STATE OF NEW YORK

6292--A

2023-2024 Regular Sessions

IN ASSEMBLY

April 3, 2023

Introduced by M. of A. LEVENBERG -- read once and referred to the Committee on Environmental Conservation -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the environmental conservation law, in relation to directing the commissioner to publicly publish an annual report on the environmental radiation surveillance program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 3-0301 of the environmental conservation law is amended by adding a new paragraph ii to read as follows:

ii. Provide freely and make publicly available on its website an annual report on radioactive releases or disposals, with respect to information gathered regarding such activities pursuant to 6 NYCRR 380. In conjunction with the department of health, such report shall be analyzed to show trends and the cumulative impact of such radioactive releases or disposals; provided that other relevant agencies shall be notified if contamination has exceeded standards for maximum allowable level permitted in drinking water or food sources, as prescribed by the U.S. Environmental Protection Agency.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
