## IN ASSEMBLY

June 15, 2023

Introduced by M. of A. PAULIN -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to establishing the 340B prescription drug anti-discrimination act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 the "340B prescription drug anti-discrimination act".

3 § 2. Declaration of purpose. Section 340B of the federal public health  
4 service act requires pharmaceutical manufacturers, as a condition of  
5 participation in Medicare and Medicaid, to provide discounts on outpa-  
6 tient drugs to certain providers that serve a high number of Medicaid  
7 patients. These cost savings enable safety-net providers to stretch  
8 scarce resources as far as possible in providing more comprehensive  
9 services to their communities.

10 In recent years, some pharmaceutical companies and pharmacy benefit  
11 managers have imposed certain requirements and limitations on New York  
12 340B covered entities, thus depriving such entities of much-needed cost  
13 savings. These practices discriminate against 340B covered entities and  
14 their pharmacy partners, and by extension the patients they serve. These  
15 discriminatory practices have the effect of limiting those covered enti-  
16 ties' ability to care for their communities fully and comprehensively.

17 There is a need for the state to prevent erosion of our 340B covered  
18 entities' 340B cost savings, with its concomitant impacts on patient  
19 access to health care services. This act is intended to achieve that  
20 goal by prohibiting pharmaceutical companies, among other entities, from  
21 engaging in practices that discriminate against 340B covered entities  
22 and their pharmacy partners.

23 § 3. The public health law is amended by adding a new section 280-d to  
24 read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
