13 this paragraph was enacted and, for repeat violations, under subpara-

39 procedures established by regulations of the department. Such procedures
40 shall require that notice of the time and place of the hearing, together
41 with a statement of charges of violations, shall be served in person or
42 by certified mail addressed to the facility at least thirty days prior
43 to the date of the hearing. The statement of charges of violations shall

56 answer.

1 (c) (1) Where the facility satisfactorily demonstrates that it either
 2 had rectified the violations within thirty days of receiving written
 3 notification of the results of the inspection pursuant to section four
 4 hundred sixty-one-a of this ~~chapter~~ article, or had submitted within
 5 thirty days an acceptable plan for rectification and was rectifying the
 6 violations in accordance with the steps and within the additional peri-
 7 ods of time as accepted by the department in such plan, no penalty shall
 8 be imposed, except as provided in subparagraph two of this paragraph.

9 (2) Rectification shall not preclude the assessment of a penalty if
 10 the department establishes at a hearing that a particular violation,
 11 although corrected, ~~endangered or resulted in harm to any resident as~~
 12 ~~the result of~~:

13 (i) endangered any resident. Endangerment is defined as:

 15 or prevention systems, or emergency evacuation procedures prescribed by
 16 department safety standard regulations;

17 ~~(ii)~~ (B) the retention of any resident who has been evaluated by the
 18 resident's physician as being medically or mentally unsuited for care in
 19 the facility or as requiring placement in a hospital or residential
 20 health care facility and for whom the operator is not making persistent

 25 the rights of residents under section four hundred sixty-one-d of this
 26 article;

27 ~~(iv)~~ (D) the failure of the operator to take actions as required by
 28 department regulations in the event of a resident's illness or accident;

 33 including but not limited to [unreasonable] threats of eviction or
 34 hospitalization, against any resident, employee or other person who
 35 makes a complaint concerning the operation of an adult care facility,
 36 participates in the investigation of a complaint or is the subject of an
 37 action identified in a complaint[.

38 ~~The department shall specify in its regulations those regulations to~~
 39 ~~which this subparagraph two shall apply.~~

40 ~~(3) In assessing penalties pursuant to this paragraph, the department~~
 41 ~~shall consider promptness of rectification, delay occasioned by the~~
 42 ~~department, and the specific circumstances of the violations as mitigat-~~
 43 ~~ing factors.~~

44 ~~(g)~~; or

45 (ii) resulted in harm to any resident, including but not limited to:

46 (A) physical harm;

 53 article, or (II) an egregious failure by an operator, administrator,
 54 case manager, or other employee in a supervisory position to ensure the
 55 rights of a resident under section four hundred sixty-one-d of this
 56 article.

1 (d) In assessing penalties pursuant to this paragraph, the department
2 shall consider promptness of rectification, delay occasioned by the
3 department, and the specific circumstances of the violations as mitigat-
4 ing factors.

5 (e) Upon the request of the department, the attorney general may
6 commence an action in any court of competent jurisdiction against any
7 facility subject to the provisions of this section, and against any
8 person or corporation operating such facility, for the recovery of any
9 penalty assessed by the department in accordance with the provisions of
10 this subdivision.

11 ~~[(d)]~~ (f) Any such penalty assessed by the department may be released
12 or compromised by the department, subject to and consistent with para-
13 graph (c) of this subdivision, before the matter has been referred to
14 the attorney general, and where such matter has been referred to the
15 attorney general, any such penalty may be released or compromised and
16 any action commenced to recover the same may be settled and discontinued
17 by the attorney general, after considering paragraph (c) of this subdi-
18 vision and with the consent of the department.

19 § 3. Paragraphs (a) and (b) of subdivision 9 of section 460-d of the

48 (b) [~~The penalty authorized by this section shall begin to run thirty~~
49 ~~days after the department provides the operator, in writing, with a~~
50 ~~summary of the inspection of the facility by which the department deter-~~
51 ~~mined that he or she is operating an uncertified adult care facility.]
52 The submission of an application by the operator for an operating
53 certificate for the facility shall not act as a bar to the imposition of
54 a penalty against the operator of an unlicensed adult care facility.~~

2 services law is amended by adding a new subparagraph (iv) to read as
3 follows:

4 (iv) If the department of health determines, based on a complaint or
5 other facts known to the department, that there is reason to believe
6 that an individual or entity is operating an adult home, enriched hous-

12 would be seriously detrimental to the health of such residents, the
13 department of health may, notwithstanding an objection by the operator,
14 administrator or other person in charge, inspect the entire premises,
15 which shall include access to all dwellings on the said property which
16 house tenants/occupants as well as access to such tenants/occupants, for

19 assistance of local law enforcement for purposes of carrying out such
20 inspection and may take any appropriate action if it determines that
21 such danger exists or is likely to arise, including issuing a written
22 notice directing the operator, administrator or other person in charge
23 of such facility to cease or correct the condition or activity at issue.
24 As promptly as possible thereafter, within a period not to exceed
25 fifteen days, the commissioner shall provide the operator an opportunity
26 to be heard and to present any proof that such condition or activity
27 does not constitute a danger to the health of the residents of such
28 facility. The attorney general, upon request of the department of
