7206--В

2023-2024 Regular Sessions

IN ASSEMBLY

May 12, 2023

- Introduced by M. of A. PRETLOW, SAYEGH -- read once and referred to the Committee on Transportation -- reported and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- again reported from said committee with amendments, ordered reprinted as amended and recommitted to said committee
- AN ACT to amend the vehicle and traffic law, in relation to adjudications and owner liability for a violation of traffic-control signal indications in the county of Westchester; to amend the public officers law, in relation to accessing records; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1	Section 1. The vehicle and traffic law is amended by adding a new
2	section 1111-g to read as follows:
3	§ 1111-g. Owner liability for failure of operator to comply with
4	traffic-control indications. (a) 1. Notwithstanding any other provision
5	of law, the county of Westchester is hereby authorized and empowered to
б	adopt and amend a local law or ordinance establishing a demonstration
7	program imposing monetary liability on the owner of a vehicle for fail-
8	ure of an operator thereof to comply with traffic-control indications in
9	such county in accordance with the provisions of this section. Such
10	demonstration program shall empower such county to install and operate
11	traffic-control signal photo violation-monitoring devices at no more
12	than fifty intersections within and under the jurisdiction of such coun-
13	ty at any one time.
14	2. Such demonstration program shall utilize necessary technologies to
15	ensure, to the extent practicable, that photographs produced by such
16	traffic-control signal photo violation-monitoring systems shall not
17	include images that identify the driver, the passengers, or the contents
18	of the vehicle. Provided, however, that no notice of liability issued

EXPLANATION--Matter in italics (underscored) is new; matter in brackets

[-] is old law to be omitted.

pursuant to this section shall be dismissed solely because a photograph 1 or photographs allow for the identification of the contents of a vehi-2 3 cle, provided that such county has made a reasonable effort to comply 4 with the provisions of this paragraph. 5 (b) In any such county which has adopted a local law or ordinance 6 pursuant to subdivision (a) of this section, the owner of a vehicle 7 shall be liable for a penalty imposed pursuant to this section if such 8 vehicle was used or operated with the permission of the owner, express 9 or implied, in violation of subdivision (d) of section eleven hundred 10 eleven of this article, and such violation is evidenced by information 11 obtained from a traffic-control signal photo violation-monitoring 12 system; provided however that no owner of a vehicle shall be liable for a penalty imposed pursuant to this section where the operator of such 13 vehicle has been convicted of the underlying violation of subdivision 14 15 (d) of section eleven hundred eleven of this article. (c) For purposes of this section, "owner" shall have the meaning 16 provided in article two-B of this chapter. For purposes of this section, 17 "traffic-control signal photo violation-monitoring system" shall mean a 18 vehicle sensor installed to work in conjunction with a traffic-control 19 20 signal which automatically produces two or more photographs, two or more 21 microphotographs, a videotape or other recorded images of each vehicle 22 at the time it is used or operated in violation of subdivision (d) of section eleven hundred eleven of this article. 23 (d) A certificate, sworn to or affirmed by a technician employed by 24 Westchester county in which the charged violation occurred, or a facsim-25 ile thereof, based upon inspection of photographs, microphotographs, 26 27 videotape or other recorded images produced by a traffic-control signal 28 photo violation-monitoring system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape 29 30 or other recorded images evidencing such a violation shall be available 31 for inspection in any proceeding to adjudicate the liability for such 32 violation pursuant to a local law or ordinance adopted pursuant to this 33 section. 34 (e) An owner liable for a violation of subdivision (d) of section eleven hundred eleven of this article pursuant to a local law or ordi-35 36 nance adopted pursuant to this section shall be liable for monetary 37 penalties in accordance with a schedule of fines and penalties to be set forth in such local law or ordinance. The liability of the owner pursu-38 39 ant to this section shall not exceed fifty dollars for each violation; provided, however, that such local law or ordinance may provide for an 40 additional penalty not in excess of twenty-five dollars for each 41 violation for the failure to respond to a notice of liability within the 42 43 prescribed time period. (f) An imposition of liability under a local law or ordinance adopted 44 45 pursuant to this section shall not be deemed a conviction as an operator 46 and shall not be made part of the operating record of the person upon 47 whom such liability is imposed nor shall it be used for insurance 48 purposes in the provision of motor vehicle insurance coverage. 49 (g) 1. A notice of liability shall be sent by first class mail to each 50 person alleged to be liable as an owner for a violation of subdivision 51 (d) of section eleven hundred eleven of this article pursuant to this 52 section. Personal delivery on the owner shall not be required. A manual or automatic record of mailing prepared in the ordinary course of busi-53 54 ness shall be prima facie evidence of the facts contained therein. 55 2. A notice of liability shall contain the name and address of the

56 person alleged to be liable as an owner for a violation of subdivision

2

1	(d) of agation clower hundred clower of this article nursuant to this
1	(d) of section eleven hundred eleven of this article pursuant to this
2	section, the registration number of the vehicle involved in such
3	violation, the location where such violation took place, the date and
4	time of such violation and the identification number of the camera which
5	recorded the violation or other document locator number.
6	3. The notice of liability shall contain information advising the
7	person charged of the manner and the time in which he or she may contest
8	the liability alleged in the notice. Such notice of liability shall also
9	contain a warning to advise the persons charged that failure to contest
10	in the manner and time provided shall be deemed an admission of liabil-
11	ity and that a default judgment may be entered thereon.
12	4. The notice of liability shall be prepared and mailed by Westchester
13	county or by any other entity authorized by such county to prepare and
14	mail such notification of violation.
15	(h) Adjudication of the liability imposed upon owners by this section
16	shall be by a traffic violations bureau established pursuant to section
17	three hundred seventy of the general municipal law where the violation
18	occurred or, if there be none, by the court having jurisdiction over
19	traffic infractions.
20	(i) If an owner receives a notice of liability pursuant to this
21	section for any time period during which the vehicle was reported to the
22	police department as having been stolen, it shall be a valid defense to
23	an allegation of liability for a violation of subdivision (d) of section
24	eleven hundred eleven of this article pursuant to this section that the
25	vehicle had been reported to the police as stolen prior to the time the
26	violation occurred and had not been recovered by such time. For purposes
20 27	of asserting the defense provided by this subdivision it shall be suffi-
28	cient that a certified copy of the police report on the stolen vehicle
29	be sent by first class mail to the court having jurisdiction.
30	(j) An owner who is a lessor of a vehicle to which a notice of liabil-
31	ity was issued pursuant to subdivision (g) of this section shall not be
32	liable for the violation of subdivision (d) of section eleven hundred
33	eleven of this article, provided that he or she sends to the court
34	having jurisdiction a copy of the rental, lease or other such contract
35	document covering such vehicle on the date of the violation, with the
36	name and address of the lessee clearly legible, within thirty-seven days
37	after receiving notice from the court of the date and time of such
38	violation, together with the other information contained in the original
39	notice of liability. Failure to send such information within such thir-
40	ty-seven day time period shall render the owner liable for the penalty
41	prescribed by this section. Where the lessor complies with the
42	provisions of this subdivision, the lessee of such vehicle on the date
43	of such violation shall be deemed to be the owner of such vehicle for
44	purposes of this section, shall be subject to liability for the
45	violation of subdivision (d) of section eleven hundred eleven of this
46	article pursuant to this section and shall be sent a notice of liability
47	pursuant to subdivision (g) of this section.
48	(k) 1. If the owner liable for a violation of subdivision (d) of
49	section eleven hundred eleven of this article pursuant to this section
50	was not the operator of the vehicle at the time of the violation, the
51	owner may maintain an action for indemnification against the operator.
52	2. Notwithstanding any other provision of this section, no owner of a
53	vehicle shall be subject to a monetary fine imposed pursuant to this
54	section if the operator of such vehicle was operating such vehicle with-
55	out the consent of the owner at the time such operator failed to obey a
56	traffic-control indication. For purposes of this subdivision there shall

1 be a presumption that the operator of such vehicle was operating such vehicle with the consent of the owner at the time such operator failed to obey a traffic-control indication. (1) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of subdivision (d) or section eleven hundred eleven of this article. (m) When a county has established a demonstration program pursuant to this section, all fines and penalties collected under such program shall be distributed in accordance with subdivision thirteen of section eight teen hundred three of this chapter. (n) Any county that adopts a demonstration program pursuant to subdi- vision (a) of this section shall submit an annual report detailing the results of the use of such traffic-control signal photo violation-moni- toring system to the governor, the temporary president of the senate and the speaker of the assembly on or before June first, two thousand twen- stration program is operable. Such report shall include, but not be limited to: 1 a description of the locations where traffic-control signal photo violation-monitoring systems were used: 2 the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of such system, to the extent the information is maintained by the department; 3 the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of such system is used for the reporting year, as well as for each year that the traffic-control signal photo violation-monitoring system is used and in the aggregate on a daily, weekly and monthly bridge bridge bridg
 to obey a traffic-control indication. (1) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of subdivision (d) or section eleven hundred eleven of this article. (m) When a county has established a demonstration program pursuant to this section, all fines and penalties collected under such program shall be distributed in accordance with subdivision thirteen of section eleven hundred three of this chapter. (n) Any county that adopts a demonstration program pursuant to subdivision (a) of this section shall submit an annual report detailing the results of the use of such traffic-control signal photo violation-monitoring system to the governor, the temporary president of the senate and the speaker of the assembly on or before June first, two thousand twenter stration program is operable. Such report shall include, but not be limited to: 1. a description of the locations where traffic-control signal photor violation-monitoring systems were used: 2. the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of suc? 3. the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of suc? 3. the aggregate number, type and severity of accidents reported at intersections where a traffic-control signal photo violation-monitoring system is used for the reporting year, as well as for each year that the traffic-control signal photo violation-monitoring system is used for the reporting year, as well as for each year that the traffic-control signal photo violation-monitoring system has been operational, to the extent the information is maintained by the department; 4. the number of events and number of violation-mon
 (1) Nothing in this section shall be construed to limit the liability of an operator of a vehicle for any violation of subdivision (d) or section eleven hundred eleven of this article. (m) When a county has established a demonstration program pursuant to this section, all fines and penalties collected under such program shall be distributed in accordance with subdivision thirteen of section eight teen hundred three of this chapter. (n) Any county that adopts a demonstration program pursuant to subdivision (a) of this section shall submit an annual report detailing the results of the use of such traffic-control signal photo violation-monitient to ring system to the governor, the temporary president of the senate and the speaker of the assembly on or before June first, two thousand twenter stration program is operable. Such report shall include, but not be limited to: 1 a description of the locations where traffic-control signal photo before stration program is operable. Such report shall include, but not be limited to: 1 a description of the locations where traffic-control signal photo si
 of an operator of a vehicle for any violation of subdivision (d) or section eleven hundred eleven of this article. (m) When a county has established a demonstration program pursuant to this section, all fines and penalties collected under such program shall be distributed in accordance with subdivision thirteen of section eight teen hundred three of this chapter. (n) Any county that adopts a demonstration program pursuant to subdivision (a) of this section shall submit an annual report detailing the results of the use of such traffic-control signal photo violation-moni-toring system to the governor, the temporary president of the senate and the speaker of the assembly on or before June first, two thousand twenses the speaker of the locations where traffic-control signal photo violation-monitoring systems were used: 2. the aggregate number, type and severity of accidents reported and intersections where a traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of such system is used for the traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of such system is used for the reporting year, as well as for each year that the traffic-control signal photo violation-monitoring system has been operation to independent of the department; 4. the number of events and number of violation recorded at each intersection where a traffic-control signal photo violation-monitoring system is used and in the aggregate on a daily, weekly and monthly
6 section eleven hundred eleven of this article. (m) When a county has established a demonstration program pursuant to this section, all fines and penalties collected under such program shall be distributed in accordance with subdivision thirteen of section eight teen hundred three of this chapter. (n) Any county that adopts a demonstration program pursuant to subdivision (a) of this section shall submit an annual report detailing the results of the use of such traffic-control signal photo violation-monit toring system to the governor, the temporary president of the senate and the speaker of the assembly on or before June first, two thousand twent ty-four and on the same date in each succeeding year in which the demonit stration program is operable. Such report shall include, but not be limited to: 1. a description of the locations where traffic-control signal photo violation-monitoring systems were used; 2. the aggregate number, type and severity of accidents reported and intersections where a traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of sucl system, to the extent the information is maintained by the department; 3. the aggregate number, type and severity of accidents reported and intersections where a traffic-control signal photo violation-monitoring system is used for the three years preceding the installation of sucl system is used for the traffic-control signal photo violation-monitoring system is used for the reporting year, as well as for each year that the traffic-control signal photo violation-monitoring system is used for the reporting year, as well as for each year that the traffic-control signal photo violation-monitoring system has been operation, the extent the information is maintained by the department; 4. the number of events and number of violations recorded at each intersection where a traffic-control signal photo violation-monitoring system is used and in the aggregate on a daily

53 (o) It shall be a defense to any prosecution for a violation of subdi- 54 vision (d) of section eleven hundred eleven of this article pursuant to
55 a local law or ordinance adopted pursuant to this section that such

А. 7206--В

1	traffic-control indications were malfunctioning at the time of the
2	alleged violation.
3	§ 2. Section 1803 of the vehicle and traffic law is amended by adding
4	a new subdivision 13 to read as follows:
5	13. Where the county of Westchester has established a demonstration
6	program imposing monetary liability on the owner of a vehicle for fail-
7	ure of an operator thereof to comply with subdivision (d) of section
8	eleven hundred eleven of this chapter in accordance with section eleven
9	hundred eleven-g of this chapter, any fine or penalty collected by a
10	court, judge, magistrate or other officer for an imposition of liability
11	which occurs within a city, town or village within such county pursuant
12	to such program shall be paid to the state comptroller within the first
13	ten days of the month following collection, except as otherwise provided
14	in subdivision three of section ninety-nine-a of the state finance law.
15	Every such payment shall be accompanied by a statement in such form and
16	detail as the comptroller shall provide. The comptroller shall pay
17	eighty percent of any such fine or penalty imposed for such liability to
18	the county of Westchester, and twenty percent of any such fine or penal-
19	ty to the city, town or village in which the violation giving rise to
20	the liability occurred. All fines, penalties and forfeitures paid to a
21	city, town or village pursuant to the provisions of this subdivision
22	shall be credited to the general fund of such city, town or village,
23	unless a different disposition is prescribed by charter, special law,
24	local law or ordinance.
25	§ 3. Subdivision 2 of section 87 of the public officers law is amended
26	by adding a new paragraph (t) to read as follows:
27	(t) are photographs, microphotographs, videotape or other recorded
28	images prepared under authority of section eleven hundred eleven-g of
29	the vehicle and traffic law.
30	§ 4. The purchase or lease of equipment for a demonstration program
31	established pursuant to section 1111-g of the vehicle and traffic law
32	shall be subject to the provisions of section 103 of the general munici-
33	pal law.
34	§ 5. This act shall take effect on the thirtieth day after it shall
35	have become a law and shall expire and be deemed repealed on December 1,
36	2027, provided, further, that any such local law as may be enacted
37	pursuant to section one of this act shall remain in full force and
38	effect only until December 1, 2027.
