any small business that has received funding under this program that is not headquartered and operates or manufactures in the state for at least five years following the successful commercialization of the business's product or products shall return all grant awards to the state. If the small business ceases operations before five years after the commercialization of its product or products, such business shall be eligible for a waiver of this clawback provision, as determined by the corporation, in consultation with the department of economic development's division of small business.
- 6. The corporation, in consultation with the department of economic development's division for small business, shall establish the form and manner in which applications for grant awards shall be submitted and shall establish quidelines for the grant program. Preference for grant awards shall be for applicants that can demonstrate to the satisfaction of the corporation that: (a) green and sustainable development is a priority in their business planning, operations or manufacturing. For the purposes of this section, "green and sustainable development" shall mean a business model that promotes the use of products or product components, manufactures, develops technologies or processes that are primarily targeted at reducing greenhouse gas emissions or supporting the use of clean energy in a socially equitable manner;

(b) such grant awardees' business headquarters and operations or manufacturing shall be located in New York state; and

(c) qrant awardees shall certify to the corporation that future research and development shall be performed principally in this state.

The corporation shall review each application for compliance with the eligibility criteria and other requirements set forth in the program guidelines established by the commissioner. The corporation may approve or reject each application or may return an application for modifications, if necessary.

7. The corporation, beginning on June first, two thousand twenty-four, and annually thereafter, provided program funds remain, shall submit a report to the governor, the temporary president of the senate, and the speaker of the assembly. Such annual report shall include, but need not be limited to: the number of applicants by stage; the number of applicants approved to receive grants; the total amount of grants awarded and the average amount of such grants awarded; and such other information as the corporation determines necessary and appropriate. Such report shall be included on the corporation's website and any other publicly accessible state databases that list economic development programs, as determined by the corporation.

§ 2. This act shall take effect one year after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any 23 rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such 25 effective date.
