FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow members of the New York State and Local Employees' Retirement System employed as airport firefighters by the Division of Military and Naval Affairs to become covered by the provisions of a special 25-year retirement plan. This plan would provide a benefit of one-half of final average salary upon retirement for all tiers and an additional benefit of one-sixtieth of final average salary for each year of service, including non-firefighter service, in excess of 25 years for Tiers 1 and 2 only.

If this bill is enacted during the 2023 legislative session, we anticipate that there will be an increase of approximately \$180,000 in the annual contributions of the State of New York for the fiscal year ending March 31, 2024. In future years, this cost will vary as the billing rates and salaries of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$1.98 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2024.

These estimated costs are based on 63 affected members employed by the Division of Military and Naval Affairs, with annual salary of approximately \$5.0 million as of March 31, 2022. The affected members were identified using job title codes provided by the Civil Service Employees Association.
