The procedures of this subdivision shall apply to such a suspension of a nonpublic school [~~pupil~~] student. A superintendent of schools, district superintendent of schools or community superintendent shall have the authority to modify this suspension requirement for each student on a case-by-case basis. The determination of a superintendent shall be subject to review by the board of education or trustees, other governing body, or the chancellor of the city school district in the case of the city school district of the city of New York, pursuant to paragraph [~~e~~] d of this subdivision and the commissioner pursuant to section three hundred ten of this chapter. Nothing in this subdivision shall be deemed to authorize the

1 suspension of a student with a disability in violation of the individ-  
2 uals with disabilities education act or article eighty-nine of this  
3 chapter. A superintendent shall refer the ~~[pupil]~~ student under the age  
4 of sixteen who has been determined to have brought a weapon or firearm  
5 to school in violation of this subdivision to a presentment agency for a  
6 juvenile delinquency proceeding consistent with article three of the  
7 family court act except a student fourteen or fifteen years of age who

10 any ~~[pupil]~~ student sixteen years of age or older or a student fourteen  
11 or fifteen years of age who qualifies for juvenile offender status under  
12 subdivision forty-two of section 1.20 of the criminal procedure law, who  
13 has been determined to have brought a weapon or firearm to school in  
14 violation of this subdivision to the appropriate law enforcement offi-  
15 cials.

16 (2) Nothing in this paragraph shall be deemed to mandate such action  
17 by a school district pursuant to subdivision one of this section where  
18 such weapon or firearm is possessed or brought to school with the writ-  
19 ten authorization of such educational institution in a manner authorized  
20 by article two hundred sixty-five of the penal law for activities  
21 approved and authorized by the trustees or board of education or other  
22 governing body of the public school and such governing body adopts  
23 appropriate safeguards to ensure student safety.

24 (3) As used in this paragraph:

25 (i) "firearm" shall mean a firearm as defined in subsection a of

29 section nine hundred thirty of title eighteen of the United States Code.

30 ~~[e-]~~ f. Procedure after suspension. Where a ~~[pupil]~~ student has been  
31 suspended pursuant to this subdivision and said ~~[pupil is of compulsory~~  
32 ~~attendance age]~~ student has the legal right to attend school, immediate  
33 steps shall be taken for ~~[his or her]~~ their attendance upon instruction  
34 elsewhere ~~[or for supervision or detention of said pupil pursuant to the~~  
35 ~~provisions of article seven of the family court act]~~. Where a ~~[pupil]~~  
36 student has been suspended for cause, the suspension may be revoked by  
37 the board of education or trustees, other governing body, or the chan-  
38 cancellor of the city school district in the case of the city school  
39 district of the city of New York, whenever it appears to be for the best  
40 interest of the school and the ~~[pupil]~~ student to do so. The board of  
41 education may or trustees, the chancellor of the city school district in  
42 the case of the city school district for the city of New York, or other  
43 governing body, also condition a student's early return to school and  
44 suspension revocation on the ~~[pupil's]~~ student's voluntary participation  
45 in counseling or specialized classes, including anger management or  
46 dispute resolution, where applicable.

47 ~~[f-]~~ g. Whenever the term "board of education or superintendent of  
48 schools" is used in this subdivision, it shall be deemed to include  
49 board of trustees, other governing body, the chancellor of the city  
50 school district in the case of the city school district for the city of  
51 New York, community boards of education and community superintendents  
52 governing community districts in accordance with the provisions of arti-  
53 cle fifty-two-A of this chapter.

54 ~~[g-]~~ h. Discipline of students with disabilities and students presumed  
55 to have a disability for discipline purposes. (1) Notwithstanding any  
56 other provision of this subdivision to the contrary, a student with a

1 disability as such term is defined in section forty-four hundred one of  
2 this chapter and a student presumed to have a disability for discipline  
3 purposes, may be suspended or removed from ~~[his or her]~~ their current  
4 educational placement, provided that the suspension of such student is  
5 not prohibited by section twenty-eight hundred one of this chapter, for  
6 violation of ~~[school rules]~~ the code of conduct only in accordance with  
7 the procedures established in this section, the regulations of the  
8 commissioner implementing this paragraph, and subsection (k) of section  
9 fourteen hundred fifteen of title twenty of the United States code and  
10 the federal regulations implementing such statute, as such federal law  
11 and regulations are from time to time amended. Nothing in this paragraph  
12 shall be construed to confer greater rights on such students than are  
13 conferred under applicable federal law and regulations, or to limit the  
14 ability of a school district to change the educational placement of a  
15 student with a disability in accordance with the procedures in article  
16 eighty-nine of this chapter.

17 (2) As used in this paragraph:

18 ~~[(1)]~~ (i) a "student presumed to have a disability for discipline  
19 purposes" shall mean a student who the school district is deemed to have  
20 knowledge was a student with a disability before the behavior that  
21 precipitated disciplinary action under the criteria in subsection (k)  
22 (5) of section fourteen hundred fifteen of title twenty of the United  
23 States code and the federal regulations implementing such statute; and

24 (ii) a "manifestation team" means a representative of the school  
25 district, the parent or person in parental relation, and relevant  
26 members of the committee on special education, as determined by the  
27 parent or person in parental relation and the district.

28 (3) In applying the federal law consistent with this section:

29 (i) in the event of a conflict between the procedures established in  
30 this section and those established in subsection (k) of section fourteen  
31 hundred fifteen of title twenty of the United States code and the feder-  
32 al regulations implementing such statute, such federal statute and regu-  
33 lations shall govern.

34 (ii) the board of trustees or board of education of any school  
35 district, other governing body, the chancellor of the city school  
36 district of the city of New York, a district superintendent of schools  
37 or a building principal shall have authority, provided that suspension  
38 of such student is not prohibited by paragraph c of subdivision two of  
39 section twenty-eight hundred one of this chapter, to order the placement  
40 of a student with a disability into an appropriate interim alternative  
41 educational setting, another setting or suspension, provided that the  
42 suspension of such student is not prohibited by section twenty-eight  
43 hundred one of this chapter, for a period not to exceed five consecutive  
44 school days where such student is suspended pursuant to this subdivision  
45 and, except as otherwise provided in clause (vi) of this subparagraph,  
46 the suspension does not result in a change in placement under federal  
47 law.

48 (iii) the superintendent of schools of a school district, either  
49 directly or upon recommendation of a hearing officer designated pursuant  
50 to paragraph c of this subdivision, may order the placement of a student  
51 with a disability into an interim alternative educational setting,  
52 another setting or suspension, provided that the suspension of such  
53 student is not prohibited by section twenty-eight hundred one of this  
54 chapter, for up to ten consecutive school days, inclusive of any period  
55 in which the student is placed in an appropriate interim alternative  
56 educational setting, another setting or suspension pursuant to clause

(ii) of this subparagraph for the behavior, where the superintendent determines in accordance with the procedures set forth in this subdivision that the student has engaged in behavior that warrants a suspension, and, except as otherwise provided in clause (vi) of this subparagraph, the suspension does not result in a change in placement under federal law.

(iv) the superintendent of schools of a school district, either directly or upon recommendation of a hearing officer designated pursuant to paragraph c of this subdivision, may order the change in placement of a student with a disability to an interim alternative educational setting for up to forty-five school days under the circumstances specified in subsection (k)(1)(G) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute or a longer period where authorized by federal law under the circumstances specified in subsection (k)(1)(C) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, but in neither case shall such period exceed the period of suspension ordered by a superintendent in accordance with this subdivision, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(v) the terms "day," "business day," and "school day" shall be as defined in section 300.11 of title thirty-four of the code of federal regulations.

(vi) notwithstanding any other provision of this subdivision to the contrary, upon a determination by a manifestation team that the behavior of a student with a disability was not a manifestation of the student's disability, such student may be disciplined pursuant to this section in the same manner and for the same duration as a nondisabled student, except that such student shall continue to receive services to the extent required under federal law and regulations, and such services may be provided in an interim alternative educational setting, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(vii) an impartial hearing officer appointed pursuant to subdivision one of section forty-four hundred four of this chapter may order a change in placement of a student with a disability to an appropriate interim alternative educational setting for not more than forty-five school days under the circumstances specified in subsections (k)(3) and (k)(4) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statutes, provided that such procedure may be repeated, as necessary, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(viii) nothing in this section shall be construed to authorize the suspension or removal of a student with a disability from [~~his or her~~] their current educational placement for violation of school rules following a determination by a manifestation team that the behavior is a manifestation of the student's disability, except as authorized under federal law and regulations.

(ix) the commissioner shall implement this paragraph by adopting regulations which coordinate the procedures required for discipline of students with disabilities, and students presumed to have a disability for discipline purposes, pursuant to subsection (k) of section fourteen hundred fifteen of title twenty of the United States code and the feder-

al regulations implementing such statute, with the general procedures for student discipline under this section.

~~[3-a]~~ i. When a student is suspended from school consistent with this section and section twenty-eight hundred one of this chapter, the principal, or the principal's designee, in consultation with the student's teachers, shall within twenty-four hours create an education plan for the student for each class in which the student is enrolled, provided that if such twenty-four hour period does not end on a school day, it shall be extended to the corresponding time on the next school day. The education plan shall make provisions for a student's on-going academic instruction during the suspension and shall include the steps the school will take to provide the student with a successful re-entry to school. The student shall have the opportunity to earn all academic credit they would have been eligible to earn had the student been in class, including the opportunity to complete any missed assignments or take any missed examination or assessments during the student's suspension. If an examination or assessment cannot be rescheduled, the student shall be allowed on school property to take such assessment or examination on the day and time that the assessment or examination is given.

3. Teacher removal of a ~~[disruptive pupil]~~ student. In addition, any teacher shall have the power and authority to remove a ~~[disruptive pupil as defined in subdivision two a of this section]~~ student from such teacher's classroom consistent with discipline measures contained in the code of conduct adopted by the board pursuant to section twenty-eight hundred one of this chapter. Such classroom removal shall not exceed one-half school day on the same school day. The school authorities of any school district, board of cooperative educational services, or charter school shall establish policies and procedures to ensure the provision of continued educational programming and activities for students removed from the classroom pursuant to this subdivision [and provided further that nothing]. When a student is removed from the classroom, the student shall have the opportunity to earn all academic credit including the opportunity to complete any missed assignments or take any missed examinations or assessments during the student's removal. If an examination or assessment cannot be rescheduled, the student shall be allowed on school property to take such assessment or examination on the day and time that the assessment or examination is given. Nothing in this subdivision shall authorize the removal of a ~~[pupil]~~ student in violation of any state or federal law or regulation. No ~~[pupil]~~ student shall return to the classroom until the principal makes a final determination pursuant to paragraph c of this subdivision, or the period of removal expires, whichever is less.

a. Such teacher shall inform the ~~[pupil]~~ student and the school principal of the reasons for the removal. If the teacher finds that the ~~[pupil's]~~ student's continued presence in the classroom does not pose a continuing danger to persons or property and does not present an ongoing threat of disruption to the academic process, the teacher shall, prior to removing the student from the classroom, provide the student with an explanation of the basis for the removal and allow the ~~[pupil]~~ student to informally present the ~~[pupil's]~~ student's version of relevant events. In all other cases, the teacher shall provide the ~~[pupil]~~ student with an explanation of the basis for the removal and an informal opportunity to be heard within twenty-four hours of the ~~[pupil's]~~ student's removal, provided that if such twenty-four hour period does not end on a school day, it shall be extended to the corresponding time on the next school day.

b. The principal shall inform the parent or person in parental relation to such ~~[pupil]~~ student of the removal and the reasons therefor within twenty-four hours of the ~~[pupil's]~~ student's removal, provided that if such twenty-four hour period does not end on a school day, it shall be extended to the corresponding time on the next school day. The ~~[pupil]~~ student and the parent or person in parental relation shall, upon request, be given an opportunity for an informal conference with the principal to discuss the reasons for the removal. If the ~~[pupil]~~ student denies the charges, the principal shall provide an explanation of the basis for the removal and allow the ~~[pupil]~~ student and/or person in parental relation to the ~~[pupil]~~ student an opportunity to present the ~~[pupil's]~~ student's version of relevant events. Such informal ~~[hearing]~~ conference shall be held within forty-eight hours of the ~~[pupil's]~~ student's removal, provided that if such forty-eight hour period does not end on a school day, it shall be extended to the corresponding time on the second school day next following the ~~[pupil's]~~ student's removal. For purposes of this subdivision, "school day" shall mean a school day as defined pursuant to clause (v) of subparagraph three of paragraph g of subdivision three of this section.

c. The principal shall not set aside the discipline imposed by the teacher unless the principal finds that the charges against the ~~[pupil]~~ student are not supported by substantial evidence or that the ~~[pupil's]~~ student's removal is otherwise in violation of law or that the conduct warrants suspension from school pursuant to this section and a suspension will be imposed. The principal's determination made pursuant to this paragraph shall be made by the close of business on the day succeeding the forty-eight hour period for an informal hearing contained in paragraph b of this subdivision.

d. The principal may, in ~~[his or her]~~ their discretion, designate a school district administrator, to carry out the functions required of the principal under this subdivision.

4. Expense. ~~[a.]~~ The expense attending the commitment and costs of maintenance of any ~~[school delinquent]~~ student placed as a result of a finding related to school or educational issues shall be a charge against the city or district where ~~[he]~~ the student resides, if such city or district employs a superintendent of schools; otherwise it shall be a county charge.

~~[b. The school authorities may institute proceedings before a court having jurisdiction to determine the liability of a person in parental relation to contribute towards the maintenance of a school delinquent under sixteen years of age ordered to attend upon instruction under confinement. If the court shall find the person in parental relation able to contribute towards the maintenance of such a minor, it may issue an order fixing the amount to be paid weekly.]~~

5. Involuntary transfers of ~~[pupils]~~ students who have not been determined to be a student with a disability or a student presumed to have a disability for discipline purposes.

a. The board of education~~[, board of]~~ or trustees ~~[or sole trustee],~~ the chancellor of the city school district in the case of the city school district of New York, other governing body, the superintendent of schools, or district superintendent of schools may transfer a ~~[pupil]~~ student who has not been determined to be a student with a disability as defined in section forty-four hundred one of this chapter, or a student presumed to have a disability for discipline purposes as defined in paragraph ~~[g]~~ h of subdivision ~~[three]~~ two of this section from regular classroom instruction to an appropriate educational setting in another

1 school upon the written recommendation of the school principal and  
2 following independent review thereof. For purposes of this section of  
3 the law, "involuntary transfer" does not include a transfer made by a  
4 school district as part of a plan to reduce racial imbalance within the  
5 schools or as a change in school attendance zones or geographical bound-  
6 aries.

7 b. A school principal may initiate a non-requested transfer where it  
8 is believed that such a ~~[pupil]~~ student would benefit from the transfer,  
9 or when the ~~[pupil]~~ student would receive an adequate and appropriate  
10 education in another school program or facility.

11 No recommendation for ~~[pupil]~~ student transfer shall be initiated by  
12 the principal until such ~~[pupil]~~ student and a parent or person in  
13 parental relation has been sent written notification of the consider-  
14 ation of transfer recommendation. Such notice shall set a time and place  
15 of an informal conference with the principal and shall inform such  
16 parent or person in parental relation and such ~~[pupil]~~ student of their  
17 right to be accompanied by counsel or an individual of their choice.

18 c. After the conference and if the principal concludes that the  
19 ~~[pupil]~~ student would benefit from a transfer or that the ~~[pupil]~~  
20 student would receive an adequate and appropriate education in another  
21 school program or facility, the principal may issue a recommendation of  
22 transfer to the superintendent. Such recommendation shall include a  
23 description of behavior and/or academic problems indicative of the need  
24 for transfer; a description of alternatives explored and prior action  
25 taken to resolve the problem. A copy of that letter shall be sent to the  
26 parent or person in parental relation and to the ~~[pupil]~~ student.

27 d. Upon receipt of the principal's recommendation for transfer and a  
28 determination to consider that recommendation, the superintendent shall  
29 notify the parent or person in parental relation and the ~~[pupil]~~ student  
30 of the proposed transfer and of their right to a fair hearing as  
31 provided in paragraph c of subdivision three of this section and shall  
32 list community agencies and free legal assistance which may be of  
33 assistance. The written notice shall include a statement that the  
34 ~~[pupil]~~ student or parent or person in parental relation has ten days to  
35 request a hearing and that the proposed transfer shall not take effect,  
36 except upon written parental consent, until the ten day period has  
37 elapsed, or, if a fair hearing is requested, until after a formal deci-  
38 sion following the hearing is rendered, whichever is later.

39 Parental consent to a transfer shall not constitute a waiver of the  
40 right to a fair hearing.

41 6. Transfer of a ~~[pupil]~~ student. Where a suspended ~~[pupil]~~ student  
42 is to be transferred pursuant to subdivision five of this section, ~~[he~~  
43 ~~or she]~~ the student shall remain on the register of the original school  
44 for two school days following transmittal of ~~[his or her]~~ their records  
45 to the school to which ~~[he or she]~~ the student is to be transferred. The  
46 receiving school shall immediately upon receiving those records trans-  
47 mitted by the original school, review them to insure proper placement of  
48 the ~~[pupil]~~ student. Staff members who are involved in the ~~[pupil's]~~  
49 student's education must be provided with pertinent records and informa-  
50 tion relating to the background and problems of the ~~[pupil]~~ student  
51 before the ~~[pupil]~~ student is placed in a classroom.

52 7. Transfer of disciplinary records. Notwithstanding any other  
53 provision of law to the contrary, each local educational agency, as such  
54 term is defined in subsection thirty of section eighty-one hundred one  
55 of the Elementary and Secondary Education Act of 1965, as amended, shall  
56 establish procedures in accordance with section eighty-five hundred

thirty-seven of the Elementary and Secondary Education Act of 1965, as amended, and the Family Educational Rights and Privacy Act of 1974, to facilitate the transfer of disciplinary records relating to the suspension or expulsion of a student to any public or nonpublic elementary or secondary school in which such student enrolls or seeks, intends or is instructed to enroll, on a full-time or part-time basis.

~~(1)~~ d. The board of education or trustees, the chancellor of the city school district in the case of the city school district of the city of New York, other governing body, superintendent of schools, or district superintendent of schools, shall have the power to suspend a student for a period not to exceed twenty school days, provided that the suspension of such student is not prohibited by paragraph c of subdivision two of section twenty-eight hundred one of this chapter. No ~~pupil~~ student may be suspended for a period in excess of five school days unless such ~~pupil~~ student and the parent or person in parental relation to such ~~pupil~~ student shall have had an opportunity for a fair hearing, upon reasonable written notice~~, at which~~ shall include a brief description of the facts upon which the alleged violations of the code of conduct are based, the section of the code of conduct that the student is alleged to have violated, and the date, time and place of the hearing. Prior to the hearing, copies of all evidence regarding the alleged incident shall be provided to the student and parent or person in parental relation to the student. The hearing shall be convened within five days of the written notice, unless the parent or person in parental relation to the student or student requests a later date. At the hearing, such ~~pupil~~ student shall have the right of representation by ~~counsel~~ an attorney or advocate, with the right to request the presence of and to question witnesses against such ~~pupil~~ student and to request the presence of and present witnesses and other evidence on ~~his~~ their behalf. The entity or individual that conducts the hearing ~~officer~~ shall be authorized to administer oaths and to issue subpoenas in conjunction with the proceeding ~~before him~~. tion or trustees, the chancellor of the city school district in the case of the city school district of the city of New York, other governing body, superintendent of schools, or district superintendent of schools shall issue a written decision to the school and parent or person in parental relation to the student within three days of the hearing. The written decision shall state the length of suspension, if any, findings of fact, reasons for determination, length of suspension, if any, procedures for appeal, and the date by which the appeal shall be filed.

Where the basis for the suspension is, in whole or in part, the possession on school grounds or school property by the student of any firearm, rifle, shotgun, dagger, dangerous knife, dirk, razor, stiletto or any of the weapons, instruments or appliances specified in subdivision one of section 265.01 of the penal law, the hearing officer or superintendent shall not be barred from considering the admissibility of such weapon, instrument or appliance as evidence, notwithstanding a determination by a court in a criminal or juvenile delinquency proceeding that the recovery of such weapon, instrument or appliance was the result of an unlawful search or seizure.

§ 6. Paragraph g of subdivision 3 of section 3214 of the education law, as amended by chapter 181 of the laws of 2000, clause (ii) of subparagraph 3 as amended by chapter 380 of the laws of 2001, is amended to read as follows:

~~[g-]~~ h. Discipline of students with disabilities and students presumed to have a disability for discipline purposes. (1) Notwithstanding any other provision of this subdivision to the contrary, a student with a disability as such term is defined in section forty-four hundred one of this chapter and a student presumed to have a disability for discipline purposes, may be suspended or removed from ~~[his or her]~~ their current educational placement, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter, for violation of school rules only in accordance with the procedures established in this section, the regulations of the commissioner implementing this paragraph, and subsection (k) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, as such federal law and regulations are from time to time amended. Nothing in this paragraph shall be construed to confer greater rights on such students than are conferred under applicable federal law and regulations, or to limit the ability of a school district to change the educational placement of a student with a disability in accordance with the procedures in article eighty-nine of this chapter.

(2) As used in this paragraph, a "student presumed to have a disability for discipline purposes" shall mean a student who the school district is deemed to have knowledge was a student with a disability before the behavior that precipitated disciplinary action under the criteria in subsection (k)(8) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute.

(iii) the superintendent of schools of a school district, either directly or upon recommendation of a hearing officer designated pursuant to paragraph c of this subdivision, may order the placement of a student with a disability into an interim alternative educational setting, another setting or suspension for up to ten consecutive school days, inclusive of any period in which the student is placed in an appropriate interim alternative educational placement, another setting or suspension pursuant to clause (ii) of this subparagraph for the behavior, where the superintendent determines in accordance with the procedures set forth in this subdivision that the student has engaged in behavior that warrants a suspension, and, except as otherwise provided in clause (vi) of this subparagraph, the suspension does not result in a change in placement under federal law, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(iv) the superintendent of schools of a school district, either directly or upon recommendation of a hearing officer designated pursuant to paragraph c of this subdivision, may order the change in placement of a student with a disability to an interim alternative educational setting for up to forty-five days, but not to exceed the period of suspension ordered by a superintendent in accordance with this subdivision, under the circumstances specified in subsection (k)(1) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, provided that the suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(vii) an impartial hearing officer appointed pursuant to subdivision one of section forty-four hundred four of this chapter may order a change in placement of a student with a disability to an appropriate interim alternative educational setting for not more than forty-five days under the circumstances specified in subsections (k)(2) and (k)(7) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statutes, provided that such procedure may be repeated, as necessary, provided that the

suspension of such student is not prohibited by section twenty-eight hundred one of this chapter.

(viii) nothing in this section shall be construed to authorize the suspension or removal of a student with a disability from his or her current educational placement for violation of school rules following a determination by the committee on special education that the behavior is a manifestation of the student's disability, except as authorized under federal law and regulations.

(ix) the commissioner shall implement this paragraph by adopting regulations which coordinate the procedures required for discipline of students with disabilities, and students presumed to have a disability for discipline purposes, pursuant to subsection (k) of section fourteen hundred fifteen of title twenty of the United States code and the federal regulations implementing such statute, with the general procedures for student discipline under this section.

§ 7. Paragraphs a, b and c of subdivision 3-a of section 3214 of the education law, as added by chapter 181 of the laws of 2000, are amended to read as follows:

a. Such teacher shall inform the ~~[pupil]~~ student and the school principal of the reasons for the removal. If the teacher finds that the ~~[pupil's]~~ student's continued presence in the classroom does not pose a continuing danger to persons or property and does not present an ongoing threat of disruption to the academic process, the teacher shall, prior to removing the student from the classroom, provide the student with an explanation of the basis for the removal and allow the ~~[pupil]~~ student to informally present the ~~[pupil's]~~ student's version of relevant events. In all other cases, the teacher shall provide the ~~[pupil]~~ student with an explanation of the basis for the removal and an informal opportunity to be heard within twenty-four hours of the ~~[pupil's]~~ student's removal.

b. The principal shall inform the parent or person in parental relation to such ~~[pupil]~~ student of the removal and the reasons therefor within twenty-four hours of the ~~[pupil's]~~ student's removal. The ~~[pupil]~~ student and the parent or person in parental relation shall, upon request, be given an opportunity for an informal conference with the principal to discuss the reasons for the removal. If the ~~[pupil]~~ student denies the charges, the principal shall provide an explanation of the basis for the removal and allow the ~~[pupil]~~ student and/or parent or person in parental relation to the ~~[pupil]~~ student an opportunity to present the ~~[pupil's]~~ student's version of relevant events. Such informal ~~[hearing]~~ conference shall be held within forty-eight hours of the ~~[pupil's]~~ student's removal.

c. The principal shall not set aside the discipline imposed by the teacher unless the principal finds that the charges against the ~~[pupil]~~ student are not supported by substantial evidence or that the ~~[pupil's]~~ student's removal is otherwise in violation of law or that the conduct warrants suspension from school pursuant to this section and a suspension will be imposed. The principal's determination made pursuant to this paragraph shall be made by the close of business on the day succeeding the forty-eight hour period for an informal hearing contained in paragraph b of this subdivision.
