

# STATE OF NEW YORK

5909--A

2023-2024 Regular Sessions

## IN ASSEMBLY

March 24, 2023

Introduced by M. of A. EPSTEIN -- read once and referred to the Committee on Governmental Operations -- recommitted to the Committee on Governmental Operations in accordance with Assembly Rule 3, sec. 2 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the executive law, in relation to establishing a chief sustainability officer

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 94-d to read as follows:

§ 94-d. Chief sustainability officer. 1. Purpose. The chief sustainability officer shall coordinate efforts across all agencies and other state government entities to address climate change mitigation and climate sustainability efforts in New York state.

2. Definitions. For the purposes of this section:

(a) "Officer" shall mean the chief sustainability officer appointed pursuant to this section.

(b) "State agency" or "state agencies" shall mean any state department, board, bureau, division, commission, committee, public authority, public corporation, council, office or other governmental entity performing a governmental or proprietary function of the state, except the judiciary or the state legislature.

3. The governor shall appoint a chief sustainability officer. Such chief sustainability officer shall accomplish the duties set forth in this section in an effort to advise and assist state agencies in an ongoing coordinated response to address climate change. Such chief sustainability officer shall receive a salary, to be fixed by the governor within the amounts appropriated therefor.

4. The chief sustainability officer shall:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD00500-02-4

1 (a) Review rules and regulations of state agencies and submit proposed  
2 amendments and/or additions of such rules and regulations to such agen-  
3 cies for consideration that the officer shall deem appropriate or neces-  
4 sary to help mitigate negative impacts of climate change and promote  
5 climate sustainability;

6 (b) Coordinate policy to promote energy and environmental sustainabil-  
7 ity across state government operations, including the office of general  
8 services, the New York state energy research and development authority,  
9 the department of environmental conservation, and the department of  
10 state;

11 (c) Work with state agencies and departments to ensure effective  
12 implementation and achievement of statutory requirements and state goals  
13 related to energy and environmental protection;

14 (d) Coordinate implementation of programs and initiatives to improve  
15 state facility and vehicle fleet efficiency and promote adoption of  
16 energy efficient technologies and the modernization of state facilities  
17 and operations;

18 (e) Design and share with state agencies and departments strategies  
19 that can be used to leverage state facilities and assets to advance the  
20 conservation of natural resources and highlight best environmental,  
21 technological and policy strategies to reach the highest energy effi-  
22 ciency standards reasonably possible;

23 (f) Develop sustainable practices to plan for and mitigate enterprise  
24 risks while reducing waste and to help strengthen commercial, cultural,  
25 and political cooperation and engagement;

26 (g) Advise state agencies and departments in best practices for envi-  
27 ronmental regulatory compliance, reporting, partnerships and outreach,  
28 and environmental sustainability innovation;

29 (h) Assist the department of state in reducing its use of natural  
30 resources through improving energy and water efficiency, and providing  
31 data and tools that protect the health of the state government's person-  
32 nel and employees and their families;

33 (i) Partner with private sector businesses, public and private univer-  
34 sities, and government agencies to improve environmental sustainability  
35 across the state;

36 (j) Participate in inter-agency working groups that develop environ-  
37 mental requirements and guidance for state agencies;

38 (k) Act as a representative of New York state at the United States  
39 Climate Alliance and other national and international organizations  
40 focused on climate science and sustainability research and goals that  
41 the chief sustainability officer shall deem appropriate;

42 (l) Inform the governor, secretary, legislature, and state agencies  
43 and other governmental entities of the latest research and developments  
44 in the field of climate science;

45 (m) Advise and assist the New York state climate action council estab-  
46 lished pursuant to section 75-0103 of the environmental conservation law  
47 in such duties of such council that the chief sustainability officer  
48 shall deem appropriate; and

49 (n) Be the state's coordinator for the implementation of the climate  
50 leadership and community protection act.

51 5. All state agencies shall cooperate with the chief sustainability  
52 officer to ensure that the chief sustainability officer is able to  
53 fulfill the requirements under this section.

54 § 2. This act shall take effect on the first of January next succeed-  
55 ing the date on which it shall have become a law.
