of the tax law relating to fuel sold to an airline for use in its airplanes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as the "Stop Climate Polluter Handouts Act".

- § 2. Subdivisions 17, 18, 21, and 22 of section 352 of the economic development law, subdivisions 17, 18 and 21 as amended by section 1 of part K of chapter 59 of the laws of 2017, subdivision 18 as separately amended by section 1 of part ZZ of chapter 59 of the laws of subdivision 22 as amended by chapter 572 of the laws of 2022, are amended to read as follows:
- 17. "Qualified investment" means an investment in tangible property (including a building or a structural component of a building) owned by a business enterprise which:
- (a) is depreciable pursuant to section one hundred sixty-seven of the internal revenue code;
 - (b) has a useful life of four years or more;
- is acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code;
- (d) does not directly produce, transmit, distribute, transport, store fossil fuels or directly utilize fossil fuels for the production of on-site energy, including thermal energy, for any purpose. For the purposes of this article, fossil fuel shall have the same definition as in section 1-103 of the energy law;
 - (e) has a situs in this state; and
- certificate of eligibility is issued to the business enterprise.
- 18. "Regionally significant project" means (a) a manufacturer creating 26 least ten net new jobs in the state and making significant capital 27 investment in the state; (b) a business creating at least ten net new jobs in agriculture in the state and making significant capital invest-29 ment in the state, (c) a financial services firm, distribution center, 30 or back office operation creating at least one hundred net new jobs in 31 the state and making significant capital investment in the state, (d) a scientific research and development firm creating at least ten net new jobs in the state, and making significant capital investment in the state, (e) a life sciences company creating at least twenty net new jobs 34 in the state and making significant capital investment in the state or 35 (f) an entertainment company creating or obtaining at least two hundred 37 net new jobs in the state and making significant capital investment in 38 the state. Other businesses creating one hundred fifty or more net new jobs in the state and making significant capital investment in the state 40 considered eligible as a regionally significant project by the 41 commissioner as well. A regionally significant project shall not be engaged in the production, transmission, distribution, transportation, storage, sale, purchase, or delivery of fossil fuels. The commissioner 43 shall promulgate regulations pursuant to section three hundred fifty-six 44 45 this article to determine what additional criteria a business must 46 meet to be eligible as a regionally significant project, including, but 47 limited to, whether a business exports a substantial portion of its products or services outside of the state or outside of a metropolitan statistical area or county within the state.

"Research and development expenditures" mean the expenses of the business enterprise that are qualified research expenses under the federal research and development credit under section forty-one of the 3 internal revenue code and are attributable to activities conducted in 5 state. If the federal research and development credit has expired, then the research and development expenditures shall be calculated as if 7 the federal research and development credit structure and definition in effect in federal tax year two thousand nine were still in effect. Research and development expenditures does not include any expenses for 9 10 tangible personal property that directly produces, transmits, distributes, transports, or stores fossil fuels or directly utilizes fossil 12 fuels for the production of on-site energy, including thermal energy, 13 for any purpose.

- 22. "Scientific research and development" means conducting research and experimental development in the physical, engineering, and life sciences, including but not limited to agriculture, animal fiber, electronics, environmental, biology, botany, biotechnology, computers, chemistry, food, fisheries, forests, geology, health, mathematics, medicine, oceanography, pharmacy, physics, plant fiber, veterinary, and other allied subjects. For the purposes of this article, scientific research and development does not include medical or veterinary laboratory testing facilities, or any research that contributes to the production, transmission, distribution, transportation, storage, sale, purchase, or delivery of fossil fuels.
- § 3. Subdivision 7 of section 355 of the economic development law, amended by chapter 494 of the laws of 2022, is amended to read as follows:
- 7. For availability of special excelsior jobs program rates governing the provision of [gas or] electric service, see subdivision twelve-d of section sixty-six of the public service law. Such special excelsior jobs program rates may remain available to participants as defined in this 32 article for a period of up to ten years commencing in the first taxable 33 year that the participant receives a certificate of tax credit, or the first taxable year listed on its preliminary schedule of benefits, 35 whichever is later. Notwithstanding any other provision of this section, such special excelsior job program rates shall remain available to a Green CHIPS project which enters into a phase two of such project for the entirety of both of its schedules of benefits. Provided however, a participant is removed from the excelsior jobs program pursuant to this article, the excelsior jobs program rates may be denied.
- § 4. Subdivision 12-d of section 66 of the public service law, 41 42 added by section 8 of part G of chapter 61 of the laws of 2011, is 43 amended to read as follows:
 - 12-d. Notwithstanding any other provision of law, upon application of [a gas or] an electric corporation, the commission shall authorize such corporation to charge a special excelsior jobs program rate equal to the incremental cost of providing electric service to participants in the excelsior jobs program as defined in article seventeen of the economic development law.
 - § 5. Subdivision 2 of section 433 of the economic development law, added by section 1 of part A of chapter 68 of the laws of 2013, is amended to read as follows:
- 53 2. The following types of businesses are prohibited from participating 54 in the START-UP NY program.
 - (a) retail and wholesale businesses;
 - (b) restaurants;

 - § 6. Subparagraph (i) of paragraph (b) of subdivision 1 of section 210-B of the tax law, as amended by section 2 of part P of chapter 59 of the laws of 2017, is amended to read as follows:
- 24 (i) A credit shall be allowed under this subdivision with respect to 25 tangible personal property and other tangible property, including build-26 ings and structural components of buildings, which are: depreciable 27 pursuant to section one hundred sixty-seven of the internal revenue 28 code, have a useful life of four years or more, are acquired by purchase as defined in section one hundred seventy-nine (d) of the internal 29 revenue code, have a situs in this state and are (A) principally used by 30 31 the taxpayer in the production of goods by manufacturing, processing, 32 assembling, refining, mining, extracting, farming, agriculture, horti-33 culture, floriculture, viticulture or commercial fishing, (B) industrial 34 waste treatment facilities or air pollution control facilities, used in the taxpayer's trade or business, (C) research and development property, 35 36 or (D) principally used in the ordinary course of the taxpayer's trade 37 or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering 39 into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred 40 seventy-five (c)(2) of the Internal Revenue Code, or of commodities as 41 42 defined in section four hundred seventy-five (e) of the Internal Revenue 43 Code, (E) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regu-45 lated investment company as defined in section eight hundred fifty-one 46 of the Internal Revenue Code, or lending, loan arrangement or loan orig-47 ination services to customers in connection with the purchase or sale 48 (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities 49 as defined in section four hundred seventy-five (c)(2) of the Internal 50 51 Revenue Code, (F) principally used in the ordinary course of the taxpayer's business as an exchange registered as a national securities 52 exchange within the meaning of sections 3(a)(1) and 6(a) of the Securi-53 ties Exchange Act of 1934 or a board of trade as defined in subparagraph 55 one of paragraph (a) of section fourteen hundred ten of the not-for-pro-56 fit corporation law or as an entity that is wholly owned by one or more

such national securities exchanges or boards of trade and that provides automation or technical services thereto, or (G) principally used as a qualified film production facility including qualified film production facilities having a situs in an empire zone designated as such pursuant 5 to article eighteen-B of the general municipal law, where the taxpayer is providing three or more services to any qualified film production 7 company using the facility, including such services as a studio lighting grid, lighting and grip equipment, multi-line phone service, broadband 9 information technology access, industrial scale electrical capacity, 10 food services, security services, and heating, ventilation and air 11 conditioning. For purposes of clauses (D), (E) and (F) of this subpara-12 graph, property purchased by a taxpayer affiliated with a regulated broker, dealer, registered investment advisor, national securities 13 14 exchange or board of trade, is allowed a credit under this subdivision 15 the property is used by its affiliated regulated broker, dealer, 16 registered investment advisor, national securities exchange or board of 17 trade in accordance with this subdivision. For purposes of determining 18 if the property is principally used in qualifying uses, the uses by the taxpayer described in clauses (D) and (E) of this subparagraph may be 19 aggregated. In addition, the uses by the taxpayer, its affiliated regu-20 21 lated broker, dealer and registered investment advisor under either or 22 both of those clauses may be aggregated. Provided, however, a taxpayer shall not be allowed the credit provided by clauses (D), (E) and (F) of 23 24 this subparagraph unless the property is first placed in service before first, two thousand fifteen and (i) eighty percent or more of 25 October 26 employees performing the administrative and support functions 27 resulting from or related to the qualifying uses of such equipment are 28 located in this state or (ii) the average number of employees that 29 perform the administrative and support functions resulting from or related to the qualifying uses of such equipment and are located in this 30 31 state during the taxable year for which the credit is claimed is equal 32 or greater than ninety-five percent of the average number of employ-33 ees that perform these functions and are located in this state during 34 the thirty-six months immediately preceding the year for which the cred-35 is claimed, or (iii) the number of employees located in this state 36 during the taxable year for which the credit is claimed is equal to or 37 greater than ninety percent of the number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the 39 taxpayer was not a calendar year taxpayer in nineteen hundred ninetyeight, the last day of its first taxable year ending after December 40 thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes 41 42 subject to tax in this state after the taxable year beginning in nine-43 teen hundred ninety-eight, then the taxpayer is not required to satisfy 44 employment test provided in the preceding sentence of this subpara-45 graph for its first taxable year. For purposes of clause (iii) of this 46 subparagraph the employment test will be based on the number of employ-47 ees located in this state on the last day of the first taxable year the 48 taxpayer is subject to tax in this state. If the uses of the property must be aggregated to determine whether the property is principally used 49 in qualifying uses, then either each affiliate using the property must 50 51 satisfy this employment test or this employment test must be satisfied 52 through the aggregation of the employees of the taxpayer, its affiliated 53 regulated broker, dealer, and registered investment adviser using the property. For purposes of clause (A) of this subparagraph, tangible personal property and other tangible property shall not include property 56 principally used by the taxpayer in the production or distribution of

For purposes of this subdivision, tangible personal property and other tangible property does not include property that directly produces, transmits, distributes, transports, or stores fossil fuels as defined in section 1-103 of the energy law, or directly utilizes fossil fuels for the production of on-site energy, including thermal energy, for any purpose.

- § 7. Subdivision (m) of section 301-a of the tax law, as added by section 20 of part K of chapter 61 of the laws of 2011, is amended to read as follows:
- (m) Special rate adjustment for certain vessels. Notwithstanding any provision of this section to the contrary, the use of non-highway diesel motor fuel in the engine of a vessel to propel such vessel shall be subject to tax at the motor fuel and highway diesel motor fuel rate provided for in this section, and shall be subject to the provisions of section three hundred one-j of this article, including the adjustment set forth in paragraph [four] three of subdivision (a) of such section three hundred one-j. A credit or refund shall be available to the extent tax paid on gallonage used to propel any such vessel exceeds the amount of tax due based on the tax rate set forth herein. Provided, however, that the commissioner shall require such documentary proof to qualify for any credit or reimbursement provided hereunder as the commissioner deems appropriate.

§ 10. The subdivision heading and paragraph 1 of subdivision (c) of section 301-b of the tax law, as added by chapter 190 of the laws of 1990, are amended to read as follows:

Sales to [New York state and] the federal government. (1) Motor fuel imported or caused to be imported into this state or produced, refined, manufactured or compounded in this state by a petroleum business registered under article twelve-A of this chapter, as a distributor of motor fuel, and then sold by such petroleum business to an organization described in paragraph $[\frac{\mathsf{one}\ \mathsf{or}}{\mathsf{or}}]$ two of subdivision (a) of section eleven hundred sixteen of this chapter where such motor fuel is used by such organization for its own use or consumption.

11. The opening paragraph and subdivisions (a) and (b) of section 301-c of the tax law, the opening paragraph as amended by section 2 of part T of chapter 59 of the laws of 2022, subdivision (a) as amended by section 23 of part K of chapter 61 of the laws of 2011, and subdivision (b) as amended by chapter 330 of the laws of 1991, are amended to read as follows:

A subsequent purchaser shall be eligible for reimbursement of tax with respect to the following gallonage, subsequently sold by such purchaser in accordance with subdivision (a), (b), (e), (h), $[\frac{(j), (k), (n)}{(n)}]$ (o) (i), (k) or (1) of this section or used by such purchaser in accordance with subdivision (c), (d), (f), (g), $\left(\frac{(i), (1), (m)}{m}\right)$ (j) or (q) of this section, which gallonage has been included in the measure of the tax imposed by this article on a petroleum business:

(a) [Non-highway Diesel motor fuel used for heating purposes. Total residential heating reimbursement. Non-highway Diesel motor fuel purchased in this state and sold by such purchaser to a consumer for use exclusively for residential heating purposes but only where (i) such non-highway diesel motor fuel is delivered into a storage tank which is not equipped with a hose or other apparatus by which such non-highway Diesel motor fuel can be dispensed into the fuel tank of a motor vehicle and such storage tank is attached to the heating unit burning such nonhighway Diesel motor fuel, (ii) the tax imposed pursuant to this article has been paid with respect to such non-highway diesel motor fuel and the entire amount of such tax has been absorbed by such purchaser, and (iii) such purchaser possesses documentary proof satisfactory to the commissioner evidencing the absorption by it of the entire amount of the tax imposed pursuant to this article. Provided, however, that the commissioner is authorized, in the event that the commissioner determines that it would not threaten the integrity of the administration and enforcement of the tax imposed by this article, to provide a reimbursement with respect to a retail sale to a consumer for residential heating purposes less than ten gallons of non-highway diesel motor fuel provided such fuel is not dispensed into the tank of a motor vehicle.

[(2) Partial non-residential heating reimbursement. (A) Non-highway Diesel motor fuel purchased in this state and sold by such purchaser to a consumer for use exclusively for heating, other than for residential heating purposes, but only where (i) such non-highway diesel motor fuel is delivered into a storage tank which is not equipped with a hose or other apparatus by which such non-highway Diesel motor fuel can be dispensed into the fuel tank of a motor vehicle and such storage tank is attached to the heating unit burning such non-highway Diesel motor fuel, (ii) the tax imposed purguant to this article has been paid with respect 54 to such non-highway diesel motor fuel and the entire amount of such tax 55 has been absorbed by such purchaser, and (iii) such purchaser possesses 56 documentary proof satisfactory to the commissioner evidencing the

- § 13. Subdivisions (k), (m), (n), (o) and (p) of section 301-c of the tax law are relettered subdivisions (i), (j), (k), (l) and (m).
 - § 14. Section 301-d of the tax law is REPEALED.
 - § 15. Subdivision (f) of section 301-e of the tax law is REPEALED.
- § 16. Subdivision (a) of section 301-j of the tax law, as amended by chapter 309 of the laws of 1996, paragraphs 1, 2, 3 and 4 as amended by section 29 of part K of chapter 61 of the laws of 2011, is amended to read as follows:
- Imposition of tax. (1) In addition to the taxes imposed by sections three hundred one-a and three hundred one-e of this article, there is hereby imposed upon every petroleum business subject to tax imposed under section three hundred one-a of this article and every aviation fuel business subject to the aviation gasoline component of the tax imposed under section three hundred one-e of this article, a supple-55 mental monthly tax for each or any part of a taxable month at a rate of 56 six and eight-tenths cents per gallon with respect to the products

included in each component of the taxes imposed by such section three hundred one-a and the aviation gasoline component of the tax imposed by such section three hundred one-e of this article.

- [Provided, however, "commercial gallonage," defined in subdivision (k) of section three hundred of this article, shall be exempt from the measure of the tax imposed under this section.
- (3) Provided, further, "railroad diesel," as such term is defined in subdivision (1) of section three hundred of this article, shall be exempt from the measure of the tax imposed under this section.
- (3) Provided, further, a separate per gallon rate shall apply with respect to highway diesel motor fuel. Such rate shall be determined by taking the adjusted rate per gallon of tax imposed under paragraph one of this subdivision as adjusted in accordance with paragraph [five] four of this subdivision and subtracting therefrom one and three-quarters cents. Commencing January first, two thousand twelve, and each January thereafter, the per gallon rate applicable to highway diesel motor fuel shall be the adjusted rate under paragraph one of this subdivision as adjusted in accordance with paragraph [five] four of this subdivision which commences on such date minus one and three-quarters cents. The resulting rate under this paragraph shall be expressed in hundredths of a cent.
- $[\frac{(5)}{(1)}]$ (4) Except as herein provided, the tax imposed under this section shall be calculated in the same respective manner as the taxes imposed by section three hundred one-a and section three hundred one-e this article. Except [for section three hundred one-d and except] as otherwise provided in this section, all the provisions of this article applicable to the taxes imposed by sections three hundred one-a and three hundred one-e of this article, shall apply with respect to the supplemental tax imposed by this section to the same extent as if it were respectively imposed by such sections.
- § 17. Subparagraph (A) of paragraph 2 of subsection (a) of section 606 of the tax law, as amended by section 3 of part P of chapter 59 of the laws of 2017, is amended to read as follows:
- (A) A credit shall be allowed under this subsection with respect to tangible personal property and other tangible property, including buildings and structural components of buildings, which are: depreciable pursuant to section one hundred sixty-seven of the internal revenue code, have a useful life of four years or more, are acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code, have a situs in this state and are (i) principally used by the taxpayer in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing, (ii) industrial waste treatment facilities or air pollution control facilities, used in the taxpayer's trade or business, (iii) research and development property, (iv) principally used in the ordinary course of the taxpayer's trade or business as a broker or dealer in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of stocks, bonds or other securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, or of commodities as defined in section 475(e) of the Internal Revenue Code, (v) principally used in the ordinary course of the taxpayer's trade or business of providing investment advisory services for a regulated investment compa-55 ny as defined in section eight hundred fifty-one of the Internal Revenue 56 Code, or lending, loan arrangement or loan origination services to

customers in connection with the purchase or sale (which shall include but not be limited to the issuance, entering into, assumption, offset, assignment, termination, or transfer) of securities as defined in section four hundred seventy-five (c)(2) of the Internal Revenue Code, 5 or (vi) principally used as a qualified film production facility including qualified film production facilities having a situs in an empire 7 zone designated as such pursuant to article eighteen-B of the general municipal law, where the taxpayer is providing three or more services to 9 any qualified film production company using the facility, including such 10 services as a studio lighting grid, lighting and grip equipment, 11 line phone service, broadband information technology access, industrial 12 scale electrical capacity, food services, security services, and heating, ventilation and air conditioning. For purposes of clauses (iv) and 13 14 (v) of this subparagraph, property purchased by a taxpayer affiliated 15 with a regulated broker, dealer, or registered investment adviser is 16 allowed a credit under this subsection if the property is used by its 17 affiliated regulated broker, dealer or registered investment adviser in accordance with this subsection. For purposes of determining if the 18 19 property is principally used in qualifying uses, the uses by the taxpay-20 described in clauses (iv) and (v) of this subparagraph may be aggre-21 gated. In addition, the uses by the taxpayer, its affiliated regulated broker, dealer and registered investment adviser under either or both of 23 those clauses may be aggregated. Provided, however, a taxpayer shall not 24 be allowed the credit provided by clauses (iv) and (v) of this subpara-25 graph unless (I) eighty percent or more of the employees performing the 26 administrative and support functions resulting from or related to the 27 qualifying uses of such equipment are located in this state, or (II) the 28 average number of employees that perform the administrative and support 29 functions resulting from or related to the qualifying uses of such equipment and are located in this state during the taxable year for 30 31 which the credit is claimed is equal to or greater than ninety-five 32 percent of the average number of employees that perform these functions 33 and are located in this state during the thirty-six months immediately 34 preceding the year for which the credit is claimed, or (III) the number 35 of employees located in this state during the taxable year for which the 36 credit is claimed is equal to or greater than ninety percent of the 37 number of employees located in this state on December thirty-first, nineteen hundred ninety-eight or, if the taxpayer was not a calendar 39 year taxpayer in nineteen hundred ninety-eight, the last day of its 40 first taxable year ending after December thirty-first, nineteen hundred ninety-eight. If the taxpayer becomes subject to tax in this state after 41 the taxable year beginning in nineteen hundred ninety-eight, then the 42 43 taxpayer is not required to satisfy the employment test provided in the preceding sentence of this subparagraph for its first taxable year. 45 the purposes of clause (III) of this subparagraph the employment test 46 will be based on the number of employees located in this state on the 47 last day of the first taxable year the taxpayer is subject to tax in 48 this state. If the uses of the property must be aggregated to determine whether the property is principally used in qualifying uses, then either 49 each affiliate using the property must satisfy this employment test or 50 51 this employment test must be satisfied through the aggregation of the 52 employees of the taxpayer, its affiliated regulated broker, dealer, and 53 registered investment adviser using the property. For purposes of clause (i) of this subparagraph, tangible personal property and other tangible property shall not include property principally used by the taxpayer in 55 56 the production or distribution of electricity, natural gas after

extraction from wells, steam, or water delivered through pipes and mains. For purposes of this subsection, tangible personal property and other tangible property does not include property that directly productes, transmits, distributes, transports, or stores fossil fuels as defined in section 1-103 of the energy law, or directly utilizes fossil fuels for the production of on-site energy, including thermal energy, for any purpose.

- § 18. Paragraph 3 of subdivision (b) of section 21 of the tax law, as amended by chapter 420 of the laws of 2006, clause (i) of subparagraph (B) as amended by section 22 of part BB of chapter 56 of the laws of 2015, is amended to read as follows:
- (3) Qualified tangible property. "Qualified tangible property" is property described in either subparagraph (A) or (B) and subparagraph (C) of this paragraph which:
- (A) (i) is depreciable pursuant to section one hundred sixty-seven of the internal revenue code,
 - (ii) has a useful life of four years or more,
- (iii) has been acquired by purchase as defined in section one hundred seventy-nine (d) of the internal revenue code,
 - (iv) has a situs on a qualified site in this state, and
- (v) is principally used by the taxpayer for industrial, commercial, recreational or environmental conservation purposes (including the commercial development of residential housing); or
- (B) (i) is, or when occupied becomes, part of a dwelling whose primary ownership structure is covered under either article nine-B of the real property law or meets the requirements of section 216 (b)(1) of the Internal Revenue Code or is part of an affordable housing project as defined in subdivision twenty-nine of section 27-1405 of the environmental conservation law, where units are sold as single family homes or multiple family dwellings;
- (ii) has been acquired by purchase (as defined in section one hundred seventy-nine (d) of the Internal Revenue Code);
 - (iii) has a situs on a qualified site in this state; and
- (iv) for purposes of this subparagraph only, and notwithstanding any other section of law to the contrary, property qualifying under this subparagraph shall be deemed to be qualified tangible property for the purposes of paragraph one of subdivision (d) of this section; and in addition, for the purposes of this subdivision only, property qualifying under this subparagraph shall be deemed to have been placed in service for the purposes of paragraph three of subdivision (a) of this section when a certificate of occupancy is issued for such property; and
- (C) does not directly produce, transmit, distribute, transport, or store fossil fuels as defined in section 1-103 of the energy law, or directly utilize fossil fuels for the production of on-site energy, including thermal energy, for any purpose.
- § 19. Subdivision 26 of section 210-B of the tax law is amended by adding a new paragraph (g) to read as follows:
- 48 (g) For purposes of this subdivision, "qualified rehabilitation
 49 expenditures" does not include expenditures for property that directly
 50 produces, transmits, distributes, transports, or stores fossil fuels as
 51 defined in section 1-103 of the energy law, or directly utilizes fossil
 52 fuels for the production of on-site energy, including thermal energy,
 53 for any purpose.
- § 20. Subparagraphs (ix) and (x) of paragraph 3 and paragraph 5 of subdivision (c) of section 1105 of the tax law, subparagraph (ix) of paragraph 3 as added by chapter 395 of the laws of 1998, subparagraph

- 29. Paragraph 1 of subdivision (f) of section 301-b of the tax law, as amended by section 21 of part K of chapter 61 of the laws of 2011, is amended to read as follows:
- (1) Residual petroleum product and non-highway diesel motor fuel sold to an electric corporation, [as described in subdivision (a) of section three hundred one-d of this article, as defined in subdivision thirteen of section two of the public service law, subject to the supervision of the department of public service, which is registered with the department as a petroleum business tax direct pay permittee, and used by such electric corporation to fuel generators for the purpose of manufacturing or producing electricity where such electric corporation provides a copy of a direct pay permit authorized and issued by the commissioner, to the petroleum business making such sale. If so registered, such corporation shall be a taxpayer under this article and (i) such electric corporation shall file a return monthly and pay the applicable tax under this article, after the application of allowable credits, on all such purchases directly to the commissioner, (ii) such electric corporation shall be subject to all of the provisions of this article relating to the responsibilities and liabilities of taxpayers under this article with respect to such residual petroleum product and non-highway diesel motor fuel.
- § 30. Subdivision (y) of section 1511 of the tax law, as added by chapter 472 of the laws of 2010, is amended by adding a new paragraph 7 to read as follows:
- (7) For purposes of this subdivision, "qualified rehabilitation expenditures does not include expenditures for property that directly produces, transmits, distributes, transports, or stores fossil fuels as defined in section 1-103 of the energy law, or directly utilizes fossil fuels for the production of on-site energy, including thermal energy, for any purpose.
- § 31. Paragraph (c) of subdivision 1 of section 3102-e of the public authorities law, as added by section 31 of part A of chapter 56 of the laws of 1998, is amended to read as follows:
- "Qualified emerging technology company" shall mean a company located in New York state: (1) whose primary products or services are classified as emerging technologies and whose total annual product sales are ten million dollars or less; or (2) a company which has research and development activities in New York state and whose ratio of research and development funds to net sales equals or exceeds the average ratio for all surveyed companies classified as determined by the National Science Foundation in the most recent published results from its Survey of Industry Research and Development, or any comparable successor survey as determined by the department, and whose total annual product sales are ten million dollars or less. Qualified emerging technology company shall not include a company engaged in the production, transmission, distribution, transportation, or storage of fossil fuels as defined in section 1-103 of the energy law.

The definition of "research and development funds" shall be the same 52 as that used by the National Science Foundation in the aforementioned survey.

(vi) for taxable years beginning on or after January first, two thousand fourteen, the amount prescribed by this paragraph for a taxpayer that is a qualified New York manufacturer, shall be computed at the rate 3 zero percent of the taxpayer's business income base. The term 4 5 "manufacturer" shall mean a taxpayer that during the taxable year is principally engaged in the production of goods by manufacturing, proc-7 essing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing. However, 9 generation and distribution of electricity, the distribution of 10 natural gas, [and] the production of steam associated with the gener-11 ation of electricity, and the production, transmission, distribution, 12 transportation, or storage of fossil fuels as defined in section 1-103 of the energy law shall not be qualifying activities for a manufacturer 13 14 under this subparagraph. Moreover, in the case of a combined report, the 15 combined group shall be considered a "manufacturer" for purposes of this 16 subparagraph only if the combined group during the taxable year is prin-17 cipally engaged in the activities set forth in this paragraph, or any combination thereof. A taxpayer or, in the case of a combined report, a 18 combined group shall be "principally engaged" in activities described 19 above if, during the taxable year, more than fifty percent of the gross 20 21 receipts of the taxpayer or combined group, respectively, are derived 22 from receipts from the sale of goods produced by such activities. In 23 computing a combined group's gross receipts, intercorporate receipts shall be eliminated. A "qualified New York manufacturer" is a manufac-24 25 turer that has property in New York that is described in clause (A) 26 subparagraph (i) of paragraph (b) of subdivision one of section two 27 hundred ten-B of this article and either (I) the adjusted basis of such 28 property for New York state tax purposes at the close of the taxable 29 year is at least one million dollars or (II) all of its real and personal property is located in New York. A taxpayer or, in the case of 30 31 a combined report, a combined group, that does not satisfy the princi-32 pally engaged test may be a qualified New York manufacturer if the 33 taxpayer or the combined group employs during the taxable year at least 34 two thousand five hundred employees in manufacturing in New York and the 35 taxpayer or the combined group has property in the state used in manu-36 facturing, the adjusted basis of which for New York state tax purposes 37 the close of the taxable year is at least one hundred million 38 dollars.

§ 33. Subparagraph 2 of paragraph (b) of subdivision 1 of section 210 of the tax law, as amended by section 2 of part D of chapter 59 of the laws of 2019, is amended to read as follows:

(2) For purposes of subparagraph one of this paragraph, the term "manufacturer" shall mean a taxpayer that during the taxable year is principally engaged in the production of goods by manufacturing, processing, assembling, refining, mining, extracting, farming, agriculture, horticulture, floriculture, viticulture or commercial fishing; provided, however, the production, transmission, distribution, transportation, or storage of fossil fuels as defined in section 1-103 of the energy law shall not be qualifying activities for a manufacturer under this subparagraph. Moreover, for purposes of computing the capital base in a combined report, the combined group shall be considered a "manufacturer" for purposes of this subparagraph only if the combined group during the taxable year is principally engaged in the activities set forth in this subparagraph, or any combination thereof. A taxpayer or, in the case of a combined report, a combined group shall be "principally engaged" 56 activities described above if, during the taxable year, more than fifty
