Introduced by M. of A. EPSTEIN -- read once and referred to the Committee on Energy

AN ACT to amend the public authorities law, in relation to requiring the power authority of the state of New York to post on its website and develop a corresponding mobile application with information on electric vehicle charging stations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 9-a of section 1005 of the public authorities law, as added by section 1 of part KK of chapter 58 of the laws of 2019, is amended to read as follows:

9-a. (a) As deemed feasible and advisable by the trustees, to design, finance, develop, construct, install, lease, operate and maintain electric vehicle charging stations throughout the state for use by the public. The authority shall annually post on their website a report on those activities undertaken pursuant to this subdivision, including but not limited to: the total number of electric vehicle charging stations in operation pursuant to such authorization, the locations of such charging stations, and the total costs to the authority associated with such activities.

(b) In addition to the information required in paragraph (a) of this subdivision, the authority shall also post on its website and develop a corresponding mobile application with information, including but not limited to: a map with the addresses of each electric vehicle charging station in the state, the type of electric vehicle charger, whether the charging station is located in a parking lot, parking garage or on a street, whether there are fees required to use a charging station, whether there is a fee to enter a lot where the charging station is located, whether the charging station is publicly available, and whether a charging station is out of service or otherwise unavailable. The information required pursuant to this paragraph shall be updated no less than monthly.

§ 2. This act shall take effect on the ninetieth day after it shall have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
