5803--В

2023-2024 Regular Sessions

IN ASSEMBLY

March 23, 2023

- Introduced by M. of A. PAULIN, GUNTHER, McDONALD, FAHY, STERN, KIM, HYNDMAN, WOERNER, SHIMSKY, CARROLL, DICKENS, McMAHON, SIMON, McDO-NOUGH, RA, DE LOS SANTOS, STIRPE, BUTTENSCHON, SILLITTI, SEAWRIGHT, THIELE, LEVENBERG, HEVESI, MANKTELOW, BRABENEC, JENSEN, DeSTEFANO -read once and referred to the Committee on Health -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- recommitted to the Committee on Health in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommittee
- AN ACT to amend the public health law, in relation to establishing a state Parkinson's disease registry

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The public health law is amended by adding a new article
2	20-B to read as follows:
3	ARTICLE 20-B
4	STATE PARKINSON'S DISEASE REGISTRY
5	Section 2010. Definitions.
б	2011. Duty to report.
7	2012. Establishment of registry.
8	2013. Duties of the department.
9	2014. Duties of the commissioner.
10	§ 2010. Definitions. As used in this article, the following terms
11	shall have the following meanings:
12	1. "Parkinson's disease" means a chronic and progressive neurologic
13	disorder resulting from deficiency of the neurotransmitter dopamine as
14	the consequence of specific degenerative changes in the area of the
15	<u>brain called the basal ganglia.</u>
16	2. "Parkinsonisms" means related conditions that cause a combination
17	of the movement abnormalities seen in Parkinson's disease including, but

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD08983-04-4

A. 5803--B

1	not limited to, tremor at rest, slow movement, muscle rigidity, impaired
2	speech, or muscle stiffness, which often overlap with and can evolve
3	from what appears to be Parkinson's disease.
4	§ 2011. Duty to report. 1. Every physician, nurse practitioner, physi-
5	cian assistant and general hospital that diagnoses or is treating a
б	patient diagnosed with Parkinson's disease or Parkinsonisms, shall give
7	notice no later than one hundred eighty days of every case of
8	Parkinson's disease coming under their care, to the department, in a
9	format to be determined by the commissioner, except as otherwise
10	provided in this article.
11	2. All patients diagnosed with Parkinson's disease or Parkinsonisms
12^{11}	shall be provided written and verbal notice regarding the collection of
13	information and patient data on Parkinson's disease. Patients who do not
14	wish to participate in the collection of data shall affirmatively opt-
15	out in writing after ample opportunity to review such notice, provided
16	that, the mere incidence of a patient with Parkinson's disease shall be
17	the sole required information for the registry under section two thou-
18	sand twelve of this article for any patient who chooses not to partic-
19	ipate.
20	§ 2012. Establishment of registry. 1. The department shall establish a
21	Parkinson's disease registry for the collection of information on the
22	incidence and prevalence of Parkinson's disease and Parkinsonisms. The
23	department may consult with Parkinson's disease experts, including
24	neurologists, patients living with Parkinson's disease, and Parkinson's
25	disease researchers to assist in the development and implementation of
26	such registry, and to determine what data shall be collected.
27	2. All information maintained by the department under the provisions
28	of this section shall be confidential except as necessary to carry out
20	or chip becerbin bharr be contracticitar except ab necessary to carry out
29	the provisions of this section and shall not be released for any other
29 30	the provisions of this section and shall not be released for any other purpose.
29 30 31	the provisions of this section and shall not be released for any other purpose. 3. The department may enter into an agreement to provide data
29 30 31 32	the provisions of this section and shall not be released for any other purpose. 3. The department may enter into an agreement to provide data collected in the Parkinson's disease registry to the federal Centers for
29 30 31 32 33	the provisions of this section and shall not be released for any other purpose. 3. The department may enter into an agreement to provide data collected in the Parkinson's disease registry to the federal Centers for Disease Control and Prevention, or successor agency, to local health
29 30 31 32 33 34	the provisions of this section and shall not be released for any other purpose. 3. The department may enter into an agreement to provide data collected in the Parkinson's disease registry to the federal Centers for Disease Control and Prevention, or successor agency, to local health officers, or health researchers for the study of Parkinson's disease for
29 30 31 32 33 34 35	the provisions of this section and shall not be released for any other purpose. 3. The department may enter into an agreement to provide data collected in the Parkinson's disease registry to the federal Centers for Disease Control and Prevention, or successor agency, to local health officers, or health researchers for the study of Parkinson's disease for public health and research purposes. Data shall be provided in summary,
29 30 31 32 33 34 35 36	the provisions of this section and shall not be released for any other purpose. 3. The department may enter into an agreement to provide data collected in the Parkinson's disease registry to the federal Centers for Disease Control and Prevention, or successor agency, to local health officers, or health researchers for the study of Parkinson's disease for public health and research purposes. Data shall be provided in summary, statistical, aggregate, or other form such that no individual person can
29 30 31 32 33 34 35 36 37	the provisions of this section and shall not be released for any other purpose. 3. The department may enter into an agreement to provide data collected in the Parkinson's disease registry to the federal Centers for Disease Control and Prevention, or successor agency, to local health officers, or health researchers for the study of Parkinson's disease for public health and research purposes. Data shall be provided in summary, statistical, aggregate, or other form such that no individual person can be identified.
