- (b) No later than one year after the effective date of this subdivision, the authority, in collaboration with the department of environmental conservation and any other appropriate agency, shall develop and administer a program to provide rebates or new lithium-ion batteries for powered mobility devices at reduced cost or no cost to eligible individuals.
- 11 (c) The program created pursuant to this subdivision shall include 12 either rebates or the exchange of new lithium-ion batteries for used 13 lithium-ion batteries.
  - (d) Within one year of the effective date of this subdivision, the authority shall implement and administer this subdivision including promulgating rules relating to the forms required to claim a rebate or exchange a lithium-ion battery, the required documentation for establishing eligibility, procedures and guidelines for claiming a rebate or exchanging a lithium-ion battery, and the collection of economic impact data from applicants and any other requirements the authority deems necessary.
  - (e) All new batteries provided pursuant to such program shall be certified by an accredited testing laboratory for compliance with a battery standard referenced in UL 2849, UL 2271, UL 2272 or EN 15194, or such other safety standard approved by the department of state pursuant to regulation. Such certification or the logo, wordmark, or name of such accredited testing laboratory must be displayed on packaging or documentation at the time of sale for the product or directly on the product itself.
- 30 (f) No later than April first, two thousand twenty-five, and annually
  31 thereafter, the authority shall issue a report to the governor, the
  32 temporary president of the senate, and the speaker of the assembly
  33 detailing the status of the program created under this subdivision. Such
  34 report shall at a minimum include:
- 35 (i) the amount of funding dedicated by the authority for such program 36 in the preceding year;
- 37 (ii) the number of rebates awarded;
- 38 (iii) the number of exchanges provided;
- 39 (iv) the amount and geographic distribution of rebates; and
- 40 (v) any other information the authority deems necessary.
- 41 § 2. This act shall take effect immediately.
