AN ACT to amend the public health law, in relation to adult immunization reporting requirements

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Paragraph (b) of subdivision 3 of section 2168 of the  
2 public health law, as amended by chapter 420 of the laws of 2014, is  
3 amended to read as follows:

4 (b) (i) Any health care provider who administers any vaccine to a  
5 person nineteen years of age or older, [~~may~~] shall report[~~, with the~~  
6 ~~consent of the vaccinee,~~] all such immunizations to the department in a  
7 format prescribed by the commissioner within fourteen days of adminis-  
8 tration of such immunizations. Health care providers administering  
9 immunizations to persons nineteen years of age or older in the city of  
10 New York [~~may~~] shall report[~~, with the consent of the vaccinee,~~] in a  
11 format prescribed by the city of New York commissioner of health and  
12 mental hygiene, all such immunizations to the citywide immunization  
13 registry. The reporting by a health care provider of administration of  
14 an immunization to a person nineteen years of age or older to a regional  
15 health information organization or other health information exchange  
16 shall satisfy the reporting requirements in this section if such data is  
17 provided by the regional health information organization or health  
18 information exchange to the department or citywide immunization regis-  
19 try.

20 (ii) A registered professional nurse, or a pharmacist who administers  
21 a vaccine pursuant to subdivision two of section sixty-eight hundred one  
22 of the education law, to a person nineteen years of age or older, shall  
23 report[~~, with the consent of the vaccinee,~~] all such immunizations to  
24 the department in a format prescribed by the commissioner within four-  
25 teen days of administration of such immunizations. Registered profes-
