FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would provide an increase in the defined benefit cost-of-living adjustment (COLA) for New York public retirement systems. Starting with a payment in September 2024, additional payments will be made for those members who retired after 1960 and prior to 1973.

Insofar as this bill affects the New York State and Local Employees' Retirement System (NYSLERS), pursuant to Section 25 of the Retirement and Social Security Law, the increased costs would be borne entirely by the State of New York and would require an itemized appropriation sufficient to pay the cost of the provision. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$171,000. To fund these costs, the State of New York will be required to pay \$191,000 (including interest) as of March 1, 2025.

Insofar as this bill affects the New York State and Local Police and Fire Retirement System (NYSLPFRS), the increased costs would be shared by the State of New York and the local participating employers in the NYSLPFRS. If this bill were enacted during the 2024 Legislative Session, the increase in the present value of benefits would be approximately \$232,000.

NYSLPFRS	Increase in present value benefits	Increase in required contributions
Tiers 1-5	\$232,000	\$111,000
Tier 6	\$0	\$121,000
Total	\$232,000	\$232,000

In the NYSLPFRS, this benefit improvement will be funded by increasing the billing rates charged annually to cover both retrospective and prospective benefit increases. The annual contribution required of all participating employers in the NYSLPFRS would be approximately \$4,300 to the State of New York and approximately \$18,000 to the local participating employers in the fiscal year ending March 31, 2025. This permanent annual cost will vary in subsequent billing cycles with changes in the billing rate and salary of the affected members.

These estimated costs are based on 42 retirees and beneficiaries in the NYSLERS and 41 in the NYSLPFRS as of March 31, 2023.
