AN ACT to amend the education law, in relation to registered dental hygienists working without supervision but within a collaborative practice agreement with a licensed dentist

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 6606 of the education law, as amended by chapter
2 244 of the laws of 1973, subdivision 1 as amended by chapter 239 of the
3 laws of 2013, is amended to read as follows:
4 § 6606. Definition of practice of dental hygiene. 1. The practice of
5 the profession of dental hygiene is defined as the performance of dental
6 services which shall include removing calcareous deposits, accretions
7 and stains from the exposed surfaces of the teeth which begin at the
8 epithelial attachment and applying topical agents indicated for a
9 complete dental prophylaxis, removing cement, placing or removing rubber
10 dam, removing sutures, placing matrix band, providing patient education,
11 applying topical medication, placing and exposing diagnostic dental
12 X-ray films, performing topical fluoride applications and topical anes-
13 thetic applications, polishing teeth, taking medical history, charting
14 caries, taking impressions for study casts, placing and removing tempo-
15 rary restorations, administering and monitoring nitrous oxide analgesia
16 and administering and monitoring local infiltration anesthesia, subject
17 to certification in accordance with section sixty-six hundred five-b of
18 this article, and any other function in the definition of the practice

1 of dentistry as may be delegated by a licensed dentist in accordance
2 with regulations promulgated by the commissioner. The practice of dental
3 hygiene may be conducted in the office of any licensed dentist or in any
4 appropriately equipped school or public institution but must be done
5 either under the supervision of a licensed dentist or~~[, in the case of a~~
6 ~~registered dental hygienist working for a hospital as defined in article~~
7 ~~twenty-eight of the public health law, pursuant to a collaborative~~
8 ~~arrangement with a licensed and registered dentist who has a formal~~
9 ~~relationship with the same hospital in accordance with regulations~~
10 ~~promulgated by the department in consultation with the department of~~
11 ~~health]~~ may be performed by a registered dental hygienist designated as
12 a registered dental hygienist, collaborative practice (RDH-CP) in
13 collaboration with a licensed dentist provided such services are
14 performed in accordance with a written practice agreement and written
15 practice protocols to be known as a collaborative practice agreement.
16 Under a collaborative practice agreement, dental hygienists may perform
17 all services which are designated in regulation under general super-
18 vision without prior evaluation of a dentist or medical professional and
19 may be performed without supervision in a collaborative practice
20 setting. Such collaborative arrangement shall not obviate or supersede
21 any law or regulation which requires identified services to be performed
22 under the personal supervision of a dentist. ~~[When dental hygiene~~
23 ~~services are provided pursuant to a collaborative agreement, such dental~~
24 ~~hygienist shall instruct individuals to visit a licensed dentist for~~
25 ~~comprehensive examination or treatment.]~~

26 2. (a) The collaborative practice agreement shall include consider-
27 ation for medically compromised patients, specific medical conditions,
28 and age- and procedure-specific practice protocols, including, but not
29 limited to recommended intervals for the performance of dental hygiene
30 services and a periodicity in which an examination by a dentist should
31 occur.

32 (b) The collaborative practice agreement shall be:

33 (i) signed and maintained by the dentist, the dental hygienist and the
34 facility, program or organization; and

35 (ii) reviewed annually by the collaborating dentist and dental hygien-
36 ist; and

37 (iii) made available to the department and other interested parties
38 upon request.

39 (c) A registered dental hygienist, collaborative practice (RDH-CP)
40 shall have no more than one collaborative practice agreement with a
41 collaborative dentist at one time.

42 3. Before performing services authorized under this section, a dental
43 hygienist must provide the patient with a written statement advising the
44 patient that the dental hygiene services provided are not a substitute
45 for a dental examination by a licensed dentist. If the dental hygienist
46 makes any referrals to the patient for further procedures, the dental
47 hygienist must fill out a referral form and provide a copy of the form
48 to the collaborating dentist.

49 4. A contractual arrangement under this section may be made by either
50 a New York state licensed and registered dentist or a registered dental
51 hygienist, collaborative practice (RDH-CP) in the following settings: a
52 hospital as defined in article twenty-eight of the public health law,
53 any appropriately equipped school, federally qualified health centers,
54 long-term care facilities, group homes servicing the intellectually and
55 developmentally disabled population, facilities serving veterans,
56 facilities servicing the homeless, prisons, drug treatment facilities,

1 domestic violence shelters, and appropriate settings in which homebound
2 residents are unable to be relocated for necessary treatment.

3 5. A collaborating dentist shall have collaborative agreements with no
4 more than six RDH-CPs. The department may grant exceptions to these
5 limitations for public health settings on a case-by-case basis.

6 6. A dental hygienist must make application to the department to prac-
7 tice as an RDH-CP and pay a fee set by the department. As a condition of
8 collaborative practice, the dental hygienist must have been engaged in
9 practice for three years with a minimum of four thousand five hundred
10 practice hours and shall complete an eight-hour continuing education
11 program that includes instruction in medical emergency procedures, risk
12 management, dental hygiene jurisprudence and professional ethics.

13 7. The commissioner shall promulgate regulations defining the func-
14 tions a dental hygienist may perform that are consistent with the train-
15 ing and qualifications for a license as a dental hygienist.

16 § 2. This act shall take effect nine months after it shall have become
17 a law.
