34 shall not be so acquired, in which event the authority shall be without
35 further power to so acquire the same by condemnation;

37 and, subject to agreements with bondholders, for the regulation of the
38 project;

48 authority, as specified in this section, who shall be empowered to issue
49 appearance tickets as provided for in article one hundred fifty of the

51 issue and serve such tickets for traffic infractions relating to parking
52 within "project" areas as defined herein, in accordance with law and
53 when authorized by local law of the city to issue and serve such tickets
54 for traffic infractions committed anywhere in such city including at
55 parking spaces controlled by parking meters;

1 10. To make contracts, leases, as lessor or lessee, and any operating
2 agreement, and to execute all instruments necessary or convenient;

3 11. To acquire, construct, reconstruct, improve, equip and furnish any
4 project as may be necessary or convenient;

12 with such agreements with bondholders as may be made as hereinafter
13 provided;

15 and equipment necessary or convenient in connection therewith; and to
16 contract for the providing, operation or maintenance of any parts there-
17 of or for services to be performed; to rent parts thereof, and grant
18 concessions, all on such terms and conditions as it may determine;
19 provided, however, that neither the authority, the city, or any agency
20 of the authority or city, or any other person, firm or corporation
21 shall, within or on any property comprising a part of any project
22 authorized by this title, sell, dispense or otherwise handle any product
23 used in or for the servicing of any motor vehicle using any project or
24 facilities authorized by this title.

25 § 1621-e. Civil service status of officers and employees. Officers and
26 employees of any board, commission or department of the city may be
27 transferred to the authority in accordance with the provisions of the
28 civil service law and shall be eligible for such transfer and appoint-
29 ment without examination to offices and positions under the authority.
30 Officers and employees of the city who are members or beneficiaries of
31 any existing pension or retirement system shall continue to have the
32 rights, privileges, obligations and status with respect to such system
33 or systems as are now prescribed by law, and all such employees who have
34 been appointed to positions in the service of the city under the rules
35 of the municipal civil service commission of the city shall have the
36 same status with respect thereto after transfer to the authority as they
37 had under their original appointments. The appointment and promotion of
38 all employees of the authority shall be made in accordance with the
39 provisions of the civil service law and all employees of the authority
40 shall have the same rights and benefits as city employees.

41 § 1621-f. Conveyance of property by the city to the authority; acqui-
42 sition of property by the city or by the authority. 1. The city may, by
43 resolution or resolutions of the common council or by instruments
44 authorized by such resolutions, convey, with or without consideration,
45 to the authority real and personal property owned by the city for use by
46 the authority as a project or projects or a part thereof or in
47 connection therewith and pledge and pay to the authority, as security
48 for its bonds, notes or other liabilities, certain revenues and income
49 of the city from parking facilities owned or operated by the city. In
50 case of real property so conveyed, the title thereto shall remain in the
51 city but the authority shall have the use and occupancy thereof for so
52 long as its corporate existence shall continue, unless otherwise
53 provided for by the authority and the city. In the case of personal
54 property so conveyed, the title shall pass to the authority.

55 2. The city may acquire by gift, purchase or condemnation real proper-
56 ty in the name of the city for any of the projects or for the widening

1 of existing roads, streets, parkways, avenues or highways or for new
2 roads, streets, parkways, avenues or highways to any of the projects, or
3 partly for such purposes and partly for other city purposes, by gift,
4 purchase or condemnation in the manner provided by law for the acqui-
5 sition of real property by the city. For like purposes, the city may
6 close such streets, roads, parkways, avenues, or highways as may be
7 necessary or convenient, except as to state highways and arterial ways
8 which may not be closed without the consent of the state commissioner of
9 transportation.

10 3. Contracts may be entered into between the city and the authority
11 providing for the property to be conveyed or pledged or paid by the city
12 to the authority, the additional property to be acquired by the city and
13 so conveyed, the streets, roads, parkways, avenues, and highways to be
14 closed by the city and the amounts, terms and conditions of payment to
15 be made by the authority. Such contracts may also contain covenants by
16 the city as to the road, street, parkway, avenue and highway improve-
17 ments to be made by the city and as to such matters which pertain to any
18 conveyance or pledge and payment of moneys or property to the authority.
19 Any such contracts between the city and the authority may be pledged by
20 the authority to secure its bonds and notes and may not be modified
21 thereafter except as provided by the terms of such contract and such
22 pledge. The common council may authorize such contracts between the city
23 and the authority and no other authorization on the part of the city for
24 such contracts shall be necessary. Any such contracts may be so author-
25 ized and entered into by the city and in such manner as the common coun-
26 cil may determine, and the payments required to be made by the city may
27 be made and financed notwithstanding that no provision therefor shall
28 have first been made in the capital budget of the city. All contractual
29 or other obligations of the city incurred in carrying out the provisions
30 of this title shall be included in and provided for by each capital
31 budget of the city thereafter made, if and to the extent that they may
32 appropriately be included therein.

33 4. Subject to subdivision four of section sixteen hundred twenty-one-d
34 of this title, the authority may itself, subject to prior approval of
35 the common council, acquire, in the name of the city, real property
36 necessary or convenient in connection with any project at the cost and
37 expense of the authority by purchase or condemnation pursuant to the
38 eminent domain procedure law. The authority shall have the use and
39 occupancy of such real property so long as its corporate existence shall
40 continue.

41 5. In case the authority shall have the use and occupancy of any real
42 property which it shall determine is no longer required for a project,
43 then, if such real property was acquired at the cost and expense of the
44 city, the authority shall have power to surrender its use and occupancy
45 thereof to the city, or, if such real property was acquired at the cost
46 and expense of the authority, then the authority shall have power to
47 sell, lease or otherwise dispose of said real property at public sale,
48 and shall retain and have the power to use the proceeds of sale, rentals
49 or other moneys derived from the disposition thereof for its purposes.

50 § 1621-g. Construction and purchase contracts. 1. The authority shall
51 let contracts for construction in the same manner, so far as practica-
52 ble, as is provided by law for contracts for the city, except that where
53 the estimated expense of a contract does not exceed five thousand
54 dollars such contract may be entered into without public letting. Noth-
55 ing in this section shall be construed to limit the power of the author-
56 ity to do any construction directly by the officers, agents and employ-

1 ees of the authority. Contracts for the purchase of supplies, materials
2 and equipment shall be let in the same manner as is provided by law for
3 contracts of the city.

4 2. For the purposes of article fifteen-A of the executive law only,
5 the authority shall be deemed a state agency, as the term is used in
6 such article, and its contracts for design, construction, services and
7 materials shall be deemed state contracts within the meaning of that
8 term as set forth in such article.

9 § 1621-h. Moneys of the authority. All moneys of the authority shall
10 be paid to the city treasurer of the city as agent of the authority, who
11 shall not commingle such moneys with any other moneys. Such moneys shall
12 be deposited in a separate bank account or accounts. The moneys in such
13 accounts shall be paid out by the city treasurer of the city on requisiti-
14 tion of the chairperson of the authority or of such other person or
15 persons as the authority may authorize to make such requisitions after
16 audit by the city treasurer of the city. All deposits of such moneys
17 shall be secured by obligations of the United States or of the state of
18 New York of a market value equal at all times to the amount of the
19 deposit, and all banks and trust companies are authorized to give such
20 security for such deposits. The treasurer of the city and his or her
21 legally authorized representatives are authorized and empowered from
22 time to time to examine the accounts and books of the authority, includ-
23 ing its receipts, disbursements, contracts, leases, sinking funds,
24 investments and any other records and papers relating to its financial
25 standing. The authority shall have power, notwithstanding the
26 provisions of this section, to contract with the holders of any of its
27 bonds or notes as to the custody, collection, securing, investment and
28 payment of any moneys of the authority or any moneys held in trust or
29 otherwise for the payment of bonds or notes or in any way to secure
30 bonds or notes, and to carry out any such contract notwithstanding that
31 such contract may be inconsistent with the previous provisions of this
32 section. Moneys held in trust or otherwise for the payment of bonds or
33 in any way to secure bonds and deposits of such moneys may be secured in
34 the same manner as moneys of the authority, and all banks and trust
35 companies are authorized to give such security for such deposits. The
36 accounts of the authority shall be subject to the supervision of the
37 state comptroller. The authority shall render a complete account of its
38 proceedings to the common council at its first meeting of each year and
39 at such other times as may reasonably be requested by the common coun-
40 cil.

41 § 1621-i. Bonds of the authority. 1. The authority shall have the
42 power and is hereby authorized from time to time to issue its negotiable
43 bonds for any of its corporate purposes and to pay such expenses, costs
44 and payments as may be deemed by the board necessary or desirable to or
45 in connection with the acquisition, construction, reconstruction,
46 improving, equipping and furnishing of any project and the financing
47 thereof, including surveys, planning, provisions for capitalized inter-
48 est, reserve funds and appropriate feasibility studies, and for the
49 placing of the project or projects in operation. The aggregate principal
50 amount of such bonds outstanding at any one time shall not exceed twen-
51 ty-five percent of the bonded indebtedness limitation from time to time
52 imposed by section 104.00 of the local finance law. The authority shall
53 have power from time to time and whenever it deems refunding expedient,
54 to refund any bonds by the issuance of new bonds, whether the bonds to
55 be refunded have or have not matured and may issue bonds partly to
56 refund bonds then outstanding and partly for any other purpose described

1 in this subdivision. The refunding bonds may be exchanged for the bonds
2 to be refunded with such cash adjustments as may be agreed, or may be
3 sold and the proceeds applied to the purchase, payment or redemption of
4 the bonds to be refunded. Except as may otherwise be expressly provided
5 by the authority, the bonds of every issue shall be general obligations
6 of the authority payable out of any moneys or revenues of the authority,
7 subject only to any agreements with the holders of particular bonds
8 pledging any particular moneys or revenues. Whether or not the bonds are
9 of such form and character as to be negotiable instruments under article
10 eight of the uniform commercial code, the bonds shall be, and are hereby
11 made, negotiable instruments within the meaning of and for all the
12 purposes of the uniform commercial code, subject only to the provisions
13 of the bonds for registration.

14 2. The bonds shall be authorized by resolution of the board and shall
15 bear such date or dates, mature at such time or times, not exceeding
16 thirty years from their respective dates, bear interest at such rate or
17 rates, payable annually or semi-annually, be in such denominations, be
18 in such form, either coupon or registered, carry such registration priv-
19 ileges, be executed in such manner, be payable in lawful money of the
20 United States of America at such place or places, and be subject to such
21 terms of redemption, as such resolution or resolutions may provide. The
22 bonds may be sold at public or private sale for such price or prices as
23 the authority shall determine; provided, however, that any private sale
24 shall be subject to the approval of the state comptroller where such
25 sale is not to the comptroller, or the director of the budget where such
26 sale is to the comptroller.

27 3. Any resolution or resolutions authorizing any bonds or any issue of
28 bonds may contain provisions, which shall be a part of the contract with
29 the holders of the bonds thereby authorized, as to:

30 (a) pledging all or any part of the revenues of a project or projects
31 and revenues and income of the authority to secure the payment of the
32 bonds, subject to such agreements with bondholders as may then exist;

33 (b) the rentals, fees and other charges to be charged, and the amounts
34 to be raised in each year thereby, and the use and disposition of the
35 revenues;

36 (c) the setting aside of reserves or sinking funds, and the regulation
37 and disposition thereof;

38 (d) limitations on the right of the authority to restrict and regulate
39 the use of a project;

40 (e) limitations on the purpose to which the proceeds of sale of any
41 issue of bonds then or thereafter to be issued may be applied and pledg-
42 ing such proceeds to secure the payment of the bonds or of any issue of
43 the bonds;

44 (f) limitations on the issuance of additional bonds; the terms upon
45 which additional bonds may be issued and secured; the refunding of
46 outstanding or other bonds;

47 (g) the procedure, if any, by which the terms of any contract with
48 bondholders may be amended or abrogated, the amount of bonds the holders
49 of which must consent thereto, and the manner in which such consent may
50 be given;

51 (h) limitations on the amount of moneys derived from a project to be
52 expended for operating, administrative or other expenses of the authori-
53 ty;

54 (i) vesting in a trustee or trustees such property, rights, powers and
55 duties in trust as the authority may determine which may include any or
56 all, the rights, powers and duties of the trustee appointed by the bond-

1 holders pursuant to section sixteen hundred twenty-one-p of this title,
2 and limiting or abrogating the right of the bondholders to appoint a
3 trustee under said section or limiting the rights, duties and powers of
4 such trustee;

5 (j) any other matters, of like or different character, which in any
6 way affect the security or protection of the bonds.

7 4. Notwithstanding any other provision of law, it is the intention
8 hereof that any pledge of revenues or other moneys made by the authority
9 shall be valid and binding from the time when the pledge is made; that
10 the revenues or other moneys so pledged and thereafter received by the
11 authority shall immediately be subject to the lien of such pledge with-
12 out any physical delivery thereof or further act; and that the lien of
13 any such pledge shall be valid and binding as against all parties having
14 claims of any kind in tort, contract or otherwise against the authority
15 irrespective of whether such parties have notice thereof. Neither the
16 resolution nor any other instrument by which a pledge is created need be
17 recorded or filed in order to protect the security interest granted.

18 5. Neither the members of the authority nor any person executing the
19 bonds shall be liable personally on the bonds or be subject to any
20 personal liability or accountability by reason of the issuance thereof.

21 6. The authority shall have power out of any funds available therefor
22 to purchase bonds upon such terms and conditions as the authority may
23 determine. The authority may hold, cancel or resell such bonds, subject
24 to and in accordance with agreements with bondholders.

25 7. In the discretion of the authority, the bonds may be secured by a
26 trust indenture by and between the authority and a corporate trustee,
27 which may be any trust company, bank or national banking association
28 having the powers of a trust company in the state of New York. Such
29 trust indenture may contain such provisions for protecting and enforcing
30 the rights and remedies of the bondholders as may be reasonable and
31 proper and not in violation of law, including covenants setting forth
32 the duties of the authority in relation to the construction, mainte-
33 nance, operation, repair and insurance of the project or projects, and
34 the custody, safeguarding and application of all moneys, and may provide
35 that the project or projects shall be constructed and paid for under the
36 supervision and approval of consulting engineers. The authority may
37 provide by such trust indenture for the payment of the proceeds of the
38 bonds and the revenues of the project or projects or other revenues of
39 the authority to the trustee under such trust indenture or other deposi-
40 tory, and for the method of disbursement thereof, with such safeguards
41 and restrictions as it may determine. All expenses incurred in carrying
42 out such trust indenture may be treated as a part of the cost of mainte-
43 nance, operation, and repairs of the project or projects. If the bonds
44 shall be secured by a trust indenture, the bondholders shall have no
45 authority to appoint a separate trustee to represent them, and the trus-
46 tee under such trust indenture shall have and possess all of the powers
47 which are conferred by section sixteen hundred twenty-one-p of this
48 title upon a trustee appointed by bondholders.

49 § 1621-j. Notes of the authority. The authority shall have power from
50 time to time to issue notes and from time to time to issue renewal notes
51 (hereafter "notes"), maturing not later than five years from their
52 respective original dates in an amount not exceeding at any one time one
53 hundred thousand dollars, over and above the amount of bonds authorized
54 by subdivision one of section sixteen hundred twenty-one-i of this
55 title, for any purpose or purposes for which bonds may be issued, when-
56 ever the authority shall determine that payment thereof can be made in

1 full from any moneys or revenues which the authority expects to receive
2 from any source. The authority may pledge such moneys or revenues or
3 source thereof (subject to any other pledge thereof) for the payment of
4 the notes and may in addition secure the notes in the same manner and
5 with the same effect as herein provided for bonds. The notes shall be
6 sold and issued in the same manner as bonds. The authority shall have
7 power to make contracts for the future sale from time to time of the
8 notes, by which the purchaser shall be committed to purchase the notes
9 from time to time on terms and conditions stated in such contracts, and
10 the authority shall have power to pay such consideration as it shall
11 deem proper for such commitments. In case of default on its notes, or
12 violation of any of the obligations of the authority to the noteholders,
13 the noteholders shall have all the remedies provided herein for bond-
14 holders. Such notes shall be as fully negotiable as the bonds of the
15 authority.

16 § 1621-k. Agreements of the city and the state. 1. The city is author-
17 ized to, and the state of New York does hereby pledge to and agree with
18 the holders of the bonds or notes that neither the city nor the state,
19 respectively, will limit or alter the rights hereby vested in the
20 authority to acquire, construct, reconstruct, improve, equip, furnish,
21 maintain or operate any project or projects, to establish and collect
22 rentals, fees and other charges and to fulfill the terms of any agree-
23 ments made with the holders of the bonds or notes, or in any way impair
24 the rights and remedies of the bondholders or noteholders, until the
25 bonds or notes, together with interest thereon, with interest on any
26 unpaid installments of interest and all costs and expenses in connection
27 with any action or proceeding by or on behalf of the bondholders or
28 noteholders, are fully met and discharged.

29 2. The authority is hereby authorized, in its discretion, for and on
30 behalf of itself and, subject to approval by the common council and the
31 mayor of the city of Middletown, to covenant and agree with the holders
32 of the bonds or notes, with such exceptions and limitations as it may
33 deem in the public interest and in the interests of the authority's
34 bondholders and noteholders, that no public parking areas or spaces,
35 including the installation and operation of parking meters on the public
36 streets of the city, except those acquired and operated by the authority
