§ 2. Section 265.00 of the penal law is amended by adding a new subdivision 36 to read as follows:

36. "Three-dimensional printer" means a computer or computer-driven machine or device capable of producing a three-dimensional object from a digital model.

§ 3. Subdivision 8 of section 700.05 of the criminal procedure law is amended by adding a new paragraph (w) to read as follows:

(w) Manufacture, transport, disposition and defacement of weapons and dangerous instruments and appliances as provided in subdivision ten of section 265.10 of the penal law.

§ 4. Severability. If any provision of this act, or any application of any provision of this act, is held to be invalid, that shall not affect the validity or effectiveness of any other provision of this act, or of any other application of any provision of this act, which can be given effect without that provision or application; and to that end, the provisions and applications of this act are severable.

§ 5. This act shall take effect on the sixtieth day after it shall have become a law.
