30 l. Matters specifically exempted from disclosure to the public by
31 federal or Member State law; or

32 m. Other matters as promulgated by the Commission by Rule.

33 5. If a meeting, or portion of a meeting, is closed, the presiding
34 officer shall state that the meeting will be closed and reference each
35 relevant exempting provision, and such reference shall be recorded in
36 the minutes.

37 6. The Commission shall keep minutes that fully and clearly describe
38 all matters discussed in a meeting and shall provide a full and accurate
39 summary of actions taken, and the reasons therefore, including a
40 description of the views expressed. All documents considered in
41 connection with an action shall be identified in such minutes. All
42 minutes and documents of a closed meeting shall remain under seal,
43 subject to release only by a majority vote of the Commission or order of
44 a court of competent jurisdiction.

45 G. Financing of the Commission

46 1. The Commission shall pay, or provide for the payment of, the
47 reasonable expenses of its establishment, organization, and ongoing
48 activities.

49 2. The Commission may accept any and all appropriate sources of reven-
50 ue, donations, and grants of money, equipment, supplies, materials, and
51 services.

52 3. The Commission may levy on and collect an annual assessment from
53 each Member State and impose fees on Licensees of Member States to whom
54 it grants a Multistate License to cover the cost of the operations and
55 activities of the Commission and its staff, which must be in a total
56 amount sufficient to cover its annual budget as approved each year for

1 which revenue is not provided by other sources. The aggregate annual
2 assessment amount for Member States shall be allocated based upon a
3 formula that the Commission shall promulgate by Rule.

4 4. The Commission shall not incur obligations of any kind prior to
5 securing the funds adequate to meet the same; nor shall the Commission
6 pledge the credit of any Member States, except by and with the authority
7 of the Member State.

8 5. The Commission shall keep accurate accounts of all receipts and
9 disbursements. The receipts and disbursements of the Commission shall be
10 subject to the financial review and accounting procedures established
11 under its bylaws. All receipts and disbursements of funds handled by the
12 Commission shall be subject to an annual financial review by a certified
13 or licensed public accountant, and the report of the financial review
14 shall be included in and become part of the annual report of the Commis-
15 sion.

16 H. Qualified Immunity, Defense, and Indemnification

17 1. The members, officers, executive director, employees and represen-
18 tatives of the Commission shall be immune from suit and liability, both
19 personally and in their official capacity, for any claim for damage to
20 or loss of property or personal injury or other civil liability caused
21 by or arising out of any actual or alleged act, error, or omission that
22 occurred, or that the person against whom the claim is made had a
23 reasonable basis for believing occurred within the scope of Commission
24 employment, duties or responsibilities; provided that nothing in this
25 paragraph shall be construed to protect any such person from suit or
26 liability for any damage, loss, injury, or liability caused by the
27 intentional or willful or wanton misconduct of that person. The
28 procurement of insurance of any type by the Commission shall not in any
29 way compromise or limit the immunity granted hereunder.

30 2. The Commission shall defend any member, officer, executive direc-
31 tor, employee, and representative of the Commission in any civil action
32 seeking to impose liability arising out of any actual or alleged act,
33 error, or omission that occurred within the scope of Commission employ-
34 ment, duties, or responsibilities, or as determined by the Commission
35 that the person against whom the claim is made had a reasonable basis
36 for believing occurred within the scope of Commission employment,
37 duties, or responsibilities; provided that nothing herein shall be
38 construed to prohibit that person from retaining their own counsel at
39 their own expense; and provided further, that the actual or alleged act,
40 error, or omission did not result from that person's intentional or
41 willful or wanton misconduct.

42 3. The Commission shall indemnify and hold harmless any member, offi-
43 cer, executive director, employee, and representative of the Commission
44 for the amount of any settlement or judgment obtained against that
45 person arising out of any actual or alleged act, error, or omission that
46 occurred within the scope of Commission employment, duties, or responsi-
47 bilities, or that such person had a reasonable basis for believing
48 occurred within the scope of Commission employment, duties, or responsi-
49 bilities, provided that the actual or alleged act, error, or omission
50 did not result from the intentional or willful or wanton misconduct of
51 that person.

52 4. Nothing herein shall be construed as a limitation on the liability
53 of any Licensee for professional malpractice or misconduct, which shall
54 be governed solely by any other applicable State laws.

55 5. Nothing in this Compact shall be interpreted to waive or otherwise
56 abrogate a Member State's State action immunity or State action affirma-

1 tive defense with respect to antitrust claims under the Sherman Act,
2 Clayton Act, or any other State or federal antitrust or anticompetitive
3 law or regulation.

4 6. Nothing in this Compact shall be construed to be a waiver of sover-
5 eign immunity by the Member States or by the Commission.

6 ARTICLE 9 - DATA SYSTEM

7 A. The Commission shall provide for the development, maintenance,
8 operation, and utilization of a coordinated database and reporting
9 system.

10 B. The Commission shall assign each applicant for a Multistate License
11 a unique identifier, as determined by the Rules of the Commission.

12 C. Notwithstanding any other provision of State law to the contrary, a
13 Member State shall submit a uniform data set to the Data System on all
14 individuals to whom this Compact is applicable as required by the Rules
15 of the Commission, including:

16 1. Identifying information;

17 2. Licensure data;

18 3. Adverse Actions against a license and information related thereto;

19 4. Non-confidential information related to Alternative Program partic-
20 ipation, the beginning and ending dates of such participation, and other
21 information related to such participation;

22 5. Any denial of application for licensure, and the reason(s) for such
23 denial (excluding the reporting of any criminal history record informa-
24 tion where prohibited by law);

25 6. The existence of Investigative Information;

26 7. The existence presence of Current Significant Investigative Infor-
27 mation; and

28 8. Other information that may facilitate the administration of this
29 Compact or the protection of the public, as determined by the Rules of
30 the Commission.

31 D. The records and information provided to a Member State pursuant to
32 this Compact or through the Data System, when certified by the Commis-
33 sion or an agent thereof, shall constitute the authenticated business
34 records of the Commission, and shall be entitled to any associated hear-
35 say exception in any relevant judicial, quasi-judicial or administrative
36 proceedings in a Member State.

37 E. The existence of Current Significant Investigative Information and
38 the existence of Investigative Information pertaining to a Licensee in
39 any Member State will only be available to other Member States.

40 F. It is the responsibility of the Member States to report any Adverse
41 Action against a Licensee who holds a Multistate License and to monitor
42 the database to determine whether Adverse Action has been taken against
43 such a Licensee or License applicant. Adverse Action information
44 pertaining to a Licensee or License applicant in any Member State will
45 be available to any other Member State.

46 G. Member States contributing information to the Data System may
47 designate information that may not be shared with the public without the
48 express permission of the contributing State.

49 H. Any information submitted to the Data System that is subsequently
50 expunged pursuant to federal law or the laws of the Member State
51 contributing the information shall be removed from the Data System.

52 ARTICLE 10 - RULEMAKING

53 A. The Commission shall promulgate reasonable Rules in order to effec-
54 tively and efficiently implement and administer the purposes and
55 provisions of the Compact. A Rule shall be invalid and have no force or
56 effect only if a court of competent jurisdiction holds that the Rule is

1 invalid because the Commission exercised its rulemaking authority in a
2 manner that is beyond the scope and purposes of the Compact, or the
3 powers granted hereunder, or based upon another applicable standard of
4 review.

5 B. The Rules of the Commission shall have the force of law in each
6 Member State, provided however that where the Rules of the Commission
7 conflict with the laws of the Member State that establish the Member
8 State's scope of practice as held by a court of competent jurisdiction,
9 the Rules of the Commission shall be ineffective in that State to the
10 extent of the conflict.

11 C. The Commission shall exercise its Rulemaking powers pursuant to the
12 criteria set forth in this article and the Rules adopted thereunder.
13 Rules shall become binding as of the date specified by the Commission
14 for each Rule.

15 D. If a majority of the legislatures of the Member States rejects a
16 Rule or portion of a Rule, by enactment of a statute or resolution in
17 the same manner used to adopt the Compact within four (4) years of the
18 date of adoption of the Rule, then such Rule shall have no further force
19 and effect in any Member State or to any State applying to participate
20 in the Compact.

21 E. Rules shall be adopted at a regular or special meeting of the
22 Commission.

23 F. Prior to adoption of a proposed Rule, the Commission shall hold a
24 public hearing and allow persons to provide oral and written comments,
25 data, facts, opinions, and arguments.

26 G. Prior to adoption of a proposed Rule by the Commission, and at
27 least thirty (30) days in advance of the meeting at which the Commission
28 will hold a public hearing on the proposed Rule, the Commission shall
29 provide a Notice of Proposed Rulemaking:

30 1. On the website of the Commission or other publicly accessible plat-
31 form;

32 2. To persons who have requested notice of the Commission's notices of
33 proposed rulemaking, and

34 3. In such other way(s) as the Commission may by Rule specify.

35 H. The Notice of Proposed Rulemaking shall include:

36 1. The time, date, and location of the public hearing at which the
37 Commission will hear public comments on the proposed Rule and, if
38 different, the time, date, and location of the meeting where the Commis-
39 sion will consider and vote on the proposed Rule;

40 2. If the hearing is held via telecommunication, video conference, or
41 other electronic means, the Commission shall include the mechanism for
42 access to the hearing in the Notice of Proposed Rulemaking;

43 3. The text of the proposed Rule and the reason therefor;

44 4. A request for comments on the proposed Rule from any interested
45 person; and

46 5. The manner in which interested persons may submit written comments.

47 I. All hearings will be recorded. A copy of the recording and all
48 written comments and documents received by the Commission in response to
49 the proposed Rule shall be available to the public.

50 J. Nothing in this article shall be construed as requiring a separate
51 hearing on each Rule. Rules may be grouped for the convenience of the
52 Commission at hearings required by this article.

53 K. The Commission shall, by majority vote of all Commissioners, take
54 final action on the proposed Rule based on the Rulemaking record.

55 1. The Commission may adopt changes to the proposed Rule provided the
56 changes do not enlarge the original purpose of the proposed Rule.

2. The Commission shall provide an explanation of the reasons for substantive changes made to the proposed Rule as well as reasons for substantive changes not made that were recommended by commenters.

3. The Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in subsection L, the effective date of the Rule shall be no sooner than thirty (30) days after the Commission issuing the notice that it adopted or amended the Rule.

L. Upon determination that an emergency exists, the Commission may consider and adopt an emergency Rule with 24 hours notice, provided that the usual Rulemaking procedures provided in the Compact and in this article shall be retroactively applied to the Rule as soon as reasonably possible, in no event later than ninety (90) days after the effective date of the Rule. For the purposes of this provision, an emergency Rule is one that must be adopted immediately to:

1. Meet an imminent threat to public health, safety, or welfare;

2. Prevent a loss of Commission or Member State funds;

3. Meet a deadline for the promulgation of a Rule that is established by federal law or rule; or

4. Protect public health and safety.

M. The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made in writing and delivered to the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

N. No Member State's rulemaking requirements shall apply under this Compact.

ARTICLE 11 - OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

A. Oversight

1. The executive and judicial branches of State government in each Member State shall enforce this Compact and take all actions necessary and appropriate to implement the Compact.

2. Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a Licensee for professional malpractice, misconduct or any such similar matter.

3. The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission service of process shall render a judgment or order void as to the Commission, this Compact, or promulgated Rules.

B. Default, Technical Assistance, and Termination

1. If the Commission determines that a Member State has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated Rules, the Commission shall provide written

1 notice to the defaulting State. The notice of default shall describe the
2 default, the proposed means of curing the default, and any other action
3 that the Commission may take, and shall offer training and specific
4 technical assistance regarding the default.

5 2. The Commission shall provide a copy of the notice of default to the
6 other Member States.

7 C. If a State in default fails to cure the default, the defaulting
8 State may be terminated from the Compact upon an affirmative vote of a
9 majority of the delegates of the Member States, and all rights, privi-
10 leges and benefits conferred on that State by this Compact may be termi-
11 nated on the effective date of termination. A cure of the default does
12 not relieve the offending State of obligations or liabilities incurred
13 during the period of default.

14 D. Termination of membership in the Compact shall be imposed only
15 after all other means of securing compliance have been exhausted. Notice
16 of intent to suspend or terminate shall be given by the Commission to
17 the governor, the majority and minority leaders of the defaulting
18 State's legislature, the defaulting State's State Licensing Authority
19 and each of the Member States' State Licensing Authority.

20 E. A State that has been terminated is responsible for all assess-
21 ments, obligations, and liabilities incurred through the effective date
22 of termination, including obligations that extend beyond the effective
23 date of termination.

24 F. Upon the termination of a State's membership from this Compact,
25 that State shall immediately provide notice to all Licensees who hold a
26 Multistate License within that State of such termination. The terminated
27 State shall continue to recognize all licenses granted pursuant to this
28 Compact for a minimum of one hundred eighty (180) days after the date of
29 said notice of termination.

30 G. The Commission shall not bear any costs related to a State that is
31 found to be in default or that has been terminated from the Compact,
32 unless agreed upon in writing between the Commission and the defaulting
33 State.

34 H. The defaulting State may appeal the action of the Commission by
35 petitioning the U.S. District Court for the District of Columbia or the
36 federal district where the Commission has its principal offices. The
37 prevailing party shall be awarded all costs of such litigation, includ-
38 ing reasonable attorney's fees.

39 I. Dispute Resolution

40 1. Upon request by a Member State, the Commission shall attempt to
41 resolve disputes related to the Compact that arise among Member States
42 and between Member and non-Member States.

43 2. The Commission shall promulgate a Rule providing for both mediation
44 and binding dispute resolution for disputes as appropriate.

45 J. Enforcement

46 1. The Commission, in the reasonable exercise of its discretion, shall
47 enforce the provisions of this Compact and the Commission's Rules.

48 2. By majority vote as provided by Commission Rule, the Commission may
49 initiate legal action against a Member State in default in the United
50 States District Court for the District of Columbia or the federal
51 district where the Commission has its principal offices to enforce
52 compliance with the provisions of the Compact and its promulgated Rules.
53 The relief sought may include both injunctive relief and damages. In the
54 event judicial enforcement is necessary, the prevailing party shall be
55 awarded all costs of such litigation, including reasonable attorney's
56 fees. The remedies herein shall not be the exclusive remedies of the

1 Commission. The Commission may pursue any other remedies available under
2 federal or the defaulting Member State's law.

3 3. A Member State may initiate legal action against the Commission in
4 the U.S. District Court for the District of Columbia or the federal
5 district where the Commission has its principal offices to enforce
6 compliance with the provisions of the Compact and its promulgated Rules.
7 The relief sought may include both injunctive relief and damages. In the
8 event judicial enforcement is necessary, the prevailing party shall be
9 awarded all costs of such litigation, including reasonable attorney's
10 fees.

11 4. No individual or entity other than a Member State may enforce this
12 Compact against the Commission.

13 ARTICLE 12 - EFFECTIVE DATE, WITHDRAWAL, AND AMENDMENT

14 A. The Compact shall come into effect on the date on which the Compact
15 statute is enacted into law in the seventh Member State.

16 1. On or after the effective date of the Compact, the Commission shall
17 convene and review the enactment of each of the Charter Member States to
18 determine if the statute enacted by each such Charter Member State is
19 materially different than the model Compact statute.

20 a. A Charter Member State whose enactment is found to be materially
21 different from the model Compact statute shall be entitled to the
22 default process set forth in Article 11.

23 b. If any Member State is later found to be in default, or is termi-
24 nated or withdraws from the Compact, the Commission shall remain in
25 existence and the Compact shall remain in effect even if the number of
26 Member States should be less than seven (7).

27 2. Member States enacting the Compact subsequent to the Charter Member
28 States shall be subject to the process set forth in Article 8.C.23 to
29 determine if their enactments are materially different from the model
30 Compact statute and whether they qualify for participation in the
31 Compact.

32 3. All actions taken for the benefit of the Commission or in further-
33 ance of the purposes of the administration of the Compact prior to the
34 effective date of the Compact or the Commission coming into existence
35 shall be considered to be actions of the Commission unless specifically
36 repudiated by the Commission.

37 4. Any State that joins the Compact shall be subject to the Commis-
38 sion's Rules and bylaws as they exist on the date on which the Compact
39 becomes law in that State. Any Rule that has been previously adopted by
40 the Commission shall have the full force and effect of law on the day
41 the Compact becomes law in that State.

42 B. Any Member State may withdraw from this Compact by enacting a stat-
43 ute repealing that State's enactment of the Compact.

44 1. A Member State's withdrawal shall not take effect until one hundred
45 eighty (180) days after enactment of the repealing statute.

46 2. Withdrawal shall not affect the continuing requirement of the with-
47 drawing State's Licensing Authority to comply with the investigative and
48 Adverse Action reporting requirements of this Compact prior to the
49 effective date of withdrawal.

50 3. Upon the enactment of a statute withdrawing from this Compact, a
51 State shall immediately provide notice of such withdrawal to all Licen-
52 sees within that State. Notwithstanding any subsequent statutory enact-
53 ment to the contrary, such withdrawing State shall continue to recognize
54 all licenses granted pursuant to this Compact for a minimum of 180 days
55 after the date of such notice of withdrawal.

1 C. Nothing contained in this Compact shall be construed to invalidate
2 or prevent any licensure agreement or other cooperative arrangement
3 between a Member State and a non-Member State that does not conflict
4 with the provisions of this Compact.

5 D. This Compact may be amended by the Member States. No amendment to
6 this Compact shall become effective and binding upon any Member State
7 until it is enacted into the laws of all Member States.

8 ARTICLE 13.- CONSTRUCTION AND SEVERABILITY

9 A. This Compact and the Commission's rulemaking authority shall be
10 liberally construed so as to effectuate the purposes, and the implemen-
11 tation and administration of the Compact. Provisions of the Compact
12 expressly authorizing or requiring the promulgation of Rules shall not
13 be construed to limit the Commission's rulemaking authority solely for
14 those purposes.

15 B. The provisions of this Compact shall be severable and if any
16 phrase, clause, sentence or provision of this Compact is held by a court
17 of competent jurisdiction to be contrary to the constitution of any
18 Member State, a State seeking participation in the Compact, or of the
19 United States, or the applicability thereof to any government, agency,
20 person or circumstance is held to be unconstitutional by a court of
21 competent jurisdiction, the validity of the remainder of this Compact
22 and the applicability thereof to any other government, agency, person or
23 circumstance shall not be affected thereby.

24 C. Notwithstanding subsection B of this article, the Commission may
25 deny a State's participation in the Compact or, in accordance with the
26 requirements of Article 11.B, terminate a Member State's participation
27 in the Compact, if it determines that a constitutional requirement of a
28 Member State is a material departure from the Compact. Otherwise, if
29 this Compact shall be held to be contrary to the constitution of any
30 Member State, the Compact shall remain in full force and effect as to
31 the remaining Member States and in full force and effect as to the
32 Member State affected as to all severable matters.

33 ARTICLE 14. CONSISTENT EFFECT AND CONFLICT WITH OTHER STATE LAWS

34 Nothing herein shall prevent or inhibit the enforcement of any other
35 law of a Member State that is not inconsistent with the Compact. Any
36 laws, statutes, regulations, or other legal requirements in a Member
37 State in conflict with the Compact are superseded to the extent of the
38 conflict. All permissible agreements between the Commission and the
39 Member States are binding in accordance with their terms.

40 § 2. Severability clause. If any clause, sentence, paragraph, subdivi-
41 sion, section or part of this act shall be adjudged by any court of
42 competent jurisdiction to be invalid, such judgment shall not affect,
43 impair, or invalidate the remainder thereof, but shall be confined in
44 its operation to the clause, sentence, paragraph, subdivision, section
45 or part thereof directly involved in the controversy in which such judg-
46 ment shall have been rendered. It is hereby declared to be the intent of
47 the legislature that this act would have been enacted even if such
48 invalid provisions had not been included herein.

49 § 3. This act shall take effect immediately; provided, however, that
50 section one of this act shall take effect as specifically set forth in
51 such section.
