Introduced by M. of A. PAULIN, LUPARDO, WOERNER, STECK, TAGUE, SAYEGH, BARCLAY, BUTTENSCHON -- Multi-Sponsored by -- M. of A. DeSTEFANO, PALMESANO -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to authorizing collaborative programs for community paramedicine services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 2805-x of the public health law, as added by 1 2 section 48 of part B of chapter 57 of the laws of 2015, is amended to 3 read as follows: 4 § 2805-x. Hospital-home care-physician collaboration program. 1. The 5 purpose of this section shall be to facilitate innovation in hospital, 6 home care agency and physician collaboration in meeting the community's 7 health care needs. It shall provide a framework to support voluntary 8 initiatives in collaboration to improve patient care access and manage-9 ment, patient health outcomes, cost-effectiveness in the use of health 10 care services and community population health. Such collaborative hospi-11 tal-home care-physician initiatives may also include payors, skilled 12

nursing facilities, emergency medical services and other interdisciplinary providers, practitioners and service entities <u>as part of such</u> <u>hospital-home care-physician collaborative provided, however, that in</u> <u>the case of collaborative community paramedicine as set forth in this</u> <u>section and article thirty of this chapter, the collaborative shall</u> <u>minimally comprise hospital, home care, physician, and emergency medical</u>

18 services partners.

19 2. For purposes of this section:

20 (a) "Hospital" shall include a general hospital as defined in this 21 article or other inpatient facility for rehabilitation or specialty care 22 within the definition of hospital in this article.

EXPLANATION--Matter in <u>italics</u> (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD08053-01-3

(b) "Home care agency" shall mean a certified home health agency, long 1 term home health care program or licensed home care services agency as 2 3 defined in article thirty-six of this chapter. 4 (c) "Payor" shall mean a health plan approved pursuant to article 5 forty-four of this chapter, or article thirty-two or forty-three of the б insurance law. 7 (d) "Practitioner" shall mean any of the health, mental health or 8 health related professions licensed pursuant to title eight of the 9 education law. 10 (e) "Emergency medical services" (EMS) shall mean the services of an 11 ambulance service or an advanced life support first response service certified under article thirty of this chapter staffed by emergency 12 medical technicians or advanced emergency medical technicians to provide 13 14 basic or advanced life support and, for the purposes of the community 15 paramedicine collaboration model set forth in subdivision four of this 16 section, also to provide such services pursuant to such models in 17 circumstances other than the initial emergency medical care and trans-18 portation of sick and injured persons. 3. The commissioner is authorized to provide financing including, but 19 20 not limited to, grants or positive adjustments in medical assistance 21 rates or premium payments, to the extent of funds available and allo-22 cated or appropriated therefor, including funds provided to the state through federal waivers, funds made available through state appropri-23 ations and/or funding through section twenty-eight hundred seven-v of 24 25 this article, as well as waivers of regulations under title ten of the 26 New York codes, rules and regulations, to support the voluntary initi-27 atives and objectives of this section. Nothing in this section shall be 28 construed to limit, or to imply the need for state approval of, collabo-29 rative initiatives enumerated in this section which are otherwise permissible under law or regulation, provided however that the approval 30 31 of the commissioner shall be required for either state funding or regulatory waivers as provided for under this section. 32 33 4. Hospital-home care-physician collaborative initiatives under this 34 section may include, but shall not be limited to: 35 (a) Hospital-home care-physician integration initiatives, including 36 but not limited to: 37 (i) transitions in care initiatives to help effectively transition 38 patients to post-acute care at home, coordinate follow-up care and 39 address issues critical to care plan success and readmission avoidance; (ii) clinical pathways for specified conditions, guiding patients' 40 progress and outcome goals, as well as effective health services use; 41 (iii) application of telehealth/telemedicine services in monitoring 42 43 and managing patient conditions, and promoting self-care/management, 44 improved outcomes and effective services use; 45 (iv) facilitation of physician house calls to homebound patients 46 and/or to patients for whom such home visits are determined necessary 47 and effective for patient care management; 48 (v) additional models for prevention of avoidable hospital readmis-49 sions and emergency room visits; 50 (vi) health home development; (vii) development and demonstration of new models of integrated or 51 52 collaborative care and care management not otherwise achievable through 53 existing models; [and] 54 (viii) bundled payment demonstrations for hospital-to-post-acute-care 55 for specified conditions or categories of conditions, in particular, 56 conditions predisposed to high prevalence of readmission, including

3	(ix) models of community paramedicine, under which hospitals, emergen-
4	cy medical services who utilize employed or volunteer emergency medical
5	technicians or advanced emergency medical technicians, physicians and
б	home care agencies, in joint partnership, may develop and implement a
7	plan for the collaborative provision of services in community settings.
8	In addition to emergency services provided under article thirty of this
9	chapter, models of community paramedicine may include collaborative
10	services to at-risk individuals living in the community to prevent emer-
11	gencies, avoidable emergency room need, avoidable transport and poten-
12	tially avoidable hospital admissions and readmissions; community param-
13	edicine services to individuals with behavioral health conditions, or
14	developmental or intellectual disabilities, shall further include the
15	collaboration of appropriate providers of behavioral health services
16	licensed or certified under the mental hygiene law;
17	(b) Recruitment, training and retention of hospital/home care direct
18	care staff and physicians, in geographic or clinical areas of demon-
19	strated need. Such initiatives may include, but are not limited to, the
20	following activities:
21	(i) outreach and public education about the need and value of service
22	in health occupations;
23	(ii) training/continuing education and regulatory facilitation for
24	cross-training to maximize flexibility in the utilization of staff,
