Introduced by M. of A. PIROZZOLO -- read once and referred to the
Committee on Cities

AN ACT in relation to requiring Richmond county to establish a hazards
annex to the Richmond county emergency management plan for certain
fixed energy storage facilities; and providing for the repeal of such
provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. Richmond county is hereby directed to establish a hazards
2 annex to the Richmond County Emergency Management Plan for fixed energy
3 storage facilities housing lithium-ion batteries within 2 years of the
4 effective date of this section. The hazards annex shall be applicable to
5 energy storage facilities placed or planned to be placed in assembly
6 district 63.

7 § 2. Richmond county shall update emergency management plans concur-
8 rently and in coordination with the Division of Homeland Securities'
9 Disaster Preparedness Commission as it updates guidance on fixed energy
10 storage facilities housing lithium-ion batteries, including those placed
11 or planned to be placed in assembly district 63.

12 § 3. Prior to the approval and issuance of any federal, state, and/or
13 local government permits for any proposed energy storage facility hous-
14 ing lithium-ion batteries in Richmond county, including those placed or
15 planned to be placed in assembly district 63, the New York State Office
16 of Fire Prevention and Control, the New York State Energy Research and
17 Development Authority, and the Department of Environmental Conservation
18 shall jointly inspect the site and shall approve its location to ensure
19 that appropriate safety setbacks are being adhered to. Considerations
20 for safety setbacks shall include, but not be limited to, major fire
21 risks and release of hazardous fumes, as well as prevailing wind
22 patterns that could affect the spread of the fumes, due to fires at the
23 proposed energy facility with respect to:
