LBD09615-01-3

1 (e) For any special, primary or run-off primary election at which no 2 voters of the municipality with the highest population within the county 3 are eligible to vote, the board of elections may, in lieu of having an 4 early voting polling place in such municipality, designate a polling 5 place for early voting in the municipality with the highest population 6 within the county within which the voters are eligible to vote at such 7 special, primary, or run-off primary election.

8 (f) The board of elections of each county or the city of New York may 9 establish additional polling places for early voting in excess of the 10 minimum number required by this subdivision for the convenience of 11 eligible voters.

(g) Notwithstanding the minimum number of early voting poll sites otherwise required by this subdivision, for any primary or special election, upon majority vote of the board of elections, the number of early voting sites may be reduced when the board of elections determines a lesser number of sites is sufficient to meet the needs of early voters.

18 (h) Polling places for early voting shall be located so that voters in 19 the county have adequate and equitable access, taking into consideration 20 population density, travel time to the polling place, proximity to other 21 early voting poll sites, public transportation routes, commuter traffic 22 patterns and such other factors the board of elections deems appropriate. The provisions of section 4-104 of this chapter, except subdivi-23 sions four and five of such section, shall apply to the designation of 24 polling places for early voting except to the extent such provisions are 25 inconsistent with this section. 26

27 § 2. This act shall take effect immediately.
