AN ACT to amend the public health law and the insurance law, in relation to prohibiting health insurers from requiring prior authorization for pre-exposure prophylaxis used to prevent HIV infection

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 4406-c of the public health law is amended by
2 adding a new subdivision 14 to read as follows:

3 14. A health care plan which provides prescription drug coverage shall
4 not require a prior authorization determination for pre-exposure prophylaxis
5 used to prevent HIV infection, provided that the health care plan
6 can confirm that the subscriber prescribed pre-exposure prophylaxis has
7 tested negative for HIV within the previous one hundred twenty days.
8 Nothing in this subdivision shall prohibit a health care plan from
9 requiring a subscriber undergo a step therapy protocol subject to article
10 forty-nine of this chapter before providing coverage of the
11 prescribed drug or denying a claim for such services if the services are
12 subsequently determined not to be medically necessary.

13 § 2. Section 3217-b of the insurance law is amended by adding a new
14 subsection (p) to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD07908-06-4

1 (p) An insurer which provides prescription drug coverage shall not
2 require a prior authorization determination for pre-exposure prophylaxis
3 used to prevent HIV infection, provided that the insurer can confirm
4 that the insured prescribed pre-exposure prophylaxis has tested negative
5 for HIV within the previous one hundred twenty days. Nothing in this
6 subsection shall prohibit an insurer from requiring an insured undergo a
7 step therapy protocol subject to article forty-nine of this chapter
8 before providing coverage of the prescribed drug or denying a claim for
9 such services if the services are subsequently determined not to be
10 medically necessary.

11 § 3. Section 4325 of the insurance law is amended by adding a new
12 subsection (p) to read as follows:

13 (p) A corporation organized under this article which provides
14 prescription drug coverage shall not require a prior authorization
15 determination for pre-exposure prophylaxis used to prevent HIV
16 infection, provided that the corporation can confirm that the insured
17 prescribed pre-exposure prophylaxis has tested negative for HIV within
18 the previous one hundred twenty days. Nothing in this subsection shall
19 prohibit a corporation organized under this article from requiring an
20 insured undergo a step therapy protocol subject to article forty-nine of
21 this chapter before providing coverage of the prescribed drug or denying
22 a claim for such services if the services are subsequently determined
23 not to be medically necessary.

24 § 4. This act shall take effect on the one hundred eightieth day after
25 it shall have become a law.
