1 family that includes the child, even if such change otherwise would have
2 rendered them ineligible for medical assistance.

3 § 3. Section 365-a of the social services law is amended by adding a
4 new subdivision 6-a to read as follows:

5 6-a. Any inconsistent provision of law notwithstanding, medical
6 assistance for pregnant and postpartum individuals shall also include
7 all pregnancy-related and postpartum services including, but not limited
8 to, coverage for maternal mental health conditions for postpartum indi-
9 viduals diagnosed with a maternal mental health condition.

10 § 4. Title 3 of article 25 of the public health law is amended to read
11 as follows:

12 TITLE III

13 [~~CONTROL-OF-MIDWIFERY~~] HEALTH

14 EXPENSE ACCOUNT PROGRAM FOR

15 PREGNANT AND POSTPARTUM INDIVIDUALS

16 Section 2560. Definitions.

17 2561. Health expense account program for pregnant and postpartum
18 individuals.

19 2562. Federal participation.

20 2563. Implementation of the program.

21 § 2560. Definitions. For the purpose of this title, unless the context
22 clearly requires otherwise:

23 1. "eligible person" means pregnant individuals and individuals up to
24 two years postpartum that are receiving medical assistance under title
25 eleven of article five of the social services law.

26 2. "out-of-pocket pregnancy-related costs" includes, but is not limit-
27 ed to, birth and infant care classes, doula services, midwifery care,
28 lactation support services, prenatal vitamins, lab tests or screening,
29 prenatal acupuncture or acupressure, and transportation expenses essen-
30 tial to medical care.

31 § 2561. Health expense account program for pregnant and postpartum
32 individuals. 1. On or before July first, two thousand twenty-five, the
33 department, in consultation with the department of social services,
34 shall establish a health expense account program for pregnant and post-
35 partum individuals. Under this program, an eligible person shall be
36 eligible for reimbursement for out-of-pocket pregnancy-related costs in
37 an amount not to exceed one thousand two hundred fifty dollars.

38 2. An eligible person shall not have to seek approval or be denied
39 reimbursement for care for that care to be considered an out-of-pocket
40 pregnancy-related cost. The department may authorize reimbursement for
41 additional pregnancy-related expenses as it deems fit.

42 3. An eligible person shall not be reimbursed for out-of-pocket preg-
43 nancy-related costs unless the request for reimbursement is submitted
44 within three months after the last day of pregnancy or within three
45 months of the out-of-pocket pregnancy-related cost occurring.

46 4. The department shall be allowed to contract out for purposes of
47 implementing the health expense account program for pregnant and post-
48 partum individuals.

49 § 2562. Federal participation. In implementing this title, the depart-
50 ment shall seek to maximize federal financial participation. To the
51 extent federal financial participation is unavailable, the department
52 shall implement this title only with state funds with an opt-out option
53 allowing localities with no need for the program established under this
54 title to opt-out. To ensure such program is run effectively or based on
55 a locality's needs, localities shall consult with organizations that
56 address pregnant and postpartum individuals. In the event that a locali-

1 ty opts out, said locality shall provide the department and the office
2 of mental health with justification, and any unused funds shall be real-
3 located to other localities demonstrating a need for such additional
4 funding.

5 § 2563. Implementation of the program. The department shall implement
6 this title through all-county or plan letters, or similar instructions,
7 no later than January first, two thousand twenty-seven.

8 § 5. Subdivision 2 of section 2500-k of the public health law, as
9 added by chapter 199 of the laws of 2014, is amended to read as follows:

10 2. Maternal depression information. (a) The commissioner, in consulta-
11 tion with the commissioner of mental health, shall make available to
12 maternal health care providers information on maternal depression. The
13 information shall include, but not be limited to:

14 (i) a summary of the current evidence base and professional guidelines
15 for maternal depression screening;

16 (ii) validated, evidence-based tools for maternal depression screen-
17 ing;

18 (iii) information about follow-up support for patients who may require
19 further evaluation, referral, or treatment including, when available,
20 information about specific community resources and entities licensed by
21 the office of mental health; ~~and~~

22 (iv) information on engaging support for the mother, which may include
23 communicating with the other parent of the child and other family
24 members, as appropriate and consistent with patient confidentiality;

25 (v) information on the psychological needs of the postpartum mother;
26 and

27 (vi) how to be sensitive to cultural differences that surround child-
28 birth, which may involve eating particular foods and restricting certain
29 activities.

30 (b) The commissioner, in consultation with the commissioner of mental
31 health, shall develop and distribute to maternal health care providers
32 an informative pamphlet for patients with information on maternal
33 depression including, but not limited to:

34 (i) the signs and symptoms of maternal depression;

35 (ii) how to seek help for maternal depression;

36 (iii) physiological changes and medical issues that may arise during
37 the postpartum period; and

38 (iv) contact information where a patient can file a complaint or
39 report of any misconduct.

40 (c) The information on maternal depression shall be posted on the
41 department's website as a printable file, shall be available for order
42 as a printed deliverable, and shall be written in layperson's language
43 and shall be made available in English and the six most common non-Engl-
44 ish languages spoken by individuals with limited English proficiency in
45 New York state as based on the most recent census. The commissioner
46 shall, in collaboration with the commissioner of mental health, update
47 and review the information on maternal depression, as necessary.

48 § 6. This act shall take effect on the one hundred eightieth day after
49 it shall have become a law; provided, however, that section one of this
50 act shall take effect on the same date and in the same manner as section
51 3 of part CCC of chapter 56 of the laws of 2022, takes effect.
