1 school board or school budget election; and the number of persons who
2 voted therein at such school board or school budget election.

3 3. a. The school board for each affected district, by resolution,
4 shall thereafter set a date for an additional day for voting, which
5 shall not be less than seven days after nor more than fourteen days
6 after the original date of the school district or school budget election
7 except as provided in paragraphs c and d of this subdivision, and shall
8 determine the hours during which the polls shall remain open on such
9 additional day for voting; provided, however, that in any event the
10 polls shall remain open for not less than eleven hours.

11 b. The clerk of the school board of each affected district shall: (i)
12 cause the resolution to be mailed to each county board of elections with
13 jurisdiction over all or part of the school district by overnight deliv-
14 ery, return receipt requested, (ii) publish notice of the date of the
15 additional day of voting not less than twice in each week preceding the
16 date for the additional day for voting, in two newspapers having general

24 on the district's website, if one exists.

25 c. If the school board for an affected district determines, by resol-
26 ution, that it would not be feasible to hold an additional day of voting
27 within the timelines established in this section, the board shall inform
28 the commissioner of education, who shall extend only as long as is
29 necessary the ability of the board to determine the date for an addi-
30 tional day of voting, except pursuant to paragraph d of this subdivi-
31 sion.

32 d. Where a school district budget has been resubmitted to voters
33 pursuant to section two thousand twenty-three-a or two thousand seven of
34 this part, the provisions of paragraph b of this subdivision shall
35 apply, and: (i) if there is a disaster on the original day of voting,
36 and pursuant to a disaster determination by the commissioner the
37 district has scheduled an additional day of voting, and after the addi-
38 tional day of voting the proposed budget fails, school districts may
39 resubmit their budget to voters on the third Tuesday in June, pursuant
40 to either section two thousand twenty-three-a or two thousand seven of
41 this part, (ii) if there is no disaster on the original day of voting,
42 but a disaster instead on the date of the resubmission of the budget to
43 voters pursuant to either section two thousand twenty-three-a or two
44 thousand seven of this part, the commissioner may issue a disaster
45 determination pursuant to subdivision two of this section, upon which
46 the district shall hold an additional day of voting no sooner than five
47 days after the resubmission vote, but no later than the last day of the

50 subdivision eighteen of section thirty-six hundred forty-one of this
51 chapter, at each polling place for such additional day of voting. In any
52 election district in which voting machines were used upon the original
53 day of voting, they shall be used for the additional day for voting. The
54 original seal on such machines shall not be removed nor shall the
55 machines be unlocked until the opening of the polls on the additional
56 day for voting and the board of elections shall provide an additional

1 seal to be used as soon as the polls are closed on such day. County
2 boards of elections which have provided voting machines to school
3 districts for original days of voting shall continue to provide such
4 voting machines until the additional day of voting is complete.

5 5. Only those persons qualified to vote upon the original date of the
6 school district election who did not vote on such date shall be entitled
7 to vote on the additional day for voting. Voting on the additional day
8 provided for in this section shall be accomplished solely by physically
9 appearing at the polling place, and nothing contained in this section
10 shall be construed to extend the time set by law for casting or canvass-
11 ing an absentee, military, or special ballot; provided, however, that
12 nothing contained herein shall be deemed to invalidate any absentee,
13 military, or special ballot duly received on the original date of the
14 general election.

15 § 2. Section 3641 of the education law is amended by adding a new
16 subdivision 18 to read as follows:

17 18. School election disaster fund. a. For the purpose of this subdivi-
18 sion: (1) The term "eligible school district" shall mean a common, union
19 free, central, central high school, or city school district that has
20 conducted an additional day of voting following a disaster determination
21 by the commissioner pursuant to section two thousand twenty-two-a of
22 this chapter.

23 (2) The term "all actual costs associated with administering an addi-
24 tional day of elections" shall mean all costs borne by eligible
25 districts directly associated with administering an additional day of
26 voting, including: (i) wages for poll workers and other staff associated
27 with the additional day of voting, (ii) postage, printing, and mailing
28 costs to provide notice of the date of the additional election day to
29 eligible voters, (iii) costs of publishing notice in one or more newspa-
30 pers of the date of the additional election day, (iv) costs of trans-
31 porting voters to polling locations on the additional day of voting, (v)
32 costs associated with maintaining a polling place for the additional
33 time, (vi) costs for addressing damage to polling locations caused by
34 the disaster, (vii) rental and other costs due to the additional time of
35 maintaining the voting machine, (viii) necessary purchase of voting
36 machines due to damage done to other voting machines as a result of the
37 disaster, (ix) printing and furnishing of ballots for the additional day
38 of voting, (x) all other costs as the commissioner shall deem appropri-
39 ate.

40 b. Within the amount appropriated for such purpose, subject to a
41 request for funds developed by the commissioner and approved by the
42 director of the budget, the commissioner shall disburse monies to eligi-
43 ble school districts from the school election disaster fund pursuant to
44 this subdivision, beginning in the two thousand twenty-three--two thou-
45 sand twenty-four school year, to reimburse eligible school districts for
46 all actual costs associated with administering an additional day of
47 elections.

48 (1) For a three-month period following their day of additional voting,
49 eligible school districts may submit an application to the commissioner,
50 in a form and manner prescribed by the commissioner, to request funding
51 pursuant to this subdivision. The commissioner may determine that, as
52 the direct consequence of the disaster for which the commissioner issued
53 a disaster determination pursuant to section two thousand twenty-two-a
54 of this chapter, that an eligible school district's ability to make a
55 filing with respect to this subdivision is substantially impaired. Upon

1 making such a finding, the commissioner shall extend for a reasonable
2 time the period for making such filing.

3 (2) The commissioner shall make available such application on or
4 before May fifteenth of the preceding school year.

5 (3) Monies from the school election disaster fund shall be allocated
6 upon approval of applications by the commissioner.

7 (4) Applications submitted by eligible school districts shall include
8 information required by the commissioner, including a showing of all
9 actual costs associated with administering an additional day of
10 elections.

11 (5) Notwithstanding any other provision of law to the contrary,
12 disbursements pursuant to this subdivision shall be in addition to, and
13 in no way shall replace, reduce, or alter any other funds, aid, grants,
14 or other monies received by eligible school districts from the state,
15 including for the purposes of foundation aid.

16 § 3. This act shall take effect immediately.
