Introduced by M. of A. E. BROWN -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public service law, in relation to street lights

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 70-a of the public service law is amended by adding a new subdivision 1-a to read as follows:

1-a. The commission shall notify any municipality or government entity proposing to acquire title to and transfer ownership of the complete system of street light luminaires or fixtures, all supporting infrastructure, and associated electric circuitry of the health hazards, of the lack of United States Food and Drug Administration regulation of light emitting diodes, "LED", lighting products, and the requirement that municipalities that operate LED street lights are required to publish an Americans with disabilities accommodation plan.

§ 2. This act shall take effect immediately. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
